Subject: Broadcom Update

Last Friday, members of Qualcomm's Board and management team met again with representatives from Broadcom to discuss Broadcom's takeover proposal. After Friday's meeting, Qualcomm's Board, consistent with its commitment and obligation to explore all opportunities to maximize value for stockholders, discussed the meeting and the current state of our engagement with Broadcom. Today we issued a letter in response to our meeting.

Regardless of the next steps, Broadcom is still proposing to replace six members of Qualcomm's Board, which would not be in the best interests of Qualcomm stockholders. To that end, it remains critically important that all employee stockholders vote only the **WHITE** proxy card to support Qualcomm's Board and discard any blue proxy materials you receive from Broadcom. If you have questions about the voting process, please visit www.qcomvalue.com.

We will continue to keep you informed of any new developments.
