as Executive Vice President and Chief Operating Officer and William J. Real as Senior Vice President, Public Policy. Flynn will continue to be responsible for retail electric and gas services. In addition he will now oversee all energy operations, including power plant operations, power supply and wholesale marketing. Real will lead a new organization established to better enable the Company to have a well-coordinated public policy approach to key external constituencies. The new organization consists of Governmental Affairs, Regulatory Policy, Corporate Communications, Community Relations, and Business Ethics and Corporate Compliance. Real previously was in charge of the Bulk Power Services business unit.
