Following the allocation of treasury shares made on November 23, 2009, Cresud held 5,002,537 treasury shares as of June 30, 2012, representing 1.00% of its subscribed and issued stock capital.

It should be noted that in March 2008 the Company increased its capital stock by 180 million shares. For each subscribed share each shareholder received, at no additional cost, 1 warrant that entitled it to purchase 0.33333333 new shares for a price of US\$ 1.68 per share to be acquired. Subsequently, following the payment of the cash dividend made on November 30, 2012, the terms of the warrants were amended again; in this way, the ratio of shares to be issued per warrant is USD 0.36727981 and the exercise price per share to be acquired is USD 1.5247. The warrants fall due on May 22, 2015, and are listed on the Buenos Aires Stock Exchange under the symbol "CREW2" and on Nasdaq under the symbol "CRESW".

If all the warrants were converted, the number of issued and subscribed shares would increase to 566,806,160. Below are the highlights for this fiscal year:

During the first quarter of 2014 a net loss of ARS 89.0 million was recorded, explained mainly by exchange rate differences and higher financial charges.

Operating income reached ARS 161.6 million, 8.4% lower than in the first quarter of fiscal year 2013, mainly due to higher operating losses in the main segments of the agricultural business, offset by higher results from the urban business.

The grains and sugarcane segments saw a fall in the fair value of biological assets due to the prior recognition of higher yields than those actually recorded, whereas the beef cattle segment was impacted by higher feeding costs resulting from the drought experienced in Salta.

At the start of this season, weather conditions are normal, and our farms in Salta and Paraguay are recovering from the past drought conditions.

During this season we expect to plant 207,000 hectares and to transform approximately 17,300 hectares in the region.

The shareholders' meeting held on October 31, past approved the payment of a cash dividend for ARS 120.0 million (ARS 0.2417 per share and ARS 2.417 per ADR).
