We are currently in the process of meeting with our legal and financial advisors in regards to the ongoing reorganization within the Westsphere Group of Companies in order to maintain our ability to meet our listing requirements with the SEC. These are challenging times for small cap companies particularly in regards to the internal control audit requirements which are scheduled for our 2010 annual filing period advises Doug Mac Donald, Westsphere s President and CEO. The management group and the Board have spent an inordinate amount of time and effort to get a reorganization that is both manageable and brings the most value to our shareholder owners. We are in the final stages and once we have the approved plan in place we will outline our plan prior to our special meeting. Please watch for updates on our website .
