SECTION 1 - REGISTRANT'S BUSINESS AND OPERATIONS

ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On July 26, 2005, Bluefly, Inc. (the "Company") entered into a new three year revolving credit facility (the "Credit Facility") with Wells Fargo Retail Finance, LLC ("Wells Fargo"). The Credit Facility refinanced the Company's previous credit facility (the "Rosenthal Facility") with Rosenthal & Rosenthal, Inc. ("Rosenthal"). Under the terms of the Credit Facility, Wells Fargo provides the Company with a revolving credit facility and issues letters of credit in favor of suppliers or factors. The Credit Facility is secured by a lien on

substantially all of the Company's assets, as well as a \$2,000,000 letter of credit issued by Quantum Industrial Partners LDC, the Company's majority shareholder ("Soros"), in favor of Wells Fargo (the "Soros LC"). Availability under the Credit Facility is determined by a formula that takes into account the amount of the Company's inventory and accounts receivable, as well as the Soros LC. The maximum availability is currently \$7,500,000 (\$6,650,000 after giving effect to a required \$850,000 availability reserve), but can be increased to \$12,500,000 at the Company's request. As of July 26, 2005, total availability under the Credit Facility, after giving effect to the required \$850,000 availability reserve, was \$6,000,000, of which approximately \$2,300,000 was committed, leaving approximately \$3,700,000 available for further borrowings. As a result of the refinancing of the Rosenthal Facility, the Company also regained access to approximately \$1,250,000 of cash that had previously been restricted because it was being held as cash collateral by Rosenthal under the terms of the Rosenthal Facility.

Interest accrues monthly on the average daily amount outstanding under the Credit Facility during the preceding month at a per annum rate equal to the prime rate plus a margin ranging from 0.50% to 0.75% or LIBOR plus a margin ranging from 2.50% to 2.75%. The Company also pays a monthly commitment fee on the unused portion of the facility (i.e., \$7,500,000 less the amount of loans outstanding) equal to 0.35%. In addition, the Company pays Wells Fargo certain fees to open letters of credit and guarantees.

All indebtedness under the Credit Facility is due in July 2008, and is subject to acceleration following an event of default.

Subject to certain conditions, if the Company defaults on any of its obligations under the Credit Facility, Wells Fargo has the right to draw upon the Soros LC to satisfy any such obligations. If Wells draws on the Soros LC, pursuant to the terms of a reimbursement agreement between the Company and Soros (the "Reimbursement Agreement"), the Company would have the obligation to, among other things, reimburse Soros for any amounts drawn under the Soros LC plus interest accrued thereon. In addition, the Company is required to pay Soros Fund Management LLC an annual fee in connection with the issuance and maintenance of the Soros LC in an amount equal to the fee that the Company would be required to pay in order to have a similar letter of credit issued under the Credit Facility. For the year beginning on the date of the closing of the Credit Facility this formula requires an annual fee of \$55,000. The Company is also required to reimburse Soros for any costs and expenses associated with the issuance and maintenance of the Soros LC.

Under the terms of the Credit Facility, Soros has the right to purchase all of the Company's obligations from Wells at any time if the Company is then in default under the Credit Facility.

Copies of the press release announcing the Credit Facility, the loan agreement related to the facility, the Reimbursement Agreement and the fee letter signed in connection with the Reimbursement Agreement have been filed as Exhibits 99.1, 99.2, 99.3 and 99.4, respectively, to this Current Report on Form 8-K.
