SECTION 1 - REGISTRANT'S BUSINESS AND OPERATIONS

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Formation of Joint Venture

## Edgar Filing: NANOPIERCE TECHNOLOGIES INC - Form 8-K

In October 2004, NanoPierce Technologies, Inc. (the "Registrant") signed a Letter Agreement (the "Agreement") with Xact Resources International, Inc. ("Xact Resources"). The Agreement is to provide for the development of a joint venture between the Registrant and Xact Resources. The purpose of the joint venture would be to produce, market and sell YBG-2000, a biotech yeast beta glucan product which has been developed by Xact Resources. YBG-2000 is a natural beta glucan immune system feed supplement refined from bakers yeast. It is used to replace antibiotic fast growth additives which are currently used by producers of feeds for the livestock, poultry and shrimp industries. The formation of the joint venture depended on the Registrant's ability to make a capital contribution of \$1.5 million into the joint venture.

As a result of the exercise of a number of the outstanding warrants of the Registrant described in Item 3.03 below, on August 15, 2005, the Registrant completed the funding of its \$1.5 million capital contribution for the joint venture and formed a limited liability company with Xact Resources named BioAgra, LLC. The form of the limited liability company agreement forming BioAgra, LCC is attached as exhibit 10.01 to this Report.

##### Warrant Exercise Price Reduction

In January 2004, the Registrant sold 20,000,000 units to a limited number of accredited investors in a private placement transaction exempt from registration under Section 4(2) of the Securities Act of 1933 and Regulation D promulgated thereunder. The warrants will expire on January 20, 2009, unless exercised earlier.

On August 12, 2005, the Registrant voluntarily reduced the exercise price of the \$0.10 Warrants exercisable for 15,700,000 shares of registered common stock from \$0.10 per share to \$0.05 per share. No other terms of the \$0.10 Warrants were modified or changed as a result of the reduction in the exercise price.

In November 2004, the Registrant voluntarily reduced the exercise price of the \$0.25 Warrants exercisable for 39,500,000 shares of registered common stock from \$0.25 to \$0.15 (the "\$0.15 Warrants").
