Item 1.01. Entry into a Material Definitive Agreement.

On November 20, 2008, Espre Solutions, Inc (the Company), entered into a collaboration agreement (the Agreement) with Alcatel-Lucent USA Inc. (Alcatel-Lucent) to enable both companies to supplement their respective product offerings with the other party s products and services in order to have the ability to offer integrated products and services solutions. Alcatel-Lucent and the Company both wish to collaborate to pursue and accelerate sales opportunities for solutions in the market, as and when they arise, and desire to define their respective rights and obligations during the submission of any joint tender or proposal which may arise from said opportunities.

The purpose of this Agreement is to define the relationship between Alcatel-Lucent and the Company in support of an integrated solution for projects and the terms and conditions under which the parties will represent to potential customers such relationship in delivering an integrated solution, as well as to set in place certain expectations between the parties as to the marketing of such integrated solutions. Successful results under this Agreement will depend, in part, on the following:

- (1) Enabling comprehensive solutions and offers to target accounts;
- (2) Joint product planning and solution development to offer a differentiated solution;
- (3) Joint end-to-end solution integration and validation; and
- (4) Reference selling and mutual recommendations leading to future business.

The Agreement is attached with certain information redacted because of its confidential nature.

Item 9.01 Financial Statements and Exhibits.

- (d) Exhibits.

Exhibit No.	Description
<u>10.1</u>	Collaboration Agreement between the Company and Alcatel-Lucent USA, Inc., dated November 20, 2008
