PROXY STATEMENT

These proxy materials and the enclosed proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors, or Board, of NovaBay Pharmaceuticals, Inc., a California corporation, to be voted at the 2009 Annual Meeting of Shareholders to be held on Thursday, June 4, 2009 (the "Annual Meeting") and at any adjournment or postponement of the meeting. The Annual Meeting will be held at 2:00 p.m. Pacific Time at The Marriot Hotel, 5555 Shellmound Street, Emeryville, California 94608. These proxy solicitation materials are expected to be mailed on or about May 1, 2009 to all shareholders entitled to vote at the Annual Meeting.

Purpose of Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of the Annual Meeting of Shareholders (the "Notice") and are described in more detail in this proxy statement.

Voting; Quorum

The record date for determining those shareholders who are entitled to notice of, and to vote at, the Annual Meeting has been fixed as April 13, 2009. Only shareholders of record at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof. Each shareholder is entitled to one vote for each share of our common stock held by such shareholder as of the Record Date. As of the Record Date 21,659,883 shares of our common stock were outstanding and no shares of our preferred stock were outstanding.

The presence at the Annual Meeting, either in person or by proxy, of holders of a majority of the outstanding shares of our common stock entitled to vote will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained.

In the election of directors under Proposal One, the three nominees receiving the highest number of affirmative votes of our common stock, present or represented by proxy and entitled to vote at the Annual Meeting, will be elected.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (i.e., shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not instructed to vote on a particular proposal and does not have discretionary voting power). Abstentions and broker non-votes are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business. For Proposal One, broker non-votes and votes marked "withheld" will not be counted towards the tabulation of votes cast on such proposal presented to the shareholders.

Proxies

Please use the enclosed proxy card to vote by mail. If your shares are held in street name, then in lieu of a proxy card you should receive from that institution an instruction form for voting. Should you receive more than one proxy card or voting instruction form because your shares are held in multiple accounts or registered in different names or addresses, please be sure to complete, sign, date and return each proxy card or voting instruction form to ensure that all of your shares will be voted. Only proxy cards that have been signed, dated and timely returned will be counted in the quorum and voted.

If the enclosed proxy card is properly signed and returned to us, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If the proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted FOR the election of the directors proposed by the Board under Proposal One.

The enclosed proxy also grants the proxy holders discretionary authority to vote on any other business that may properly come before the Annual Meeting. We have not been notified by any shareholder of his or her intent to present a shareholder proposal at the Annual Meeting.

If your shares are held in your name, you may revoke or change your vote at any time before the Annual Meeting by filing a notice of revocation or another signed proxy card with a later date with our corporate Secretary at our principal executive offices at 5980 Horton Street, Suite 550, Emeryville, California 94608. If your shares are held in street name, you should contact the record holder to obtain instructions if you wish to revoke or change your vote before the Annual Meeting. If you attend the Annual Meeting and vote by ballot, any proxy that you submitted previously to vote the same shares will be revoked automatically and only your vote at the Annual Meeting will be counted. Simply attending the meeting will not, by itself, revoke your proxy. Please note, however, that if your shares are held in street name, your vote in person at the Annual Meeting will not be effective unless you have obtained and present a proxy issued in your name from the record holder. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Voting by Telephone or through the Internet

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares by telephone or through the Internet. A large number of banks and brokerage firms provide eligible shareholders the opportunity to vote in this manner. If your bank or brokerage firm allows for this, your voting form will provide instructions for such alternative method of voting.

Solicitation

We will bear the entire cost of proxy solicitation, including the costs of preparing, assembling, printing and mailing this proxy statement, the proxy card and any additional solicitation material furnished to the shareholders. Copies of the solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, we may reimburse such persons for their reasonable expenses in forwarding the solicitation materials to the beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by personal contact, telephone, facsimile, email or any other means by our directors, officers or employees. No additional compensation will be paid to these individuals for any such services.

At the discretion of management, we may retain a professional firm of proxy solicitors to assist in the solicitation of proxies, although we do not currently expect to retain such a firm.

PROPOSAL ONE:

Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominees named below.

CORPORATE GOVERNANCE

Code of Ethics and Business Conduct

Our Board has adopted a Code of Ethics and Business Conduct which applies to all directors, officers (including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions) and employees. The full text of our Code of Ethics and Business Conduct is available on the Corporate Governance section of our website at www.novabaypharma.com. We intend to disclose future amendments to certain provisions of the Code of Ethics and Business Conduct, and any waivers of provisions of the Code of Ethics required to be disclosed under the rules of the Securities and Exchange Commission (“SEC”), at the same location on our website.

Director Independence

The Board has determined that Messrs. Cashion, Freiman, McPherson, Tufts and Wicks and Drs. Dailley and Hixson, each satisfies the requirements for “independence” as defined in the NYSE Amex Company Guide.

Board Committees and Meetings

Our Board has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. The Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee each has a written charter that is reviewed annually and revised as appropriate. A copy of each committee’s charter is available on the Corporate Governance section of our website at www.novabaypharma.com.

During the year ended December 31, 2008, the Board and the various committees of the Board held the following number of meetings: Board of Directors—eight; Audit Committee—four; Compensation Committee—seven; and Nominating and Corporate Governance Committee—seven. During 2008, no director attended fewer than 75% of the

aggregate of the total number of meetings of the Board and the total number of meetings of any committees of the Board held while he was serving on the Board or such committee.

5

Audit Committee. Our 2008 Audit Committee consisted of Messrs. Cashion, Freiman and Wicks. Mr. Cashion is the Chair of the Audit Committee. Our Board has determined that each member of the Audit Committee is independent, as defined in the NYSE Amex Company Guide and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Mr. Cashion qualifies as an "audit committee financial expert" as that term is defined in the rules and regulations established by the SEC. The functions of this committee include:

- meeting with our management periodically to consider the adequacy of our internal controls and the objectivity of our financial reporting;
 - meeting with our independent auditors and with internal financial personnel regarding these matters;
 - pre-approving audit and non-audit services to be rendered by our independent auditors;
- engaging and determining the compensation of our independent auditors and oversight of the work of our independent auditors;
- reviewing our financial statements and periodic reports and discussing the statements and reports with our management and independent auditors, including any significant adjustments, management judgments and estimates, new accounting policies and disagreements with management;
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls and auditing matters;
- reviewing our financing plans and reporting recommendations to our full Board for approval and to authorize action; and
 - administering and discussing with management and our independent auditors our Code of Ethics.

Both our independent auditors and internal financial personnel regularly meet privately with the Audit Committee and have unrestricted access to this committee.

We have reconstituted the membership of our Committees and the 2009 Audit Committee consists of Messrs. Cashion, Freiman, and Tufts and Dr. Hixson effective January 14, 2009.

Compensation Committee. Our 2008 Compensation Committee consisted of Messrs. Wicks, Freiman, and Tufts and Drs. Dailley and McPherson. Mr. Wicks is the Chair of our Compensation Committee. Our Board has determined that each member of the Compensation Committee is independent, as defined in the NYSE Amex Company Guide. The functions of this committee include:

- reviewing and, as it deems appropriate, recommending to our Board, policies, practices and procedures relating to the compensation of our directors, officers, and other managerial employees and the establishment and administration of our employee benefit plans;
 - exercising authority under our employee benefit plans;
- reviewing and approving executive officer and director indemnification and insurance matters; and
- advising and consulting with our officers regarding managerial personnel and development.

The Compensation Committee may delegate its authority to act to subcommittees of the Compensation Committee, as set forth in its charter, but has not done so historically.

Decisions regarding executive compensation are ultimately determined by the Compensation Committee, which reviews a number of factors in its decisions, including market information about the compensation of executive officers at similar-sized biotechnology companies within our geographic region, or peer group companies, and recommendations from our Chief Executive Officer and Chief Financial Officer. Additionally, the Compensation Committee subscribes to the Radford Life Science Compensation Survey, or Compensation Survey, from which we collect data for base salary, target annual bonuses and equity compensation for various positions at our peer group companies. The market data is used as a guide, against which the Compensation Committee evaluates the compensation of each of the named executive officers in light of the executive's scope of responsibility, expertise and business knowledge. Consultants from Radford are available to the Compensation Committee to help us review the Compensation Survey data and benchmarks for our peer group companies. Radford Life Science is engaged directly by the Compensation Committee. The Chief Executive Officer and Chief Financial Officer attend all meetings of the Compensation Committee except where their respective compensation packages are being discussed. This process allows the Compensation Committee to set compensation at levels it believes are appropriate to retain and motivate our named executive officers.

In 2008, the Compensation Committee used market benchmarks to determine its recommendations for executive compensation. The Compensation Committee reviewed market reference data to evaluate the competitiveness of our executive officers' compensation and to determine whether the total compensation paid to each of our named executive officers was reasonable in the aggregate. We compared the salaries of our executives as of December 31, 2007 with data of companies in the life sciences industry with 50 employees or less.

Future decisions regarding executive compensation will continue to be the responsibility of our Compensation Committee.

As of January 14, 2009, our Compensation consists of Messrs. Freiman and Wicks and Drs. Dailley and Hixson.

Nominating and Corporate Governance Committee. Our 2008 Nominating and Corporate Governance Committee consisted of Messrs. Freiman, Tufts and Wicks and Dr. McPherson. Dr. McPherson is the Chair of our Nominating and Corporate Governance Committee. Our Board has determined that each member of the Nominating and Corporate Governance Committee is independent, as defined in the NYSE Amex Company Guide. The functions of this committee include:

- identifying qualified candidates to become members of our Board;
- selecting nominees for election of directors at the next annual meeting of shareholders (or special meeting of shareholders at which directors are to be elected);
 - selecting candidates to fill vacancies on our Board;
- developing and recommending to our Board our corporate governance guidelines; and
 - overseeing the evaluation of our Board.

In connection with their recommendations regarding the size and composition of the Board, the Nominating and Corporate Governance Committee reviews the appropriate qualities and skills required of directors in the context of the then current make-up of the Board. This includes an assessment of each candidate's independence, personal and professional integrity, financial literacy or other professional or business experience relevant to an understanding of our business, ability to think and act independently and with sound judgment, and ability to serve our and its shareholders' long-term interests. These factors, and others as considered useful by the Nominating and Corporate

Governance Committee, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective directors. The Nominating and Corporate Governance Committee leads the search for and selects, or recommends that the Board select candidates for election to the Board. Consideration of new director candidates typically involves a series of committee discussions, review of information concerning candidates and interviews with selected candidates. Candidates for nomination to our Board typically have been suggested by other members of the Board or by our executive officers. From time to time, the Nominating and Corporate Governance Committee may engage the services of a third-party search firm to identify director candidates.

The Nominating and Corporate Governance Committee will consider candidates for directors recommended by our shareholders who meet the eligibility requirements for submitting shareholder proposals for inclusion in our next proxy statement. This committee will evaluate such recommendations applying its regular nominee criteria. Eligible shareholders wishing to recommend a nominee must submit such recommendation in writing to the Chair, Nominating and Corporate Governance Committee, care of the corporate Secretary, by the deadline for shareholder proposals set forth in the prior year's proxy statement, specifying the following information: (i) the shareholder's intent to nominate one or more persons for election as director of the corporation, the name of each such nominee proposed by the shareholder giving the notice, and the reason for making such nomination at the annual meeting, (ii) name and address, as they appear on the corporation's books, of the shareholder proposing such nomination and the beneficial owner, if any, on whose behalf the nomination is proposed, (iii) the class and number of shares of the corporation that are owned beneficially and of record by the shareholder proposing such nomination and the beneficial owner, if any, on whose behalf the nomination is proposed, (iv) any material interest of such shareholder proposing such nomination and the beneficial owner, if any, on whose behalf the proposal is made, (v) a description of all arrangements or understandings between or among any of (A) the shareholder giving the notice, (B) each nominee and (C) any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder giving the notice, (vi) such information as the Board or the Nominating and Corporate Governance Committee, or similar committee appointed by the Board, may require pursuant to resolutions of the Board or such committee's charter, (vii) such other information regarding each nominee proposed by the shareholder giving the notice as would be required to be included in a proxy statement filed in accordance with proxy rules of the SEC had the nominee been nominated, or intended to be nominated, by the Board and (viii) the signed consent of each nominee proposed by the shareholder giving the notice to serve as a director of the corporation if so elected.

No candidates for director nominations were submitted to the Nominating and Corporate Governance Committee by any shareholder in connection with the election of directors at the Annual Meeting. Each of the director nominees standing for election at this Annual Meeting is a current director of NovaBay.

Effective January 14, 2009, our Nominating and Corporate Governance Committee consists of Drs. Dailley and McPherson and Mr. Tufts.

Annual Meeting Attendance

We do not have a formal policy regarding attendance by members of our Board at annual meetings of shareholders; however, directors are encouraged to attend all such meetings.

Shareholder Communications to the Board

Our Board has implemented a process by which shareholders may send written communications directly to the attention of the Board, any committee of the Board or any individual Board member, care of our Chief Executive Officer ("CEO"), Ron Najafi, at 5980 Horton Street, Suite 550, Emeryville, California 94608. The name of any specific intended Board recipient should be noted in the communication. Our CEO will be primarily responsible for collecting, organizing and monitoring communications from shareholders and, where appropriate depending on the facts and circumstances outlined in the communication, providing copies of such communications to the intended recipients. Communications will be forwarded to directors if they relate to appropriate and important substantive corporate or Board matters. Communications that are of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration will not be forwarded to the Board.

The bonuses paid to Named Executive Officers for 2007 ranged from 18% to 42% of their base salaries and totaled \$195,921. Each of the officers are also entitled to five weeks of vacation and to participate in all of our benefit programs that are generally available to similar, high level executives, as well as any additional benefits that may be approved by the Board. The option is immediately exercisable prior to vesting, and vests over four years, subject to his continued employment, with 25% of the option vesting on the one year anniversary of his hire date and the remainder vesting in equal quarterly installments over the following 36 months. Director Compensation

The compensation and benefits for services as a member of our Board is determined by our Board of Directors. Directors employed by us are not compensated for service on the Board or any committee of the Board; however, we reimburse all directors for any out-of-pocket expenses incurred in connection with attending meetings of our Board and committees of our Board.

In March 2007, our Board approved a director compensation plan (the "Directors Plan"), which was approved by our shareholders in April 2007 and became effective upon the completion of our initial public offering in October 2007. Under the Directors Plan, our non-employee directors receive cash and shares of our common stock for each meeting of the Board and for each meeting of a committee of the Board that such director attends, up to the maximums set forth below. The number of shares of common stock actually received for any meeting is based on the market value of the stock on the date of the meeting, subject to a minimum per share price. The chairpersons of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee receive higher compensation than other members of such committees for attending committee meetings. The Directors Plan provides for non-employee directors compensation until December 31, 2009.

The table below sets forth the amounts received or to be received pursuant to the Directors Plan by the non-employee directors for attending meetings of the Board and of Board committees for the years 2008 and 2009.

Year	Board Meetings	Chairperson of Committee for Committee Meetings	All Other Members for Committee Meetings
2008	\$1,800 in cash and \$2,700 in common stock per meeting (maximum of \$10,800 in cash and \$16,200 in stock for the year)	\$800 in cash and \$1,200 in common stock per meeting (maximum of \$4,000 in cash and \$6,000 in stock for the year)	\$400 in cash and \$600 in common stock per meeting (maximum of \$2,000 in cash and \$3,000 in stock for the year)
2009	<ul style="list-style-type: none"> · Annual retainer of \$6,000 in cash and \$9,000 in common stock payable on January 15, 2009 · \$1,800 in cash and \$2,700 in common stock per meeting (maximum of \$10,800 in cash and \$16,200 in stock for the year) 	\$800 in cash and \$1,200 in common stock per meeting (maximum of \$4,000 in cash and \$6,000 in stock for the year)	\$400 in cash and \$600 in common stock per meeting (maximum of \$2,000 in cash and \$3,000 in stock for the year)

Non-employee directors are also eligible to participate in our equity incentive plans and may be granted awards under such plans, at the discretion of our Board. Under the Directors Plan, the Board may grant stock options to newly elected non-employee directors upon their first appointment or election to the Board. If granted, such options will

have an exercise price per share equal to the fair market value of our common stock on the date of grant and will vest one-third at the end of the first year and one-twelfth at the end of each calendar quarter after the end of the first year, subject to the director's continuing service on our Board. Options that have been previously granted to the non-employee directors will continue to vest in accordance with their respective terms.

Dr. Hixson, the new Board member was granted a stock option in January 2009 to purchase up to 52,000 shares of our common stock at an exercise price of \$1.33 per share. The option vests over four years, subject to his continued service to NovaBay as a Board member, with 25% of the option vesting on the one year anniversary of his hire date and the remainder vesting in equal quarterly installments over the following 36 months. Upon a change in control of NovaBay, all unvested shares subject to the option will immediately vest in full.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the federal securities laws, our directors and officers and any persons holding more than 10% of our common stock are required to report their ownership of our common stock and any changes in that ownership to the SEC. Specific due dates for these reports have been established, and we are required to report in this proxy statement

any failure to file by these dates. NovaBay Pharmaceuticals, Inc. currently issues stock to its directors each time they convene for a Board or a committee meeting. During the fiscal year ended December 31, 2008, the Form 4 filings for Messrs. Freiman and Wicks and Dr. McPherson, for stock grants received by them for their attendance at a Compensation Committee meeting held on April 1, 2008, and the filings of the stock grants for their attendance at a Board meeting held on October 1, 2008 for Messrs. Dailley and Wicks were not filed within two business days of the grant date. Based solely on our review of copies of the reports on the Section 16(a) forms received by us with respect to the fiscal year ended December 31, 2008 and the written representations received from the reporting persons that no other reports were required, we believe that, except as indicated in the foregoing sentence, all directors, executive officers and persons who own more than 10% of our common stock have complied with the reporting requirements of Section 16(a) and have filed all reports required by such section.

ANNUAL REPORT

A copy of our annual report on Form 10-K for the fiscal year ended December 31, 2008 (excluding the exhibits thereto) accompanies the proxy materials being mailed to all shareholders. The Annual Report is not incorporated into this proxy statement and is not considered proxy solicitation material. Shareholders may obtain a copy of the Annual Report and any of our other filings with the SEC, without charge, by writing to: Secretary, NovaBay Pharmaceuticals, Inc., 5980 Horton Street, Suite 550, Emeryville, California 94608. The annual report on Form 10-K (including the exhibits thereto) is also available on the Securities and Exchange Commission's website at www.sec.gov.

DEADLINE FOR RECEIPT OF SHAREHOLDER PROPOSALS OR NOMINATIONS

Shareholders may present proposals for action at a future meeting or nominate persons for the election of directors only if they comply with the requirements of the proxy rules established by the SEC and our bylaws. Pursuant to Rule 14a-8 of the Exchange Act, some shareholder proposals may be eligible for inclusion in our proxy statement for the 2010 Annual Meeting of Shareholders (the "2010 Annual Meeting"). Shareholder proposals that are intended to be presented at our 2010 Annual Meeting and included in the proxy statement, form of proxy and other proxy solicitation materials related to that meeting must be received by us between January 30, 2010 and February 24, 2010.

If the date of the 2010 Annual Meeting is not within 30 days of the anniversary of the 2009 Annual Meeting of Shareholders (a situation that we do not anticipate), the shareholder must submit any such proposal not later than the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made. Shareholders are advised to review our bylaws which contain the advance notice requirements with respect to shareholder proposals and director nominations.

In addition, with respect to any proposal that a shareholder presents at the 2010 Annual Meeting that is not submitted for inclusion in our proxy materials pursuant to Rule 14a-8 under the Exchange Act, the proxy solicited by the Board for such annual meeting will confer discretionary voting authority to vote on such shareholder proposal to the extent permitted under Rule 14a-4 under the Exchange Act.

Shareholder proposals must be in writing and should be addressed to our corporate Secretary, at our principal executive offices at 5980 Horton Street, Suite 550, Emeryville, California 94608. It is recommended that shareholders submitting proposals direct them to our corporate Secretary and utilize certified mail, return receipt requested in order to provide proof of timely receipt. The presiding officer of the Annual Meeting reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements, including conditions set forth in our bylaws and conditions established by the SEC.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially means extra convenience for shareholders and cost savings for companies.

A single proxy statement may be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you notify your broker or NovaBay that you no longer wish to participate in “householding.” If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report in the future you may (1) notify your broker or (2) direct your written request to our corporate Secretary, NovaBay Pharmaceuticals, Inc., 5980 Horton Street, Suite 550, Emeryville, California 94608. Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request “householding” of their communications should contact their broker. In addition, NovaBay will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the annual report and proxy statement to a shareholder at a shared address to which a single copy of the documents was delivered.
