Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- The 4,731 shares were traded in blocks ranging in price from \$71.52 to \$72.07. \$71.85 is the weighted average price. Information
- (1) regarding the number of shares sold at each separate price is available upon request by the SEC staff, the issuer, or any security holder of the issuer.
 - (2) The information in this report is based on a 401(k) plan statement dated as of 03/01/12.
 - (3) All Restricted Stock Units have a conversion price of \$0.00.
 - (4) Restricted Stock Units granted: 3 year cliff vest on 3-12-2015.
 - (5) Stock options granted: vesting 25% after year one and then 25% per year thereafter.

Performance Stock Units are divided into three approximately equal tranches, each having a performance period of one year. On the third anniversary of the grant date, PSUs vest based on achievement of total shareholder return ("TSR") performance goals for each tranche. Payout for vested PSUs ranges from 0% to 150% based on the Company's TSR percentile compared to the TSR of the companies comprising a market index. TSR is measured generally as the increase or decrease in the market value of Company common stock including the reinvestment of dividends. If a participant terminates employment prior to the third anniversary of the grant date, the PSUs will be forfeited except in the case of death or disability. If a change of control occurs before the third anniversary of the grant date, PSUs not previously forfeited will vest and be distributed immediately. Dividend equivalents are paid on PSUs earned in a year, subject to restrictions. PSUs have no voting rights.

- (7) All Performance Stock Units have a conversion price of \$0.00.
- (8) The grant amount of 7,652 PSUs assumes 100% vesting. Since payout for PSUs can range from 0% to 150%, the maximum number of shares that could be earned and vest at the end of the three-year vesting period is 11,478.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
