On May 23, 2012, Independent Bank (the "Bank"), the wholly-owned bank subsidiary of Independent Bank Corporation, entered into a Purchase and Assumption Agreement (the "Agreement") with Chemical Bank. Pursuant to the Agreement, the Bank agreed to sell and transfer 21 of the Bank's branch locations to Chemical Bank, along with certain deposit liabilities, loans, and other assets and liabilities associated with such branch locations.

The execution and delivery of this Agreement and the instruments and documents executed pursuant hereto by Seller do not and, subject to the receipt of all of the Purchaser's Regulatory Approvals, the consummation of the transactions contemplated by this Agreement will not (a) constitute a breach or violation of or default under any law, rule, regulation, judgment, order, governmental permit or license of Seller or to which Seller is subject, which breach, violation, or default would have a Material Adverse Effect, (b) constitute a breach or violation of or a default under the articles of incorporation or bylaws of Seller, (c) constitute a violation of or conflict with any court order, injunction, decree, cease and desist order, memorandum of understanding, or similar regulatory consent agreement or other legally binding order to which Seller is a party or subject, or by which Seller is bound, (d) constitute a violation, breach or default under, or extinguish any material rights with respect to, any agreement or instrument to which Seller is a party or subject, or by which Seller is bound, which violation, breach, default, or extinguishment would have a Material Adverse Effect, or (e) require any consent, approval, waiver, extension, amendment, or authorization under any law, regulation, or regulatory constraint, or under any agreement or instrument with respect to the Deposit Agreements, the Loan Agreements, the Assumed Liabilities, or the Purchased Assets, except to the extent failure to obtain any of the foregoing would not have a Material Adverse Effect.

Section 6.4 Compliance with Law. The Branches and operations of the Branches are being conducted in accordance with all applicable laws, rules and regulations of all Governmental Authorities, other than such instances of noncompliance the penalty or liability for which, if imposed or asserted, would not have a Material Adverse Effect.

Section 6.5 Legal Proceedings. There are no actions, suits, or proceedings, whether civil, criminal or administrative, pending or, to the Knowledge of Seller, threatened against or affecting (a) the Branches, the Purchased Assets or Assumed Liabilities, or (b) Seller which could prevent or materially delay Seller from performing its obligations under this Agreement.

Seller has not received any indication from any Governmental Authority that such Governmental Authority would oppose or refuse to grant or issue its consent or approval, if required, with respect to the transactions contemplated hereby.

(a) From the date hereof through the Closing Date, Seller shall (i) conduct its business relating to the Purchased Assets, Assumed Liabilities and Branches in the usual, regular and ordinary course consistent with past practice, (ii) use reasonable best efforts to maintain and preserve intact its relationships generally with its Branch Employees, Customers, and others having business relationships with it relating to the operation of the Branches, (iii) take no action that would materially adversely affect or delay the ability of any party hereto to obtain any regulatory approval or to perform its covenants and agreements under this Agreement, (iv) maintain the Real Property and Fixed Assets in their current condition, ordinary wear and tear and casualty damage excepted, (v) conduct the business of the Branches and preserve the Purchased Assets and Assumed Liabilities in accordance with prudent, safe and sound commercial banking practices, and applicable laws, rules and regulations, (vi) use its reasonable best efforts to satisfy the conditions to which the obligations of the parties are subject pursuant to this Agreement on or prior to the Closing Date, and (vii) fully cooperate to facilitate the consummation of the transactions contemplated by this Agreement; provided, however, that nothing set forth in this subsection (a) shall prohibit or limit Seller from taking any action (or omitting to taking any action) necessary for Seller to comply with applicable laws, rules, and regulations.

(b) Seller covenants with Purchaser that, from the date of this Agreement to Closing, Seller, except with the prior written consent of Purchaser, shall not (i) sell, transfer, assign, lease, mortgage, pledge, or otherwise dispose of or encumber or enter into any contract, agreement, or understanding to sell, transfer, assign, lease, mortgage, pledge, or otherwise dispose of or encumber any of the Purchased Assets (other than use of Cash and supplies in the ordinary course of business consistent with past practice), (ii) establish new Deposit Liabilities at any Branch other than in the ordinary course of business, (iii) file any application or give any notice to relocate or close any Branch, except for any notice that may be required to be filed in order to consummate the transactions contemplated by this Agreement, (iv) transfer any Branch Employees (other than Excluded Employees) to another branch or office of Seller or any of its Affiliates, (v) transfer any Purchased Assets or any Deposit Liabilities to any of Seller's other operations or branches or those of its Affiliates, except upon the unsolicited request of a Customer, (vi) take any action that is intended or is reasonably likely to result in (x) any of its representations and warranties set forth in this Agreement being or becoming untrue in any material respect at any time at or prior to the Closing, (y) any of the covenants or conditions to the transactions contemplated by this Agreement not being materially satisfied, or (z) a material violation of any provision of this Agreement, except (in each case) as may be required by applicable laws, rules, and regulations, (vii) fail to comply with any laws, rules, regulations, orders, or decrees applicable to it if such failure would have a material adverse effect on Seller's ability to complete the transactions contemplated by this Agreement, or (viii) agree with, or commit to any Person to do any of the things described in subsections (i) through (vii) of this Section 8.1(b) except as expressly contemplated by such subsection.

(c) In furtherance of its covenants under this Section 8.1, Seller agrees to maintain its current policies with respect to pricing the Deposit Liabilities and will change its pricing of the Deposit Liabilities only in accordance with its general pricing practices for comparable deposit liabilities for branches located in the same geographic areas as the Branches, but that are not to be sold by Seller pursuant to this Agreement or other branch purchase and sale agreements.

(d) Notwithstanding anything to the contrary in this Section 8.1, Seller shall be permitted, but not obligated, to establish an arrangement pursuant to which Seller may agree to pay or grant bonuses or other consideration to one or more Branch Employees as an incentive for such Branch Employees to assist in maintaining Deposit Liabilities at the applicable Branch after the date of this Agreement.

Section 8.2 Regulatory Approvals. Seller shall use its reasonable best efforts to assist Purchaser in obtaining the Purchaser's Regulatory Approvals. Seller shall provide Purchaser or the appropriate Governmental Authorities with all information reasonably required to be submitted by Purchaser in connection with the Purchaser's Regulatory Approvals.

For a period beginning on the date of this Agreement and continuing for two (2) years following the Closing Date, Seller shall not (i) directly or indirectly, solicit any Customer to transfer any Deposit Liability or Loan to any other branch office of Seller or to provide any banking or financial services to such Customer or (ii) directly or indirectly, solicit any Person that resides or is principally located within the BC Market Area or Northeast Market Area and that does not have an existing lending, deposit, or other banking relationship with Seller as of the Closing Date with respect to any banking or financial services; provided, however, that this Section shall not preclude, prohibit, or restrict Seller, its Affiliates, or any of their successors or assigns from (a) using newspaper, radio, television, internet, or similar advertisements of a general nature not specifically targeted at Customers or the BC Market Area or Northeast Market Area, (b) soliciting or engaging in any business activity whatsoever with any Customer listed on Schedule 8.3(a) (which schedule shall be provided by Seller at Closing and shall list all Customers that either (x) have a loan with Seller that is not a Loan or (y) have a deposit account with Seller that is not a Deposit Liability), (c) continuing its existing lending, deposit, and other banking relationships domiciled in any of Seller's other branch offices or facilities, including the operation of any automated teller machine that is not included as a Purchased Asset, (d) engaging in business activity with any Person, whether a Customer or

not, who seeks the services of Seller or any of its Affiliates without being solicited, directly or indirectly, by Seller or any of its Affiliates in a manner that violates the provisions of this Section, (e) soliciting or engaging in any business activity from or with a statewide or multi-county depositor whose principal business operations are not located within the BC Market Area or the Northeast Market Area (for example, a company with more than one location or a Governmental Authority), whether a Customer or not; (f) continuing an Indirect Lending Program in the BC Market Area or continuing an Indirect Lending Program with the dealers or selling companies located in the Northeast Market Area listed on Schedule 8.3(b); or (g) taking such actions as may be necessary or advisable to comply with any applicable laws, rules or regulations. In the event of any material damage, destruction, or condemnation affecting any Real Property between the date of this Agreement and the Closing Date, Seller shall either (a) take reasonable steps to repair or replace the damaged or destroyed property, or (b) deliver to Purchaser at Closing any insurance proceeds and other payments received by Seller as a result of such damage, destruction, or condemnation.

ARTICLE IX

COVENANTS OF PURCHASER

Purchaser covenants and agrees with Seller as follows:

Section 9.1 Conduct of Purchaser's Business.

(a) During the period from the date of this Agreement to the Closing Date, Purchaser shall (i) use its reasonable best efforts to satisfy the conditions to which the obligations of the parties are subject pursuant to this Agreement on or prior to the Closing Date; and (ii) fully cooperate to facilitate the consummation of the transactions contemplated by this Agreement.

(b) Purchaser covenants with Seller that Purchaser shall not (i) take any action that is intended or is reasonably likely to result in (x) any of its representations and warranties set forth in this Agreement being or becoming untrue in any material respect at any time at or prior to the Closing, (y) any of the covenants or conditions to the transactions contemplated by this Agreement not being materially satisfied, or (z) a material violation of any provision of this Agreement, except (in each case) as may be required by applicable laws, rules or regulations, (ii) fail to comply with any law, rule, regulation, order or decree applicable to it if such failure would have a material adverse effect on Purchaser's ability to complete the transactions contemplated by this Agreement, or (iii) agree with, or commit to, any Person to do any of the things described in subsections (i) through (iii) of this Section 9.1(b) except as expressly contemplated by such subsection.

Section 9.2 Purchaser's Regulatory Approvals and Standards.

(a) Purchaser will use its reasonable best efforts to obtain as expeditiously as possible the Purchaser's Regulatory Approvals and SBA Consents and will file within thirty (30) days after the execution of this Agreement all necessary applications of Purchaser to obtain the Purchaser's Regulatory Approvals and SBA Consents. Purchaser will supply to Seller, at least five (5) Business Days prior to filing, copies of all proposed regulatory applications and filings and will use reasonable efforts to reflect any comments of Seller in such filings. Purchaser shall pay any fees charged by any Governmental Authorities to which it must apply to obtain any of the Purchaser's Regulatory Approvals or the SBA Consents. Purchaser shall notify Seller promptly (and in no event later than forty-eight (48) hours following notice) of any significant development with respect to any application or notice Purchaser files with any Governmental Authority in connection with the transactions contemplated by this Agreement.

(b) From the date hereof through the Closing Date, Purchaser shall (i) remain at least adequately capitalized as defined in the FDIA, (ii) meet all capital requirements, standards, and ratios required by each state or federal bank regulator with jurisdiction over Purchaser, including without limitation, any such higher requirement, standard or ratio as shall apply to institutions engaging in the acquisition of insured institution deposits, assets or branches, and (iii) maintain its CRA ratings.

Section 9.3 Solicitation of Customers. Prior to the Closing Date, neither Purchaser nor any of its Affiliates shall solicit Customers through advertising specifically referencing or targeted to such Customers, nor transact its business in such a way (including promotional pricing that is not applicable to all branches of Purchaser that operate in the applicable market areas) that is reasonably likely to (a) induce such Customers to close Deposit Liability accounts and open deposit accounts directly with Purchaser or any of its Affiliates, (b) induce such Customers to refinance any Loan (or other loan currently maintained by Seller or any of its Affiliates that Purchaser became aware of in connection with the transactions contemplated by this Agreement) directly with Purchaser or any of its Affiliates, or (c) result in the transfer of all or a portion of an existing deposit liability or loan from Seller. Notwithstanding the foregoing sentence, Purchaser and its Affiliates shall be permitted to (i) engage in advertising, solicitations, promotions or marketing campaigns not primarily directed to or targeted at such Customers, (ii) engage in lending, deposit, safe deposit, trust, or other financial services relationships existing as of the date hereof with such Customers through branch offices of Purchaser, (iii) respond to unsolicited inquiries by such Customers with respect to banking or other financial services offered by Purchaser, and (iv) provide notices or communications relating to the transactions contemplated by this Agreement in accordance with the provisions hereof.

Section 9.5 Transferred Employees. Purchaser covenants to Seller that it will do or cause the following to occur:

(a) Purchaser shall use its commercially reasonable efforts to hire each Branch Employee. Purchaser shall make a written offer of employment to each Branch Employee selected by Purchaser to be an employee of Purchaser following the Closing Date. Each offer of employment shall be effective on the day following the Closing Date. No later than 60 days following the date of this Agreement, Purchaser shall provide Seller with a written list of those Branch Employees to whom Purchaser will make an offer of employment, and Seller shall take such action as is necessary to terminate such Branch Employees not included on such list or transfer their employment within Seller and its Affiliates, in both cases effective no later than the Closing Date. Each Branch Employee who accepts Purchaser's offer of employment (regardless of whether they are active employees or on leave of absence status as of the Closing Date) shall be a "Transferred Employee" for purposes of this Agreement, effective upon the day following the Closing Date and this date shall be referred to as the Transferred Employee's "Transfer Date." Subject to applicable laws, rules and regulations, after the Closing Date, the Transferred Employees shall become employees of Purchaser, and Purchaser shall have the right to dismiss any or all Transferred Employees at any time, with or without cause, and to change the terms and conditions of their employment (including compensation and employee benefits provided to them). Each Branch Employee who is not offered employment by Purchaser, or who fails to accept Purchaser's offer of employment, shall be an "Excluded Employee" for purposes of this Agreement. Nothing in this Agreement shall give any employee any rights to claim status as a third party beneficiary of this Agreement.

(b) Except as expressly provided in this Agreement, Seller shall pay, discharge, and be responsible for (but only to the extent required by Seller's Employee Benefit Plans and/or applicable laws, rules and regulations) all salary, wages (including payment for any and all accrued paid time off, vacation, sick time, or personal days accrued by the Transferred Employees as of the Transfer Date), bonuses, commissions, and any other form of compensation (including any deferred compensation) arising out of the employment of the Transferred Employees prior to the Transfer Date, and any employee benefits under the Seller's Employee Benefit Plans arising out of Seller's employment of the Transferred Employees, including welfare benefits with respect to claims incurred prior to the Transfer Date but reported after the Transfer Date. Seller and the Employee Benefit Plans shall retain responsibility for all claims incurred by Excluded Employees (at any time) and for all claims incurred by Transferred Employees prior to the Transfer Date. Seller shall be solely responsible for the Excluded Employees in the transfer of Excluded Employees to other positions with Seller or in the termination of their employment with Seller.

(c) Purchaser shall provide credit under its benefit plans for service by all Transferred Employees with Seller (and/or any of Seller's Affiliates) and will make its regular medical coverage available to each such Transferred Employee no later than the Transfer Date. On and after the Transfer Date, Purchaser shall pay, discharge, and be responsible for any and all compensation and benefits, including salary, wages (including payment for any and all accrued paid time off, vacation, sick time, or personal days accrued by the Transferred Employees on and after the Transfer Date), bonuses, commissions, severance, and any other form of compensation (including any deferred compensation) arising out of the employment of the Transferred Employees on and after the Transfer Date.

(d) Pursuant to U.S. Treasury Regulations Section 1.409A-1(h)(4), Seller and Purchaser agree that, on the Transfer Date, each Transferred Employee shall be treated as having a "separation from service" with Seller and Seller's Affiliates for purposes of Section 409A of the Code and Treasury Regulations Section 1.409A-1(h).

ARTICLE X

Purchaser shall also be permitted to conduct training sessions outside of normal business hours or at other times as Seller may agree with the Branch Employees and may, at Seller's option, conduct such training seminars at the Branches; provided that Purchaser will in good faith attempt to schedule such training sessions in a manner that does not unreasonably interfere with Seller's normal business operations. Purchaser shall reimburse the Branch Employees for transportation costs to and from the location where Purchaser shall train such employees and compensate the Branch Employees or reimburse Seller at the Branch Employees respective applicable standard or overtime rates for the time spent in such training.

Section 10.3 Communications with Customers.

(a) Within 30 days after the Closing Date, Purchaser shall send statements to the Customers announcing the transactions contemplated hereby (such statements being herein called "Customer Notices"). The form and content of each Customer Notice shall be subject to the approval of both parties and the cost of printing and mailing the Customer Notices shall be borne by Purchaser. Purchaser shall also be required to provide at its own expense such other notices or communications to Customers relating to the transactions contemplated hereby as may be required by law; provided that the text of any such notice or communication and the timing of such notice or communication which is provided prior to the Closing shall be approved in advance by Seller, which approval shall not unreasonably be withheld or delayed.

(b) Except as specifically provided herein (including pursuant to Section 9.3), in no event will Purchaser contact any Customers prior to the Closing Date without the prior written consent of Seller.

ARTICLE XI

CERTAIN MUTUAL COVENANTS

Subject to the terms and conditions of this Agreement:

Section 11.1 Non-Solicitation of Employees. In consideration of the consummation of the transactions contemplated hereby, Purchaser and Seller agree that, for a period of twenty-four (24) months following the Closing Date, they shall not, directly or indirectly, solicit for employment, retain as an independent contractor or consultant, induce to terminate employment with the other party or otherwise interfere with the other party's employment relationship with any employee of the other party; provided, however, that this Section 11.1 shall not apply (a) if any such employee has been terminated by the other party or any of its Affiliates for any reason, or (b) if such employee is hired as a result of a general solicitation for employment in newspaper advertisements or other media or periodicals of general circulation not specifically targeted to employees of the other party.

Section 11.2 Environmental Investigation. Within 10 Business Days after the date of this Agreement, Seller shall deliver to Purchaser copies of all environmental inspections, reports, assessments, related correspondence and other materials relating to the environmental condition of any Branch or the compliance of any Branch with Environmental Laws that are in the possession of Seller, any of its Affiliates or any of Seller's corporate counsel or other agents, representatives or advisors that it uses on a current and regular basis ("Seller's Representatives"), and shall certify to Purchaser that it has so delivered all such material. Seller makes no representations or warranties regarding the accuracy, completeness, or any information set forth in any such materials delivered to Purchaser. Purchaser may engage a professional environmental consultant to conduct a Phase I environmental assessment of any one or more parcels of the Real Property in accordance with ASTM International Standard E 1527-05 (the "Standard"). All expenses associated with a Phase I environmental assessment shall be paid by Purchaser. Seller shall (a) provide Purchaser's consultant and other authorized representatives reasonable access to the Real Property and the Branches, during regular business hours, for the purposes of conducting the Phase I assessment and any necessary follow-up activities as described below; (b) make available to Purchaser's consultant those employees of Seller who are familiar with the management, operation and history of the Real Property; and (c) otherwise reasonably cooperate in the conduct of the environmental assessment and any associated activities. Purchaser's investigation shall not damage or unreasonably interfere with the operation or condition of any Branch, and any damage to any Real Property, any Branch, or any other asset owned or leased by Seller or otherwise located at a Branch shall be Purchaser's responsibility and Purchaser shall promptly reimburse Seller for any such damage. Purchaser shall promptly deliver a copy of each Phase I assessment to Seller. If the Phase I assessment discloses any "recognized environmental condition" as defined in the Standard, then:

(a) With the prior written consent of Seller, which shall not be unreasonably withheld or delayed, Purchaser may conduct a Phase II investigation (and, if applicable, conduct and disclose to the MDEQ a "baseline environmental assessment" ("BEA")) of the Real Property, including the procurement and analysis of soil and groundwater samples from the Real Property. All expenses associated with any Phase II investigation and/or BEA shall be paid by Purchaser. Any request by Purchaser to conduct a Phase II investigation or BEA pursuant to this subsection shall be delivered in writing to Seller no later than 45 days after the date of Seller's certificate that it has delivered to Purchaser all of the materials required by this Section 11.2.

(b) Purchaser may also obtain from one or more contractors an estimate of the cost of remedial or corrective action necessary to address any condition disclosed by the Phase I assessment, Phase II assessment, and/or BEA in accordance with applicable Environmental Laws. Upon receipt of such estimate, the parties shall discuss and may agree upon a course of action to address the environmental issues, as outlined in this Section. Nothing contained in this Agreement shall obligate Purchaser or Seller to take any investigative, removal, remedial, or response activities that may be recommended by a consultant.

(c) The value of the Branch as set forth in this Agreement may be reduced by an amount mutually agreed to by Purchaser and Seller in good faith.

(d) If Seller and Purchaser are unable to agree upon a value adjustment with respect to the Branches, then Seller and Purchaser shall attempt in good faith to enter into a leasing arrangement by which the affected Real Property shall be leased to Purchaser on terms mutually acceptable to the parties. If Seller and Purchaser are unable to agree on a leasing arrangement, then either Seller or Purchaser may exercise their rights under Section 16.3 to terminate this Agreement.

Section 11.3 Letters of Credit. Seller and Purchaser shall take all steps reasonably required to substitute a letter of credit issued by Purchaser for any letter of credit issued by Seller with respect to any Customer. If Purchaser's letter of credit cannot be substituted prior to the Closing and Seller's letter of credit facility is cross-collateralized with any other Loans, then the purchase and assumption of that Customer's loans, deposit liabilities, and relationship shall be excluded from this transaction to avoid splitting the relationship between the parties.

Section 11.4 Real Property. Within 10 Business Days after execution of this Agreement, Seller shall obtain and deliver to Purchaser, at Seller's expense, a title commitment issued by Investors Title Company (the "Title Company") (through Independent Title Services, Inc.), for each parcel of Real Property, naming Purchaser as the proposed insured, pursuant to which the Title Company shall agree to issue an owner's policy of title insurance in the amount of the appraised value of such parcel (as determined pursuant to Section 11.5 below) and, to the extent Purchaser provides a Survey adequate for the Title Company to issue such endorsements, containing standard endorsements for Extended Coverage and Access (each, a "Title Commitment"). To enable the issuance of such endorsements, Seller shall provide at Closing an owner's affidavit for each parcel of Real Property in standard form requested by the applicable Title Company. If Purchaser desires any additional endorsements with respect to any such policy of title insurance, Purchaser may request the Title Company to issue such endorsements, provided that the sole cost of such endorsements shall be paid by Purchaser and Purchaser shall be solely responsible for satisfying any conditions or requirements imposed by the Title Company in order to issue such endorsements. Within 10 Business Days after execution of this Agreement, Seller shall provide Purchaser with copies of any existing surveys of the Real Property that are in the possession or control of Seller, any of its Affiliates or any of Seller's Representatives and shall certify to Purchaser that it has so delivered all such material. Seller makes no representations or warranties regarding the accuracy, completeness, or any information set forth in any such surveys delivered to Purchaser. Within 45 days after the date of Seller's certificate that it has delivered to Purchaser all of the surveys required by this Section 11.4, Purchaser may, at its expense, (i) obtain a new survey for each parcel of Real Property (each, a "Survey"), and/or (ii) conduct (itself or through the engagement of a third party inspector) a physical inspection of each parcel of Real

Property. Purchaser shall have 45 days from the date Seller's certificate that it has delivered to Purchaser all of the surveys required by this Section 11.4 in which to provide written notice to Seller of any objection to any matter disclosed by any Title Commitment, any Survey, or in connection with any other inspection of the Real Property by or on behalf of Purchaser that materially and adversely affects the value and/or use of the applicable parcel of Real Property as a bank branch (each, a "Real Property Objection") (those matters disclosed by any Title Commitment or any Survey to which Purchaser does not so object shall become Permitted Liens). If Purchaser notifies Seller of any Real Property Objection within such time period, then Seller shall have 30 days after receipt of such notice ("Cure Period") to eliminate or remove each Real Property Objection. If (x) Seller is unable to eliminate or remove any Real Property Objection within the Cure Period to the satisfaction of Purchaser, and (y) in the aggregate, the uncured Real Property Objections are reasonably likely to have a Material Adverse Effect, then Purchaser may terminate this Agreement by delivering written notice to Seller within seven days after the expiration of the Cure Period. Seller shall pay the premium for each title insurance policy issued pursuant to the Title Commitments, subject to Purchaser's obligation to pay all costs and expenses associated with any additional endorsement requested by Purchaser, as described above.

Section 11.5 Appraisals. Promptly after execution of this Agreement, Seller and Purchaser shall jointly engage one or more third party, independent appraisers mutually agreeable to the parties to perform an appraisal of each parcel of Real Property. The parties shall mutually agree on the scope of work for such appraisals, which scope of work shall be the same for each parcel. Only one appraisal of each parcel of Real Property shall be performed. Purchaser and Seller shall each pay one half of all fees, costs, and expenses incurred in connection with the appraisals required by this Section. Within 10 Business Days of receipt of the final appraisal required by this Section, Seller shall provide to Purchaser Schedule 11.5 that includes the appraised value and carrying value of each parcel of Real Property, the Appraised Value of all Real Property, the Market Value Adjustment Amount, and the Real Property Purchase Price. If the Market Value Adjustment Amount is greater than Three Million Dollars (\$3,000,000), then Seller shall have the right to terminate this Agreement by including written notice of termination with the schedule it provides to Purchaser pursuant to this Section.

ARTICLE XII

TRANSITIONAL MATTERS

Section 12.1 Notification to Branch Office Customers.

(a) Purchaser shall, jointly with Seller, as soon as reasonably practicable after the execution and delivery of this Agreement, prepare and mail to each depositor whose Deposit Liability account is to be assumed by Purchaser, a letter, in form and substance mutually satisfactory to the parties, informing each such depositor of the nature of the transactions contemplated by this Agreement and the continuing availability of services to be provided by Purchaser in the Branches on and after the Closing Date.

(b) Purchaser shall, at its own cost and expense, cause to be printed customer checks and all other requisite banking transactional forms for each Deposit Liability account and mail such customer checks and other banking transactional forms to each customer having such an account so as to be received by such customer on or before three (3) days prior to the Closing Date, each such document to be encoded with Purchaser's identification numbers and to be accompanied by Purchaser's letter, in form and substance reasonably satisfactory to Seller, advising that, from and after the Closing Date, such newly issued customer checks and other banking transactional forms are to be used instead of the corresponding existing documents of Seller with respect to the customer's Deposit Liability account, and that any such existing documents of Seller are to be destroyed.

(c) Purchaser shall take any other actions required by law or regulation or by any court or regulatory authority to notify customers or depositors of the Branches or residents of the communities in which the Branches are located of the purchase and assumption transactions contemplated by this Agreement. The out-of-pocket cost of the mailings required by this Section 12.1 shall be borne by Purchaser.

Section 12.2 Payment of Instruments. Following the Closing Date, Purchaser agrees to pay in accordance with law all checks, drafts, and withdrawal orders (including ACH debits) which are properly drawn by depositors with respect to the Deposit Liabilities, which are duly endorsed (or for which necessary endorsements are deemed supplied by applicable law) and otherwise properly payable, in light of credit balances and overdraft privileges, if any, applicable to such depositors, and presented to Purchaser by mail, over its counters, or through the check-clearing system of the banking industry, and in all other respects to discharge, in the usual course of the banking business, the duties and obligations of Seller with respect to the balances due and owing to the depositors whose Deposit Liability accounts are assumed by Purchaser. If any customer who has a Deposit Liability account draws checks, drafts, or negotiable orders of withdrawal against any such Deposit Liability account which are presented or delivered to Seller not later than ninety (90) days after the Closing Date, Seller shall use its reasonable efforts to batch all such checks, drafts, negotiable orders of withdrawal, or other withdrawal order forms and to deliver the same to Purchaser at Purchaser's sole expense. For a period of ninety (90) days following the Closing Date, Seller shall use such delivery methods to ensure that Purchaser receives such checks, drafts, negotiable orders or withdrawal order forms within 24 hours of Seller's receipt of such items. Except to the extent that Seller does not satisfy its obligations under this Agreement, Purchaser acknowledges that any delay, failure, or inability on its part to comply with the obligations imposed upon it as a depository institution under applicable federal or state law, with regard to such checks, drafts, negotiable orders of withdrawal or other withdrawal orders shall not result in any liability or obligation of Seller and shall not affect any of the rights of Seller under this Agreement. Seller shall not be deemed to have made any representations or warranties to Purchaser with respect to any such checks, drafts, negotiable orders of withdrawal or other withdrawal orders and any such representations or warranties implied by law are hereby disclaimed and are the responsibility of Purchaser, except that Seller shall be chargeable with the warranties and representations implied by law with respect to any such check, draft, negotiable orders of withdrawal order, or other withdrawal order, which is paid by Seller over the counter. Purchaser hereby acknowledges that if, after the Closing Date, any customer who has a Deposit Liability

account, instead of accepting the obligation of Purchaser to pay the Deposit Liabilities shall demand payment from Seller for all or any part of any such Deposit Liabilities, Seller shall not be liable or responsible for making such payment.

Section 12.3 Statements. Seller shall issue statements to its customers which include all transactions with respect to the Deposit Liabilities through the close of business on the Closing Date, and Purchaser shall issue statements for all transactions with respect to the Deposit Liabilities thereafter.

Section 12.4 Uncollected Items. To facilitate settlement of uncollected items pursuant to Section 12.2, at Closing, Purchaser shall establish an account with Seller (the "Clearing Account"). Purchaser and Seller shall settle daily through the Clearing Account the amount of all uncollected items (net of the applicable deposit premium paid by Purchaser for such Deposit Liability) included in the Deposit Liabilities on the Closing Date which are returned to Seller after the Closing Date as uncollected; provided, that Seller shall, upon Purchaser making such payment, deliver each such item to Purchaser and shall assign to Purchaser any and all rights which Seller may have or obtain in connection with such returned items. In addition, pursuant to Section 12.11, on the date which is 61 days after the Closing Date, Purchaser and Seller shall settle through the Clearing Account the amount of all uncollected overdrafts as of the close of business on the date which is 60 days after the Closing Date net of the applicable deposit premium.

Section 12.5 ACH. Prior to the Closing Date, Seller will notify all Automated Clearing House ("ACH") originators effecting debits or credits to Deposit Liability accounts of the purchase and assumption transactions contemplated by this Agreement. For a period of sixty (60) days beginning on the Closing Date, Seller will honor all ACH items related to Deposit Liability accounts which are mistakenly routed or presented to Seller. Seller will make no charge to Purchaser for honoring such items, and will use its reasonable best efforts to transmit to Purchaser via a mutually agreed upon medium, as soon as reasonably practicable thereafter, each day's ACH data that is to be posted that day. Items mistakenly routed or presented after the 60-day period may be returned to the presenting party. Seller and Purchaser shall make arrangements to provide for the daily settlement through the Clearing Account with immediately available funds by Purchaser of any ACH items honored by Seller.

Section 12.6 Loans and Deposits. For a period of ninety (90) calendar days after the Closing Date, Seller will forward to Purchaser as soon as reasonably practicable any loan payments received by Seller made with respect to Loans purchased by Purchaser and any deposits received by Seller made with respect to Deposit Liabilities. Purchaser shall reimburse Seller within three Business Days after demand for checks returned on payments forwarded by Seller to Purchaser.

Section 12.7 Maintenance of Records. Seller and Purchaser mutually agree to maintain all records and other documents relating to the Purchased Assets and Assumed Liabilities for six years or as required by applicable law, and to examine, inspect, copy and reproduce such records and other documents relating to such Purchased Assets and Assumed Liabilities as may be reasonably requested by the other party. Any charges for such examination and photocopying shall be at a rate not greater than the examining party's customary rates for similar requests by its customers.

Section 12.8 Information Reporting. With respect to the Loans purchased and Deposit Liabilities assumed by Purchaser pursuant to this Agreement, Seller shall be responsible for reporting to the Customer and to the IRS (and any state or local taxing authority as required by law) all interest paid or earned by the Customer prior to and including the Closing Date and Purchaser shall be responsible for reporting to the Customer and to the Internal Revenue Service (and any state or local taxing authority as required) all interest paid or earned by the Customer after the Closing Date.

Section 12.9 Transition. From and after the date of this Agreement, Seller and Purchaser agree to cooperate with and assist one another in connection with the transition and conversion of all customer accounts, files (including data processing files) and other information which are being purchased and assumed by Purchaser pursuant to the terms hereof. Additionally, each of Purchaser and Seller agree to provide each other, upon reasonable prior notice, with such information and data as is necessary to allow Seller and Purchaser to comply with all tax, regulatory reporting, audit or other compliance obligations relating to the customers, employees and operations of the Branches, and each of Seller and Purchaser agree to timely take any and all action as required by law to comply with such tax, regulatory and/or reporting obligations.

Section 12.10 Actions With Respect to IRA Deposit Liabilities.

(a) On or before the Closing Date, Seller shall (i) resign as of the close of business on the Closing Date as the custodian of each IRA Deposit Liability account of which it is the custodian, (ii) to the extent permitted by the documentation governing each such IRA and applicable law, appoint Purchaser as successor custodian of each such IRA, and Purchaser hereby accepts each such custodianship under the terms and conditions of Purchaser's plan documents for its IRA accounts, and assumes all custodial obligations with respect thereto as of the close of business on the Closing Date, and (iii) deliver to the grantor of each such IRA such notice of the foregoing as is required by the documentation governing each such IRA or applicable law. Purchaser shall be solely responsible for delivering its IRA documents to the applicable IRA Deposit Liability account grantor, including but not limited to a beneficiary designation form to be completed by the applicable IRA grantor; provided, however, that in the event that an IRA grantor dies before such time as Purchaser receives a properly completed beneficiary designation form, Seller shall make available to Purchaser such information as may exist in Seller's files regarding any beneficiary designation it may have regarding such decedent. If, pursuant to the terms of the documentation governing any such IRA or applicable law, (y) Seller is not permitted to appoint Purchaser as successor custodian, or the IRA grantor objects in writing to such designation, or is entitled to, and does, in fact, name a successor custodian other than Purchaser, or (z) such IRA includes assets which are not Deposit Liabilities and are not being transferred to Purchaser, and the assumption of such deposit liabilities included in such IRA would result in a loss of qualification of such IRA under the Code or applicable IRS regulations, all deposit liabilities of Seller held under such IRA shall be excluded from the Deposit Liabilities (such excluded deposit liabilities being the "Excluded IRA Deposits"). Upon appointment as a successor custodian for such IRA Deposit Liability accounts, Purchaser shall perform the services and carry out the duties and obligations required of it under the applicable documents, the Code and applicable federal and state laws and regulations.

(b) The Deposit Liabilities include certain IRAs that are required to make certain periodic distributions to the IRA account owner either at the account owner's request or because the account owner has attained age 70-1/2. Effective as of the Closing Date, Purchaser agrees to continue to make such periodic distributions in accordance with the distribution instructions forwarded by Seller to Purchaser. Purchaser hereby assumes the obligation to pay each minimum distribution required by federal law by December 31 of the calendar year in which the Closing occurs and, in consideration thereof, Seller agrees not to withhold the amount of such distributions from the aggregate amount of the Deposit Liabilities.

Section 12.11 Overdrafts. If at the Closing Date there exists a negative balance in a Deposit Liability account (e.g., an overdraft), that account will be transferred to Purchaser and that negative balance will be netted against other positive balances in aggregating total Deposit Liabilities. Using the Clearing Account, Seller shall reimburse Purchaser for all overdrafts remaining uncollected as of the close of business on the date which is 60 days after the Closing Date net of the applicable deposit premium.

Section 12.12 New Telephone Numbers. Seller agrees to cooperate with Purchaser to transfer, if possible, telephone numbers for the Branches into Purchaser's name.

Section 12.13 New ATM/Debit Cards. Purchaser shall, no later than three (3) Business Days prior to the Closing Date, furnish ATM/Debit cards to customers who have Deposit Liability accounts to replace Seller's ATM/Debit cards. Purchaser shall, no later than three (3) Business Days prior to the Closing Date, notify affected customers to destroy the Seller's ATM/Debit cards as of the day after the Closing Date and shall notify such customers of Purchaser's withdrawal limits in effect immediately following the Closing Date.

Section 12.14 Installation of Equipment by Buyer. Subsequent to the date of receipt of Purchaser's Regulatory Approvals and prior to the Closing Date, Seller shall cooperate with and permit Purchaser, at Purchaser's option and sole cost and expense, to make provision for the installation of teller equipment and telephone lines and systems in the Branches; provided, however, that Purchaser shall arrange for the installation of such equipment at such times and in a manner that does not unreasonably interfere with the normal business activities and operation of the Branches.

Section 12.15 Deactivation of ATMs and ATM/Debit Cards. On the day after the Closing Date, Seller shall deactivate all ATM/Debit cards issued with respect to all Deposit Liability accounts and shall electronically block access of those cards to the Deposit Liability accounts, and shall deactivate the ATMs not later than 8:00 a.m. on the day after the Closing Date. Point of sale transactions shall be settled between Purchaser and Seller for a period of forty-five (45) days after the Closing Date.

Section 12.16 Deposit Histories. In case of any dispute with or inquiry by any customer whose Deposit Liability account is included in the Assumed Liabilities, which dispute or inquiry relates to the servicing of such account by Seller prior to the date for which a deposit history has been provided to Purchaser, Seller will provide Purchaser, where available and to the extent reasonably requested by Purchaser and not already provided to Purchaser, and subject to the provisions of Section 12.7, information regarding the Deposit Liability account and copies of pertinent documents or instruments with respect to such dispute or inquiry so as to permit Purchaser to respond to such customer within a period of time and in a manner which would comply with standard banking practices and customs.

Section 12.17 Form W-2s. With respect to the Transferred Employees, Seller shall be responsible for preparing and issuing to such Transferred Employees Form W-2s for the service period beginning January 1, 2012 to and including the Closing Date and Purchaser shall be responsible for preparing and issuing to such Transferred Employees Form W-2s for the service periods after the Closing Date.

ARTICLE XIII

CONDITIONS TO CLOSING

Section 13.1 Conditions to Obligations of Seller. The obligations of Seller under this Agreement are subject to the satisfaction (or, if applicable, waiver in the sole discretion of Seller, except as to the condition described in Section 13.1(c)) on or before the Closing Date, of each of the following conditions;

- (a) All of the covenants and other agreements required by this Agreement to be complied with and performed by Purchaser on or before the Closing Date shall have been duly complied with and performed in all material respects;

- (c) All of the Purchaser's Regulatory Approvals shall have been obtained and shall be Final;

(d) No court or Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, judgment, decree, injunction or other order (whether temporary, preliminary or permanent) which is in effect to enjoin, or which prohibits, consummation of the transactions contemplated hereby; and

(e) Seller shall have received the items to be delivered by Purchaser pursuant to Section 5.3.

Section 13.2 Conditions to Obligations of Purchaser. The obligations of Purchaser under this Agreement are subject to the satisfaction (or, if applicable, waiver in the sole discretion of Purchaser, except as to the condition described in Section 13.2(c)) on or before the Closing Date, of each of the following conditions:

(a) All of the covenants and agreements required by this Agreement to be complied with and performed by Seller on or before the Closing Date shall have been duly complied with and performed in all material respects;

(b) The representations and warranties made by Seller herein or in any certificate or other document delivered pursuant to the provisions hereof or in connection with the transactions contemplated hereby shall be true and correct in all material respects, on and as of the Closing Date, with the same force and effect as though such representations and warranties had been made on the Closing Date (except to the extent such representations and warranties speak of an earlier date, in which case such representations and warranties shall be true and correct in all material respects as of such earlier date);

(c) The Purchaser's Regulatory Approvals shall have been obtained and shall be Final;

(d) No court or Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, judgment, decree, injunction or other order (whether temporary, preliminary or permanent) which is in effect to enjoin, or which prohibits, consummation of the transactions contemplated hereby; and

(e) Purchaser shall have received the items to be delivered by Seller pursuant to Section 5.2.

ARTICLE XIV

INDEMNITY

Section 14.1 Seller's Indemnity. Seller shall, subject to the other provisions of this Article XIV, indemnify, hold harmless and defend Purchaser, its Affiliates, and their respective successors, permitted assigns, directors, shareholders, officers, agents and employees from and against all claims, losses, liabilities, demands, and obligations of any nature whatsoever (including reasonable legal fees and expenses) (collectively, "Damages") which Purchaser or any of its Affiliates or their respective successors, permitted assigns, directors, shareholders, officers, agents or employees shall receive, suffer or incur, arising out of or resulting from:

- (a) Any liability of Seller (other than the Assumed Liabilities) including the Excluded Liabilities;
- (b) The Excluded Assets;
- (c) Other than with respect to the Assumed Liabilities, any actions taken or omitted to be taken by Seller on or before the Closing Date and relating to the Branches, Purchased Assets, Assumed Liabilities, or Transferred Employees, and any suits or proceedings commenced in connection therewith (other than proceedings to prevent or limit the consummation of the transactions contemplated in this Agreement);
- (d) The breach of any representation or warranty made by Seller in this Agreement; or
- (e) The breach of any covenant made by Seller in this Agreement.

Section 14.2 Purchaser's Indemnity. Purchaser shall indemnify, hold harmless, and defend Seller, its Affiliates and their respective successors, permitted assigns, directors, shareholders, officers, agents and employees from and against all Damages which Seller or any of its Affiliates or their respective successors, permitted assigns, directors, shareholders, officers, agents or employees shall receive, suffer or incur, arising out of or resulting from:

- (a) Any liability of Purchaser, including the Assumed Liabilities;
- (b) Purchaser's ownership and operation of the Purchased Assets from and after the close of business on the Closing date;
- (c) Other than with respect to the Excluded Assets and Excluded Liabilities, any actions taken or omitted to be taken by Purchaser from or after the Closing Date and relating to the Branches, Purchased Assets, Assumed Liabilities, or Transferred Employees, and any suits or proceedings commenced in connection therewith (other than proceedings to prevent or limit the consummation of the transactions contemplated in this Agreement);
- (d) The breach of any representation or warranty made by Purchaser in this Agreement; or
- (e) The breach of any covenant made by Purchaser in this Agreement.

Section 14.3 Indemnification Procedures.

- (a) A claim for indemnification for any matter not involving a Third Party Claim may be asserted by written notice to the Indemnifying Party, which notice shall include a reasonable description of the basis for the claim and shall be paid or disputed in writing by the Indemnifying Party within 10 Business Days of the receipt of such notice.

(b) In the event that any legal proceedings shall be instituted or that any Third Party Claim is asserted, the Indemnified Party shall as soon as reasonably practicable cause written notice of the assertion of any Third Party Claim of which it has knowledge, which is covered by this Article XIV, to be forwarded to the Indemnifying Party. If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party pursuant to this Article XIV against any Damages that may result from such Third Party Claim, the Indemnifying Party shall have the right, at its sole expense, to be represented by counsel and to defend against, negotiate, settle, or otherwise deal with any Third Party Claim that relates to any Damages for which indemnification is sought pursuant to this Article XIV. If the Indemnifying Party elects to defend against, negotiate, settle, or otherwise deal with any Third Party Claim that relates to any Damages for which indemnification is sought pursuant to this Article XIV, it shall within 10 days (or sooner, if the nature of the Third Party Claim so requires) of receipt of notice of the Third Party Claim notify the Indemnified Party of its intent to do so. If the Indemnifying Party elects not to defend against, negotiate, settle, or otherwise deal with any Third Party Claim that relates to any Damages for which indemnification is sought pursuant to this Article XIV, or fails to notify the Indemnified Party of its election within the timeframe provided for above, the Indemnified Party may then defend against, negotiate, settle, or otherwise deal with such Third Party Claim and the Indemnifying Party shall reimburse the Indemnified Party for the reasonable actual expenses of defending such Third Party Claim upon submission of periodic bills. If the Indemnifying Party assumes the defense of the Third Party Claim, the Indemnified Party may participate, at its own expense, in the defense of such Third Party Claim; provided that such Indemnified Party shall be entitled to participate in any such defense with separate counsel at the expense of the Indemnifying Party if (i) so requested by the Indemnifying Party to participate, (ii) upon the reasonable advice of counsel to the Indemnified Party that a conflict or potential conflict exists between the interests of the Indemnified Party and the Indemnifying Party that would make such separate representation advisable, or (iii) such claim is based upon an investigation, inquiry, or other proceeding by a Governmental Authority; and provided, further, that the Indemnifying Party shall not be required to pay for more than one such counsel (and any appropriate local counsel) for the Indemnified Parties in connection with such Third Party Claim. The parties agree to cooperate fully with each other in connection with the defense, negotiation, or settlement of any such Third Party Claim.

(c) After any final judgment or award shall have been rendered by a Governmental Authority of competent jurisdiction and the expiration of the time in which to appeal such judgment or award, or a settlement shall have been consummated, or the Indemnified Party and the Indemnifying Party shall have arrived at a mutually binding agreement with respect to a Third Party Claim pursuant to this Article XIV, the Indemnified Party shall forward to the Indemnifying Party notice of any sums due and owing (including any bills, records, or other documentation supporting such sums) by the Indemnifying Party pursuant to this Agreement with respect to such matter and the Indemnifying Party shall be required to dispute in writing or pay all of the sums so due and owing to the Indemnified Party by wire transfer of immediately available funds within five Business Days after the date of such notice.

(d) The failure of the Indemnified Party to give reasonably prompt notice of any Third Party Claim shall not release, waive, or otherwise affect the Indemnifying Party's obligations with respect to such Third Party Claim except to the extent that the Indemnifying Party can demonstrate actual Damages and prejudice as a result of such failure or delay.

Section 14.4 Limitations on Liability. Notwithstanding anything to the contrary contained in this Article XIV, no party shall be liable for indemnification for breaches of representations and warranties until the aggregate Damages for all breaches of representations and warranties by such party exceed Two Hundred Fifty Thousand dollars (\$250,000), at which time such party shall only be liable for indemnification for Damages in excess of such threshold amount. The \$250,000 threshold shall not apply to breaches of the representations and warranties contained in Section 6.1, 6.2, 7.1 and 7.2 of this Agreement. Notwithstanding anything to the contrary in this Agreement, in no event shall any party be entitled to any incidental, consequential, special, exemplary, or punitive Damages.

Section 14.5 Exclusive Remedy for Monetary Damages. Except for the parties' rights to specific performance and injunctive relief as described in Section 16.13, the indemnification provided in this Article XIV shall be the exclusive post-Closing Date remedy available to any Indemnified Party with respect to any breach of any representation, warranty, covenant or agreement made by Purchaser or Seller in this Agreement.

Section 14.6 Period of Indemnity. Except as provided in this Section, all representations, warranties and covenants contained in or made pursuant to this Agreement shall survive the execution and delivery of the Agreement and shall continue in full force and effect for a period of one (1) year after the Closing Date and thereafter shall terminate, except as to any claim for which written notice shall have been given prior to such date; and provided, further, that all covenants or agreements shall survive in perpetuity, unless and to the extent that such covenant or agreement is limited to a specific period of time in this Agreement or performance of such covenant or agreement has been waived in writing. Notwithstanding the foregoing, (a) the representations and warranties contained in Section 6.1, 6.2, 6.7, 7.1 and 7.2 of this Agreement shall survive forever; and (b) the representations and warranties contained in Section 6.12, 6.16, 6.18 and 6.20 of this Agreement shall survive until 30 days following the expiration of the applicable statute of limitations.

(a) Except as specifically provided otherwise herein, Seller shall assist Purchaser in the orderly transition of the operations of the Branches and shall give such further assurances and execute, acknowledge and deliver all such instruments as may be necessary and appropriate to effectively vest in Purchaser title in the Purchased Assets in the manner contemplated hereby; and

(b) Except as specifically provided otherwise herein, Purchaser shall give such further assurances to Seller and shall execute, acknowledge, and deliver all such acknowledgments and other instruments and take such further action as may be necessary and appropriate to effectively relieve and discharge Seller from any obligations remaining with respect to the Deposit Liabilities or other Assumed Liabilities.

Section 15.2 Access to and Retention of Books and Records. For a period of six (6) years from the Closing Date, each party shall have reasonable access to any books and records of the other party relating to the Purchased Assets and the Assumed Liabilities, and the requesting party, at its own expense, may make copies and extracts when such copies and extracts are required by Governmental Authorities, for litigation purposes, or for tax or accounting purposes. If such copies or extracts require use of a party's equipment or facilities, the user shall reimburse the other party for all costs incurred, including without limitation employee expenses.

ARTICLE XVI

MISCELLANEOUS

Section 16.1 Expenses.

(a) Except as otherwise provided herein, Seller and Purchaser shall each pay all of their own out-of-pocket expenses in connection with this Agreement, including investment banking, appraisal, accounting, consulting, professional, and legal fees, if any, whether or not the transactions contemplated by this Agreement are consummated.

(b) Purchaser shall pay all (i) recording, filing or other fees, cost and expenses (including without limitation fees, costs and expenses for (x) filing of any forms (including without limitation tax forms) with Governmental Authorities in connection with the transfer of the Real Property, Fixed Assets, or other Purchased Assets, and (y) recording instruments or documents evidencing any transfers of interests in real property); and (ii) costs and expenses relating to the preparation, execution and recording of assignments of mortgages, financing statements, notes, security agreements or other instruments applicable to or arising in connection with the transfer, assignment or assumption of the Purchased Assets and Assumed Liabilities including, but not limited to, fees payable to the SBA in connection with the transfer to Purchaser of the SBA Loans.

Section 16.2 Trade Names and Trademarks.

(a) Purchaser acknowledges and agrees that notwithstanding anything to the contrary contained herein, it has, and following the Closing shall have, no interest in or to the names "Independent Bank," "Independent Bank Corporation" or any trade name, trademark or service mark, logo or corporate name of any Seller, or any of its Affiliates. After the Closing Date, Purchaser shall not use any of the trade names, trademarks, service marks, logos or corporate names of Seller or any of its Affiliates.

(b) From and after the Closing, Purchaser agrees not to use any forms or other documents bearing Seller's name or logo, or the name or logo of any Affiliate of Seller, without the prior written consent of Seller, which consent may be denied or given in Seller's sole discretion. If such consent is given, Purchaser hereby agrees that all forms or other documents to which such consent relates will be stamped or otherwise marked in such a way that identifies Purchaser as the party using the form or document.

Section 16.3 Termination; Extension of Closing Date. This Agreement shall terminate and shall be of no further force or effect as between the parties hereto, except as to the liability for actual damages due to a material breach of any representation, warranty or covenant occurring or arising prior to the date of termination and except as set forth in Section 16.13, upon the occurrence of any of the following:

- (a) Upon mutual agreement of the parties;
- (b) Immediately upon receipt by Purchaser or Seller of notice from any Governmental Authority that Purchaser or Seller, as the case may be, has been denied any Regulatory Approval by Final order;
- (c) Upon written notice by either party to the other, if the Closing has not occurred (through no failure by the terminating party to fulfill its obligations hereunder) by September 30, 2012, or such later date mutually agreed upon by the parties in writing; provided however, that such termination date shall automatically be extended until December 31, 2012, if the impediment to Closing is based upon (i) a delay in the receipt of the Purchaser's Regulatory Approvals required by this Agreement, or (ii) an inability to complete the data processing conversion due to circumstances outside the control of Purchaser and Seller;
- (d) By either the Purchaser or Seller (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein) if there shall have been a material breach by the other of any of the representations, warranties, covenants or other agreements set forth in this Agreement on the part of the other party, which breach is not cured within thirty (30) days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the Closing;
- (e) By either Purchaser or Seller, if the parties are unable to agree upon a value adjustment and leasing arrangement pursuant to Section 11.2(d) of this Agreement;
- (f) By Purchaser if Seller is unable to eliminate or remove a Real Property Objection as provided in Section 11.4 of this Agreement; and

Section 16.4 Modification and Waiver. No modification of any provision of this Agreement shall be binding unless in writing and executed by the party or parties sought to be bound thereby. Performance of or compliance with any covenant given herein or satisfaction of any condition to the obligations of either party hereunder may be waived by the party to whom such covenant is given or whom such condition is intended to benefit, except as otherwise provided in this Agreement or to the extent any such condition is required by law; provided, that, any such waiver must be in writing.

Section 16.5 Binding Effect; Assignment. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided, however, that neither this Agreement nor any rights, privileges, duties or obligations of the parties hereto may be assigned to any Person without the prior written consent of the other party.

Section 16.6 Confidentiality.

(a) From and after the date hereof, the parties hereto and their Affiliates shall keep confidential the terms of this Agreement and the negotiations relating hereto and all documents and information obtained by a party from another party in connection with the transactions contemplated hereby, except (i) to the extent this Agreement and such negotiations need to be disclosed to obtain a regulatory approval, (ii) for disclosures made in accordance with the terms of this Agreement, and (iii) to the extent required by applicable law, regulations or rules of any national securities exchange. This Section shall survive any termination of this Agreement.

(b) Except as otherwise required by law, regulations or rules of any national securities exchange or as otherwise permitted by this Agreement, the parties hereto shall each furnish to the other the text of all notices and communications, written or oral, proposed to be sent, transmitted, or filed by the furnishing party regarding the transactions contemplated hereby. Except as otherwise required by law, regulations or rules of any national securities exchange or as otherwise permitted by this Agreement, the furnishing party shall not send, transmit, or file such notices or communications or otherwise make them public unless and until the consent of the other party is received, which consent shall not be unreasonably withheld or delayed. This Section shall survive any termination of this Agreement. The provisions of this subsection shall not apply to any BEA submitted by Purchaser to the MDEQ after the Closing.

(c) Purchaser and Seller shall issue mutually agreed upon press releases on the date of this Agreement. Purchaser and Seller shall each furnish to the other copies of the text of all notices, advertisements, information or communications, written or oral, proposed to be sent or transmitted by the furnishing party to Branch Employees, Customers or to the public generally regarding the proposed or actual transfer of Deposit Liabilities, the Purchased Assets or the Assumed Liabilities and/or the purchase and sale of the Branches (including any public notices required to be given by law or regulation in connection with such transactions or applications for approval thereof), and the furnishing party shall not send or transmit such notices, advertisements, information or communications or otherwise make them public unless and until the prior consent of the other party shall have been received (such consent not to be unreasonably withheld or delayed); provided, however, that nothing in this Section 16.6(c) shall prohibit any party from making any press release or announcement that its legal counsel reasonably deems necessary under law, if it makes a good faith effort to obtain the other party's consent to the text of the press release or announcement before making it public.

Section 16.7 Entire Agreement; Governing Law. This Agreement contains the entire agreement between the parties hereto with respect to the transactions covered and contemplated hereunder, and supersedes all prior agreements or understandings between the parties hereto relating to the subject matter hereof. This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan, without reference to conflicts or choice of law provisions.

EACH PARTY HERETO HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR IN ANY WAY CONCERNED WITH THIS AGREEMENT OR ANY OF THE AGREEMENTS, INSTRUMENTS OR DOCUMENTS CONTEMPLATED HEREBY. NO PARTY HERETO, NOR ANY ASSIGNEE OR SUCCESSOR OF A PARTY HERETO SHALL SEEK A JURY TRIAL IN ANY LAWSUIT, PROCEEDING, COUNTERCLAIM OR ANY OTHER LITIGATION PROCEDURE BASED UPON, OR ARISING OUT OF, THIS AGREEMENT OR ANY OF THE AGREEMENTS, INSTRUMENTS OR DOCUMENTS CONTEMPLATED HEREBY. NO PARTY WILL SEEK TO CONSOLIDATE ANY SUCH ACTION, IN WHICH A JURY TRIAL HAS BEEN WAIVED, WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THIS PROVISION HAS BEEN FULLY DISCUSSED BY THE PARTIES HERETO, AND THIS PROVISION SHALL BE SUBJECT TO NO EXCEPTIONS. NO PARTY HAS IN ANY WAY AGREED WITH OR REPRESENTED TO ANY OTHER PARTY THAT THE PROVISIONS OF THIS SECTION WILL NOT BE FULLY ENFORCED IN ALL INSTANCES.

Section 16.9 Severability. In the event that any provision of this Agreement shall be held invalid, illegal, or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions contained in this Agreement shall not in any way be affected or impaired thereby, and this Agreement shall otherwise remain in full force and effect.

Section 16.10 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties hereto.
