

Item 1.01. Entry into a Material Definitive Agreement.

On June 18, 2013, Lincoln Educational Services Corporation (the “Company”), as borrower, and certain of its wholly-owned subsidiaries, as guarantors, entered into an amendment (the “Amendment”) of a previously reported secured revolving credit agreement (the “Credit Agreement”) with a syndicate of four lenders led by Bank of America, N.A., as administrative agent, swing line lender and letter of credit issuer (the “Credit Facility”).

The Amendment reduces the aggregate principal amount available under the Credit Facility from \$85 million to \$60 million. The Credit Facility continues to provide the Company with a \$25 million letter of credit sublimit and a \$5 million swing line sublimit, the availability of which will be at the discretion of the swing line lender, and the right to increase the aggregate amount available under the Credit Facility by up to \$50 million upon the satisfaction of certain conditions. The Amendment includes certain revisions relevant to the calculation of consolidated leverage ratio and consolidated fixed charge coverage ratio.

In connection with the Amendment, the Company is paying fees to the lenders that are customary for credit facility amendments of this type.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment filed as Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure contained in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 2.05 Costs Associated with Exit or Disposal Activities.

On June 18, 2013, the Company’s Board of Directors approved a plan to cease operations at four campuses in Ohio and one campus in Kentucky. Federal legislation implemented on July 1, 2012 that prohibits “ability to benefit” students from participating in federal student financial aid programs led to a dramatic decrease in the number of students attending these five campuses. As a result, the Company adopted the plan to cease operations at these campuses and, in accordance with the plan, the Company has stopped admitting new students at these five campuses effective immediately, but will provide currently enrolled students who are scheduled to graduate before December 31, 2013 with the ability to complete their course of study at these five campuses. For fiscal year 2013, these campuses were expected to contribute approximately \$24.0 million in revenue and 1,800 student starts.

In addition to the expected operational losses, the Company expects to incur approximately \$12.5 million in additional pre-tax expenses during the second half of 2013 to cease operations at these five campuses. The Company hopes to offset a portion of these cash charges by subleasing some of the properties impacted and transferring some students to other accredited institutions. Once all operations have ceased at these campuses, the results of operations for these campuses will be reflected as discontinued operations in the Company’s financial statements.

Expected losses for fiscal year 2013 attributable to these five campuses, including costs to cease operations, are expected to range between (\$0.60) to (\$0.65) per share.

The results of operations at these five campuses for the three months ended March 31, 2013 and for the fiscal years ended December 31, 2012, 2011 and 2010 were as follows (in thousands):

| | Three Months Ended | | | |
|--------------------|--------------------|-------------------------|----------|----------|
| | March 31, 2013 | Year Ended December 31, | | |
| | | 2012 | 2011 | 2010 |
| Revenue | \$ 3,813 | \$19,924 | \$35,099 | \$61,028 |
| Operating expenses | (7,482) |) (33,564) | (29,885) | (31,947) |
| | \$ (3,669) |) \$(13,640) | \$5,214 | \$29,081 |

Amounts indicated include impairments of goodwill and long-lived assets for these campuses of \$1.6 million and \$8.7 million for the three months ended March 31, 2013 and for the year ended December 31, 2012, respectively.
