Item 14. Indemnification of Directors and Officers.

Michigan Business Corporation Act

The Company is organized under the Michigan Business Corporation Act (the "MBCA") which, in general, empowers Michigan corporations to indemnify a person who was or is a party or is threatened to be made a party to a threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether formal or informal, other than an action by or in the right of the corporation, by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another enterprise, against expenses, including attorney's fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred in connection therewith if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders and, with respect to a criminal action or proceeding, if the person had no reasonable cause to believe his or her conduct was unlawful.

The MBCA also empowers Michigan corporations to provide similar indemnity to such a person for expenses, including attorney's fees, and amounts paid in settlement actually and reasonably incurred by the person in connection with actions or suits by or in the right of the corporation if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the interests of the corporation or its shareholders, except in respect of any claim, issue or matter in which the person has been found liable to the corporation, unless the court determines that the person is fairly and reasonably entitled to indemnification in view of all relevant circumstances, in which case indemnification is limited to reasonable expenses incurred. If a person is successful in defending against a derivative action or third-party action, the MBCA requires that a Michigan corporation indemnify the person against expenses incurred in the action.

The MBCA also permits a Michigan corporation to purchase and maintain on behalf of such a person insurance against liabilities incurred in such capacities. IBC has obtained a policy of directors' and officers' liability insurance.

The MBCA further permits Michigan corporations to limit the personal liability of directors for a breach of their fiduciary duty. However, the MBCA does not eliminate or limit the liability of a director for any of the following: (i)

the amount of a financial benefit received by a director to which he or she is not entitled; (ii) intentional infliction of harm on the corporation or the shareholders; (iii) a violation of Section 551 of the MBCA; or (iv) an intentional criminal act. If a Michigan corporation adopts such a provision, then the Michigan corporation may indemnify its directors without a determination that they have met the applicable standards for indemnification set forth above, except, in the case of an action or suit by or in the right of the corporation, only against expenses reasonably incurred in the action. The foregoing does not apply if the director's actions fall into one of the exceptions to the limitation on personal liability discussed above, unless a court determines that the person is fairly and reasonably entitled to indemnification in view of all relevant circumstances.

IBC's Articles of Incorporation and Bylaws

The Company's Restated Articles of Incorporation, as amended, provide, among other things, for the indemnification of directors and officers and authorize the Board of Directors to indemnify other persons in addition to the officers and directors. Directors and officers are indemnified against any actual or threatened civil, criminal, administrative, or investigative action, suit, or proceeding in which the director or officer is a witness or which is brought against such officer or director while serving at the request of the Company.

Insurance

The Company's Restated Articles of Incorporation, as amended, authorize the purchase of insurance for indemnification purposes and that the right of indemnity in the Restated Articles of Incorporation, as amended, is not the exclusive means of indemnification.

Indemnification Agreements

The Company has entered into Indemnification Agreements with each of its directors that provides for additional indemnity protection for the directors, consistent with the provisions of the MBCA.

For the undertaking with respect to indemnification, see Item 17 below.

Item 15. Recent Sales of Unregistered Securities.

On July 7, 2010 we executed an Investment Agreement and Registration Rights Agreement with Dutchess Opportunity Fund, II, LP ("Dutchess") for the sale of shares of our common stock. These agreements serve to establish an equity line facility as a contingent source of liquidity at the parent company level. Pursuant to the Investment Agreement, Dutchess committed to purchase up to \$15.0 million of our common stock over a 36-month period ending November 1, 2013. We have the right, but no obligation, to draw on this equity line facility from time to time during such 36-month period by selling shares of our common stock to Dutchess. The sales price is at a 5% discount to the market price of our common stock at the time of the draw (as such market price is determined pursuant to the terms of the Investment Agreement).

Through the date of this prospectus, we have sold a total of 1.40 million shares (0.17 million shares during 2013, 0.45 million shares during 2012, 0.43 million shares during 2011 and 0.35 million shares during 2010) of our common stock to Dutchess under this equity line for total net proceeds of approximately \$4.2 million. The Company issued the shares of common stock to Dutchess under the Investment Agreement pursuant to an exemption from registration under Section 4(2) of the Securities Act of 1933, as amended, due to the fact that the offering of the shares was made on a private basis to a single purchaser and in accordance with written guidance of the SEC's Division of Corporation Finance pertaining to equity line facility transactions. At the present time, we have shareholder approval to sell approximately 2.6 million additional shares under this equity line. However, if the offering described in this prospectus is successful, we do not expect to sell any additional shares under this equity line.

Item 17. Undertakings.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Securities Act") may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

The undersigned registrant hereby undertakes:

- (1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
 - (2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
