Q: Can I attend the Annual Meeting?

A: All Cesca stockholders as of the record date, March 7, 2014, or their duly appointed proxies, may attend the Annual Meeting. If you are the beneficial owner of Cesca shares held in street name, please bring proof of ownership such as a brokerage statement or letter from the broker, bank or other nominee that is the owner of record of the shares.

Q: How many votes must be present or represented to conduct business at the Annual Meeting?

A: The presence of a majority of the shares eligible to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Presence is determined by the stockholder entitled to vote the shares being present at the Annual Meeting or having properly submitted a proxy with respect to the shares. In compliance with Delaware General Corporate Law, abstentions and broker “non-votes” will be counted as present and entitled to vote at the Annual Meeting and are thereby included for purposes of determining whether a quorum is present at the Annual Meeting.

A broker “non-vote” occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

If sufficient votes to constitute a quorum are not received by the date of the Annual Meeting, the persons named as proxies in this proxy statement may propose one or more adjournments of the meeting to permit further solicitation of proxies. Adjournment would require the affirmative vote of the holders of a majority of the outstanding shares of Cesca common stock present in person or represented by proxy at the Annual Meeting. The persons named as proxies in this proxy statement would generally exercise their authority to vote in favor of adjournment.

Q: What is the voting requirement to approve each of the proposals?

A: A plurality of the voting power of the shares present in person or represented by proxy at the Annual Meeting is required for the election of directors (Proposal 1). Thus, the nominees for director receiving the highest number of affirmative votes will be elected as members of Cesca’s Board of Directors to serve until Cesca’s next Annual Meeting of Stockholders. There is no cumulative voting in the election of directors.

The affirmative vote of a majority of the shares of common stock present in person or represented by proxy is required to approve Proposals 2 – 12.

Q: How are votes counted?

A: With respect to the election of directors, you may vote “FOR” or “WITHHOLD” on each of the five nominees.

With respect to other proposals, you may vote “FOR”, “AGAINST” or “ABSTAIN” on each proposal. Abstentions are deemed to be votes cast and thereby have the same effect as a vote against the proposal. Broker non-votes are not deemed to be votes cast and thereby do not affect the outcome of the voting on the proposal.

Q: What happens if one or more of the director nominees is unable to stand for election?

A: The Board of Directors may reduce the number of directors or select a substitute nominee. In the latter case, if you have submitted your proxy via the internet or by telephone or completed and returned your proxy card or voting instruction card, Matthew Plavan or Dan Bessey as proxy holders, will have the discretion to vote your shares for the substitute nominee.

Q: Where can I find the voting results of the Annual Meeting?

A: Elana McVay, Cesca's Assistant Corporate Secretary, will tabulate the votes and act as the inspector of election. We intend to announce preliminary voting results at the Annual Meeting. We will provide final results on a Form 8-K within four business days of the Annual Meeting.

Q: Who pays for the proxy solicitation process?

A: Cesca will bear the cost of soliciting proxies, including the cost of preparing, posting and mailing proxy materials. In addition to soliciting stockholders by mail and through its regular employees, Cesca will request brokers, banks and other nominees to solicit their customers who hold shares of Cesca common stock in street name. Cesca may reimburse such brokers, banks and nominees for their reasonable, out-of-pocket expenses. Cesca may also use the services of its officers, directors and employees to solicit proxies, personally or by telephone, mail, facsimile or email, without additional compensation other than reimbursement for reasonable, out-of-pocket expenses. Cesca has retained Georgeson, Inc. to aid in the solicitation of proxies and anticipate that the costs of such services will be less than \$12,000.

CORPORATE GOVERNANCE AND BOARD OF DIRECTORS MATTERS

General

Our Board of Directors believes that good corporate governance is important to ensure that Cesca is managed for the long-term benefit of our stockholders. This section describes key corporate governance guidelines and practices that we have adopted. Complete copies of our corporate governance guidelines, committee charters and code of ethical conduct described below are available under the investor information section of our website at www.cescatherapeutics.com.

Board Operating and Governance Guidelines

Our Board of Directors has adopted a number of operating and governance guidelines, including the following:

- Majority of the members of the Board should be independent directors;
- Formalization of the ability of each committee to retain independent advisors;
- Performance of an annual assessment of the Board's performance by the Governance and Nominating Committee;
- Directors will have open access to the Company's management; and

Independent directors may meet in executive session prior to or after each regularly scheduled Board meeting without management present.

Board Leadership Structure

Craig Moore, an independent director, serves as our Chairman of the Board. The Board has had the same individual serve as Chief Executive Officer and Board chairman in the past, but does not believe that structure to be the most desirable structure for the Company at this time. The Board views independent oversight of management as an important component of an effective board of directors and believes that a separated Chief Executive Officer and Chairman structure provides the Board with the greatest diversity of ideas and experience. The Chairman of the Board is responsible for coordinating the Board's activities, including the scheduling of meetings of the full Board, scheduling executive sessions of the non-employee directors and setting relevant items on the agenda (in consultation with the Chief Executive Officer as necessary or appropriate). The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company.

Risk Oversight

The Board has an active role, as a whole and also at the committee level, in overseeing risk management. The Board regularly reviews information regarding the Company's liquidity and operations, as well as the risks associated with each. The Company's Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees management of risks relating to financial reporting, internal controls and compliance with legal and regulatory requirements. The Governance and Nominating Committee oversees the management of risks associated with corporate governance, the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

Governance and Nominating Committee

The Governance and Nominating Committee was formed to address general governance and policy oversight; succession planning; to identify qualified individuals to become prospective Board members and make recommendations regarding nominations for the Board of Directors; to advise the Board with respect to appropriate composition of Board committees; to advise the Board about and develop and recommend to the Board appropriate corporate governance documents and assist the Board in implementing guidelines; to oversee the annual evaluation of the Board and the Company's Chief Executive Officer, and to perform such other functions as the Board may assign to the committee from time to time. The Governance and Nominating Committee has a Charter which is available on the Company's website at www.cescatherapeutics.com. The Governance and Nominating Committee consists of three independent directors: Mr. McEnany (Governance and Nominating Committee Chairman), Mr. Moore and Mr. Stracey.

Audit Committee

The Audit Committee of the Board of Directors makes recommendations regarding the retention of the independent registered public accounting firm, reviews the scope of the annual audit undertaken by our independent registered public accounting firm and the progress and results of their work, reviews our financial statements, and oversees the internal controls over financial reporting and corporate programs to ensure compliance with applicable laws. The Audit Committee reviews the services performed by the independent registered public accounting firm and determines whether they are compatible with maintaining the registered public accounting firm's independence. The Audit Committee has a Charter, which is reviewed annually and as may be required due to changes in industry accounting practices or the promulgation of new rules or guidance documents. The Audit Committee Charter is available on the Company's website at www.cescatherapeutics.com. The Audit Committee consists of three independent directors as determined by NASD listing standards: Mr. Moore (Audit Committee Chairman), Mr. McEnany and Mr. Stracey. Mr. Moore and Mr. McEnany are qualified as Audit Committee Financial Experts as defined in Regulation S-K Item 407(d)(5)(ii).

Compensation Committee

The Compensation Committee of the Board of Directors reviews and approves executive compensation policies and practices, reviews salaries and bonuses for our Chief Executive Officer and Chief Financial Officer, administers the Company's stock option plans and other benefit plans, and considers other matters as may, from time to time, be referred to them by the Board of Directors. The Compensation Committee has a charter which is available on the Company's website at www.cescatherapeutics.com. The Compensation Committee consists of three independent directors: Mr. Stracey (Compensation Committee Chairman), Mr. McEnany and Mr. Moore.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee were at any time an officer or employee of ours. In addition, none of our executive officers serves as a member of the compensation committee of any entity that has one or more executive officers serving as a member of our Compensation Committee.

Nominations to the Board of Directors

Our directors take a critical role in guiding our strategic direction and oversee the management of the Company. Board candidates are considered based upon various criteria, such as their broad-based business and professional skills and experiences, a global business and social perspective, concern for the long-term interests of the stockholders and personal integrity and judgment. In addition, directors must have time available to devote to Board activities and to enhance their knowledge of the regenerative medicine industry. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The Board of Directors has a Governance and Nominating Committee. The Board believes given the diverse skills and experience required to grow the Company that the input of all members is important for considering the qualifications of individuals to serve as directors, but does not have a formal diversity policy; however, the Board encourages diversity. Further, the Governance and Nominating Committee believes that the minimum qualifications for serving as director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. The Board may retain professional consultants to aid in identifying potential candidates to ensure that any vacancies on the Board are filled on a timely basis with qualified candidates. Whenever a new seat or a vacated seat on the Board is being filled, candidates that appear to best fit the needs of the Board and the Company are identified and, unless such individuals are well known to the Board, they are interviewed and further evaluated by the

Governance and Nominating Committee. Candidates selected by the Governance and Nominating Committee are then recommended to the full Board for their appointment or nomination to stockholders. The Governance and Nominating Committee recommends a slate of directors for election at the annual meeting. In accordance with Nasdaq rules, the slate of nominees is approved by a majority of the independent directors.

11

Table of Contents

In carrying out its responsibilities, the Board will consider candidates suggested by stockholders. If a stockholder wishes to formally place a candidate's name in nomination, however, he or she must do so in accordance with the provisions of the Company's Bylaws. Suggestions for candidates to be evaluated by the Nominating Committee must be sent to Assistant Corporate Secretary, 2711 Citrus Road, Rancho Cordova, California 95742. Candidates nominated by stockholders are reviewed and vetted in a similar process to those that the Board becomes aware of from other sources.

Board and Committee Meetings and Attendance

In fiscal 2013, the Board of Directors met twenty (20) times, the Audit Committee met five (5) times and the Governance and Nominating Committee met two (2) times. Each director attended at least 75% of the meetings of the Board of Directors held while serving as a director. Each director attended all of the meetings of the committees upon which he served. All Directors nominated at the 2012 annual meeting of stockholders attended. The Board encourages, but does not require Directors to attend the Annual Meeting of Stockholders.

Stockholders may send communications to the Board by mail to the Chairman of the Board, Cesca Therapeutics Inc., 2711 Citrus Road, Rancho Cordova, California 95742.

Section 16(a) Beneficial Ownership Reporting Compliance

COMPENSATION DISCUSSION AND ANALYSIS

This compensation discussion and analysis describes the material elements of the Company's compensation programs as they relate to our executive officers who are listed in the compensation tables appearing elsewhere in this proxy statement. This compensation discussion and analysis focuses on the information contained in the following tables and related footnotes, but also describes other arrangements and actions taken since the end of fiscal 2013 to the extent such discussion enhances the understanding of our executive compensation for fiscal 2013. Throughout this proxy statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during fiscal 2013, as well as the other individuals included in the Summary Compensation Table, are referred to as the "named executive officers" or "NEOs".

Overview of Compensation Committee Role and Responsibilities

The Compensation Committee of the Board of Directors oversees our compensation plans and policies, reviews and approves all decisions concerning the Chief Executive Officer and Chief Financial Officer's compensation, which may further be approved by the Board, and administers our stock option and equity plans, including reviewing and approving stock option grants and equity awards under the plans. The Compensation Committee's membership is determined by the Board and is composed entirely of independent directors.

Management plays a role in the compensation-setting process. The most significant aspects of management's role are to evaluate employee performance and recommend salary levels and equity compensation awards. Our Chief Executive Officer often makes recommendations to the Compensation Committee and the Board concerning compensation for other executive officers. Our Chief Executive Officer is a member of the Board, but does not participate in Board decisions regarding any aspect of his own compensation. The Compensation Committee can retain independent advisors or consultants and has done so in the past.

Compensation Committee Process

The Compensation Committee reviews executive compensation upon the signing of an employment agreement, an increase in responsibilities or other factors. With respect to equity compensation awarded to other employees, the Compensation Committee or the Board grants stock options, often after receiving a recommendation from our Chief Executive Officer. The Compensation Committee also evaluates proposals for incentive and performance equity awards, and other compensation.

Compensation Philosophy

The Compensation Committee emphasizes the important link between the Company's performance, which ultimately affects stockholder value, and the compensation of its executives. Therefore, the primary goal of the Company's executive compensation policy is to align the interests of the executive officers with the interests of the stockholders. In order to achieve this goal, the Company attempts to, (i) offer compensation opportunities that attract and retain executives whose abilities and skills are critical to the long term success of the Company and reward them for their efforts in ensuring the success of the Company, (ii) align the Company's compensation programs with the Company's long-term business strategies and objectives, and (iii) provide variable compensation opportunities that are directly linked to the Company's performance and stockholder value, including an equity stake in the Company. Our named executive officers' compensation utilizes two primary components - base salary and long-term equity compensation - to achieve these goals. There have been no bonus plan pay-outs as we have not yet achieved profitability, a prerequisite for pay-out per our historical bonus plans. Additionally, the Compensation Committee may award discretionary bonuses to certain executives based on the individual's contribution to the achievement of the Company's strategic objectives.

Setting Executive Compensation

We set executive base compensation at a level we believe enables us to hire and retain individuals in a competitive environment and to reward satisfactory individual performance and a satisfactory level of contribution to our overall business goals. We also take into account the compensation that is paid by companies that we believe to be our competitors and by other companies with which we believe we generally compete for executives.

In establishing compensation packages for executive officers, numerous factors are considered, including the particular executive's experience, expertise and performance, our Company's overall performance and compensation packages available in the marketplace for similar positions. In arriving at amounts for each component of compensation, our Compensation Committee strives to strike an appropriate balance between base compensation and incentive compensation. The Compensation Committee also endeavors to properly allocate between cash and non-cash compensation and between annual and long-term compensation. The Company has entered into employment agreements with Mr. Plavan, our Chief Executive Officer, Mr. Bessey our Chief Financial Officer, Mr. Harris, our President and Mr. Sivilotti.

Base Salary

The Company provides executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. Subject to the provisions contained in employment agreements with executive officers concerning base salary amounts, base salaries of the executive officers are established based upon compensation data

of comparable companies in our market, the executive's job responsibilities, level of experience, individual performance and contribution to the business. We believe it is important for the Company to provide adequate fixed compensation to highly qualified executives in our competitive industry. In making base salary decisions, the Compensation Committee uses its discretion and judgment based upon personal knowledge of industry practice, but does not apply any specific formula to determine the base salaries for the executive officers.

401(k) Plan

The Company maintains a retirement savings plan, or 401(k) Plan, for the benefit of our executives and employees. Our 401(k) Plan is intended to qualify as a defined contribution arrangement under the Internal Revenue Code (Code). Participants may elect to defer a percentage of their eligible pretax earnings each year or contribute a fixed amount per pay period up to the maximum contribution permitted by the Code. All participants' plan accounts are 100% vested at all times. All assets of our 401(k) plan are currently invested, subject to participant-directed elections, in a variety of mutual funds chosen from time to time by the Plan Administrator. Distribution of a participant's vested interest generally occurs upon termination of employment, including by reason of retirement, death or disability. Historically, we have not made matching contributions to the 401(k) Plan.

Perquisites and Other Personal Benefits

The Company's executive officers participate in the Company's medical, dental and disability insurance benefit plans on the same terms as other employees. The Company provides the NEOs and certain key employees with life insurance benefits at two times their annual salary, up to \$500,000. Relocation benefits also are reimbursed and are individually negotiated when they occur. The Company reimburses each executive officer for all reasonable business and other expenses incurred by them in connection with the performance of their duties and obligations. The Company does not provide named executive officers with any significant perquisites or other personal benefits.

Accounting and Tax Considerations

Section 162(m) of the Code limits the Company to a deduction for federal income tax purposes of up to \$1 million of compensation paid to certain named executive officers in a taxable year. Compensation above \$1 million may be deducted if it is "performance-based compensation". To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals and due to the Company's substantial net operating loss carry forwards, the Compensation Committee has not adopted a policy requiring all compensation to be deductible. The Compensation Committee intends to continue to evaluate the effects of the compensation limits of Section 162(m) and to grant compensation awards in the future in a manner consistent with the best interests of the Company and its stockholders.

Potential Payments upon Termination or Change in Control

Our named executive officers have certain change of control rights under employment agreements or current company policy. The Compensation Committee considers these policies to provide the named executive officers with the ability to make appropriate, informed decisions on strategy and direction of the Company that may adversely impact their particular positions, but nevertheless are appropriate for the Company and its stockholders. Our Compensation Committee believes that companies should provide reasonable severance benefits to employees, recognizing that it may be difficult for them to find comparable employment within a short period of time and that severance arrangements may be necessary to attract highly qualified officers in a competitive hiring environment.

The following table describes the potential payments upon a hypothetical termination without cause or due to a change in control of the Company on June 30, 2013 for the NEO's. The actual amounts that may be paid upon an executive's termination of employment can only be determined at the actual time of such termination.

(1) Payable in a lump-sum payment.

This table does not include an estimate for the acceleration of vesting of stock options upon a change in control as (2) this benefit is available to all employees with outstanding stock options as provided in the Equity Plans at the discretion of the Plan Administrator.

The CEO's prior Employment Agreement provided for a one-time payment equal to twelve months base salary in the event there is a Change of Control and the CEO continues to work in his current position with no significant (3) changes. However, under the employment agreement approved on October 25, 2013 the CEO will only receive a payment if terminated upon a change of control as defined below.

(4) Payable in biweekly installments for one year.

Under the Company's Executive Change of Control Policy, "change of control" means an event involving one transaction or a related series of transactions in which one of the following occurs:

- a) the Company issues securities equal to 50% or more of the Company's issued and outstanding voting securities, determined as a single class;
- b) the Company issues securities equal to 50% or more of the issued and outstanding common stock of the Company in connection with a merger, consolidation or other business combination;
- c) the Company is acquired in a merger or other business combination transaction in which the Company is not the surviving company; or
- d) all or substantially all of the Company's assets are sold or transferred.

Under Mr. Plavan's prior employment agreement "cause" is defined as:

- a) willful or habitual breach of Executive's duties;
- b) fraud, dishonesty, deliberate injury or intentional material misrepresentation by Executive to the Company or any others;

Table of Contents

- c) embezzlement, theft or conversion by Executive;
- d) unauthorized disclosure or other use of the Company's trade secrets, customer lists or confidential information;
- e) habitual misuse of alcohol or any non-prescribed drug or intoxicant;
- f) willful misconduct that causes material harm to the Company;
- g) willful violation of any other standards of conduct as set forth in Company's employee manual and policies;
- h) conviction of or plea of guilty or nolo contendere to a felony or misdemeanor involving moral turpitude;
continuing failure to communicate and fully disclose material information to the Board of Directors, the failure of
- i) which would adversely impact the Company or may result in a violation of state or federal law, including securities laws; or
- j) debarment by any federal agency that would limit or prohibit Executive from serving in his capacity for the Company under this Agreement.

Under the most recent employment agreements for Mr. Plavan and Mr. Bessey approved October 25, 2013, "change of control" is defined as: an event involving one transaction or a related series of transactions in which one of the following occurs:

- (a) The Company issues securities equal to fifty percent 50% or more of the Company's issued and outstanding voting securities, determined as a single class, to any individual, firm, partnership or other entity, including a "group" within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934;
- (b) The Company issues securities equal to fifty percent 50% or more of the issued and outstanding common stock of the Company in connection with a merger, consolidation or other business combination;
- (c) The Company is acquired in a merger or other business combination transaction in which the Company is not the surviving company; or
- (d) all or substantially all of the Company's assets are sold or transferred to a third party.

Long-term Equity Compensation

The Compensation Committee provides the Company's executive officers with long-term equity compensation in the form of stock option grants or restricted stock grants under the Company's 2006 Equity Incentive Plan (the "Equity Plan"). The ability to provide equity incentives, through the granting of stock options and other equity-based compensation, gives the Compensation Committee the ability to create a combination of cash and stock-based incentive compensation programs to promote high performance and achievement of corporate goals by executives and employees. The Compensation Committee believes that stock based compensation provides the Company's executive officers with the opportunity to maintain an equity interest in the Company and to share in the appreciation of the value of the Company's common stock, thereby motivating the executive to maximize long-term stockholder value. It is the Company's practice to grant options or restricted stock from time to time to executive officers at the fair market value of the Company's common stock on the date of grant. The option grants also place what can be a significant element of compensation at risk, because stock options have value for the executive only if the market price of the Company's stock increases above the fair market value on the grant date and the executive remains in the Company's employ for the period required for the shares to vest. The Compensation Committee considers each grant subjectively, considering factors such as the individual performance of the executive officer, the anticipated contribution of the executive officer to the attainment of the Company's long-term strategic performance goals and the need to retain key employees. The number of stock options or restricted stock shares granted to other executives in prior years and the total number of shares available for issuance under the Equity Plans are also taken into consideration.

Stock options typically have been granted to executive officers when the executive first joins the Company, in connection with a significant change in responsibilities, in response to changes in industry practices and, occasionally, to achieve equity within a peer group. The Compensation Committee may, however, grant additional stock options to

executives and employees for other reasons. Awards of equity-based compensation are not routinely made, but may occur throughout the year. Stock options granted to the named executive officers have vesting schedules ranging from three to four years. Generally, we do not time the granting of our options or awards with any favorable or unfavorable news released by the Company, except that on occasion, the Compensation Committee times the grant to occur after information concerning the Company is publicly released.

Although the Company has historically only issued stock options and restricted shares, it may in the future grant stock appreciation rights, or other equity-based compensation as permitted in the Equity Plans and as determined appropriate by the Compensation Committee.

Bonuses

The bonus component of executive compensation is designed to reflect the Compensation Committee's belief that a portion of the compensation of each executive officer should be contingent upon the performance of the Company, as well as the individual contribution of each executive officer. The bonus is intended to motivate and reward executive officers by allowing the executive officers to directly benefit from the success of the Company. However, we have from time to time paid signing, retention, referral or other bonuses to particular executive officers. Our executive employment contract and policy provide generally for a discretionary bonus of up to 35% of the executive's base salary, which is to be determined by the Compensation Committee based on individual performance criteria and Company achievement of profitability during the year.

As Vice President of Commercial Operations & Marketing, Mr. Baker is eligible for a sales commission program in which approximately 35% of his base salary has been established as the commission pool, paid out based upon performance to quarterly goals. Historically, the V.P. of sales has achieved approximately 30 - 36% of his annual commission pool.

Risk Assessment

We do not believe that risks arising from our compensation policies and practices are reasonably likely to have a material adverse effect on the Company. We believe our approach to goal setting and evaluation of performance results assist in mitigating excessive risk-taking that could harm our value or reward poor judgment by our executives. We believe we have allocated our compensation among base salary and short-and long-term compensation opportunities in such a way as to not encourage risk-taking. The multi-year vesting of our equity awards are intended to properly account for the time horizon of risk. Our insider trading policy prohibits short selling of our Company's stock or the purchase or sale of puts or calls for speculative purposes.

Increase in Executive Compensation Subsequent to Year End

During the current fiscal year 2014, the Compensation Committee conducted an executive compensation analysis and assessment. The Compensation Committee engaged an independent compensation consultant, Radford, an Aon Hewitt Company, to help formulate compensation policy, strategy, and design, and to advise on overall best practices.

Subsequent to year ended June 30, 2013, on March 1, 2014, after giving consideration to a certain survey discussed below, and in recognition of the successful implementation of the Company's strategic transformation, the Compensation Committee made the following changes to executive compensation:

Named Executive Officer	Annual Salary ⁽¹⁾	Cash Bonus ⁽²⁾	Long-Term Incentive Awards ⁽³⁾	
			Options	Restricted Stock Awards
Matthew Plavan, Chief Executive Officer	\$425,000	\$100,000	100,000	210,000
Dan Bessey, Chief Financial Officer	\$280,000	\$50,000	33,585	67,500
Hal Baker, ⁽⁴⁾ V.P. Commercial Operations & Marketing			18,700	37,500
Ken Pappa, V.P. Engineering, Manufacturing & IT	\$250,000	\$10,000	18,700	37,500

- (1) Annual salary increase is effective March 1, 2014.
- (2) Represents a cash bonus payable March 1, 2014.
- (3) Long-term incentive awards consisting of stock options and restricted stock awards are subject to vesting over a three year period.
- (4) Mr. Baker's salary was deemed materially consistent with the 25th percentile.

24

Table of Contents

The long-term incentive awards consisting of options and restricted awards are being issued pursuant to the Company's 2006 Equity Incentive Plan and are subject to a three year vesting. The exercise price for each stock option was \$2.18 per share which represents the closing price of the Company's common stock as reported on the Nasdaq Capital Market on March 3, 2014.

As part of its executive compensation analysis and assessment, the Compensation Committee engaged Radford, Aon Hewitt company, to develop an appropriate peer group and provide the Compensation Committee with base pay, short-term incentive and long-term equity incentive market data from said peer group. Radford also advised the Compensation Committee on cash and equity compensation specifically for the directors and officers.

Comparative Benchmarking

The Compensation Committee relied on a combination of resources to review and benchmark executive compensation and set the compensation of the CEO and other NEOs. Radford prepared a comparative report of companies operating in our industry with reported revenues, net income and market values the Company and Radford consider to be within a reasonable range of our same metrics. Following is a list of companies included in the 2014 peer group:

- Aastrom BioSciences, Inc.
- Cytori Therapeutics
- Peregrine Pharmaceuticals
- Advanced Cell Technologies
- Dynavax Technologies
- Pluristem Therapeutics
- Anacor Pharmaceuticals
- Enzon
- Sangamo Biosciences
- Athersys
- Geron
- Stemcells
- Cleveland Biolabs
- Novavax
- Taracept
- Cytokinetics

In addition to the companies analyzed in the comparison group above, Radford also gathered and presented data from Radford's 2013 Global Life Sciences survey for bio-pharmaceutical companies with employees less than 250.

Based on the data gathered and analyzed for the comparator group and the survey group, Radford made the following observations regarding executive compensation at the Company:

- Executive base salaries are below the market 25th percentile
- CEO short term target incentive is below the market 25th percentile
- NEO's (other than the CEO) short term target incentives are below the market 50th percentile
- The Company does not have a formal annual equity incentive plan
- Total target compensation (cash plus equity) is below the market 25th percentile

In determining the total direct compensation for the NEO's for 2014 disclosed above, the Compensation Committee took the following facts and trends also into consideration:

- Executive target cash and direct compensation is below the market 25th percentile
- The CEO has not had a salary increase since June 2011

In January 2012, management began the implementation of its strategy to build greater shareholder value by further leveraging its assets and expertise to develop and commercialize cell therapies to treat patients in large disease populations, i.e. regenerative medicine. This effort began with a major restructuring of the company, and over the past two years has included the divestiture of non-core products, a streamlining of resources to focus on the base cord blood business and acquiring the necessary clinical and scientific capabilities required to develop cell biologics targeting major clinical indications. The board and management believe the recent formation of Cesca Therapeutics and the \$6.7 million capital market financing are two key milestone achievements that illustrate the strategy is working to create sustained shareholder value in regenerative medicine

PROPOSAL 2

APPROVAL OF AMENDMENT TO OUR BYLAWS FOR CLARIFYING CERTAIN ADMINISTRATIVE FUNCTIONS, INCLUDING CHANGING THE NAME TO CESCA THERAPEUTICS INC. AND PROVIDING OF NOTICE AND STOCKHOLDER RECORDS ELECTRONICALLY

The board of directors is proposing for approval by the stockholders certain administrative amendments to Article I, Section 1, and Article II, Sections 4, and 14 of the Current Bylaws.

Article I, Section 1 would change our name to Cesca Therapeutics Inc. from ThermoGenesis Corp. to reflect the acquisition of TotiPotentRX by merger and concurrent name change.

Article II Section 4 of the Current Bylaws will be amended to allow for the notice of a stockholders' meeting through electronic means. Article II Section 15 will allow a list of stockholders open to the examination of any stockholder through an electronic network.

Reason for the Amendments

On February 18, 2014, the Company completed the acquisition of TotiPotentRX by merger and, as part of the transaction, changed its name to Cesca Therapeutics Inc. The Company is amending its Current Bylaws to reflect the name change.

With regards to the other administrative amendments, in July, 2000, the Delaware General Corporation Law ("DGCL") statute was amended to permit Delaware corporations to take fuller advantage of email and other technological advances. One provision provides that notices to a stockholder under a corporation's bylaws may be given by electronic transmission. In addition, DGCL states that the stockholder list be available at the place of the meeting or another specified place in the city where the meeting is being held for ten days prior to the meeting has been deleted. A new provision requires the list to be available for the ten-day period either on a reasonably accessible electronic network or at the corporation's principal place of business

The board of directors is proposing an amendment to Article II, Section 4 of the Current Bylaws to provide for the notice of a stockholders' meeting through electronic means. Article II Section 15 will allow a list of the Company's stockholders to open by the examination of any stockholder through an electronic network.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 2 is required to approve this Proposal 2. Our board of directors has unanimously recommends that the stockholders to vote "FOR" this Proposal 2.

PROPOSAL 3

APPROVAL OF AMENDMENT TO OUR BYLAWS TO ALLOW THE NUMBER OF DIRECTORS TO BE SET BY THE BOARD

The board of directors is proposing for approval by the stockholders an amendment to Article II, Section 2 of our Current Bylaws to eliminate range of the number of directors from three to seven directors to a number to be determined by the board of directors with the exact number as the board shall from time to time fix by resolution. Proposal 3 language is set forth in the Proposed Amended and Restated Bylaws set forth in Annex A.

Proposal

If Proposal 3 is adopted, the number of directors of the board will be determined by the board of directors by resolution which is permitted under DGCL.

Reasons for the Proposal

Currently, the number of directors consists of six members. In connection with the acquisition of TotiPotentRX, TotiPotentRX had the right to appoint two directors to the Company's board of directors of which one director has already been appointed. If certain TotiPotentRX assignees exercise their right to nominate another member to the Company's board of directors, the number of directors shall be seven which will be the maximum range of directors allowed under the Current Bylaws.

In order to provide the board of directors with the maximum flexibility, and as permitted under DGCL, the board of directors is proposing Proposal 3 to allow that the number of directors of the Company shall be set by the board of directors by resolution. This will allow the board of directors to add other qualified members as may arise from time to time. In addition, in the event the Company in the future engages in a merger, acquisition, reorganization of similar transaction with another company, this will provide the Company the maximum flexibility to offer board seats to the other company to promote continuity and unity of the combined company.

Adoption of Proposal 3 will prohibit stockholders the right to set the number or range of number directors for the Company which may become costly if the Company's board of directors becomes large in size. However, the Company stockholders will continue to vote on the Company's directors on an annual basis.

Although Proposal 3 to allow the board of directors to determine the size of the board is not intended an anti-takeover provision, coupled with other provisions, Proposal 3 could have an anti-takeover effect. Such other provisions include Proposal 4 to provide for the advanced notice requirement for stockholder nominations of directors, Proposal 5 to provide for the advanced notice requirement for proposals other than director nominations, Proposal 6 to eliminate stockholder action by written consent, and that the Company may issue "blank check" preferred stock with the rights, preferences and privileges as determined by the board of directors in their sole discretion. These provisions, collectively, could, under certain circumstances, discourage or make more difficult efforts to obtain control of the Company. The board of directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company. This proposal is not being presented with the intent that it be used to prevent or discourage any acquisition attempt.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 3 is required to approve this Proposal 3. Our board of directors has unanimously recommends that the stockholders to vote "FOR" this Proposal 3.

PROPOSAL 4

APPROVAL OF AMENDMENT TO OUR BYLAWS TO PROVIDE ADVANCE NOTICE FOR DIRECTOR NOMINATIONS

The board of directors is proposing for approval by the stockholders an amendment to Article II, Section 5 to amendment to our Current Bylaws to provide for the advance notice requirement for stockholder nominations of directors.

Currently, Article II, Section 5 of our Current Bylaws provides basic notice for any stockholders' meeting. There is currently no notice provision for stockholders seeking to nominate directors for election at an annual or special meeting of stockholders or propose other business. The proposed amendment will make certain changes to this Article II, Section 5 that are intended to provide clear and reasonable procedures to nominate directors and full disclosure of the interests of the director nominee and the nominating stockholder. These provisions set forth the process that a stockholder must follow in order to nominate a director for election or seek a proposal at a stockholder meeting. Proposal 4 language is set forth in the Proposed Amended and Restated Bylaws set forth in Annex A.

Director Nominees

Advance Notice Provision for Director Nominee. The amendment provides a deadline for stockholder nominees at an annual meeting will be at least 90 days and no more than 120 days before the anniversary date of the prior year meeting. The amendment also provides that if the annual meeting is advanced by more than 30 days or delayed by more than 70 days from such anniversary, the notice period shall be 10 days following the public announcement of the annual meeting date. The deadline range for stockholder nominees at a special meeting will be at least 90 days and no more than 120 days before the actual meeting or, if later, 10 days following the public announcement of the special meeting date.

Disclosure of Information from Potential Director Nominees. The amendment requires disclosure regarding the director nominee: the director nominee's name, age, and business and residence address; principal occupation or employment; number of shares of the Company's capital stock owned by the director nominee; other information that would be required to be included by a proxy statement; consent to serve as a director; and such other information for the Company to reasonably determined if the nominee would be independent.

Disclosure of Information from Nominating Stockholders. In addition to the information about a director nominee, the amendment requires the following disclosures regarding the nominating stockholder: nominating stockholder's name and address; number of shares of the Company's capital stock owned by the nominating stockholder; description of arrangements, if any, pursuant to such the nomination is being made; description of arrangements regarding any effect or intent to mitigate or manage risk or benefit of share price changes or increase voting power of the nominating stockholder; representation that the nominating stockholder is entitled to vote and will appear at the meeting; and representation whether such stockholder intends to deliver a proxy statement/form of proxy to other stockholder or to solicit proxies in support of the nominee.

Reason for the Amendment

Our board of directors believes that detailed and clearly stated advance notice requirements are beneficial to both our stockholders and our board of directors in planning for and administering meetings of our stockholders. Our board of directors determined that the proposed amendment is in the best interests of the Company and our stockholders to ensure our advance notice provisions are complied with and to allow for enhanced disclosure of the interests of the director nominee and the nominating stockholder.

The purpose of advance notice provisions is to help ensure orderly business at annual or special meeting by requiring any stockholder that intends to propose director nominations or have other business considered at the meeting to give timely prior written notice of the proposal (and related information) to the Company. Delaware courts have upheld advance notice provisions as appropriate to give stockholders an opportunity to evaluate the stockholder proposal and to give the board of directors' adequate time to make an informed recommendation, so long as the provision does not unduly restrict stockholder rights.

The amendment also provides for disclosure requirements of a nominating stockholder, or proposing stockholder, as the case may be, and we believe these advance notice requirements will help our stockholders understand and prepare for the process that must be followed for their nominees. In addition, the notice provisions will allow our stockholders to have a greater amount of time to consider nominations they desire to bring before a meeting and to comply with the applicable requirements for submitting such nominees.

The disclosures will provide both stockholders and our board of directors with more information regarding the director nominees and the nominating stockholder, which will allow our stockholders to make a more fully informed voting decision and assist our board of directors in making a recommendation or statements of its position. For example, it is important for us to determine whether or not a potential nominee is independent because it can be

relevant to determining whether we satisfy continued listing requirements on Nasdaq and it affects our ability to form committees of our board of directors that comply with SEC and Nasdaq requirements. The description of arrangements regarding any effect or intent to mitigate or manage risk or benefit of share price changes or increase voting power of Nominating Stockholder will assist in in the disclosure which is typically otherwise unknown to us and the stockholders. This type of disclosure will enable our stockholders and Board of Directors to better understand the potential motivation of a stockholder in submitting a nomination.

PROPOSAL 6

APPROVAL OF AMENDMENT TO OUR BYLAWS TO ELIMINATE STOCKHOLDER ACTION BY WRITTEN CONSENT

The board of directors is proposing, for approval by the stockholders an amendment to Article II, Section 11 of our Current Bylaws to eliminate stockholder action by written consent without meeting of stockholders. If this Proposal 6 is adopted, stockholder action can only be taken at an annual or special meeting of stockholders.

Currently, any action required to be taken at any annual or special meeting of stockholders of the Company, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Proposal 6 language is set forth in the Proposed Amended and Restated Bylaws set forth in Annex A.

Proposal

If Proposal 6 to eliminated action taken by the stockholder by written consent is adopted, any action required by the stockholders could only be taken at an annual or special meeting of stockholders.

Reasons for the Proposal

Our board of directors has carefully considered the advantages and disadvantages of eliminating stockholder action by written consent and has determined that it is appropriate to amend the Current Bylaws to eliminate stockholder action by written consent in lieu of a stockholders' meeting.

Some stockholders believe that stockholders should be permitted to act by written consent because this provides a mechanism for stockholder action outside the normal meeting cycle. The board of directors' concern is that the written consent process, by its nature, is not conducive to an orderly and transparent debate on the merits of the proposed action, as would occur if it were raised at a stockholders' meeting. Moreover, action by written consent can be seen as inherently coercive in that consent solicitations may not give stockholders the benefit of the notice and disclosure requirements applicable to proxy solicitations. Furthermore, in the context of a hostile acquisition coupled with a written consent solicitation to remove the board, the uncertain timetable created by the fact that the removal is effective upon the delivery of the requisite number of consents could cause potentially interested third parties to be reluctant to enter into negotiations, given the risk that the board they are negotiating with could be removed at any time. Adoption of this Proposal 6 would not eliminate a stockholder's ability to vote on a proposed action; it would just require the action to be taken at stockholders' meeting where such action could be properly noticed, and where there would be adequate time to review and discuss the proposed action.

Although Proposal 6 to eliminate stockholder action by written consent is not intended an anti-takeover purposes, coupled with other provisions, Proposal 6 could have an anti-takeover effect. Such other provisions include Proposal 3 which is a proposal to allow the number of directors to be set by the board of directors, Proposal 4 which is a proposal to adopt an advanced notice provision for director nomination, Proposal 5 which is a proposal to adopt an advanced notice provision for proposals other than director nominations and that the Company may issue "blank check" preferred stock with the rights, preferences and privileges as determined by the board of directors in their sole discretion. These provisions, collectively, could, under certain circumstances, discourage or make more difficult efforts to obtain control of the Company. The board of directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company. This proposal is not being presented with the intent that it be used to prevent or discourage any acquisition attempt.

PROPOSAL 7

APPROVAL OF AMENDMENT TO OUR BYLAWS TO PROVIDE
FOR A FORUM FOR ADJUDICATION OF DISPUTES

The board of directors is proposing, for approval by the stockholders an amendment to Article IX, Section 4 of our Current Bylaws to provide for the Delaware courts forum for the adjudication of disputes.

Proposal

If Proposal 7 is approved by our stockholders, our Current Bylaws would be amended by adding a new Article IX, Section 4 attached hereto as Annex A, which would provide that, unless the Company consented in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer, employee or agent of the Company to the Company or the Company's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL or (iv) any action asserting a claim governed by the internal affairs doctrine under Delaware law, in each case subject to the Court of Chancery having personal jurisdiction over the indispensable parties named as defendants therein.

Reasons for the Proposal

The amendment is intended to assist the Company in avoiding multiple lawsuits in multiple jurisdictions regarding the same matter. The ability to require such claims to be brought in a single forum will help to assure consistent consideration of the issues, the application of a relatively known body of case law and level of expertise, and should promote efficiency and costs-savings in the resolution of such claims. The board of directors believes that the Delaware courts are best suited to address disputes involving such matters given that the Company is incorporated in Delaware and that the Delaware courts have a reputation for expertise in corporate law matters. The board of directors also believes that the Delaware courts have more experience and expertise in dealing with complex corporate issues than many other jurisdictions. For these reasons, the board of directors believes that providing for Delaware as the exclusive forum for the types of disputes listed above is in the best interests of the Company and its stockholders. At the same time, the board of directors believes that the Company should retain the ability to consent to an alternative forum on a case-by-case basis where the Company determines that its interest and those of its stockholders are best served by permitting such a dispute to proceed in a forum other than Delaware Chancery Court. It cannot be assured that all state courts will determine such a provision to be enforceable or will be willing to force the transfer of such proceedings to the Delaware courts.

We are aware that certain proxy advisors, and even some institutional investors, take the view that they will not support an exclusive forum clause such as our proposed amendment, unless the Company can show it already has suffered material harm as a result of multiple stockholder suits filed in different jurisdictions regarding the same matter. The board of directors believes this position fails to adequately take into account the prevalence of such litigation generally and the recent increase in stockholder litigation over proxy statement disclosures that threaten to delay or prevent a stockholder meeting at significant cost to the Company. These cases have typically been filed in a state, or in multiple states by multiple lawyers, including the Company's domicile, thus requiring a court, or courts, less familiar with the laws of the domicile to interpret and apply those laws, and to do so under a very tight timeframe. While the Company has not yet suffered such harm, we wish to act to prevent it.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 7 is required to approve this Proposal 7. Our board of directors has unanimously recommends that the stockholders to vote "FOR" this Proposal 7.

Potential Amendments to the Company's Bylaws.

To the extent that Proposals 2, 3, 4, 5, 6 and 7 are approved by the stockholders, the Amended and Restated Bylaws will become effective promptly after the meeting. Proposals 2, 3, 4, 5, 6 and 7 are not inter-dependent, and if any of Proposals 2, 3, 4, 5, 6 and 7 are not approved by the stockholders, the changes intended to implement any Proposal not approved will not be incorporated in the Amended and Restated Bylaws.

PROPOSAL 8

APPROVAL TO AMEND AND RESTATE THE 2006 EQUITY INCENTIVE PLAN

Reasons for the Proposal

The Board of Directors believes that stock based awards have been very effective and have proven to be an important component of the Company's overall compensation and incentive strategy for eligible persons, including directors, officers, employees or consultants to the company. The Company believes that the equity incentive program is important in order to maintain the eligible person's the directors' motivation and compensate them for meeting the Company's short-term and long-term strategic goals. In addition, in light of the completion of the recent merger with TotipotentRX, the Compensation Committee believes the compensation plan should provide it with the appropriate level of flexibility to retain and hire qualified personnel for the Company's operations and to more closely align the eligible person's interest with stockholder's interests.

Background of the Proposal

You are being asked to approve the adoption of the proposed Amended and Restated 2006 Equity Incentive Plan ("Amended and Restated Plan") which is an improvement from the current 2006 Equity Incentive Plan in the following aspects.

Allowing the Compensation Committee to issue the number of awards to any one person during a given year. In general, currently, the number of awards that may be issued to one person is 125,000. The Compensation Committee believes that deletion of this restriction will provide it with the appropriate level of flexibility to retain and hire qualified personnel for the Company's operations and to more closely align the eligible person's compensation with stockholder interests.

Allowing the Compensation Committee the discretion to set forth vesting requirements, if any, in connection with the issuance of awards, including options, restricted stock and unrestricted stock awards. In addition, the amendments will allow the Compensation Committee to waive any existing vesting requirements in their discretion. Current requirements set forth a minimum vesting period of one year for performance based and three years for non-performance based options and one year for performance based and three years for non-performance based awards and restricted stock awards. In addition, current requirements allow discretionary waiving of vesting provisions for restricted stock awards only in the case of death, disability, change of control or lay-off. The Compensation Committee believes this change provides it with the appropriate level of flexibility to retain and hire qualified personnel for the Company's operations and to more closely align eligible person's compensation with stockholder interests.

Allow the Compensation Committee to designate the number, if any, and issue unrestricted stock as determined in their discretion. Currently, the 2006 Equity Incentive Plan sets forth the maximum number of shares issuable as unrestricted stock awards to 10% of the total number of shares authorize by the Plan in any given year. The Compensation Committee believes this change provides it with the appropriate level of flexibility to retain and hire qualified personnel for the Company's operations and to more closely align the eligible person's compensation with stockholder interests.

A copy of the Amended and Restated Plan is attached as Appendix B.

PROPOSAL 9

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), our stockholders are entitled to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC’s rules.

Please read the “Compensation of Named Executive Officers” section of this proxy statement for additional details about our executive compensation program.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement.

We believe that our compensation policies and procedures are aligned with the long-term interests of our stockholders. The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board. The Board and Compensation Committee value the opinions of our stockholders, we will consider our stockholders’ concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Vote Required and Board of Directors’ Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 9 is required to approve this Proposal 9. The board of directors recommends that the stockholders vote “FOR” the approval, on a nonbinding advisory basis, the compensation of our named executive officers.

PROPOSAL 10

ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE
ON EXECUTIVE COMPENSATION

The Dodd-Frank Act and Section 14A of the Exchange Act, as amended, also enable our stockholders to indicate their preference regarding how frequently we should solicit a non-binding advisory vote on the compensation of our named executive officers as disclosed in our proxy statements. Accordingly, we are asking stockholders to indicate whether they would prefer an advisory vote every year, every two years or every three years. Alternatively, stockholders may abstain from casting a vote. For the reasons described below, our Board recommends that the stockholders select a frequency of every two years.

After consideration, our Board has determined that holding an advisory vote on executive compensation every two years is the most appropriate policy for us at this time, and recommends that stockholders vote for future advisory votes on executive compensation to occur every two years. The Board considered that an advisory vote every two years on executive compensation will allow our stockholders to provide us with their direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement on a frequent basis without a substantial annual burden on the company. However, stockholders should note that because the advisory vote on executive compensation occurs well into the compensation year, and because the different elements of our executive compensation program are designed to operate as part of an integrated program, it may not be appropriate or feasible to modify our executive compensation program in consideration of any one year's advisory vote on executive compensation by the time of the following year's annual meeting of stockholders.

However, notwithstanding the Board's recommendations of an advisor, vote every two years, the Board is asking stockholders to indicate their preferred voting frequency by voting for every year, every two years or every three years.

While the Board believes that its recommendation is appropriate at this time, the stockholders are not voting to approve or disapprove that recommendation, but are instead asked to indicate their preferences, on an advisory basis, as to whether the non-binding advisory vote on the approval of our executive officer compensation practices should be held every year, every two years or every three years. The option among those choices that receives the highest number of votes from the holders of shares present in person or represented by proxy and entitled to vote at the annual meeting will be deemed to be the frequency preferred by the stockholders.

The Board and the Compensation Committee value the opinions of our stockholders in this matter, and, to the extent there is any significant vote in favor of one frequency over the other options, the Board will consider the stockholders' concerns and evaluate any appropriate next steps. However, because this vote is advisory and, therefore, not binding on us or the Board, the Board may decide that it is in the best interests of our stockholders that we hold an advisory vote on executive compensation more or less frequently than the option preferred by our stockholders. The vote will not be construed to create or imply any change or addition to our fiduciary duties or those of the Board.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 10 is required to approve this Proposal 10. The board of directors recommends that the stockholders vote "FOR" "every two years" as the frequency with which stockholders are provided an advisory vote on executive compensation.

PROPOSAL 11

RATIFICATION OF ERNST & YOUNG LLP

The Audit Committee of the Board of Directors has appointed Ernst & Young LLP (EY) as the Company's independent registered public accounting firm for our fiscal year ending June 30, 2013. EY also served as the Company's independent registered public accounting firm for our 2012 fiscal year. The Board of Directors concurs with the appointment and is submitting the appointment of EY as our independent registered public accounting firm for stockholder ratification at the annual meeting.

A representative of EY is expected to be present at the annual meeting. The EY representative will have an opportunity to make a statement if he or she wishes to do so and will be available to respond to appropriate questions from stockholders.

Our Bylaws do not require that the stockholders ratify the appointment of EY as our independent registered public accounting firm. We are seeking ratification because we believe it is a good corporate governance practice. If the stockholders do not ratify the appointment, the Audit Committee will reconsider whether to retain EY, but may retain EY in any event. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company and its stockholders.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 11 is required to approve this Proposal 11. The board of directors recommends that the stockholders vote "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the current year.

To be properly brought before an annual meeting, nominations or such other business must be: (i) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the board of directors or any committee thereof, (ii) otherwise properly brought before the meeting by or at the direction of the board of directors or any committee thereof, or (iii) otherwise properly brought before an annual meeting by a shareholder who is a shareholder of record of the Corporation at the time such notice of meeting is delivered, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 5(a). In addition, any proposal of business (other than the nomination of persons for election to the board of directors) must be a proper matter for shareholder action. For business (including, but not limited to, director nominations) to be properly brought before an annual meeting by a shareholder, the shareholder or shareholders of record intending to propose the business (the "Proposing Shareholder") must have given timely notice thereof pursuant to this Section 5(a) or Section 5(c) below, as applicable, in writing to the secretary of the Corporation even if such matter is already the subject of any notice to the shareholders or Public Disclosure from the board of directors. To be timely, a Proposing Shareholder's notice must be delivered to or mailed and received at the principal executive offices of the Corporation: (x) not later than the close of business on the ninetieth (90th) day, nor earlier than the close of business on the one hundred twentieth (120th) day in advance of the anniversary of the previous year's annual meeting if such meeting is to be held on a day which is not more than thirty (30) days in advance of the anniversary of the previous year's annual meeting or not later than seventy (70) days after the anniversary of the previous year's annual meeting; and (y) with respect to any other annual meeting of shareholders, the close of business on the tenth day following the date of Public Disclosure of the date of such meeting. In no event shall the Public Disclosure of an adjournment or postponement of an annual meeting commence a new notice time period (or extend any notice time period). As used in this Article "Public Disclosure" means a disclosure made in a press release reported by the Dow Jones News Services, The Associated Press or a comparable national news service or in a document filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(b) For the nomination of any person or persons for election to the board of directors, a Proposing Shareholder's notice to the secretary of the Corporation shall set forth (A) the name, age, business address and residence address of each nominee proposed in such notice, (B) the principal occupation or employment of each such nominee, (C) the number of shares of capital stock of the Corporation which are owned of record and beneficially by each such nominee (if any), (D) such other information concerning each such nominee as would be required to be disclosed in a proxy statement soliciting proxies for the election of such nominee as a director in an election contest (even if an election contest is not involved) or that is otherwise required to be disclosed, under Section 14(a) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder ("Exchange Act") and the rules and regulations promulgated thereunder, (E) the consent of the nominee to being named in the proxy statement as a nominee and to serving as a director if elected, and (F) as to the Proposing Shareholder: (1) the name and address of the Proposing Shareholder as they appear on the Corporation's books and of the beneficial owner, if any, on whose behalf the nomination is being made, (2) the class and number of shares of the Corporation which are owned by the Proposing Shareholder (beneficially and of record) and owned by the beneficial owner, if any, on whose behalf the nomination is being made, as of the date of the Proposing Shareholder's notice, and a representation that the Proposing Shareholder will notify the Corporation in writing of the class and number of such shares owned of record and beneficially as of the record date for the meeting promptly following the later of the record date or the date notice of the record date is first publicly disclosed, (3) a description of any agreement, arrangement or understanding with respect to such nomination between or among the Proposing Shareholder and any of its affiliates or associates, and any others (including their names) acting in concert with any of the foregoing, and a representation that the Proposing Shareholder will notify the Corporation in writing of any such agreement, arrangement or understanding in effect as of the record date for the meeting promptly following the later of the record date or the date notice of the record date is first publicly disclosed, (4) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the Proposing Shareholder's notice by, or on behalf of, the Proposing Shareholder or any of its affiliates or associates, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of the Proposing Shareholder or any of its affiliates or associates with respect to shares of stock of the Corporation, and a representation that the Proposing Shareholder will notify the Corporation in writing of any such agreement, arrangement or understanding in effect as of the record date for the meeting promptly following the later of the record date or the date notice of the record date is first publicly disclosed, (5) a representation that the Proposing Shareholder is a holder of record of shares of the Corporation entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, and (6) a representation whether the Proposing Shareholder intends to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve the nomination and/or otherwise to solicit proxies from shareholders in support of the nomination. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such nominee.

(c) For all business other than director nominations, a Proposing Shareholder's notice to the secretary of the Corporation shall set forth as to each matter the Proposing Shareholder proposes to bring before the annual meeting: (A) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (B) any other information relating to such shareholder and beneficial owner, if any, on whose behalf the proposal is being made, required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for the proposal and pursuant to and in accordance with Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder and (C) the information required by Section 5(b)(vi) above.

(d) The foregoing notice requirements of Section 5(c) shall be deemed satisfied by a shareholder with respect to business other than a nomination if the shareholder has notified the Corporation of his, her or its intention to present a proposal at an annual meeting in compliance with the applicable rules and regulations promulgated under Section 5(a) of the Exchange Act and such shareholder's proposal has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting.

(e) Only such business shall be conducted at a special meeting of shareholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the board of directors may be made at a special meeting of shareholders at which directors are to be elected pursuant to the Corporation's notice of meeting (x) by or at the direction of the board of directors or any committee thereof (or shareholders pursuant to Section 3 hereof) or (y) provided that the board of directors (or shareholders pursuant to Section 3 hereof) has determined that directors shall be elected at such meeting, by any shareholder of the Corporation who is a shareholder of record at the time the notice provided for in this Section 5 is delivered to the secretary of the Corporation, who is entitled to vote at the meeting and upon such election and who complies with the notice procedures set forth in this Section 5. In the event the Corporation calls a special meeting of shareholders for the purpose of electing one or more directors to the board of directors, any such shareholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, if the shareholder's notice required by this Section 5 shall be delivered to the secretary at the principal executive offices of the Corporation not later than the close of business on the ninetieth (90th) day prior to such special meeting and not earlier than the close of business on the later of the one hundred twentieth (120th) day prior to such special meeting or the tenth (10th) day following the date of Public Disclosure of the date of the special meeting and of the nominees proposed by the board of directors to be elected at such meeting. In no event shall the Public Disclosure of an adjournment or postponement of a special meeting commence a new time period (or extend any notice time period).

(f) Notwithstanding anything in these bylaws to the contrary: (i) no nominations shall be made or business shall be conducted at any annual meeting except in accordance with the procedures set forth in this Section 5, and (ii) unless otherwise required by law, if a Proposing Shareholder intending to propose business or make nominations at an annual meeting pursuant to this Section 5 does not provide the information required under this Section 5 to the Corporation promptly following the later of the record date or the date notice of the record date is first publicly disclosed, or the Proposing Shareholder (or a qualified representative of the Proposing Shareholder) does not appear at the meeting to present the proposed business or nominations, such business or nominations shall not be considered, notwithstanding that proxies in respect of such business or nominations may have been received by the Corporation. The requirements of this Section 5 shall apply to any business or nominations to be brought before an annual meeting by a shareholder whether such business or nominations are to be included in the Corporation's proxy statement pursuant to Rule 14a-8 of the Exchange Act or presented to shareholders by means of an independently financed proxy solicitation. The requirements of the Section 5 are included to provide the Corporation notice of a shareholder's intention to bring business or nominations before an annual meeting and shall in no event be construed as imposing upon any shareholder the requirement to seek approval from the Corporation as a condition precedent to bringing any such business or make such nominations before an annual meeting.

SECTION 6 - ADJOURNED MEETINGS AND NOTICE THEREOF

Any shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of the majority of the shares, the holders of which are either present in person or represented by proxy thereat, but in the absence of a quorum, no other business may be transacted at such meeting, except in the case of the withdrawal of a shareholder from a quorum as provided in Section 9 of this Article II.

When any shareholders' meeting, either annual or special, is adjourned to a different date, time or place, notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before adjournment. The board of directors may fix a new record date for the adjourned meeting. If the meeting is adjourned for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, notice of the adjourned meeting shall be given to each shareholder of record entitled to vote at the adjourned meeting in accordance with the provisions of Sections ~~4 and 5~~ of this Article II. At any adjourned meetings, the Corporation may transact any business that might have been transacted at the regular meeting.

SECTION 7 - VOTING AT MEETINGS OF SHAREHOLDERS

The shareholders entitled to vote at any meeting of the shareholders shall be determined in accordance with the provisions of Section 8 of this Article II.

Each shareholder shall, at each meeting of the shareholders, be entitled to vote in person or by proxy each share or fractional share of the stock of the Corporation having voting rights on the matter in question and which shall have been held by him and registered in his name on the books of the Corporation on the date fixed pursuant to Section 8 of these bylaws as the record date for the determination of shareholders entitled to notice of and to vote at such meeting, or if no such record date shall have been so fixed, then on the dates set forth in Section 8.

Shares of its own stock belonging to the Corporation or to another corporation, if a majority of the shares entitled to vote in the election of directors in such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote, nor be counted for quorum purposes. Persons holding stock of the Corporation in a fiduciary capacity shall be entitled to vote such stock. Persons whose stock is pledged shall be entitled to vote, unless in the transfer by the pledgor on the books of the Corporation he shall have expressly empowered the pledgee to vote thereon, in which case only the pledgee, or his proxy, may represent such stock and vote thereon. Stock having voting power standing of record in the names of two (2) or more persons, whether fiduciaries, members of a partnership, joint tenants in common, tenants by entirety or otherwise, or with respect to which two (2) or more persons have the same fiduciary relationship, shall be voted in accordance with the provisions of the General Corporation Law of the State of Delaware.

Any such voting rights may be exercised by the shareholder entitled thereto in person or by his proxy appointed by an instrument in writing, subscribed by such shareholder or by his attorney thereunto authorized and delivered to the Secretary of the meeting; provided, however, that no proxy shall be voted or acted upon after three (3) years from its date, unless said proxy shall provide for a longer period. The attendance at any meeting of a shareholder who may theretofore have given a proxy shall not have the effect of revoking the same, unless he shall in writing so notify the Secretary of the meeting prior to the voting of the proxy. At any meeting of the shareholders all matters, except as otherwise provided in the Certificate of Incorporation, in these bylaws or by law, shall be decided by the vote of a majority in voting interest of the shareholders present in person or by proxy and voting thereat and thereon, a quorum being present.

The vote at any meeting of the shareholders on any question need not be by written ballot, unless so directed by the Chairman of the meeting; provided, however, that any election of directors at any meeting must be conducted by written ballot. On a vote by ballot each ballot shall be signed by the shareholder voting, or by his proxy, if there be such proxy, and it shall state the number of shares voted.

SECTION 8 - RECORD DATE FOR SHAREHOLDER NOTICE

For purposes of determining the shareholders entitled to notice of any meeting or to vote, the board of directors may fix, in advance, a record date, which shall not be more than sixty (60) days or less than ten (10) days before the date of any such meeting, and in this event only shareholders of record at the close of business on the date so fixed are entitled to notice and to vote, notwithstanding any transfer of any shares on the books of the Corporation after the record date, except as otherwise provided in the Delaware General Corporation Law. If the board of directors does not so fix a record date, the record date for determining shareholders entitled to notice of or to vote at a meeting of shareholders shall be at the close of business on the business day next preceding the day on which notice is given or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held.

For purposes of determining a record date with respect to a dividend, distribution, allotment of any rights or to determine the shareholders entitled to exercise any right with respect to any change, conversion or exchange of stock, or for any other lawful action, the board of directors may fix a record date subsequent to the date upon which the resolution fixing the date is adopted, and which date is not more than sixty (60) days prior to the action for which a record date is being established. In the event no record date is fixed, the record date for determining shareholders for any such purpose is deemed to be the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of shareholders of record entitled to notice of, or to vote at, a meeting of shareholders shall apply to any adjournment of the meeting.

SECTION 9 - QUORUM

A majority of the shares entitled to vote, represented in person or by proxy, shall constitute a quorum of the shareholders for the transaction of business at any meeting of the shareholders or any adjournment thereof.

The shareholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the shares required to constitute a quorum and by any greater number of shares otherwise required to take such action by applicable law or in the certificate of incorporation. In the absence of a quorum, any meeting of shareholders may be adjourned from time to time by vote of a majority of the shares represented in person or by proxy, or, in the absence therefrom, any officer entitled to preside at, or to act as Secretary of, such meeting, but no business may be transacted, except as hereinabove provided.

SECTION 10 - WAIVER OF NOTICE

Whenever notice is required to be given under any provision of the Delaware General Corporation Law or the Certificate of Incorporation or bylaws, a written waiver, signed by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice.

Attendance by a person at a meeting shall constitute a waiver of notice of that meeting, except when the person objects to the Secretary, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened, and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by law to be included in the notice of the meeting, but not so included, if that objection is expressly made at the meeting.

SECTION 11 — NO SHAREHOLDER ACTION BY WRITTEN CONSENT WITHOUT MEETING

~~Any~~No action required to be taken at any annual or special meeting of stockholders of the Corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. If the action taken without a meeting is approved by less than unanimous written consent, prompt notice of such action shall be given to those stockholders who have not consented in writing, may be taken by written consent without a meeting.

If the Corporation has equity securities listed on the American Stock Exchange, in accordance with the procedures contained in the American Stock Exchange policies and rules, any corporate action to be taken by written consent shall not be effective until, and the stockholders of the Corporation shall be able to give or revoke written consents for, at least twenty (20) days from the date of the commencement of a solicitation (as such term is defined in Rule 14a-1(1) promulgated under the Securities Exchange Act of 1934, as amended) of consents, other than corporate action by written consent taken pursuant to solicitations of not more than ten (10) persons. For purposes of this Section of this Article II, a consent solicitation shall be deemed to have commenced when a proxy statement or information statement containing the information required by law is first furnished to the Corporation's stockholders. Consents to corporate action shall be valid for a maximum of sixty (60) days after the date of the earliest dated consent delivered to the Corporation in the manner provided in Section 228(e) of the Delaware General Corporation Law. Consents may be revoked by written notice (i) to the Corporation, (ii) to the stockholder or stockholders soliciting consents or soliciting revocations in opposition to action by consent proposed by the Corporation (the "Soliciting Stockholders"), or (iii) to a proxy solicitor or other agent designated by the Corporation or the Soliciting Stockholders.

Notwithstanding the foregoing, if independent counsel to the Corporation delivers to the Corporation a written opinion stating, or a court of competent jurisdiction determines, that this Section of this Article II, or any portion thereof, is illegal with respect to any corporate action to be taken by written consent for which a consent has theretofore been delivered to the Corporation, in the manner provided in Section 228(e) of the Delaware General Corporation Law, whether prior or subsequent to the date of the adoption of this Section of this Article II, then this Section of this Article II, or such portion thereof, as the case may be, shall after the date of such delivery of such opinion or such determination be null and void and of no effect with respect to any other corporate action to be taken by written consent.

SECTION 12 - PROXIES

A shareholder may execute a writing authorizing another person or persons to act for him as proxy. Execution may be accompanied by the shareholder or his authorized officer, director, employee or agent signing such writing or causing his signature to be affixed to such writing by any reasonable means, including, but not limited to, by facsimile signature. A shareholder may authorize another person or persons to act for him as proxy by transmitting or authorizing the transmission of a telegram, cablegram, or other means of electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such transmission, provided that any such telegram, cablegram or other means of electronic transmission must either set forth or be submitted with information from which it can be determined that the telegram, cablegram or other electronic transmission was authorized by the shareholder. If it is determined that such telegram, cablegram or other electronic transmission is valid, the inspectors, or, if there are no inspectors, such other persons making that determination shall specify the information upon which they relied.

Any copy, facsimile telecommunication or other reliable reproduction of the writing or transmission created pursuant to this section may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used, provided that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing or transmission.

A validly executed proxy that does not state that it is irrevocable shall continue in full force and effect, unless (i) revoked by the person executing it by a writing delivered to the Corporation prior to the meeting stating that the proxy is revoked, or if in attendance at the meeting, by a writing delivered to the Secretary of the meeting prior to the voting of the proxy, or by a subsequent proxy executed by the same person and delivered to the Corporation prior to the meeting or to the Secretary of the meeting prior to the voting of the proxy; or (ii) written notice of the death or incapacity of the maker of that proxy is received by the Corporation before the vote pursuant to that proxy is counted; provided, however, that no proxy shall be valid after the expiration of three (3) years from the date of the proxy, unless otherwise provided in the proxy. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power.

SECTION 13 - VOTING PROCEDURES AND INSPECTORS OF ELECTION FOR CERTAIN CORPORATIONS

(c) The date and time of the opening and the closing of the polls for each matter upon which the shareholders will vote at a meeting shall be announced at the meeting. No ballot, proxies or votes, nor any revocation thereof or changes thereto, shall be accepted by the inspectors after the closing of the polls, unless the Delaware Court of Chancery upon application by a shareholder shall determine otherwise.

If the inspectors consider other reliable information for the limited purpose permitted herein, the inspectors at the time they make their certification pursuant to subsection (b)(v) of this section shall specify the precise information considered by them including the person or persons from whom they obtained the information, when the information was obtained, the means by which the information was obtained and the basis for the inspectors' belief that such information is accurate and reliable.

ARTICLE III - DIRECTORS

SECTION 1 - POWERS

Subject to limitations of the Certificate of Incorporation, or the bylaws, and of the Delaware General Corporation Law as to action which shall be authorized or approved by the shareholders, by the outstanding shares or by a less than majority vote of a class or series of preferred shares, and subject to the duties of directors as prescribed by the bylaws, all corporate powers shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be controlled by, the board of directors. The board of directors may elect a Chairman of the Board from among the members of the board of directors.

SECTION 2 - NUMBER OF DIRECTORS

The number of directors of the Corporation which shall constitute the whole board of directors shall be not less than three (3), nor more than seven (7) with the exact number as the board shall from time to time fix by resolution. Directors need not be shareholders. Each of the directors of the Corporation shall hold office until his successor shall have been duly qualified or until he shall resign or shall have been removed in the manner hereinafter provided.

SECTION 3 - ELECTION AND TERM OF OFFICE

At each annual meeting of shareholders, directors shall be elected to hold office until the next annual meeting. Each director, including any director elected to fill appointed to fill an interim vacancy, shall hold office until the expiration of the term for which elected and until a successor has been elected and qualified.

Only persons who are nominated in accordance with the procedures set forth in this Section 3 shall be eligible for election as Directors. Nominations of persons for election to the Board of Directors of the Corporation may be made at a meeting of shareholders by or at the direction of the Board of Directors or by any shareholder of the Corporation entitled to vote for the election of Directors at the meeting who complies with the notice procedures set forth in this Section 3. Such nominations, other than those made by or at the direction of the Board of Directors, shall be made pursuant to timely notice in writing to the Secretary of the Corporation. To be timely, a shareholder's notice shall be delivered to or mailed and received at the principal office of the Corporation not less than sixty (60) days, nor more than ninety (90) days prior to the meeting; provided, however, that in the event that less than seventy (70) days' notice or prior public disclosure of the date of the meeting is given or made to shareholders, notice by the shareholder to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. At the request of the Board of Directors any person nominated by the Board of Directors for election as a Director shall furnish to the Secretary of the Corporation that information required to be set forth in a shareholder's notice of nomination which pertains to the nominee. No person shall be eligible for election as a Director of the Corporation, unless nominated in accordance with the procedures set forth in this Section 3. The Chairman of the meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the procedures prescribed by the bylaws, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded.

SECTION 4 - VACANCIES

Vacancies in the board of directors may be filled by a majority of the remaining directors, though less than a quorum, or by a sole remaining director. Each director so elected shall hold office until the next election of the class for which such director shall have been chosen until he shall resign or shall have been removed in the manner hereinafter provided.

A vacancy or vacancies in the board of directors shall be deemed to exist in case of the death, resignation or removal of any director or if the authorized number of directors be increased or if the shareholders fail, at any annual or special meeting of shareholders at which any director or directors are elected, to elect the full authorized number of directors to be voted for at that meeting.

The shareholders may elect a director or directors at any time to fill any vacancy or vacancies not filled by the directors. If the board of directors accepts the resignation of a director tendered to take effect at a future time, the board or the shareholders shall have the power to elect a successor to take office when the resignation is to become effective.

No reduction of the authorized number of directors shall have the effect of removing any director prior to the expiration of his term of office.

SECTION 5 - REMOVAL OF DIRECTORS

Any director or the entire board of directors may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors, except as may otherwise be required by the Delaware General Corporation Law.

SECTION 6 - RESIGNATION OF DIRECTOR

Any director may resign effective upon giving written notice to the Corporation (to a board member or to every board member), unless the notice specifies a later time for the effectiveness of such resignation. If the resignation is effective at a future date, a successor may be elected to take office when the resignation becomes effective.

In the absence of such designation, regular meetings shall be held at the principal office of the Corporation. Special meetings of the board may be held either at a place so designated or at the principal office. Members of the board may participate in a meeting through use of a conference telephone or similar communication equipment, so long as all members participating in such meeting can hear one another. Participation in a meeting by means of the above-described procedure shall constitute presence in person at such meeting.

SECTION 8 - ANNUAL MEETING

Immediately following each annual meeting of shareholders, the board of directors shall hold a regular meeting for the purpose of organization, election of officers and the transaction of other business. Notice of such meeting is hereby dispensed with.

SECTION 9 - SPECIAL MEETINGS

The notice need not state the purpose of the meeting. In case such notice is mailed, it shall be deposited in the United States mail in the place in which the principal office of the Corporation is located at least five (5) days prior to the time of the meeting. In case such notice is delivered personally, transmitted by facsimile or other electronic means or telegraphed, it shall be so delivered or deposited with the telegraph company or electronically transmitted at least forty-eight (48) hours prior to the time of the meeting. Such mailing, delivery, telegraphing or transmitting, as above provided, shall be due, legal and personal notice to such director.

SECTION 12 - WAIVER OF NOTICE

The transactions at any meeting of the board of directors, however called and noticed, or wherever held, shall be as valid as though such transactions had occurred at a meeting duly held after regular call and notice if a quorum be present and if, either before or after the meeting, each of the directors not present signs a written waiver of notice of or consent to holding the meeting or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting. The waiver of notice need not state the purpose for which the meeting is or was held.

SECTION 13 - QUORUM AND VOTING

A majority of the authorized number of directors shall be necessary to constitute a quorum for the transaction of business, except to adjourn as hereinabove provided. Every act or decision done or made by a majority of the directors at a meeting duly held at which a quorum is present shall be regarded as an act of the board of directors, unless a greater number be required by law or by the Certificate of Incorporation. However, a meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for such meeting.

SECTION 14 - FEES AND COMPENSATION

Directors shall not receive any stated salary for their services as directors, but, by resolution of the board, a fixed fee, with or without expenses of attendance, may be allowed to directors not receiving monthly compensation for attendance at each meeting. Nothing herein contained shall be construed to preclude any director from serving the Corporation in any other capacity, as an officer, agent, employee or otherwise, from receiving compensation therefor.

SECTION 15 - ACTION WITHOUT MEETING

Any action required or permitted to be taken by the board of directors under the Delaware General Corporation Law may be taken without a meeting if all members of the board individually or collectively consent in writing to such action. Such consent or consents shall be filed with the minutes of the meetings of the board.

SECTION 16 - COMMITTEES OF DIRECTORS

The board may, by resolution passed by a majority of the whole board, designate one or more committees, each committee to consist of one (1) or more of the directors of the Corporation. Any such committee, to the extent provided in the resolution of the board, and except as otherwise limited by law, shall have and may exercise all the powers and authority of the board in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. Any such committee shall keep written minutes of its meetings and report the same to the board at the next regular meeting of the board.
