Item 1.01 Entry into a Material Definitive Agreement.

On November 23, 2018, Edge Therapeutics, Inc. ("Edge"), a Delaware corporation, Echos Merger Sub, Inc., a Delaware corporation ("Merger Sub") and PDS Biotechnology Corporation, a Delaware corporation ("PDS") that is a privately-held, late clinical-stage cancer immunotherapy company, entered into an Agreement and Plan of Merger and Reorganization (the "Merger Agreement") pursuant to which, among other things, subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, Merger Sub will merge with and into PDS, with PDS becoming a wholly-owned subsidiary of Edge and the surviving corporation of the merger (the "Merger"). The Merger is intended to qualify for federal income tax purposes as a tax-free reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended.

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger (the "Effective Time"), each outstanding share of capital stock of PDS (other than any shares held as treasury stock, that will be cancelled), will be converted into the right to receive the number of shares of Edge's common stock (the "Company Common Stock") equal to the exchange ratio described below.

Under the exchange ratio formula in the Merger Agreement, as of immediately after the Merger and assuming no adjustments for net cash balances as provided for in the Merger Agreement, the former PDS securityholders are expected to own approximately 70% of the aggregate number of shares of Edge Common Stock issued and outstanding following the consummation of the Merger (the "Post-Closing Shares"), and the stockholders of Edge as of immediately prior to the Merger are expected to own approximately 30% of the aggregate number of Post-Closing Shares. This exchange ratio will be fixed prior to closing to reflect Edge's and PDS's capitalization as of immediately prior to such time.

Immediately following the Merger, the name of Edge will be changed from "Edge Therapeutics, Inc." to "PDS Biotechnology Corporation." At the Effective Time, the Merger Agreement contemplates that the Board of Directors of Edge will consist of seven members, four of whom will be directors designated by PDS and three of whom will be independent directors designated by Edge. The executive officers of the combined company immediately after the Effective Time will be designated by PDS with Frank Bedu-Addo, Ph.D. being the combined company's Chief Executive Officer.

The Merger Agreement contains customary representations, warranties and covenants made by Edge and PDS, including covenants relating to obtaining the requisite approvals of the stockholders of Edge and PDS, indemnification of directors and officers, and Edge's and PDS's conduct of their respective businesses between the date of signing the Merger Agreement and the closing of the Merger. Consummation of the Merger is subject to certain closing conditions, including, among other things, approval by the stockholders of Edge and PDS. The Merger Agreement contains certain termination rights for both Edge and PDS, and further provides that, upon termination of the Merger Agreement under specified circumstances, Edge may be required to pay PDS a termination fee of \$1.75 million.

The Merger Agreement contemplates that Edge will also seek approval from its stockholders to effect a reverse stock split intended to increase its trading price above the minimum requirements of the Nasdaq Stock Market. Subject to stockholder approval, Edge expects to implement the reverse stock split at a ratio to be mutually agreed to by Edge and PDS within the range of 5 and 10 currently outstanding shares for 1 share.

In accordance with the terms of the Merger Agreement, (i) certain officers, directors and stockholders of Edge have each entered into a support agreement with Edge and PDS (the "Edge Support Agreements"), and (ii) certain officers, directors and stockholders of PDS have entered into a support agreement with PDS and Edge (the "PDS Support Agreements," together with the Edge Support Agreements, the "Support Agreements"). The Support Agreements place certain restrictions on the transfer of the shares of Edge and PDS held by the respective signatories thereto and include covenants as to the voting of such shares in favor of approving the transactions contemplated by the Merger

Agreement and against any actions that could adversely affect the consummation of the Merger.
