As previously announced and as described most recently in the current report on Form 8-K of Atlas Mining Company (the “Company”) dated October 9, 2007, the Company has determined that it will need to restate its historical financial statements to reflect funds received in 2004 as a deposit for the sale of halloysite clay, instead of revenues, as previously recorded. In addition, the Company is currently reviewing prior period records specific to historical equity transactions, accounting for fixed asset acquisition, and long-term liabilities.

Due to the pending restatement, the Company is unable to file the Form 10-Q on or before the prescribed due date of November 14, 2007, or on or before the fifth calendar day following such filing date as prescribed in Rule 12b-25.
