NEWS RELEASE - SEPTEMBER 29, 2005

OFFER TO AQUILINE

IMA EXPLORATION INC. (IMR-AMEX, IMR-TSX.V). Mr. Joseph Grosso, President announces on behalf of the Board that IMA has made an offer to Aquiline Resources Inc. to settle its litigation claim involving IMA's Navidad Project.

IMA has offered, subject to regulatory approval, the following:

To Aquiline for immediate distribution to Aquiline shareholders:

- 3,500,000 IMA common shares
- 3,500,000 IMA warrants, each having a five-year term entitling the holder to acquire an IMA common share at \$4.00. IMA will apply to list these warrants for trading on TSX-V upon expiry of the relevant hold period

To Aquiline:

- a cash payment of \$1,000,000

The Board has been advised that IMA has a high probability of success at trial. However, the offer is being made to avoid or minimize the inherent risks of litigation, the significant legal costs and the impact that this litigation has on the Company's business plan to develop Navidad.

A quick resolution of this litigation is in the best interests of the shareholders of both companies as it will rapidly unlock the true value of IMA and its Navidad Project. By accepting the offer and becoming shareholders of IMA, Aquiline shareholders will participate in the significant upside potential that will continue to be created by the IMA management team. They will also retain their ownership interest in Aquiline and its many projects.

Aquiline shareholders, under this offer, will receive an assured and quantifiable benefit immediately and potentially a multiple of that benefit from their ownership in IMA rather than the uncertainty of the result of a trial.

The offer is open for acceptance until 5:00 PM (Vancouver time) on October 5, 2005.

ON BEHALF OF THE BOARD

/s/ Joseph Grosso
