PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD JUNE 23, 2005

Introduction

This Proxy Statement is being furnished to stockholders of Argan, Inc., a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on Thursday, June 23, 2005 at 11:00 a.m. local time, at the offices of Allen & Company LLC located at 711 Fifth Avenue, 9th Floor, New York, New York 10022, and any adjournment or postponement thereof (the "Meeting").

At the Meeting, stockholders will be asked to consider and vote upon two proposals: (1) the election of seven directors to serve until the 2006 Annual Meeting (the "Election of Directors"); and (2) the ratification of the selection of the Company's independent auditors (the "Ratification of Auditors").

This Proxy Statement is dated May 23, 2005 and is first being mailed to stockholders along with the related form of proxy on or about May 25, 2005.

If a proxy in the accompanying form is properly executed and returned to the Company in time for the Meeting and is not revoked prior to the time it is exercised, the shares represented by the proxy will be voted in accordance with the directions specified therein for the matters listed on the proxy card.

Edgar Filing: ARGAN INC - Form DEF 14A

Unless the proxy specifies that it is to be voted against or is an abstention on a listed matter, proxies will be voted FOR the Election of Directors and FOR the Ratification of Auditors and otherwise in the discretion of the proxy holders as to any other matter that may come before the Meeting.

Revocability of Proxy

Any stockholder of the Company who has given a proxy has the power to revoke such proxy at any time before it is voted either (i) by filing a written revocation or a duly executed proxy bearing a later date with H. Haywood Miller III, Corporate Secretary of the Company, at Argan, Inc., One Church Street, Suite 302, Rockville, Maryland 20850, or (ii) by appearing at the Meeting and voting in person. Attendance at the Meeting will not in and of itself constitute the revocation of a proxy. Voting by those present during the Meeting will be by ballot.

Record Date, Outstanding Securities and Votes Required

The Board of Directors of the Company has fixed the close of business on May 6, 2005 as the record date (the "Record Date") for determining holders of outstanding shares of Common Stock, \$.15 par value per share (the "Common Stock"), who are entitled to notice of and to vote at the Meeting. As of the Record Date, there were approximately 460 stockholders of record and 2,758,845 shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote on each of the proposals to be voted upon.

1

Abstentions and broker non-votes are counted for purposes of determining the number of shares represented at the Meeting, but are deemed not to have voted on the proposals. Broker non-votes occur when a broker nominee, holding shares in street name for the beneficial owner thereof, has not received voting instructions from the beneficial owner and does not have discretionary authority to vote. Both the Election of Directors and the Ratification of Auditors require the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy and voting. Accordingly, abstentions, broker non-votes or the failure to either return a proxy or to attend the meeting will be deemed not to have voted on the Election of Directors and the Ratification of Auditors.

The officers and directors of the Company will vote the shares of Common Stock beneficially owned or controlled by them (representing approximately 29% of the shares of Common Stock issued and outstanding) in favor of the Election of Directors and the Ratification of Auditors.

PROPOSAL NUMBER ONE

Election of Directors

The directors of the Company are elected annually and hold office until the next annual meeting of stockholders and until their successors have been elected and shall have been qualified. Vacancies and newly-created directorships resulting from any increase in the number of authorized directors may be filled by a majority vote of the directors then in office.

At the Meeting, stockholders of the Company are being asked to elect seven directors. Each of the nominees is currently a member of the Company's Board of Directors.

Unless a stockholder withholds authority, the holders of proxies

Edgar Filing: ARGAN INC - Form DEF 14A

representing shares of Common Stock will vote FOR the election of each of the nominees listed below. The Board of Directors has no reason to believe that the nominees will decline or be unable to serve as Directors of the Company. However, if a nominee shall be unavailable for any reason, then the proxies may be voted for the election of such person as may be recommended by the Board of Directors.

Based solely upon a review of copies of Section 16(a) reports and representations received by the Company from Reporting Persons, and without conducting any independent investigations of its own, the Company believes that no Reporting Person failed to timely file Forms 3, 4 or 5 with the Commission during the fiscal year ended January 31, 2005, other than Mr. Kevin Thomas who was late with one filing.

No individual grants of stock options were made during the fiscal year ended January 31, 2005 to any of the Named Executive Officers.

Option Exercises

The Named Executive Officers held no exercisable or unexercisable options during the fiscal year ended January 31, 2005. No options were exercised by any of the Named Executive Officers during the fiscal year ended January 31, 2005. For a description of certain warrants held by Named Executive Officers, see "Security Ownership of Certain Beneficial Owners and Management" below.

Description of the 2001 Stock Option Plan

In August 2001, the Board of Directors adopted and the stockholders of the Company approved the 2001 Stock Option Plan (the "Stock Option Plan"). As adopted in 2001, the Stock Option Plan authorized the issuance of options to purchase a maximum of 33,333 shares of Common Stock. In April 2003, the Board of Directors adopted and the stockholders of the Company approved an amendment to the Stock Option Plan increasing the total number of shares of Common Stock reserved for issuance under the Stock Option Plan to 250,000. The maximum number of shares may be adjusted in certain events, such as a stock split, reorganization or recapitalization. Officers, directors and employees of the Company or its subsidiaries are eligible to receive non-qualified stock options under the Stock Option Plan. Employees (including officers and directors who are employees) of the Company or its subsidiaries are eligible to receive incentive stock options under the Stock Option Plan. In the event incentive stock options are granted, the aggregate fair market value of the Common Stock issuable under such options for each optionee during any calendar year cannot exceed \$100,000. To the extent that an incentive stock option exceeds the \$100,000 threshold, the excess will be treated as a non-qualified stock option.

The Company receives no monetary consideration for the grant of options under the Stock Option Plan. In the case of an incentive stock option, the exercise price cannot be less than the fair market value (as defined in the Stock Option Plan) of the Common Stock on the date the option is granted. If the optionee is a stockholder who beneficially owns 10% or more of the outstanding Common Stock, the exercise price of incentive stock options may not be less than 110% of the fair market value of the Common Stock. The term of an option cannot exceed ten years; provided, however, that the term of options granted to owners of 10% or more of the outstanding shares of Common Stock cannot exceed five years.

The Stock Option Plan will terminate automatically and no options may be granted after July 19, 2011 (the "Termination Date"); provided, however, that Stock Option Plan may be terminated by the Board of Directors at any time prior to the Termination Date. Termination of the Stock Option Plan will not affect options that were previously granted.

6

Edgar Filing: ARGAN INC - Form DEF 14A

Pursuant to the terms of the Stock Option Plan, the vesting with respect to all issued and outstanding options to purchase Common Stock of the Company may accelerate and become fully exercisable upon a change in control of the Company.

As of January 31, 2005 there were 82,000 options granted under the 2001 Stock Option Plan.

Employment and Severance Agreements

On January 3, 2005, the Company entered into substantially similar employment agreements with (i) Rainer H. Bosselmann as its President and Chief Executive Officer, (ii) H. Haywood Miller III as its Executive Vice President, and (iii) Arthur F. Trudel, Jr. as its Senior Vice President and Chief Financial Officer (each, an "Executive").

Pursuant to the employment agreements, the Company agreed to employ each Executive for an initial term of one year, which term will automatically renew for successive one year periods unless the Company or the Executive provides at least 90 days prior written notice of its or his election not to renew. The agreements provide for each Executive to receive during the employment period an annual base salary of \$150,000, subject to increase (but may not be reduced) from time to time in such amounts as the Company, in its reasonable discretion, deems to be appropriate, and an annual bonus in the discretion of the Board of Directors of the Company, subject to the satisfaction of reasonable performance criteria established for the Executive with respect to such year. The agreements further provide that each Executive may participate in any stock option, incentive and similar plans established by the Company and shall be granted stock options and other benefits similar to options and benefits granted to other executives, subject in all cases to the satisfaction by the Executive of the terms and conditions of such plans and to the reasonable exercise by the Board of any discretion granted to it or them thereunder.

In addition, under the employment agreements, in the event that an Executive's employment is terminated for any of the reasons specified below or there occurs a "change in control", the Executive will receive as severance pay in a single lump sum payment, an amount equal to 24 months of his base salary within 30 days after the Executive's termination of employment or change of control, as the case may be, based on 12 times the Executive's final full month salary at the date the Executive's employment ceases or at the date of the change in control, as the case may be, without reduction or offset for any other monies which the Executive may thereafter earn or be paid. The reasons which cause severance pay to be paid to an Executive include:

(i) termination by the Executive because of a material diminution of the Executive's duties, authority or responsibility, or a material impairment by action of the Company of his ability to perform his duties and responsibilities, regardless of whether such diminution is accompanied by a change in the Executive's title with the Company;

7

(ii) termination by the Executive because of a material breach by the Company of any provision of the employment agreement, which breach continues for a period of 30 days after written notice of such breach is given by the Executive to the Company; and

(iii) termination by the Company at any time without cause, including notice of non-renewal of the agreement.

Edgar Filing: ARGAN INC - Form DEF 14A

Each Executive shall also be entitled for a period of 24 months from the termination of his employment or a change in control, as the case may be, to the continuation of all benefits provided to the Executive, excluding sick and vacation time, subject to any applicable employee co-payments.

If an Executive's employment is terminated by the Company by reason of the Executive's death, disability or "for cause" or voluntarily by the Executive for any reason other than as set forth in the preceding paragraph, the Company will not be obligated to make any payments to the Executive by reason of his cessation of employment other than such amounts, if any, of his base salary that have accrued and remain unpaid and such other amounts which may then otherwise be payable to the Executive from the Company's benefit plans or reimbursement policies, if any.

the Committee was comprised of Messrs. Jordan (Chairman), Quinn and Winslow. The Committee held two meetings during fiscal 2005. The members of the committee are all independent directors under applicable Nasdaq rules. Members of the Compensation Committee are appointed by the Board of Directors.

The Compensation Committee is responsible for implementing and reviewing executive compensation plans, policies and programs in an effort to ensure the attraction and retention of executive officers in a reasonable and cost-effective manner, to motivate their performance in the achievement of the Company's business objectives and to align the interests of executive officers with the long-term interests of the Company's shareholders. To that end, it is the responsibility of the committee to develop and approve periodically a general compensation policy and salary structure for executive officers of the Company which considers business and financial objectives, industry and market pay practices and/or such other information as may be deemed appropriate. It is also the responsibility of the committee to review and recommend for approval by the independent directors of the Board the compensation (salary, bonus and incentive compensation) of the Chief Executive Officer of the Company and review and approve the compensation (salary, bonus, incentive and other compensation) of the other executive officers of the Company; review and approve perquisites offered to executive officers of the Company; review and approve corporate goals and objectives relevant to the compensation of executive officers of the Company and evaluate performance in light of the goals and objectives; and review and approve all employment, retention and severance agreements for executive officers of the Company. The committee also acts on behalf of the Board in administering compensation plans approved by the Board and/or the shareholders of the Company (including the Company's 2001 Stock Option Plan), in a manner consistent with the terms of such plans; reviews and makes recommendations to the Board with respect to new compensation incentive plans and equity-based plans; and reviews and make recommendations to the Board on changes in major benefit programs of executive officers of the Company. The committee also reviews the management succession program for the Chief Executive Officer and selected executive officers of the Company.

Edgar Filing: ARGAN INC - Form DEF 14A

last year's annual meeting, and we expect that all of our directors will attend this year's annual meeting.

Compensation Committee Interlocks and Insider Participation

Decisions regarding executive compensation are principally made by the Compensation Committee. The Compensation Committee reviews and recommends for approval by the independent members of the Board of Directors the compensation (salary, bonus and other long-term incentives) of the Chief Executive Officer of the Company and reviews and approves the compensation (salary, bonus and long-term incentives) of the other executive officers of the Company. The Compensation Committee is responsible for the recommendation to the independent directors of the Company of incentive awards to the Chief Executive Officer of the Company under the plans and the approval of incentive awards to the other executive officers of the Company under the plans. No member of the Compensation Committee was an officer or employee of the Company during the fiscal year ended January 31, 2005.

12

Compensation Committee Report On Executive Compensation

The Compensation Committee reviews the Company's compensation plan on a regular basis. The Compensation Committee regularly updates its assessment of various long-term incentive tools including stock options, restricted stock, performance-based equity and other alternatives that might be available.

The Company's primary objective in developing executive compensation policies is to attract, motivate and retain highly qualified and effective leaders. The compensation policy includes various components of compensation that are intended to align management behaviors and priorities directly with the Company's strategic objectives and to encourage management to act in the best long-term interest of the Company and its shareholders. The Company's executive officer compensation policy generally consists of three elements: base compensation, annual cash bonus and long-term incentive compensation.

Cash Compensation

Annual cash compensation consists of two elements: base salary and annual cash bonus. Each officer is offered a base salary that is commensurate for the role that he or she is performing. In setting compensation, the Compensation Committee strives to maintain base compensation for the Company's executive officers at levels which the Compensation Committee, based on its experience, believes are competitive with the compensation of comparable executive officers in similarly situated companies.

Increases in base salary are based on a periodic review and evaluation of the performance of the operation or function for which the executive has responsibility, and is measured against defined performance criteria. The executive is also reviewed according to his or her competence as an effective leader in the Company, which includes an evaluation of the skills and experience required for the job, coupled with a comparison of these elements with similar elements for other executives both within and outside of the Company.

Executive officers are eligible to participate in a bonus plan. The Compensation Committee determines awards under the bonus plan. The Compensation Committee considers input of the Chief Executive Officer with respect to the bonus to be awarded to the other executive officers. The executive officers, as well as other key employees, may receive bonuses based upon meeting the performance objectives of the Company and their contributions to the Company.

Edgar Filing: ARGAN INC - Form DEF 14A

The compensation paid by the Company to its Chief Executive Officer for fiscal 2005 was based upon an agreement negotiated with Mr. Bosselmann. The Compensation Committee believes, based upon the individual experience of its members, that the compensation package for Mr. Bosselmann for fiscal 2005 was reasonable based upon Mr. Bosselmann's experience, his level of responsibility and the contributions made and expected to be made by him to the Company.

13

Long-term Incentive Compensation

Each of the executive officers and all employees are eligible to receive awards under the 2001 Stock Option Plan. The 2001 Stock Option Plan will be used to align a portion of the officers' compensation with the shareholders' interest and the long-term success of the Company by encouraging the executive officers and other employees to remain with the Company, and by enabling optionees to develop and maintain a significant, long-term stock ownership position in the Company's Common Stock. The value realizable from exercisable options is dependent upon the extent to which the Company's performance is reflected in the market price of the Company's Common Stock at any particular point in time.

In determining the number of options to be granted to each executive officer, the Compensation Committee considers input of the Chief Executive Officer with respect to the executive officers, other than the Chief Executive Officer. These determinations are based upon compensation surveys conducted during fiscal 2001 of executive officers and certain key employees in comparable companies.

The members of the Compensation Committee have submitted this report.

Certain Relationships and Related Transactions

On January 28, 2005, the Company sold and issued to MSR I SBIC, L.P., a Delaware limited partnership ("MSR"), 129,032 shares (the "Shares") of common stock, pursuant to a Subscription Agreement dated as of January 28, 2005 between the Company and MSR (the "Subscription Agreement"). The Shares were issued at a purchase price of \$7.75 per share ("Share Price"), yielding aggregate proceeds of \$999,998. MSR is an entity controlled by Daniel Levinson, a director of the Company.

Pursuant to the Subscription Agreement, the Company has agreed to issue additional shares of Common Stock to MSR in accordance with the Subscription Agreement under certain conditions upon the earlier of (i) the Company's issuance of additional shares of common stock having an aggregate purchase price of at least \$2,500,000 for a consideration per share less than the Share Price, subject to certain exclusions; and (ii) July 31, 2005. Shares would be issued in amounts determined by reference to the Company's prevailing thirty-day average stock price. The number of additional shares to be issued would effectively reduce the MSR's purchase price per common stock as set forth in the Subscription Agreement.

The Company leases administrative, manufacturing and warehouse facilities from Kevin Thomas, who is an officer Vitarich Laboratories, Inc. ("VLI"), a wholly owned subsidiary of the Company, and an employee and former owner of Southern Maryland Cable, Inc., a wholly owned subsidiary of the Company. The total expenses under these arrangements were \$134,000 and \$72,000 for the years ended January 31, 2005 and 2004, respectively. The future minimum lease commitments under these arrangements during each fiscal year ended January 31 through fiscal year ended January 31, 2010 are: 2006 - \$290,000; 2007 - 292,000; 2008 - 231,000; 2009 - 231,000; 2010 - 152,000; thereafter - \$714,000 which totals \$1,910,000.

15

The Company also entered into a supply agreement with an entity owned by Kevin Thomas whereby the supplier committed to sell to the Company and the Company committed to purchase on an as-needed basis, certain organic products. VLI made \$47,000 in purchases under the supply agreement for the period from acquisition (August 31, 2004) through January 31, 2005. On January 31, 2005, the Company owed \$8,000 to the entity owned by Kevin Thomas.

The Company also sells its products in the normal course of business to an entity in which Kevin Thomas has an ownership interest. The pricing on such transactions is consistent with VLI's general customer pricing for nonaffiliated entities. VLI had approximately \$242,000 in sales with this entity for the period from acquisition (August 31, 2004) to January 31, 2005. On January 31, 2005, the affiliated entity owed \$112,000 to VLI net of an allowance for doubtful accounts of \$84,000.

PROPOSAL NUMBER TWO

Ratification of Independent Accountants

The persons named in the enclosed proxy will vote to ratify the selection of Ernst & Young LLP as the Company's independent public accounting firm for the fiscal year ending January 31, 2006 unless otherwise directed by the stockholders.

Rose, Snyder & Jacobs, a corporation of Certified Public Accountants ("RS&J"), audited the Company's financial statements for its fiscal years ended January 31, 2003 and January 31, 2002. The Company dismissed RS&J as the Company's principal accountants in May 2003. The decision to dismiss RS&J was approved by the Audit Committee of the Company on May 19, 2003, and RS&J was notified of the decision on May 20, 2003. The Company found no fault with the services rendered by RS&J to the Company. Rather, the Company believed that RS&J was not equipped to audit the newly-established national operations of the Company.

20

During the Company's fiscal years ended January 31, 2003 and January 31, 2002, there were no disagreements with RS&J on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of RS&J, would have caused it to make references to the subject matter of the disagreement in connection with its report. RS&J's reports on the Company's financial statements for fiscal years 2002 and 2003 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the Company's fiscal years 2002 and 2003 and the subsequent interim period preceding the decision to change principal accountants, there were no reportable events as defined in Regulation S-K Item 304(a)(1)(v).

On May 19, 2003, Ernst & Young LLP was engaged as the Company's principal accountants, and Ernst & Young audited the Company's financial statements for its fiscal year ended January 31, 2004 and January 31, 2005.

Representatives of Ernst & Young are expected to be present at the Meeting. If present, the representatives will have an opportunity to make a statement, and it is expected that the representatives will be available to respond to appropriate questions.
