### Item 3.02 Unregistered Sales of Equity Securities

Between August 15, 2005 and March 17, 2006, we received a total of ten million three hundred thousand dollars (\$10,300,000) from the sale of our 12% Convertible Promissory Notes ("Notes"). As an additional inducement, if a holder of a Note invested at least \$500,000, that investor was entitled to receive a 20% additional equity consideration in the form of shares of our common stock. All investors also received a warrant for twenty five percent (25%) of the shares issued at conversion with a per share price of one cent. All or part of the Notes may be converted into shares of our common stock at a conversion price of \$0.25 per share. A form of the Promissory Note is attached as an exhibit to our Form 8-K filed August 26, 2005 to which this Form 8-K shall supplement and update. We are required to register such shares on behalf of such investors along with the equity securities which we anticipate issuing in the future.

As of March 20, 2006, all owners of the Notes have converted all unpaid principal into 52,300,000 shares of our common stock. Our accrued interest obligation is approximately \$103,000. We relied upon the exemption from registration under Section 4(2) and Rule 506 of Regulation D of the Securities Exchange Act of 1934, as amended. We issued to a total of 36 holders.

### Item 7.01 Regulation FD Disclosure
