INFORMATION STATEMENT PURSUANT TO SECTION 14(f) OF THE SECURITIES
EXCHANGE ACT OF 1934 AND RULE 14F-1 THEREUNDER

GENERAL

This Information Statement is being mailed on or about March 12, 2008 to the holders of record, as of the close of business on February 29, 2008 (the "Record Date"), of shares of common stock, \$0.01 par value (the "Common Stock"), of United Energy Corp., a Nevada corporation (the "Company").

1. Appointment of Board Members

As disclosed in our Current Report on Form 8-K filed with the Securities and Exchange Commission ("SEC") on January 31, 2008, on January 25, 2008, in accordance with the Company's Bylaws, the Company's Board of Directors (the "Board") elected Jack Silver and Adam Hershey to fill vacancies in the Board.

Pursuant to a Securities Purchase Agreement, dated March 18, 2005, among the Company and the Purchasers identified therein, including Sherleigh Associates Profit Sharing Plan ("Sherleigh"), as amended by the First Amendment to Securities Purchase Agreement, dated as of January 26, 2006, and by the Second Amendment to Securities Purchase Agreement, dated as of March 9, 2006 (as amended, the "Purchase Agreement"), during the period of March 2005 through March 2006, Sherleigh purchased from the Company (a) 1,333,333 shares of Common Stock, (b) warrants to acquire 5,682,667 shares of Common Stock, and (c) three shares of the Company's Series A Convertible Preferred Stock (the "Preferred Stock") for an aggregate purchase price of \$1,090,331.

The Purchase Agreement and the Preferred Stock provide that, upon the occurrence of a "Triggering Event" and during the "Period of Triggering Event", the holders of the majority of the outstanding shares of Preferred Stock have the right to designate up to a majority of the members of the Board. "Triggering Event" is defined as (i) failure of the Company to have gross revenues of at least \$5 million for the six month period ending September 30, 2006 or (ii) material breach by the Company of any of its representations, warranties, agreements or covenants contained in the Purchase Agreement and certain other agreements and instruments entered into in connection therewith. The Company failed to have gross revenues of at least \$5 million during the six months ended September 30, 2006, and thus, a Triggering Event has occurred. "Period of the Triggering Event" is defined as date commencing upon the occurrence of a Triggering Event and ending on the date the purchasers under the Purchase Agreement no longer hold in the aggregate at least 1,500,000 shares of Common Stock issued pursuant to the Purchase Agreement and issuable upon the exercise of any warrants issued pursuant to the Purchase Agreement or upon conversion of the Preferred Stock.

The Company received a notice dated January 18, 2008 from Sherleigh stating that due to the occurrence of a Triggering Event, it intends to exercise its right under the Purchase Agreement to designate a majority of the Board and named Messrs Silver, Hershey and Peter Rappaport as its designees. Following the receipt of the notice, on January 25, 2008, the Board voted to elect Messrs Silver and Hershey, but not Mr. Rappaport as members of the Board. In addition, Mr. Silver was appointed as the Chairman of the Board.

In compliance with Section 14(f) of the Exchange Act and Rule 14f-1 thereunder, the appointment of Mr. Rappaport cannot take effect until at least ten days after this Information Statement is filed with the SEC and mailed or delivered to all of the Company's stockholders. Following the expiration of such ten day period, Mr. Rappaport will be appointed as a director of the Company to fill a vacancy in the Board.

THIS INFORMATION STATEMENT IS PROVIDED TO YOU FOR INFORMATIONAL PURPOSES ONLY. WE ARE NOT SOLICITING YOUR PROXY OR CONSENT IN CONNECTION WITH THE ITEMS DESCRIBED HEREIN. NO VOTE OR OTHER ACTION BY OUR STOCKHOLDERS IS REQUIRED TO BE TAKEN IN CONNECTION WITH THIS INFORMATION STATEMENT. THIS INFORMATION STATEMENT IS NOT AN OFFER TO PURCHASE YOUR SHARES.

As set forth above, upon the occurrence of a “Triggering Event” and during the “Period of Triggering Event”, the holders of the majority of the Preferred Stock have the right to designate up to a majority of the members of the Board.

Officers are appointed to their positions, and continue in such positions, at the discretion of the directors.

Board Committees

The Board of Directors is the acting Audit Committee. The Board of Directors does not have a nominating or a compensation committee or other board committee performing the equivalent functions. Because we do not have any securities listed on a national securities exchange, we are eligible for exemptions from provisions of the Exchange Act requiring independent directors, certain independent board committees and written charters addressing certain corporate governance matters. We have elected to take advantage of these exemptions. We believe that the size of our company does not warrant the need to establish such committees or to recruit and retain independent directors solely for the purpose of establishing such committees.

Board Meetings

During the last fiscal year there were six meetings of the Board of Directors. There were no incumbent directors who during the last fiscal year attended fewer than 75% of the total meetings of the Board of Directors.

Family Relationships

There are no family relationships among our executive officers and directors.

Legal Proceedings

During the past five years, none of our executive officers, directors or person nominated to become a director has been involved in a legal proceeding material to an evaluation of the ability or integrity of such person.

Stock Option Plan

In August 2001, our stockholders approved the 2001 Equity Incentive Plan which provides for the grant of stock options to purchase up to 2,000,000 shares of common stock to any employee, non-employee director or consultant at our board's discretion. Under the 2001 Equity Incentive Plan, options may be exercised for a period up to ten years from the date of grant. Options issued to employees are exercisable upon vesting, which can range between the date of the grant to up to five years.

An amendment and restatement of the 2001 Equity Incentive Plan increasing the number of shares issuable under the plan to a total of 4,000,000 was approved by the Board of Directors on May 29, 2002 and was approved by our shareholders at the annual meeting.

Under the 2001 Plan, options are granted to non-employee directors upon election at the annual meeting of stockholders at a purchase price equal to the fair market value on the date of grant. In addition, non-employee director stock options shall be exercisable in full twelve months after the date of grant unless determined otherwise by the compensation committee.

There were stock options to purchase 185,000 shares of our common stock available for future grant as of March 31, 2007 under the 2001 Equity Incentive Plan.

7. Certain Relationships and Related Party Transactions

The Company has an amount due to Robert Seaman, a shareholder and former director of the Company. The amount due as of February 29, 2008 is \$244,141. This amount is unsecured, non-interest bearing and due upon demand.

Martin Rappaport, a former director of the Company, owns the building in which the Company leases its principal executive offices in Secaucus, New Jersey. The Company pays \$115,200 per year under the lease, excluding real estate taxes. The Company believes that this transaction is on terms no less favorable to the Company than could have been obtained from unaffiliated third parties.

During January and February 2005, Ron Wilen, a director, Chief Executive Officer, President and Secretary of the Company loaned the Company \$133,600. The loan was unsecured, non-interest bearing and due upon demand. The loan was repaid in April 2005.

During August 2005, Ron Wilen and Brian King, former President and Chief Executive Officer of the Company, each loaned the Company \$100,000. The loans were both unsecured, non-interest bearing and due upon demand. Each of these loans was repaid in full in April, 2006.

Securities Purchase Agreement

Pursuant to the Purchase Agreement, in March 2005, Sherleigh purchased from the Company 533,333 shares of Common Stock and Series A Warrants to acquire 266,667 shares of Common Stock for a purchase price of \$426,664. Thereafter, during the period of August 2005 through January 2006, Sherleigh purchased, pursuant to the Purchase Agreement, 800,000 additional shares of Common Stock and additional Series A Warrants to acquire 400,000 shares of Common Stock for an aggregate purchase price of \$639,667. Then in March 2006, pursuant to the Purchase Agreement, Sherleigh purchased 3 shares of Preferred Stock, Series B Warrants to acquire 12,000 shares of Common Stock and Series C Warrants to acquire 5,004,000 shares of Common Stock for a purchase price of \$24,000.

In addition, pursuant to the Purchase Agreement, and the Preferred Stock, upon the occurrence of a “Triggering Event” and during the “Period of Triggering Event”, the holders of the majority of the outstanding Preferred Stock have the right to designate up to a majority of the members of the Company’s Board of Directors. “Triggering Event” is defined as (i) failure of the Company to have gross revenues of at least \$5 million for the six month period ending September 30, 2006 or (ii) material breach by the Company of any of its representations, warranties, agreements or covenants contained in the Purchase Agreement and certain other agreements and instruments entered into in connection therewith. The Company failed to have gross revenues of at least \$5 million for the six months ended September 30, 2006, and thus a Triggering Event has occurred. “Period of the Triggering Event” is defined as date commencing upon the occurrence of a Triggering Event and ending on the date the purchasers under the Purchase Agreement no longer hold in the aggregate at least 1,500,000 shares of Common Stock issued pursuant to the Purchase Agreement or issuable upon the exercise of any warrants issued pursuant to the Purchase Agreement or upon conversion of the Preferred Stock.

The Purchase Agreement also provides that until March 18, 2009, the purchasers have the right to participate in any future equity financing, including securities convertible into or exchangeable into equity securities.

Series A, Series B and Series C Warrants

Each of the Series A, Series B and Series C Warrants provide that they may be exercised at any time prior to the five year anniversary date of the issuance of such warrants, for an exercise price of \$1.00 per share. The warrants also provide for cashless exercise at the option of the holder and anti-dilution protection in the event the Issuer is deemed to have issued shares of Common Stock for a price less than the exercise price.

Series A Convertible Preferred Stock

Each share of Preferred Stock earns dividends at the rate of 6% per annum of the Stated Value of \$8,000. Such dividends are payable from legally available funds on June 30th and December 30 of each year, or at the option of the holder, in shares of Common Stock of the Company at \$1.00 per share.

Each share of Preferred Stock is convertible into 8,000 shares of Common Stock at the option of the holder. Such conversion rate is subject to anti-dilution protections in the event the Issuer is deemed to have issued shares of Common Stock at a price less than the conversion price.

The holders of the Preferred Stock have no voting rights except as required by law and except the right to designate and elect a majority of the Issuer's board of directors upon the occurrence of a Triggering Event, as described above.

In the event of a liquidation, dissolution or winding up of the Company's business, the holders of the Preferred Stock have a liquidation preference equal to \$8,000 per share of Preferred Stock plus all accrued but unpaid dividends thereon.

Registration Rights Agreements

In connection with the Purchase Agreement the Company entered into a Registration Rights Agreement, wherein it agreed to file a registration statement registering the Common Stock issued pursuant to the Purchase Agreement and the Common Stock underlying the Series A Warrants, the Series B Warrants and the Preferred Stock.

In connection with the Second Amendment to the Purchase Agreement, the Company entered into a Registration Rights Agreement, wherein it agreed to file a registration statement registering the Common Stock underlying the Series C Warrants.

8. Compliance with Section 16(a) of the Securities Exchange Act of 1934
