Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires our officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and ten percent stockholders are required by regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on copies of such forms received or written representations from certain reporting persons that no Forms 3, 4 or 5 were required for those persons, we believe that, during the fiscal year ended December 31, 2007, all filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with.

Item 11. Executive Compensation

Since Apex's formation on June 1, 2006, its operations have been limited to organizational activities and, after its initial public offering, to activities relating to completing a business combination. In addition, Apex does not propose to pay compensation of any kind, including finder's and consulting fees, to any of Apex's current officers, directors or stockholders or any of their respective affiliates, for services rendered prior to or in connection with the merger. However, Apex's officers and directors will be reimbursed for any out-of-pocket expenses incurred in connection with activities on its behalf, such as participating in the offering process with respect to its initial public offering, identifying potential target businesses and performing due diligence on suitable business combinations. There is no limit on the amount of these out-of-pocket expenses and there will be no review of the reasonableness of the expenses by anyone other than the Apex board of directors, which includes persons who may seek reimbursement, or a court of competent jurisdiction if such reimbursement is challenged. Immediately prior to Apex's initial public offering, all of our then current stockholders purchased in a private placement 1,800,000 warrants at a price of \$1.00 per warrant (an aggregate purchase price of \$1,800,000) directly from Apex. Such warrants were sold pursuant to the exemption from registration contained in Section 4(2) of the Securities Act. Each purchaser of such warrants was an accredited investor (as defined in Rule 501(a) of the Securities Act). Each warrant entitles the holder to purchase from Apex one share of common stock at an exercise price of \$6.00 after the later of the completion of a business combination with a target business and June 7, 2008.

We presently occupy office space at 18 Farm Lane, Hillsborough, California 94010 provided by Apex Bioventures, LLC, an affiliate of K. Michael Forrest, our President and Chief Operating Officer and one of our directors. Such affiliate has agreed that, until we complete a business combination, it will make office space, as well as certain office and secretarial services, available to us as we may require from time to time. During a portion of 2007, we also occupied office space at 724 Fifth Avenue, New York, New York 10019, provided by Craig Drill Capital, an affiliate of Robert J. Easton, one of our directors. During 2007, we made payments to Apex Bioventures, LLC and Craig Drill Capital in aggregate amounts of \$6,000 and \$3,500 respectively, for rent and administrative services. However, such payments have been discontinued and additional payments are not anticipated prior to the consummation of a business combination.

We will reimburse our officers and directors for any reasonable out-of-pocket business expenses incurred by them in connection with certain activities on our behalf such as identifying and investigating possible target businesses and business combinations. There is no limit on the amount of accountable out-of-pocket expenses reimbursable by us, which will be reviewed only by our board of directors or a court of competent jurisdiction if such reimbursement is challenged.

All ongoing and future transactions between us and any of our officers and directors or their respective affiliates, will be on terms believed by us to be no less favorable to us than are available from unaffiliated third parties. Such transactions will require prior approval by a majority of our uninterested "independent" directors (to the extent we have any) or the members of our board who do not have an interest in the transaction, in either case who had access, at our expense, to our attorneys or independent legal counsel. We will not enter into any such transaction unless our disinterested "independent" directors (or, if there are no "independent" directors, our disinterested directors) determine that the terms of such transaction are no less favorable to us than those that would be available to us with respect to such a transaction from unaffiliated third parties.

Director Independence

Our board of directors has determined that Robert J. Easton, Nancy T. Chang, John J. Chandler, Anthony J. Sinskey, Robert L. Van Nostrand and Donald B. Rix are “independent directors” as defined in Rule 10A-3 of the the Exchange Act, and as defined by the rules of the American Stock Exchange. The American Stock Exchange also requires that a majority of the audit committee consist of “independent directors.” Currently, all members of our audit committee are independent.

Item 14: Principal Accountant Fees and Services

As previously disclosed in our 8-K filing on January 17, 2008, certain of the partners of Goldstein Golub Kessler LLP (“GGK”) became partners of McGladrey & Pullen, LLP (“M&P”). As a result, GGK resigned as auditors of the Company effective January 11, 2008 and M&P was appointed as auditors for the Company’s annual financial statements for the year ended December 31, 2007.

GGK had a continuing relationship with RSM McGladrey, Inc. (“RSM”), from which it leased auditing staff who were full time, permanent employees of RSM and through which its partners provided non-audit services. GGK had no full time employees and therefore, none of the audit services performed were provided by permanent full time employees of GGK. GGK managed and supervised the audit staff, and is exclusively responsible for the opinion rendered in connection with its examination.

The following table represents the aggregate fees billed or expected to be billed for services rendered by M&P and GGK for the year ended December 31, 2007:

Audit Fees-M&P	\$	25,000
Audit Fees-GGK		83,500
Audit-Related Fees		-
Tax Fees		-
All Other Fees		-
Total Fees	\$	108,500

Audit Fees

M&P audit fees consist of fees for the audit of our 2007 year end financial statements. GGK audit fees consist of fees for the reviews of the interim financial statements as of March 31, 2007, June 30, 2007 and September 30, 2007 included in our quarterly reports on Form 10-Q and services rendered in connection with our registration statements, including related audits and proxy filings.

Audit-Related Fees

We did not incur audit-related fees with M&P or GGK for the year ended December 31, 2007.

Tax Fees

We did not incur tax-related fees with M&P for the year ended December 31, 2007.

All Other Fees

We did not incur any other fees with M&P or GGK during the year ended December 31, 2007.

Approval of Independent Registered Public Accounting Firm Services and Fees

The audit committee is responsible for appointing, setting compensation, and overseeing the work of the independent auditor. In recognition of this responsibility, the audit committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.
