INFORMATION STATEMENT

This Information Statement is being mailed or otherwise furnished to the Company's stockholders by the Board of Directors to notify them about an action that the holders of a majority of the Company's outstanding voting stock took by written consent, in lieu of a meeting of the stockholders. The action was taken on or about September 4, 2008.

Copies of this Information Statement are first being sent on or about September 8, 2008 to the holders of record of the Company's outstanding shares of Common Stock on August 28, 2008.

General Information

Stockholders owning a majority of the Company's outstanding voting stock approved the following action (the Action) by written consent dated September 4, 2008, in lieu of a meeting of the stockholders:

1. To adopt the proposed amendment to the Articles of Incorporation of the Company to allow for the designation of preferred stock with different rankings.

The Company has asked brokers and other custodians, nominees and fiduciaries to forward this Information Statement to the beneficial owners of the Common Stock held of record by such persons and will reimburse such persons for out-of-pocket expenses incurred in forwarding such material.

Dissenters' Right of Appraisal

Under the laws of the State of Nevada, our stockholders are not entitled to appraisal rights with respect to the above Action.

Outstanding Shares and Voting Rights

The vote required to approve the Action was the affirmative vote of the holders of a majority of the Company's voting stock, which is the Company's Common Stock. Each holder of Common Stock is entitled to one (1) vote for each share of Common Stock held. The record date for purposes of determining the number of outstanding shares of voting stock of the Company, and for determining stockholders entitled to vote, was the close of business on August 28, 2008 (the Record Date). As of the Record Date, the Company had 22,973,072 shares of Common Stock outstanding.

Section 78.320 of the Nevada Revised Statutes provides in substance that unless the company's articles of incorporation provide otherwise, any action permitted to be taken at a meeting of the stockholders may be taken without a meeting if, before or after the action, a written consent is signed by stockholders holding at least a majority of the voting power. It also states that in no instance where action is authorized by written consent need a meeting of stockholders be called or notice given.

In order to eliminate the costs and management time involved in soliciting and obtaining proxies to approve the Action and to effectuate the Action as early as possible to accomplish the purposes of the Company as hereafter described, the Board of Directors decided to seek the written consent of the stockholders holding at least a majority of the voting power to approve the Action.

ACTION: AMENDMENT TO ARTICLES OF INCORPORATION

On September 4, 2008, the Company's Board of Directors unanimously approved, subject to stockholder approval, an amendment to the Fourth Article in the Company's Articles of Incorporation to allow for the designation of preferred stock with different rankings. Before this amendment, the Company could designate different series of preferred stock

that were of equal ranking, but it could not designate different series of preferred stock with different rankings. The Board of Directors believes that this amendment will provide the Company greater flexibility with respect to the Company's capital structure and ability to obtain additional equity financing.

Also on September 4, 2008, the Company's Board of Directors agreed to amend the Company's Series J Warrants so that this series of warrants is exercisable for preferred stock, instead of Common Stock. The Company's Board of Directors also created a new series of preferred stock, Series B Convertible Preferred Stock, which is issuable upon exercise of the amended Series J Warrants. The Series B Convertible Preferred Stock is junior to the Company's Series A Convertible Preferred Stock.

All of these actions will become effective 20 days after this Information Statement has been distributed to the stockholders of the Company. The full text of the Certificate of Amendment to Articles of Incorporation is attached hereto as *Exhibit A*.

(1) Applicable percentage ownership is based on 22,973,072 shares of Common Stock outstanding as of August 28, 2008. Beneficial ownership is determined in accordance with the rules of the SEC and generally includes voting or investment power with respect to securities. Shares of Common Stock that are currently issuable upon conversion or exercisable within 60 days of August 28, 2008, are deemed to be beneficially owned by the person holding such convertible securities or warrants for the purpose of computing the percentage of ownership of such person, but are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

Xu Jie, our President, Chief Executive Officer and Chairman of the Board, is also the President and Chief Executive Officer, as well as a director and the controlling stockholder, of Fame Good International Limited and as a result is deemed to be the beneficial owner of shares of the Company held by Fame. Mr. Xu does not own any shares of our Common Stock directly. Mr. Xu's business address is Canglongdao Science Park of Wuhan, East Lake Hi-Tech Development Zone, Wuhan, Hubei 430200, People's Republic of China.

(3) In a private placement transaction on February 7, 2007, we issued to this entity (a) shares of our Series A Convertible Preferred Stock, and (b) Series A, Series B and Series J Warrants to purchase shares of our Common Stock. Until the preferred stock is converted or the warrants exercised, the stockholder has only limited voting rights with respect to the preferred stock and no voting rights with respect to the warrants. Because the Series A Convertible Preferred Stock and the Warrants are presently convertible into or exercisable for shares of Common Stock, the holders are deemed to beneficially own such shares of Common Stock. It is for this reason that the percentages shown add to more than 100%.

The Series A Convertible Preferred Stock and warrants are not exercisable, however, to the extent that the number of shares of Common Stock to be issued pursuant to such conversion or exercise would exceed, when aggregated with all other shares of Common Stock owned by Vision at such time, the number of shares of Common Stock which would result in Vision beneficially owning in excess of 9.9% of the then issued and outstanding shares of our Common Stock. Vision may waive this ownership cap on 61 days' prior notice to us. As a result of this ownership cap, Vision beneficially owns 2,295,004 shares of our Common Stock as of August 28, 2008.
