**2011/2012 Compensation Decisions.**

On February 9, 2012, the Compensation Committee of the Board of Directors of Vulcan Materials Company (the “Company”) made a number of decisions regarding the 2011 and 2012 compensation for each of the named executive officers to be included in the Company’s 2012 proxy statement (the “NEOs”) as follows:

§ the Committee set the 2012 base salaries, which remain unchanged from 2011;

§ the Committee decided, in accordance with a recommendation of the CEO, not to award cash bonuses based on 2011 performance;

§ the Committee set the short term target bonus percentages for the 2012 fiscal year;

§ the Committee determined that no payout was due on previously awarded performance shares units, for the three-year performance period ended in 2011; and

§ the Committee granted performance shares units, to be earned based on the Company’s four-year average total shareholder return percentile rank during the four year performance period ending on December 31, 2015 and subject to the participant’s employment at the end of such period, except as otherwise provided in the award agreement on a change in control of the Company and upon certain terminations of employment. The description of the performance share unit award agreement is qualified in its entirety by the award agreement which is attached hereto as Exhibit 10.1.
