PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of WidePoint Corporation, a Delaware corporation (referred to herein as “WidePoint,” the “Company,” “we” or “our”), of proxies of stockholders to be voted at the Annual Meeting of Stockholders to be held at the Washington, D.C. offices of Foley & Lardner LLP, located at 3000 K Street, N.W., Sixth Floor, Washington, D.C. 20007 at 10:00 a.m., EST, on Thursday, December 19, 2013, and any and all adjournments thereof.

Any stockholder executing a proxy retains the right to revoke it at any time prior to its being exercised by giving written notice to the Secretary of the Company.

This Proxy Statement and the accompanying proxy are first being sent to stockholders of the Company on or about November 1, 2013.

NOTICE OF ELECTRONIC AVAILABILITY OF PROXY MATERIALS

In accordance with regulations adopted by the Securities and Exchange Commission, instead of mailing a printed copy of our proxy materials, including our annual report to stockholders, to each stockholder of record, we may now furnish these materials on the Internet unless the stockholder has previously requested to receive these materials by mail or e-mail. On or about November 1, 2013, we mailed to our stockholders who have not previously requested to receive these materials by mail or e-mail a Notice of Internet Availability of Proxy Materials containing instructions on how to access this proxy statement and our annual report and to vote online. The Notice instructs you as to how you may access and review all of the important information contained in the proxy materials. The Notice also instructs you as to how you may submit your proxy on the Internet or by telephone. If you received the Notice by mail, you will not automatically receive a printed copy of our proxy materials or annual report unless you follow the instructions for requesting these materials included in the Notice. For directions to the Annual Meeting, please contact James McCubbin at jmccubbin@widepoint.com or at (703) 349-2577.

Voting Procedures and Securities

Your Vote is Very Important

Whether or not you plan to attend the meeting, please take the time to vote your shares as soon as possible. You may submit your vote by completing, signing, dating and returning the proxy card by mail. We encourage you to vote via the Internet or by telephone. These methods save us significant postage and processing charges.

Vote Required, Abstentions and Broker Non-Votes

Shares of WidePoint common stock represented by proxy will be voted according to the instructions, if any, given in the proxy. Unless otherwise instructed, the person or persons named in the proxy will vote (1) FOR the election of the nominee for director listed herein (or his substitute in the event any of the nominee is unavailable for election); (2) FOR approval of the advisory resolution on executive compensation; (3) for THREE YEARS with respect to the frequency of future advisory votes on executive compensation; (4) FOR the ratification of the selection of Moss Adams LLP as the independent accountants for the Company for the current fiscal year; and (5) in their discretion, with respect to such other business as may properly come before the meeting.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by an inspector of election appointed by the Company for the meeting. A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares of common stock of the Company entitled to vote are present at the Annual Meeting in person or by proxy. A director is elected by a plurality of the votes cast at the Annual Meeting, which means that the nominee who receives the highest number of properly executed votes will be elected as a director, even if that nominee did not receive a majority of the votes cast. The approval of the advisory resolution on executive compensation and the ratification of the appointment of Moss Adams LLP as the Company's independent accountants require the affirmative vote of the majority of the votes present, in person or by proxy, and voting at the Annual Meeting.

The advisory resolution on executive compensation, commonly referred to as a "say-on-pay" resolution, is non-binding on the Board of Directors. Although the vote is non-binding, the Board of Directors and the Compensation Committee will review the voting results in connection with their ongoing evaluation of the Company's compensation program. The advisory vote on the frequency of future advisory votes on executive compensation is also non-binding on the Board of Directors. Stockholders will be able to specify one of four choices for this proposal on the proxy card: one year, two years, three years or abstain. The choice receiving the most number of votes will be the stockholders' selection. Notwithstanding the Board's recommendation and the outcome of the stockholder vote, the Board may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

The inspector of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Your broker, bank or other nominee is permitted to vote your shares on the ratification of the appointment of Moss Adams LLP as our independent auditor without receiving voting instructions from you. All other items are "non-discretionary" items. This means brokerage firms that have not received voting instructions from their clients on any proposal other than the appointment of Moss Adams LLP will not be permitted to vote such shares for any other matters at the Annual Meeting. These "broker non-votes" will be included in the calculation of the number of votes considered to be present at the Annual Meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval and will have no effect

on the outcome of any of the proposals because in tabulating the voting results, shares that constitute broker non-votes are not considered votes cast on that proposal.

The cost of soliciting proxies will be borne by the Company. Certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Shares Outstanding

As of October 22, 2013, the record date for determining stockholders entitled to vote at the Annual Meeting, a total of 63,857,357 shares of common stock of the Company, par value \$.001 per share, which is the only class of voting securities of the Company, were issued and outstanding. All holders of record of the common stock as of the close of business on October 22, 2013 are entitled to one vote for each share held when voting at the Annual Meeting, or any adjournment thereof, upon the matters listed in the Notice of Annual Meeting. Cumulative voting is not permitted.

Other Business

The Board knows of no other matters to be presented for stockholder action at the meeting. If other matters are properly brought before the meeting, the persons named as proxies in the accompanying proxy card intend to vote the shares represented by them in accordance with their best judgment.

Board Meetings – Committees of the Board

The Board of Directors held 4 meetings during 2012. During this period, all of the directors attended or participated in more than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all Committees of the Board of Directors on which each such director served.

The Board currently has the following Committees: Audit; Corporate Governance and Nominating; and Compensation. Each Committee consists entirely of independent, non-employee directors in accordance with the listing standards of the NYSE MKT. Membership and principal responsibilities of the Board's Committees are described below. Each Committee of the Board has adopted a charter and each such charter is available free of charge on our website, www.widepoint.com, or by writing to WidePoint Corporation, 7926 Jones Branch Drive, Suite 520, McLean, Virginia 22102, c/o Corporate Secretary.

Audit Committee

The members of the Audit Committee are:

Morton S. Taubman (Chair)
James M. Ritter
George W. Norwood

The Audit Committee met four times in 2012. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Securities and Exchange Act of 1934. The primary functions of the Audit Committee are to: appoint (subject to stockholder approval), and be directly responsible for the compensation, retention and oversight of, the firm that will serve as the Company's independent accountants to audit our financial statements and to perform services related to the audit (including the resolution of disagreements between management and the independent accountants regarding financial reporting); review the scope and results of the audit with the independent accountants; review with management and the independent accountants, prior to the filing thereof, the annual and interim financial results (including Management's Discussion and Analysis) to be included in our Forms 10-K and 10-Q, respectively;

consider the adequacy and effectiveness of our internal accounting controls and auditing procedures; review, approve and thereby establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters; review and approve related person transactions in accordance with the policies and procedures of the Company; and consider the accountants' independence and establish policies and procedures for pre-approval of all audit and non-audit services provided to WidePoint by the independent accountants who audit its financial statements. At each meeting, Audit Committee members may meet privately with representatives of Moss Adams LLP, our independent accountants, and with the Company's Executive Vice President and Chief Financial Officer.

The Board has determined that Messrs. Taubman, Ritter and Norwood each meet the definition of "independent directors" for purposes of serving on an audit committee under applicable rules of the Securities and Exchange Commission and the listing standards of the NYSE MKT. In addition, the Board has determined that Mr. Taubman satisfies the "financially sophisticated" requirements set forth in the NYSE MKT Company Guide, and has designated Mr. Taubman as the "audit committee financial expert," as such term is defined in the rules and regulations of the SEC.

Corporate Governance and Nominating Committee

The members of the Corporate Governance and Nominating Committee are:

.	James M. Ritter (Chair)
.	Morton S. Taubman
.	Otto J. Guenther

The Corporate Governance and Nominating Committee met 1 times in 2012. The primary functions of this Committee are to: identify individuals qualified to become Board members and recommend to the Board the nominees for election to the Board at the next Annual Meeting of Stockholders; review annually and recommend changes to the Company's Corporate Governance Guidelines; lead the Board in its annual review of the performance of the Board and its committees; review policies and make recommendations to the Board concerning the size and composition of the Board, the qualifications and criteria for election to the Board, retirement from the Board, compensation and benefits of non-employee directors, the conduct of business between WidePoint and any person or entity affiliated with a director, and the structure and composition of the Board's Committees; review the Company's policies and programs relating to compliance with its Code of Business Conduct and such other matters as may be brought to the attention of the Committee regarding WidePoint's role as a responsible corporate citizen. See "Identification and Evaluation of Director Candidates" and "Director Compensation" in this proxy statement.

Compensation Committee

The members of the Compensation Committee are:

.	James M. Ritter (Chair)
.	Morton S. Taubman
.	George W. Norwood

The Compensation Committee met 1 time in 2012. The primary functions of the Compensation Committee are to: evaluate and approve executive compensation plans, policies and programs, including review of relevant corporate and individual goals and objectives, as submitted by the Chief Executive Officer; evaluate the Chief Executive Officer's performance relative to established goals and objectives and, together with the other independent directors, determine and approve the Chief Executive Officer's compensation level based on this evaluation; review and approve the annual salary and other remuneration of all other officers; review the management development program, including executive succession plans; review with management, prior to the filing thereof, the executive compensation disclosure included in this proxy statement; recommend individuals for election as officers; and review or take such other action as may be required in connection with the bonus, stock and other benefit plans of WidePoint and its subsidiaries.

Director Independence

The listing standards of the NYSE MKT require that our Board be comprised of a majority of "independent directors" and that the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee each be comprised solely of "independent directors," as defined under the listing standards of the NYSE MKT.

The Company's Corporate Governance and Nominating Committee conducts an annual review of the independence of the members of the Board and its Committees and reports its findings to the full Board of Directors. Based on the report and recommendation of the Corporate Governance Committee, the Board has determined that each of the Company's non-employee directors—Messrs. Taubman, Ritter, Guenther, and Norwood—satisfy the independence criteria (including the enhanced criteria with respect to members of the Audit Committee) set forth in the listing standards of the NYSE MKT and Securities and Exchange Commission rules. Each of the Board's Committees consists entirely of independent, non-employee directors.

Identification and Evaluation of Director Candidates

The Corporate Governance and Nominating Committee is charged with seeking individuals qualified to become directors and recommending candidates for all directorships to the full Board of Directors. The Committee considers director candidates in anticipation of upcoming director elections and other potential or expected Board vacancies.

The Committee considers director candidates suggested by members of the Committee, other directors, senior management and stockholders.

Director candidates are reviewed by the Committee based on the needs of the Board and the Company's various constituencies, their relative skills, characteristics and age, and against the following qualities and skills that are considered desirable for Board membership: exemplification of the highest standards of personal and professional integrity; independence from management under applicable securities laws, listing standards, and the Company's Corporate Governance Principles; experience and industry and educational background; potential contribution to the composition, diversity and culture of the Board; and ability and willingness to constructively challenge management through active participation in Board and committee meetings and to otherwise devote sufficient time to Board duties.

The Committee's charter includes diversity as one of the criteria used to evaluate director candidates. The Corporate Governance and Nominating Committee may consider diversity in its broadest sense when evaluating candidates. Though we do not have a formal policy regarding how diversity will be considered in identifying potential director nominees, our Corporate Governance Guidelines direct that the evaluation of nominees should include (but not be limited to) an assessment of whether a nominee would provide the Board with a diversity of viewpoints, backgrounds, experiences, and other demographics.

In evaluating the needs of the Board, the Committee considers the qualifications of sitting directors and consults with other members of the Board, the Chief Executive Officer and other members of senior management. All recommended candidates must possess the requisite personal and professional integrity, meet any required independence standards, and be willing and able to constructively participate in, and contribute to, Board and committee meetings. Additionally, the Committee conducts regular reviews of current directors whose terms are nearing expiration, but who may be proposed for re-election, in light of the considerations described above and their past contributions to the Board.

The Corporate Governance and Nominating Committee has adopted a policy pursuant to which a stockholder who has owned at least 5% of the Company's outstanding shares of common stock for at least two years may recommend a director candidate that the Committee will consider when there is a vacancy on the Board either as a result of a director resignation or an increase in the size of the Board. Such recommendation must be made in writing addressed to the Chairman of the Corporate Governance and Nominating Committee at the Company's principal executive offices and must be received by the Chairman at least 120 days prior to the anniversary date of the release of the prior year's proxy statement.

Although the Committee has not formulated any specific minimum qualifications that the Committee believes must be met by a nominee that the Committee recommends to the Board, the factors it will take into account will include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. There will be no differences between the manner in which the Committee evaluates a nominee recommended by a stockholder and the manner in which the Committee evaluates nominees recommended by other persons.

The Company did not receive in a timely manner, in accordance with the Securities and Exchange Commission's requirements, any recommendation of a director candidate from a stockholder, or group of stockholders, that beneficially owned more than 5% of the Company's common stock for at least two years as of the date of recommendation.

Process for Communicating with Board Members

Interested parties may communicate directly with the Board, or the presiding director for an upcoming meeting or the non-employee directors as a group, by writing to WidePoint Corporation, 7926 Jones Branch, Suite 520, McLean, Virginia 22102, c/o Corporate Secretary. Communications may also be sent to individual directors at the above address.

Director Attendance at Annual Meetings

The Company has adopted a policy that each director should attempt to attend and/or be available via online access or phone for each Annual Meeting of Stockholders. All members of the Board were available and/or attended last year's Annual Meeting of Stockholders with the exception of James Ritter who was traveling out of the Country and phone access failed to operate sufficiently.

Board Leadership Structure and Role in Risk Oversight

Our Corporate Governance Guidelines allow flexibility as to whether the role of Chief Executive Officer and Chairman of the Board are separated or combined. The Board's policy is to adopt the practice that best serves the Company at any point in time. At this time, the Board believes that combining the role of Chairman of the Board with the role of Chief Executive Officer provides the most effective and efficient leadership model for the Company. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making and alignment on corporate strategy. Currently, Steve L. Komar serves as our Chief Executive Officer and as our

Chairman of the Board.

Because we have combined the Chairman and Chief Executive Officer roles, pursuant to our Corporate Governance Guidelines, our independent directors have designated Mr. Ritter to serve as the Presiding Independent Director to further strengthen our governance structure. The Presiding Independent Director is responsible for coordinating the activities of the independent directors, calling for meetings or sessions of the independent directors, presiding at executive sessions and coordinating the agenda for such sessions with at least two such meetings being held annually, facilitating communications and functioning as principal liaison on Board-wide issues between independent directors and the Chairman of the Board, and when necessary, recommending the retention of outside advisors and consultants who report directly to Board.

10

Non-management members of the Board of Directors conduct at least two regularly scheduled meetings per year without members of management being present. Following an executive session of non-employee directors, the Presiding Independent Director may act as a liaison between the non-employee directors and the Chairman, provide the Chairman with input regarding agenda items for Board of Directors and Committee meetings, and coordinate with the Chairman regarding information to be provided to the non-employee directors in performing their duties.

The Board oversees the management of the risks inherent in the operation of the Company's business. This is accomplished principally through the Audit Committee. Additionally, the Compensation Committee is responsible for overseeing the assessment of risks associated with the Company's compensation policies and programs. Each of these committees receives and discusses reports regularly with members of management who are responsible for applicable day-to-day risk management functions of the Company, and reports regularly to the Board. The Board's, the Audit Committee's and the Compensation Committee's respective roles in our risk oversight process have not affected our Board leadership structure.

Director Compensation

Directors who are not also officers or employees receive an annual fee of \$12,000. The following table sets forth director compensation for 2012:

Director Name	Fees Earned or Paid (\$)	Option Awards (\$)	All Other Compensation (\$)	Total
James Ritter	\$ 12,000	\$ -	\$ -	\$ 12,000
Morton Taubman	\$ 12,000	\$ -	\$ -	\$ 12,000
George Norwood	\$ 12,000	\$ -	\$ -	\$ 12,000
Otto Guenther	\$ 12,000	\$ -	\$ -	\$ 12,000

Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of securities ownership and changes in such ownership with the Securities and Exchange Commission. Statements of Changes in Beneficial Ownership of Securities on Form 4 are generally required to be filed before the end of the second business day following the day on which the change in beneficial ownership occurred. Based on the Company's review of Forms 3 and 4 filed during 2012, all such Forms 3 and Forms 4 were filed on a timely basis, except for two late Form 4's filed by Jin Kang.

Proposal One – Election of Director

The Company's Board is classified into three classes of directors, with approximately one-third of the directors serving in each such class of directors and with one class of directors being elected at each annual meeting of stockholders of the Company to serve for a term of three years or until the earlier expiration of the term of their class of directors or until their successors are elected and take office as provided below. To maintain the staggered terms of election of directors, stockholders of the Company are voting upon the election of one Class I director to serve for a three-year period until the 2016 Annual Meeting of Stockholders. As a result, stockholders will only vote on the election of the Class I director nominee at the Annual Meeting.

The Bylaws of the Company provide that the Board will determine the number of directors to serve on the Board. The Company's Board presently consists of seven members. Class I directors of the Company previously consisted of two persons, so there will be a director vacancy in Class I after the election of the below nominee. The Board will appoint a qualified person to fill this vacancy when the Board decides upon such a qualified person to fill such vacancy.

Proxies will be voted at the Annual Meeting, unless authority is withheld, FOR the election of the person named below. Executive Compensation

Overview

We believe that a skilled, experienced and dedicated executive and senior management team is essential to the future performance of our Company and to building stockholder value. We have sought to establish competitive compensation programs that enable us to attract and retain executive officers with these qualities. The other objectives of our compensation programs for our executive officers are the following:

- to motivate our executive officers to achieve strong financial performance;

to attract and retain executive officers who we believe have the experience, temperament, talents and convictions to contribute significantly to our future success; and

- to align the economic interests of our executive officers with the interests of our stockholders.

We believe the most effective compensation package for our named executive officers is one designed to reward achievement of individual and corporate objectives, provide for short-term, medium-term and long-term financial and strategic goals and align the interest of management with those of the stockholders by providing incentives for improving shareholder value. Compensation for our named executive officers consists of base salary and an annual bonus, along with multi-year accelerated vesting goals associated with either stock option awards and or stock grant awards. Our annual bonus opportunity is intended to incentivize the achievement of goals that drive annual and multi-year performance, while our accelerated stock option and or stock grant vesting goals are intended to incentivize the achievement of goals that drive multi year performance.

The amount of the annual cash based bonus award is based on individual performance assessments along with the financial performance of the Company. Our performance-based cash incentive compensation in recent years has included targets for achieving various levels of revenue, operating income, and other financial goals and metrics, along with individual performance assessments that has included goals in personal professional improvement, team building, and other individual personal growth goals. We believe these cash based awards of up to 50% of base salary reinforce the alignment of interests of our executive officers with those of our stockholders in the shorter term as the positive financial performance that drives the cash based bonus awards also indirectly influences the performance of the Company's common stock performance. We believe the personal professional improvement goals enhance the value of the named executive to expand their expertise and expand the effectiveness of the Company's staff allowing for greater organization efficiencies while improving Company performance, which drives short-term, medium-term, and long-term organizational improvement and ultimately value for the Shareholders in the form of better financial and common stock performance.

The amount of such programs for our three reportable executives include the accelerated vesting associated with our stock options and or stock grant awards for 250,000 shares of commons stock for each of Mr. Komar and Mr. McCubbin, respectively, and 315,000 options for Mr. Kang are based upon the financial performance and goals of the Company over a multi- year time horizon. The acceleration of the common shares and or stock options are tied generally to performance measures such as earnings before interest, taxes, amortization and depreciation and other triggers predominately tied to performance goals of the Company. In keeping with our philosophy for incentivizing the performance of our named executive officers over a medium to longer term horizon the Company has used equity grants and awards linked to accelerated vesting goals to reinforce the alignment of interest of our named executive officers with those of our stockholders, as the value of the awards granted thereunder is linked to the value of our Common Stock, which, in turn, is indirectly attributable to the performance of our executive officers.

The Company's compensation planning is done annually for cash based performance goals and in multi-year periods for equity based performance goal setting.

It is our Chief Executive Officer's responsibility to provide recommendations to the Compensation Committee for most compensation matters related to executive compensation. The recommendations are based on a general analysis of market standards and trends and an evaluation of the contribution of each executive officer to the Company's performance. Our Compensation Committee considers, but retains the right to accept, reject or modify such recommendations and has the right to obtain independent compensation advice. Neither the Chief Executive Officer nor any other members of management is present during executive sessions of the Compensation Committee. The Chief Executive Officer is not present when decisions with respect to his compensation are made.

Termination of Mr. McCubbin's employment by the Company shall be deemed for "Cause" if, and only if, it is based upon (i) conviction of a felony by a federal or state court of competent jurisdiction; (ii) material disloyalty to the Company such as embezzlement or misappropriation of corporate assets; or (iii) engaging in unethical or illegal behavior which is of a public nature, brings the Company into disrepute, and results in material damage to the Company. A resignation by Mr. McCubbin shall not be deemed to be voluntary and shall be deemed to be a resignation with "Good Reason" if it is based upon (i) a diminution in Mr. McCubbin's title, duties, or salary; (ii) a material reduction in benefits; (iii) a direction by the Board of Directors that Mr. McCubbin report to any person or group other than the Board of Directors, or (iv) a geographic relocation of the Company's primary business operations outside of the Washington Metropolitan Area.

Mr. Kang. On November 27, 2012, we entered into an employment agreement with Jin Kang, our Executive Vice President and Chief Executive Officer of iSYS LLC and Chief Operations Officer of the Company, effective as of June 30, 2012, which replaced Mr. Kang's prior employment agreement, dated January 4, 2008, which expires on December 31, 2013. The Agreement provides for (1) a base salary of \$250,000 per year, (2) reimbursement for business expenses consistent with our existing policies that have been incurred for our benefit, (3) paid medical and other benefits consistent with our existing policies with respect to our key executives, as such policies may be amended from time to time in the future, and (4) a performance bonus opportunity of up to \$175,000 per year at the discretion of the Compensation Committee of the Board of Directors.

Mr. Kang's employment period will continue from the date of his agreement until he is terminated either by (a) Mr. Kang's death or permanent disability which renders Mr. Kang unable to perform his duties hereunder (as determined by the Company in its good faith judgment), (b) by Mr. Kang's resignation, commencing from and after the first anniversary date of this Agreement, or any additional Option period exercised by the Company, upon prior written notice to the Company of ninety (90) days before the annual anniversary date of this Agreement, or (c) the Company for Cause. Termination of Mr. Kang's employment shall be deemed for "Cause" upon: (i) the repeated failure or refusal of Mr. Kang to follow the lawful directives of the Company, or its designee (except due to sickness, injury or disabilities), after prior notice to Mr. Kang and a reasonable opportunity to cure by Mr. Kang for up to thirty (30) days, (ii) gross inattention to duty or any other willful, reckless or grossly negligent act (or omission to act) by Mr. Kang, which, in the good faith judgment of the Company, materially injures the Company, including the repeated failure to follow the policies and procedures of the Company, after prior written notice to Employee and a reasonable opportunity to cure by Mr. Kang of up to thirty (30) days, (iii) a material breach of this Agreement by Mr. Kang, after prior written notice to Mr. Kang and a reasonable opportunity to cure by Mr. Kang of up to thirty (30) days, (iv) the commission by Mr. Kang of a felony or other crime involving moral turpitude or the commission by Mr. Kang of an act of financial dishonesty against the Company or, (v) a proper business purpose of the Company, which shall be limited to the elimination of the position filled by Mr. Kang as a result of a material decrease in revenues and/or profits of the Company, but with other cost cutting measures and the termination of other employees being first considered and instituted as determined in the sole judgment of the Company prior to the termination of Mr. Kang;

provided, however, that in the event the Company terminates Mr. Kang then (I) the scope of the non-compete shall be limited to the products and services offered by the Company as of the termination of Mr. Kang and (II) the Company shall pay to Mr. Kang a continuation of Gross Salary and benefits each month for the six (6) month period immediately following such termination.

Certain Related Person Transactions

A related person transaction is a consummated or currently proposed transaction in which the Company has been, is or will be a participant and the amount involved exceeds \$120,000, and in which a related person (i.e., any director or executive officer or nominee for director, or any member of the immediate family of such person) has or will have a direct or indirect material interest.

The Company was not a participant in any related person transactions in the past two fiscal years and no such transactions are currently proposed.

Under the Company's corporate governance principles (the "Corporate Governance Principles"), a majority of the Company's Board will consist of independent directors. An "independent" director is a director who meets the NYSE MKT definition of independence and other applicable independence standards under SEC guidelines, as determined by the Board. The Company's Corporate Governance and Nominating Committee conduct an annual review of the independence of the members of the Board and its Committees and reported its findings to the full Board of Directors. Based on the report and recommendation of the Corporate Governance and Nominating Committee, the Board has determined that each of the Company's non-employee directors—Messrs. Taubman, Ritter, Guenther, and Norwood—satisfies the independence criteria (including the enhanced criteria with respect to members of the Audit Committee) set forth in the applicable NYSE MKT listing standards and SEC rules. Each of the Board's Committees consist entirely of independent, non-employee directors.

Non-management members of the Board of Directors conduct at least two regularly scheduled meetings per year without members of management being present. Mr. Ritter serves as the presiding director of such meetings. Following an executive session of non-employee directors, the presiding director may act as a liaison between the non-employee directors and the Chairman, provide the Chairman with input regarding agenda items for Board of Directors and Committee meetings, and coordinate with the Chairman regarding information to be provided to the non-employee directors in performing their duties.

Proposal Two – Advisory Resolution on Executive Compensation

We are asking stockholders to approve an advisory resolution on the Company's 2012 executive compensation as reported in this proxy statement.

We urge stockholders to read the "Executive Compensation" section beginning on page I9 of this proxy statement, including the Summary Compensation Table and other related compensation tables and narrative included therein, which provide detailed information on the compensation of our named executive officers.

In accordance with recently adopted Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and as a matter of good corporate governance, we are asking stockholders to approve the following advisory resolution:

RESOLVED, that the stockholders of Widepoint Corporation (the "Company") approve, on an advisory basis, the 2012 compensation of the Company's named executive officers disclosed in the Executive Compensation section of the Company's proxy statement.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the Board of Directors. Although non-binding, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding our executive compensation program.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION.

Proposal Three – Advisory Vote on the Frequency of Future Advisory Votes on Executive Compensation

Pursuant to Section 14A of the Exchange Act, we are asking stockholders to vote on whether future advisory votes on executive compensation of the nature reflected in Proposal No. 3 should occur every year, every two years or every three years.

After careful consideration, the Board of Directors has determined that holding an advisory vote on executive compensation every three years is the most appropriate policy for the Company at this time and recommends that stockholders vote for future advisory votes on executive compensation to occur every three years. Voting every three years, rather than every one or two years, will provide stockholders with the opportunity to conduct thoughtful analyses of our compensation program over a period of time in relation to our long-term performance as our compensation program does not change significantly from year to year and is designed to induce performance over a multi-year period. A triennial vote cycle will provide stockholders with a more complete view of the amount and mix of components of the compensation paid to our named executive officers. A triennial vote will also provide us with sufficient time to evaluate and respond effectively to stockholder input, engage with stockholders to understand and respond to prior voting results and implement any appropriate changes to our program. In addition, a triennial vote will provide time for any implemented changes to take effect and allow stockholders sufficient time to evaluate the effectiveness of our compensation program and any changes made to the program.

This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Board of Directors. Stockholders will be able to specify one of four choices for this proposal on the proxy card: one year, two years, three years or abstain. Stockholders are not voting to approve or disapprove the Board's recommendation. Although non-binding, the Board and the Compensation Committee will carefully review the voting results. Notwithstanding the Board's recommendation and the outcome of the stockholder vote, the Board may in the future decide to conduct advisory votes on a more frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE TO CONDUCT FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION EVERY THREE YEARS.

Proposal Four – Independent Accountants

The Audit Committee is recommending that stockholders ratify its appointment of Moss Adams LLP as independent accountants for WidePoint to audit its consolidated financial statements for the fiscal year ending December 31, 2013, to perform audit-related services, including review of our quarterly interim financial information, periodic reports and registration statements filed with the Securities and Exchange Commission and consultation in connection with various accounting and financial reporting matters. The stockholder vote is not binding on the Audit Committee. If the appointment of Moss Adams LLP is not ratified by stockholders, the Audit Committee will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to stockholders. Even if the appointment of Moss Adams LLP is ratified, the Audit Committee may in its sole discretion terminate the engagement of the firm and direct the appointment of another independent auditor at any time during the year if it determines that such an appointment would be in the best interests of our Company and our stockholders.

Moss Adams LLP provided audit and other services in 2013 for the Company's audit of its consolidated financial statements for the fiscal year ended December 31, 2012. Moss Adams LLP also provided audit and other services in 2012 for the Company's audit of its consolidated financial statements for the fiscal year ended December 31, 2011.

A resolution will be presented at the Annual Meeting to ratify the appointment of Moss Adams LLP to serve as the Company's independent public accountants for the fiscal year ending December 31, 2013. A representative of Moss Adams LLP will be available either via phone or in person at the Annual Meeting to answer appropriate questions concerning the Company's financial statements and to make a statement if desired.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF THE RATIFICATION OF THE COMPANY'S AUDITORS.

Audit Committee Policies and Procedures For Pre-Approval of Independent Auditor Services

The following describes the Audit Committee's policies and procedures regarding pre-approval of the engagement of the Company's independent auditor to perform audit as well as permissible non-audit services for the Company.

For audit services, the independent auditor will provide the Audit Committee with an engagement letter during the March-May quarter of each year outlining the scope of the audit services proposed to be performed in connection with the audit of the current fiscal year. If agreed to by the Audit Committee, the engagement letter will be formally accepted by the Audit Committee at an Audit Committee meeting held as soon as practicable following receipt of the engagement letter. The independent auditor will submit to the Audit Committee for approval an audit services fee proposal after acceptance of the engagement letter.

For non-audit services, Company management may submit to the Audit Committee for approval (during May through September of each fiscal year) the list of non-audit services that it recommends the Audit Committee engage the independent auditor to provide for the fiscal year. The list of services must be detailed as to the particular service and may not call for broad categorical approvals. Company management and the independent auditor will each confirm to the Audit Committee that each non-audit service on the list is permissible under all applicable legal requirements. In addition to the list of planned non-audit services, a budget estimating non-audit service spending for the fiscal year may be provided. The Audit Committee will consider for approval both the list of permissible non-audit services and the budget for such services. The Audit Committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this pre-approval process.

To ensure prompt handling of unexpected matters, the Audit Committee delegates to its Chairman the authority to amend or modify the list of approved permissible non-audit services and fees. The Chairman will report any action taken pursuant to this delegation to the Audit Committee at its next meeting.

All audit and non-audit services provided to the Company are required to be pre-approved by the Audit Committee. The Chief Financial Officer of the Company will be responsible for tracking all independent auditor fees against the budget for such services and report at least annually to the Audit Committee.
