### Item 1.01. Entry into a Material Definitive Agreement

As disclosed under the sections entitled “*The Merger Proposal*” and “*The Merger Agreement*” beginning at pages 56 and 71, respectively, of the Definitive Proxy Statement filed with the Securities and Exchange Commission (the “Commission”) on December 4, 2013 (the “Proxy Statement”) by Andina Acquisition Corporation, now known as Tecnoglass Inc. (the “Registrant”), the Registrant entered into an Agreement and Plan of Reorganization (the “Merger Agreement”), dated as of August 17, 2013, as amended by a First Amendment to Agreement and Plan of Reorganization dated as of November 6, 2013, with Andina Merger Sub, Inc. (“Merger Sub”), Tecnoglass S.A. (“Tecnoglass”), C.I. Energia Solar S.A. E.S. Windows (“ES”) and Tecno Corporation, the ultimate parent of Tecnoglass and ES (“Tecnoglass Holding”), which contemplated Merger Sub merging with and into Tecnoglass Holding with Tecnoglass Holding surviving as a wholly-owned subsidiary of the Registrant (the “Merger”). The Merger Agreement (as amended and restated) is included as Exhibit 2.1 to this Current Report on Form 8-K (this “Report”).

Item 2.01 of this Report discusses the consummation of the Merger and various other transactions and events contemplated by the Merger Agreement and is incorporated herein by reference. As described in such Item, at the closing of Merger on December 20, 2013 (the “Closing”), the Registrant entered into two escrow agreements providing for the escrow of certain ordinary shares, par value \$0.0001 per share (“Ordinary Shares”), of the Registrant issued in connection with the Merger and a registration rights agreement.

As described in the Form 8-K filed on December 20, 2013 (the “December 20<sup>th</sup> Form 8-K”), on December 19, 2013, the Registrant and an affiliate of A. Lorne Weil, the Registrant’s non-executive Chairman of the Board (the “Insider”), entered into an agreement with a third party shareholder of the Registrant (the “Holder”) pursuant to which the Holder agreed to use commercially reasonable efforts to purchase up to 1,000,000 ordinary shares of the Registrant in the open market and agreed that it would not seek conversion or redemption of any such purchased shares in connection with the Merger, as further described in the December 20<sup>th</sup> Form 8-K. The Holder and its affiliates purchased an aggregate of 985,896 Ordinary Shares of the Registrant pursuant to this agreement. Pursuant to the agreement, the Insider transferred to the Holder an aggregate of 2,167,867 warrants to purchase Ordinary Shares of the Registrant. Additionally, EarlyBirdCapital, Inc., financial advisor to the Registrant, transferred to the Holder certain unit purchase options, each to purchase one Ordinary Share and one warrant to purchase one Ordinary Share. The Registrant has agreed to file a registration statement with the Securities and Exchange Commission covering the resale of the warrants and shares underlying the warrants, as well as the unit purchase options and underlying securities, transferred to the Holder. In the event the registration statement is not filed by April 1, 2014 or declared effective by June 1, 2014, the Registrant will be required to pay the Holder a cash penalty of \$0.20 per security transferred to the Holder for each month until the registration statement has been filed or declared effective, as the case may be.

In connection with the Closing, the Registrant adopted a 2013 Long-Term Incentive Plan, as further described in Item 5.02 of this Report, which information is incorporated herein by reference.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On December 20, 2013, the Registrant held its extraordinary general meeting of shareholders (the “Extraordinary General Meeting”), at which the shareholders considered and adopted, among other matters, the Merger Agreement. On December 20, 2013, following the Extraordinary General Meeting, the parties to the Merger Agreement consummated the Merger.

Pursuant to the Merger Agreement, the former Tecnoglass Holding shareholders, through an intermediary entity, received, as consideration for all ordinary shares of Tecnoglass Holding they held: (i) an aggregate of 20,567,141 Ordinary Shares of the Registrant at the Closing; and (ii) an aggregate of 3,000,000 additional Ordinary Shares (“Earnout Shares”) of the Registrant to be released after the Closing as described below.

An aggregate of 890,000 Ordinary Shares of the Registrant payable as merger consideration were placed in escrow at the Closing pursuant to an escrow agreement among the Registrant, Jose Daes, as representative of the former Tecnoglass Holding shareholders (the “Representative”), A. Lorne Weil and Martha L. Byorum, acting as the committee representing the Registrant (the “Committee”) and Continental Stock Transfer & Trust Company, as escrow agent (the “Indemnity Escrow Agreement”), to secure the indemnification obligations owed to the Registrant under the Merger Agreement. The material terms of the Indemnity Escrow Agreement are described in the section of the Proxy Statement entitled “*The Merger Proposal – Indemnification of Andina*” beginning on page 57 and are incorporated herein by reference. The Earnout Shares are unissued as a matter of Cayman Islands law and have been placed in escrow pursuant to an escrow agreement among the Registrant, Representative, Committee and Continental Stock Transfer & Trust Company, as escrow agent (the “Additional Shares Escrow Agreement”) pursuant to which the Earnout Shares will be issued and released to the former Tecnoglass Holding shareholders upon the achievement of specified share price targets or targets based on Tecnoglass Holding’s EBITDA in the fiscal years ending December 31, 2014, 2015 or 2016. The material terms of the Additional Shares Escrow Agreement are described in the section of the Proxy Statement entitled “*The Merger Proposal – Structure of the Merger*” beginning on page 56. The Indemnity Escrow Agreement and the Additional Shares Escrow Agreement are attached as Exhibits 10.9 and 10.10, respectively, to this Report.

At the Closing, the Registrant entered into an amended and restated registration rights agreement (“Registration Rights Agreement”). The material terms of the Registration Rights Agreement are described in the section of the Proxy Statement entitled “*The Merger Proposal – Sale Restriction; Resale Registration*” beginning on page 57 and are hereby incorporated by reference. The Registration Rights Agreement is attached as Exhibit 10.4 to this Report.

At the Extraordinary General Meeting, holders of 2,251,853 Ordinary Shares of the Registrant issued in its initial public offering (“public shares”) exercised their rights to convert those shares to cash at a conversion price of approximately \$10.18 per share, or an aggregate of approximately \$22.9 million. After giving effect to the issuance of the Ordinary Shares of the Registrant to the former Tecnoglass Holding shareholders at the Closing (excluding the Earnout Shares) and the conversion of 2,251,853 of the Registrant’s public shares, there were 23,565,288 Ordinary Shares of the Registrant outstanding as of December 23, 2013.

The conversion price for holders of public shares electing conversion was paid out of the Registrant’s trust account, which had a balance immediately prior to the Closing of approximately \$42.7 million. The remaining trust account funds were used to pay transaction expenses of approximately \$3.1 million, with the balance available for working capital.

At the Extraordinary General Meeting, the Registrant’s shareholders also voted to approve an amendment to the Registrant’s second amended and restated memorandum and articles of association to change the Registrant’s name to “Tecnoglass Inc.” Accordingly, effective upon the Closing, the Registrant changed its name to Tecnoglass Inc. The surviving entity in the Merger, Tecnoglass Holding, did not change its name. Tecnoglass and ES are indirect subsidiaries of Tecnoglass Holding. Thus, the Registrant is now a holding company called Tecnoglass Inc., operating through its direct and indirect subsidiaries, Tecnoglass Holding, Tecnoglass and ES.

The issuance of the Registrant's Ordinary Shares to former Tecnoglass Holding shareholders, through an intermediary entity, residing in the United States was made in reliance on Rule 506 of Regulation D, as fewer than 35 of such shareholders are non-accredited investors. The issuance of the Registrant's Ordinary Shares to former Tecnoglass Holding shareholders, through an intermediary entity, residing outside of the United States was made in reliance on Regulation S under the Securities Act, as an offshore transaction in which no directed selling efforts were made in the United States and appropriate offering restrictions were implemented. ("Crowe"), an independent registered public accounting firm, audited the consolidated financial statements for each of Tecnoglass and ES at December 31, 2012 and 2011, and for each of the two years in the period ended December 31, 2012 (independently for each company). Marcum, LLP ("Marcum"), the independent registered public accounting firm for the Registrant since its inception, will continue to serve as the Registrant's independent registered public accounting firm following the Closing.

Crowe's report on the consolidated financial statements for each of Tecnoglass and ES at December 31, 2012 and 2011, and for each of the two years in the period ended December 31, 2012, did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope, or accounting principles. During the period of Crowe's engagement by each of Tecnoglass and ES, and the subsequent interim period preceding Crowe's dismissal, there were no disagreements with Crowe on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to the satisfaction of Crowe, would have caused it to make a reference to the subject matter of the disagreement(s) in connection with its reports covering such periods. In addition, no "reportable events," as defined in Item 304(a)(1)(v) of Regulation S-K, occurred within the period of Crowe's engagement and the subsequent interim period preceding Crowe's dismissal.

The Registrant provided Crowe with a copy of the disclosures made pursuant to this Item 4.01 prior to the filing of this Form 8-K. The Company requested that Crowe furnish a letter addressed to the Commission, which is attached hereto as Exhibit 16.1, stating whether it agrees with such disclosures, and, if not, stating the respects in which it does not agree.

Daes and Daes, entered into lock-up agreements with the Registrant, which restrict the shareholders from selling any of the Ordinary Shares of the Registrant that they received as a result of the Merger during the twelve month period after the Closing, subject to certain exceptions. The form of the lock up agreement, the terms of which are identical for all of the former Tecnoglass Holding shareholders, is attached as Exhibit 10.11 to this Report.
