PROXY STATEMENT

For

2015 Annual Meeting of Stockholders

To Be Held on June 12, 2015

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Stockholders (“Notice of Annual Meeting”). Much of the information in this Proxy Statement is required under rules of the Securities and Exchange Commission (“SEC”), and some of it is technical in nature. If there is anything you do not understand, please contact us at 860-676-8654.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board,” “we,” “us” or “our”) of Horizon Technology Finance Corporation (the “Company”) for use at our 2015 Annual Meeting of Stockholders (the “Meeting”) to be held on June 12, 2015 at 9:30 AM, Eastern Time, at the offices of Horizon Technology Finance Corporation, 312 Farmington Avenue, Farmington, Connecticut 06032, and at any postponements or adjournments thereof. This Proxy Statement, along with the Notice of Meeting and proxy card, and the Company’s Annual Report on Form 10-K (the “Annual Report”) for the year ended December 31, 2014 are being mailed on or about April 28, 2015 to stockholders of the Company (the “Stockholders”) of record as of April 16, 2015 (the “Record Date”).

We encourage you to vote your shares, either by voting in person at the Meeting or by voting by proxy (i.e., authorizing someone to vote your shares). Shares represented by duly executed proxies will be voted in accordance with your instructions. If you execute a proxy without specifying your voting instructions, your shares will be voted in accordance with the Board’s recommendation. If any other business is brought before the Meeting, your shares will be voted at the Board’s discretion unless you specifically state otherwise on your proxy.

You may revoke your vote on the Internet or on a proxy card at any time before it is exercised by resubmitting your vote on the Internet, by notifying the Company’s Secretary in writing, by submitting a properly executed, later-dated proxy, or by voting in person at the Meeting. Any Stockholder entitled to vote at the Meeting may attend the Meeting and vote in person, whether or not he or she has previously voted his or her shares via proxy or wishes to change a previous vote.

You will be eligible to vote your shares electronically via the Internet or by mail.

Purpose of Meeting

As described in more detail in this Proxy Statement, the Meeting is being held for the following purposes:

1. To elect two Class II directors of the Board who will each serve for a term of three years or until his or her successor is duly elected and qualified (“Proposal 1”);
2. To vote on a proposal to ratify the selection of McGladrey LLP to serve as the Company’s independent registered public accounting firm for the year ending December 31, 2015 (“Proposal 2”); and
3. To transact such other business as may properly come before the Meeting or any adjournment or postponement thereof.

Voting Securities

You may vote your shares at the Meeting only if you were a Stockholder of record at the close of business on the Record Date. There were 11,631,494 shares of the Company's common stock (the "Common Stock") outstanding on the Record Date. Each share of the Common Stock is entitled to one vote.

Quorum Required

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of the holders of more than one-half of the voting power of all outstanding shares of Common Stock on the Record Date will constitute a quorum. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the beneficial holder, and does not have discretionary authority to vote the shares on non-routine proposals (which are considered "broker non-votes" with respect to such proposals), will be treated as shares present for quorum purposes. If there are not enough votes for a quorum, either the presiding officer of the Meeting or the holders of a majority of the voting power present at the Meeting, in person or by proxy, may adjourn the Meeting to permit the further solicitation of proxies.

Votes Required

Election of Director

The election of a director requires a plurality of the votes cast at the Meeting. Stockholders may not cumulate their votes. If you vote "Withhold Authority" with respect to a nominee, your shares will not be voted with respect to the person indicated. Because a director is elected by a plurality of the votes cast at the Meeting, votes to withhold authority, or no votes, will have the effect of a vote against the nominee. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Ratification of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the votes cast at the Meeting in person or by proxy is required to ratify the appointment of McGladrey LLP to serve as the Company's independent registered public accounting firm. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Broker Non-votes

Broker non-votes are described as votes cast by a broker or other nominee on behalf of a beneficial holder who does not provide explicit voting instructions to such broker or nominee and who does not attend the Meeting. Proposal 1 is a non-routine matter. As a result, if you hold shares in “street name” through a broker, bank or other nominee, your broker, bank or nominee will not be permitted to exercise voting discretion with respect to Proposal 1. Thus, if you do not give your broker or nominee specific instructions on how to vote for you or do not vote for yourself in accordance with the voting instructions on the proxy card, either by returning a proxy card or by other arrangement with your broker or nominee, your shares will have the effect of a vote against Proposal 1.

Proposal 2 is a routine matter. As a result, if you beneficially own your shares and you do not provide your broker or nominee with proxy instructions, either by voting in accordance with the voting instructions on the proxy card, by returning a proxy card or by other arrangement with your broker or nominee, your broker or nominee will be able to vote your shares for you on this routine matter.

Adjournment and Additional Solicitation

If there appear not to be enough votes to approve the proposals at the Meeting, either the presiding officer of the Meeting or the Stockholders present at the Meeting, in person or by proxy, may adjourn the Meeting to permit the further solicitation of proxies. Any such adjournment by the Stockholders will require the affirmative vote of a majority of the votes entitled to be cast by the Stockholders entitled to vote at the Meeting, present in person or by proxy. Robert D. Pomeroy, Jr. and Christopher M. Mathieu are the persons named as proxies and intend to vote proxies held by them for such adjournment to permit further solicitation of proxies, unless marked to be voted against any proposal for which an adjournment is sought.

A Stockholder vote may be taken on any of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing and posting this Proxy Statement and the Annual Report to the Internet and the cost of mailing this Proxy Statement, Notice of Annual Meeting, proxy card and Annual Report. The Company intends to use the services of Broadridge Financial Solutions, Inc., a leading provider of investor communications solutions, to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. The Company reimburses brokers, trustees, fiduciaries and other institutions for their reasonable expenses in forwarding proxy materials to the beneficial owners and soliciting them to execute proxies.

In addition to the solicitation of proxies via the Internet, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by directors or officers of the Company, officers or employees of the Company's investment advisor and administrator, Horizon Technology Finance Management LLC (herein, the "Advisor" or the "Administrator") and/or by a retained solicitor. No additional compensation will be paid to directors, officers or regular employees for such services. If the Company retains a solicitor, the Company has estimated that it will pay approximately \$30,000 for such services. If the Company engages a solicitor, you could be contacted by telephone on behalf of the Company and urged to vote. The solicitor will not attempt to influence how you vote your shares, but only ask that you take the time to cast a vote. You may also be asked if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm.

Stockholders may provide their voting instructions through the Internet or by mail by following the instructions on the proxy card. The option to vote through the Internet requires Stockholders to input an identifying number (the "Control Number"), which is provided with the proxy card. If you vote using the Internet, after visiting www.proxyvote.com and inputting your Control Number, you will be prompted to provide your voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, will receive an e-mail confirming their instructions upon request.

If a Stockholder wishes to participate in the Meeting, but does not wish to give a proxy by Internet or mail, the Stockholder may attend the Meeting and vote in person.

Any proxy authorized pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. A revocation may be effected by resubmitting voting instructions via the Internet voting

site, by obtaining and properly completing another proxy card that is dated later than the original proxy and returning it by mail in time to be received before the Meeting, by attending the Meeting in person or by providing notice in a writing signed by the Stockholder and delivered to the Company's Secretary on any business day before the date of the Meeting.

In accordance with the Company's certificate of incorporation and bylaws, the Board currently has six members. Directors are divided into three equal classes with each class serving a staggered three year term. At each annual meeting of our Stockholders, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the annual meeting of Stockholders held in the third year following their year of election. After this election, the terms of Class I, II and III directors will expire at the annual meeting of Stockholders to be held in 2017, 2018 and 2016, respectively. A Stockholder can vote for, or withhold his or her vote from, any nominee. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each nominee named below. If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the Board as a replacement. The Board has no reason to believe that any of the nominees will be unable or unwilling to serve.

Corporate Governance

We believe that maintaining the highest standards of corporate governance is a crucial part of our business, and the Company is committed to having in place the necessary controls and procedures designed to ensure compliance with applicable laws, rules and regulations, as well as our own ethical standards of conduct.

Director Independence

NASDAQ corporate governance rules require listed companies to have a board of directors with at least a majority of independent directors. Under NASDAQ corporate governance rules, in order for a director to be deemed independent, the Board must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his or her responsibilities. On an annual basis, each member of the Board is required to complete an independence questionnaire designed to provide information to assist the Board in determining whether the director is independent under NASDAQ corporate governance rules, the 1940 Act and our corporate governance guidelines. An independence questionnaire was completed by each member of the Board, and the Board has relied on such questionnaires in making the determination of independence for each member.

Mr. Bottiglieri, Mr. Mahoney, Ms. Sarsynski and Mr. Woodward each completed an annual questionnaire in connection with their service on the Board, and the Board has determined that each is independent under the listing standards of the NASDAQ Global Select Market and the 1940 Act. Our governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the Board, the Chairman of the Nominating and Corporate Governance Committee and the Company's Secretary of any change in circumstance that may cause his or her status as an Independent Director to change. The Board limits membership on the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee to Independent Directors.

Board of Directors' Oversight Role in Management

The Board performs its risk oversight function primarily through (1) its three standing committees, which report to the entire Board and are comprised solely of Independent Directors, and (2) monitoring by the Company's Chief Compliance Officer in accordance with its compliance policies and procedures.

As described below in more detail under "Audit Committee," "Nominating and Corporate Governance Committee" and "Compensation Committee," the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee assist the Board in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing the Company's accounting and financial reporting processes, including the annual audit of the Company's financial statements and the Company's systems of internal controls regarding finance and accounting; pre-approving the independent accountants' engagement to render audit and/or permissible non-audit services; and evaluating the qualifications, performance and independence of the independent accountants. The Nominating and Corporate Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by the Company's Stockholders, overseeing the evaluation of the Board and the Company's management and monitoring compliance with and recommending, as deemed appropriate, amendments to the Company's Code of Conduct. The Compensation Committee's oversight responsibilities include determining, or recommending to the Board, the compensation, if any, of the Company's Chief Executive Officer and all other executive officers of the Company.

The Board also performs its risk oversight responsibilities with the assistance of the Chief Compliance Officer. The Company's Chief Compliance Officer is required to prepare a written report annually discussing the adequacy and effectiveness of the compliance policies and procedures of the Company and certain of its service providers. The Chief Compliance Officer's report, which is reviewed by the Board, addresses at a minimum (1) the operation of the compliance policies and procedures of the Company and certain of its service providers since the last report; (2) any material changes to such policies and procedures since the last report; (3) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (4) any compliance matter that has occurred since the date of the last report about which the Board would reasonably need to know to oversee the Company's compliance activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors at least once each year.

The Board believes that its role in risk oversight is effective and appropriate given the extensive regulation to which the Company is already subject as a business development company. Specifically, as a business development company, the Company must comply with certain regulatory requirements that control the levels of risk in its business and operations. For example, the Company's ability to incur indebtedness is limited such that its asset coverage must equal at least 200% immediately after each time it incurs indebtedness and the Company generally must invest at least 70% of its total assets in "qualifying assets." In addition, the Company elected to be treated as a regulated investment company ("RIC") under Subchapter M of the Internal Revenue Code. As a RIC, the Company must, among other things, meet certain income source and asset diversification requirements.

The Board believes that the extent of its and its committees' roles in risk oversight complements the Board's leadership structure. Because they are comprised solely of Independent Directors, the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee are able to exercise their oversight responsibilities without any conflict of interest that might discourage critical questioning and review. Through regular executive session meetings with the Company's independent auditors, Chief Compliance Officer and Chief Executive Officer or Chief Financial Officer, the Independent Directors have established direct communication and oversight channels that the Board believes foster open communication and early detection of issues of concern.

The Board believes that its role in risk oversight must be evaluated on a case by case basis and that the current configuration and allocation of responsibilities among the Board and its committees with respect to the oversight of risk is appropriate. However, the Board and its committees continually re-examine the manner in which they administer their respective risk oversight functions, including through formal annual assessments of performance, to ensure that they meet the needs of the Company's Stockholders.

Board of Directors Composition and Leadership Structure

The 1940 Act requires that at least a majority of the Company's directors not be "interested persons" (as defined in the 1940 Act) of the Company. Currently, four of the Company's six directors are Independent Directors; however, the Chairman of the Board is an interested person of the Company. While the Board has no fixed policy regarding the separation of the positions of Chief Executive Officer and Chairman of the Board, the Independent Directors believe that the combined position of Chief Executive Officer of the Company and Chairman of the Board of the Company results in greater efficiencies in managing the Company, including in risk oversight, by eliminating the need to transfer substantial information quickly and repeatedly between the Chief Executive Officer and the Chairman and allowing the Company to capitalize on the specialized knowledge acquired from the duties of the roles.

Our Chief Executive Officer, Robert D. Pomeroy, Jr., is Chairman of our Board and an "interested person" under Section 2(a)(19) of the 1940 Act. Christopher B. Woodward is our lead Independent Director. As the lead Independent Director, Mr. Woodward generally acts as a liaison between the other Independent Directors and the Company's management, officers and attorneys in between meetings of the Board. Under the Company's bylaws, the Board is not required to have an independent chairman. Many significant corporate governance duties of the Board are executed by committees of Independent Directors, each of which has an independent chairman. The Board believes that it is in the best interests of the Company's Stockholders for Mr. Pomeroy to lead the Board because of his broad experience. As a co-founder of the Advisor, Mr. Pomeroy has demonstrated a track record of achievement on strategic and operating aspects of our business. While the Board regularly evaluates alternative structures, the Board believes that, as a business development company, it is appropriate for one of the Company's co-founders, Chief Executive Officer and a member of the Advisor's investment committee to perform the functions of Chairman of the Board, including leading discussions of strategic issues we expect the Company to face. We believe the current structure of the Board provides appropriate guidance and oversight while also enabling ample opportunity for direct communication and interaction between management and the Board.

Information About Each Director's Experience, Qualifications, Attributes or Skills

Below is additional information about each director (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes and/or skills that each director possesses, and which the Board believes have prepared each director to be an effective Board member. The Board believes that the significance of each director's experience, qualifications, attributes and/or skills is an individual matter (meaning that experience that is important for one director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single director, or particular factor, being indicative of Board effectiveness. However, the Board believes that directors need to have the ability to review, evaluate, question and discuss critical information provided to them, and to interact effectively with Company management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. The Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a director's educational background, business, professional training or practice (e.g., finance, accounting or law), public service or academic positions, experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations and/or other life experiences. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

**Experience, Qualifications, Attributes and/or Skills that Led to the Board's Conclusion
that such Persons Should Serve as Directors of the Company**

The Board believes that each director brings a strong and unique background and set of skills to the Board, giving the Board, as a whole, competence and experience in a wide variety of areas, including corporate governance and board service, executive management, finance, private equity, workout and turnaround situations, manufacturing and marketing. Below is a description of the various experiences, qualifications, attributes and/or skills with respect to each director considered by the Board.

Board of Directors Meetings and Committees

For the year ended December 31, 2014, the Board held nine meetings, the Audit Committee held five meetings, the Nominating and Corporate Governance Committee held three meetings and the Compensation Committee held one meeting. All directors attended at least 75% of the aggregate number of meetings of the Board and of the respective committees on which they served. The Company requires each director to make a diligent effort to attend all Board and Committee meetings and encourages directors to attend the annual meeting of Stockholders. All of the members of the Board attended the annual meeting of the Stockholders held in June 2014.

Audit Committee

The members of the Audit Committee are Mr. Bottiglieri, Mr. Woodward and Ms. Sarsynski, each of whom is independent for purposes of the 1940 Act and the NASDAQ corporate governance rules. Mr. Bottiglieri serves as Chairman of the Audit Committee. The Audit Committee operates pursuant to a written Audit Committee Charter approved by the Board. The charter sets forth the responsibilities of the Audit Committee, which include selecting or retaining each year an independent registered public accounting firm (the “auditors”) to audit the accounts and records of the Company; reviewing and discussing with management and the auditors the annual audited financial statements of the Company, including disclosures made in management’s discussion and analysis of financial condition and results of operations, and recommending to the Board whether the audited financial statements should be included in the Company’s Annual Report on Form 10-K; reviewing and discussing with management and the auditors the Company’s quarterly financial statements prior to the filing of its Quarterly Reports on Form 10-Q; pre-approving the auditors’ engagement to render audit and/or permissible non-audit services; and evaluating the qualifications, performance and independence of the auditors. The Audit Committee is also responsible for aiding the Board in fair value pricing of debt and equity securities. The Board and Audit Committee use the services of an independent valuation firm to help them determine the fair value of certain securities. The Board has determined that Mr. Bottiglieri qualifies as an “audit committee financial expert” as that term is defined under Item 407 of Regulation S-K under the Exchange Act. The Audit Committee Charter is available on the Company’s website www.horizontechnologyfinancecorp.com.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Mr. Mahoney, Ms. Sarsynski and Mr. Bottiglieri, each of whom is independent for purposes of the 1940 Act and the NASDAQ corporate governance rules. Mr. Mahoney serves as Chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for selecting, researching and nominating directors for election by our Stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and our management. The Nominating and Corporate Governance Committee has adopted a written Nominating and Corporate Governance Committee Charter that is available on the Company’s website www.horizontechnologyfinancecorp.com.

The Nominating and Corporate Governance Committee will consider Stockholder recommendations for possible nominees for election as directors when such recommendations are submitted in accordance with the Company’s bylaws, the Nominating and Corporate Governance Committee Charter and any applicable law, rule or regulation regarding director nominations. Nominations should be sent to John C. Bombara, Secretary, c/o Horizon Technology Finance Corporation, 312 Farmington Avenue, Farmington, Connecticut 06032. When submitting a nomination to the Company for consideration, a Stockholder must provide all information that would be required under applicable SEC rules to be disclosed in connection with election of a director, including the following minimum information for each director nominee: full name, age and address; principal occupation during the past five years; directorships on publicly

held companies and investment companies during the past five years; number of shares of our Common Stock owned, if any; and a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the Stockholders.

Criteria considered by the Nominating and Corporate Governance Committee in evaluating the qualifications of individuals for election as members of the Board include: compliance with the independence and other applicable requirements of the NASDAQ corporate governance rules and the 1940 Act, and all other applicable laws, rules, regulations and listing standards; the criteria, policies and principles set forth in the Nominating and Corporate Governance Committee Charter; and the knowledge, experience, integrity and judgment of each individual, the potential contribution of each individual to the diversity of backgrounds, experience and competencies which our Board desires to have represented, each individual's ability to devote sufficient time and effort to his or her duties as a director, independence and willingness to consider all strategic proposals, any other criteria established by the Board and any core competencies or technical expertise necessary to staff the Board's committees. In addition, the Nominating and Corporate Governance Committee assesses whether an individual possesses the integrity, judgment, knowledge, experience, skills and expertise that are likely to enhance the Board's ability to manage and direct the Company's affairs and business, including, when applicable, to enhance the ability of committees of the Board to fulfill their respective duties. The Nominating and Corporate Governance Committee has not adopted a formal policy with regard to the consideration of diversity in identifying individuals for election as members of the Board, but the Nominating and Corporate Governance Committee considers such factors as it may deem are in the best interests of the Company and its Stockholders. Those factors may include a person's differences of viewpoint, professional experience, education and skills, as well as his or her race, gender and national origin. In addition, as part of the Board's annual self-assessment, the members of the Nominating and Corporate Governance Committee evaluate the membership of the Board and whether the Board maintains satisfactory policies regarding membership selection.

Compensation Committee

At a meeting of the Board held on March 6, 2014, the Board established a Compensation Committee. The members of the Compensation Committee are Mr. Mahoney, Ms. Sarsynski and Mr. Bottiglieri, each of whom is independent for purposes of the 1940 Act and the NASDAQ corporate governance rules. Mr. Mahoney serves as Chairman of the Compensation Committee. The Compensation Committee's oversight responsibilities include determining, or recommending to the Board, the compensation, if any, of the Company's Chief Executive Officer and all other executive officers of the Company and recommending to the Board the compensation of the independent directors of the Company. The Compensation Committee reviews the compensation of the Independent Directors annually and makes a recommendation to the Board of the level of compensation. The Compensation Committee bases its recommendation upon available information regarding the compensation of other public business development companies of similar size to the Company, the expertise required of the Independent Directors, and the duties and anticipated time commitment of the Independent Directors. After receiving the recommendation of the Compensation Committee, the Board determines the compensation of the Independent Directors. Currently none of the Company's executive officers are compensated by the Company and, as a result, the Compensation Committee does not produce and/or review a report on executive compensation practices. So long as the Company is externally managed and no compensation is paid by the Company to its officers, the Compensation Committee shall only be required to confirm that no compensation has been paid by the Company to its officers and, if so required under any administrative or similar agreement, that the Company has reimbursed the external manager for the percentage allocation of officers' compensation determined by the Board or a committee thereof. The Compensation Committee may rely on the determination of the Board or of the Audit Committee with respect to any such expense allocation. The Compensation Committee has adopted a written Compensation Committee Charter that is available on the Company's website www.horizontechnologyfinancecorp.com.

Certain Relationships and Related Party Transactions

The Company has entered into an investment advisory agreement (the “Investment Management Agreement”) with the Advisor. The Advisor is registered as an investment adviser under the Advisers Act. The Company’s investment activities are managed by the Advisor and supervised by the Board, the majority of whom are Independent Directors. Under the Investment Management Agreement, the Company has agreed to pay the Advisor an annual management fee based on the Company’s adjusted gross assets less cash and cash equivalents as well as an incentive fee based on the Company’s investment performance. The Advisor is 60% owned by HTF Holdings LLC, which is 100% owned by Horizon Technology Finance, LLC (“HTF”). By virtue of their ownership interest in HTF, Messrs. Pomeroy and Michaud may be deemed to control the Advisor. During the year ended December 31, 2014, fees incurred pursuant to the Investment Management Agreement totaled \$6.4 million.

The Company has also entered into an administration agreement (the “Administration Agreement”) with the Administrator. Under the Administration Agreement, the Company has agreed to reimburse the Administrator for the Company’s allocable portion of overhead and other expenses incurred by the Administrator in performing its obligations under the Administration Agreement, including rent and the Company’s allocable portion of the costs of compensation and related expenses of the Company’s General Counsel, Secretary and Chief Compliance Officer, the Company’s Chief Financial Officer and their respective staffs. In addition, pursuant to the terms of the Administration Agreement, the Administrator provides the Company with the office facilities and administrative services necessary to conduct the Company’s day-to-day operations. During the year ended December 31, 2014, expenses and fees incurred pursuant to the Administration Agreement totaled \$1.1 million.

The predecessor of the Advisor has granted the Company a non-exclusive, royalty-free license to use the name “Horizon Technology Finance.” The address of the Advisor and the Administrator is 312 Farmington Avenue, Farmington, Connecticut 06032.

In October 2010, the Company entered into a registration rights agreement with respect to 2,645,124 shares of the Company’s Common Stock acquired by Compass Partners and HTF-CHF Holdings LLC (“HTF-CHF”) in connection with the exchange of membership interests in Compass Horizon Funding Company LLC for shares of the Company’s Common Stock. As a result and subject to the terms and conditions of the registration rights agreement, at any time following 365 days after the completion of our initial public offering the holders of a majority-in-interest of the shares subject to the registration rights agreement (including permitted transferees) can require up to a maximum of three times that the Company file a registration statement under the Securities Act of 1933, as amended (the “Securities Act”) relating to the resale of all or a part of the shares. In addition, the registration rights agreement also provides for piggyback registration rights with respect to any future registrations of the Company’s equity securities and the right to require the Company to register the resale of their shares on a “shelf” Registration Statement on Form N-2 at any time following 365 days after the completion of the Company’s initial public offering. In connection with a “shelf” Registration Statement on Form N-2 filed on December 15, 2011, as amended, the Company registered 1,305,124 shares pursuant to its contractual obligations under the registration rights agreement. On March 24, 2015, Compass Partners completed the sale of 380,000 shares of the Company’s Common Stock pursuant to an underwritten public offering by the Company under the Company’s “shelf” Registration Statement. In March 2014, HTF-CHF distributed all of the shares of the Company’s Common Stock it held to the members of HTF-CHF and, with the completion of the sale of the shares held by Compass Partners in March 2015, 891,414 shares of the Company’s Common Stock remain subject to the registration rights agreement.

We believe that the Company derives substantial benefits from its relationship with the Advisor. The Advisor may manage other investment vehicles (“Advisor Funds”) with the same investment strategy as the Company. The Advisor may provide the Company an opportunity to co-invest with the Advisor Funds. Under the 1940 Act, absent receipt of exemptive relief from the SEC, the Company and its affiliates may be precluded from co-investing in such investments. Accordingly, the Company may apply for exemptive relief which would permit the Company to co-invest subject to certain conditions, including, without limitation, approval of such investments by both a majority of the Company’s directors who have no financial interest in such transaction and a majority of directors who are not “interested directors” as defined in the 1940 Act.

The Audit Committee, in consultation with the Company’s Chief Executive Officer, Chief Compliance Officer and legal counsel, has established a written policy to govern the review of potential related party transactions. The Audit Committee conducts quarterly reviews of any potential related party transactions and, during these reviews, it also considers any conflicts of interest brought to its attention pursuant to the Company’s Code of Conduct or the Company’s or the Advisor’s Code of Ethics.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

McGladrey LLP (“McGladrey”) has been selected as the independent registered public accounting firm to audit the consolidated financial statements of the Company and its subsidiaries at and during the Company’s year ending December 31, 2015. McGladrey was selected by the Audit Committee of the Company, and that selection was ratified by a majority of the Company’s Board, including all of the Independent Directors, by a vote cast in person. The Company does not know of any direct or indirect financial interest of McGladrey in the Company. A representative of McGladrey will attend the Meeting and will have the opportunity to make a statement if he desires to do so and will be available to answer questions.

The chart below sets forth the total amount billed to the Company by McGladrey for services performed for the years ended December 31, 2014 and 2013 and breaks down these amounts by category of service:

	For the fiscal year ended December 31,	
	2014	2013
Audit Fees(1)	\$347,593	\$302,637
Audit-Related Fees(2)	25,000	87,600
Tax Fees(3)	15,000	13,980
All Other Fees(4)	—	—
Total	\$387,593	\$404,217

“Audit Fees” are fees billed by McGladrey for professional services rendered for the audits of the Company’s year-end financial statements and internal control over financial reporting, the review of the financial information included in the Company’s quarterly reports, and services that are normally provided by McGladrey in connection (1) with statutory and regulatory filings. Of the Audit Fees billed for fiscal year ended December 31, 2014, \$51,500 related to the Company’s Form N-2 Registration Statement filing during 2014. Of the Audit Fees billed for fiscal year ended December 31, 2013, \$23,750 related to the Company’s Form N-2 Registration Statement filing during 2013.

“Audit-Related Fees” are fees billed by McGladrey for audit-related services and consist of fees billed for assurance (2) and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements and are not reported under “Audit Fees.” These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

(3) “Tax Fees” are fees billed by McGladrey for professional services for tax compliance. These services include assistance regarding federal, state and local tax compliance.

(4) “All Other Fees” are fees billed by McGladrey for products and services other than the services reported above.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by McGladrey. The policy requires that the Audit Committee pre-approve the audit and permissible non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor’s independence. All services represented by the amount under “Audit Related Fees” and “Tax Fees” in the table above were approved by the Audit Committee in accordance with such policy.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to

whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

THE BOARD OF DIRECTORS, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF MCGLADREY LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2015.

Audit Committee Report¹

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the year ended December 31, 2014.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and McGladrey, the Company's independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of McGladrey's examinations, the Company's internal controls and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the SEC. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with McGladrey matters relating to McGladrey's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 61 (Auditor's Communication With Those Charged With Governance). In addition, the Audit Committee has discussed with McGladrey their independence from management and the Company, as well as the matters in the written disclosures received from McGladrey and required by Public Company Accounting Oversight Board Rule 3526 (Auditor Independence). The Audit Committee received a letter from McGladrey confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with McGladrey the Company's critical accounting policies and practices, internal controls, other material written communications to management and the scope of McGladrey's audits and all fees paid to McGladrey during the year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by McGladrey for the Company. The Audit Committee has reviewed and considered the compatibility of McGladrey's performance of non-audit services with the maintenance of McGladrey's independence as the Company's independent registered public accounting firm.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the SEC. In addition, the Audit Committee has engaged McGladrey to serve as the Company's independent registered public accounting firm for the year ending December 31, 2015 and has directed that the selection of McGladrey should be submitted to the Company's Stockholders for ratification.
