**PROXY STATEMENT FOR ANNUAL MEETING OF
STOCKHOLDERS
To Be Held Thursday, May 26, 2016**

GENERAL INFORMATION AND VOTING RIGHTS

This proxy statement (the "Proxy Statement") is furnished in connection with the solicitation of proxies by the board of directors of Sequential Brands Group, Inc. (the "Board of Directors"), a Delaware corporation (the "Company"), for use at the 2016 annual meeting of stockholders (the "Annual Meeting") to be held at 601 West 26th Street, 9th Floor, New York, New York 10001 on Thursday, May 26, 2016 at 10:00 a.m. Eastern Time, and any adjournments or postponements thereof. We anticipate that the Notice of Internet Availability of Proxy Materials will first be mailed or given to our stockholders and the proxy materials will first be made available on the internet on or about April 15, 2016.

The Company was formed on June 5, 2015, for the purpose of effecting the merger, on December 4, 2015, of Singer Merger Sub, Inc. with and into SQBG, Inc. (previously known as Sequential Brands Group, Inc.) ("Old Sequential") and the merger of Madeline Merger Sub, Inc. with and into Martha Stewart Living Omnimedia, Inc. ("MSLO") (the "MSLO merger"), with Old Sequential and MSLO each surviving the MSLO merger as wholly-owned subsidiaries of the Company. Throughout this Proxy Statement, we refer to certain actions and decisions made by Old Sequential and MSLO prior to the effective date of the MSLO merger. Accordingly, throughout this proxy statement, certain references to the Company we us and our refer to Old Sequential or MSLO.

Your vote is important. If your shares are registered in your name, you are a stockholder of record. We encourage you to vote as soon as possible so that your shares will be represented and voted at the Annual Meeting even if you cannot attend.

You have three options for submitting your vote prior to the date of the Annual Meeting: internet, telephone or mail:

If you have received a Notice of Internet Availability of Proxy Materials, you may follow the instructions for voting provided in that notice.

If you are voting via telephone, call toll free 1-800-652-VOTE (8683) with the United States, United States territories and Canada and follow the instructions provided by the recorded message.

If you received a hard copy of the Proxy Statement, you may fill in, date and sign the enclosed proxy card and mail it promptly in the envelope provided.

If your shares are held in an account at a brokerage firm, bank, dealer or other similar organization or other nominees, then you are the beneficial owner of the shares and your shares are held in street name. If you are a beneficial owner whose shares are held of record by a broker (i.e., your shares are held in street name), and do not provide voting instructions to your broker, bank or other custodian, your broker, bank or other custodian may only vote your shares

on routine matters. The only routine matter to be voted on at the Annual Meeting is the ratification of our independent registered public accounting firm for the fiscal year ending December 31, 2016 (Proposal No. 2). Your broker does not have authority to vote on non-routine matters without instructions from you, in which case a broker non-vote will occur and your shares will not be voted on these matters. Non-routine matters include the election of directors (Proposal No. 1), the say-on-pay vote (Proposal No. 3) and the approval of an amendment to the 2013 Stock Incentive Plan to increase the number of authorized shares for issuance by 3,500,000 shares and to allow the grant of awards that qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code (Proposal No. 4). Because brokers require their customers' direction to vote on non-routine matters, it is critical that the stockholders provide their brokers with voting instructions with respect to the proposals involving non-routine matters (Proposal No. 1, Proposal No. 3 and Proposal No. 4). If your shares are held in street name, the organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting and you must obtain a proxy, executed in your favor, from such organization in

TABLE OF CONTENTS

order to be able to vote at the Annual Meeting. If you are a beneficial owner, you should follow the voting instructions provided to you by your brokerage firm, bank, dealer or other similar organization or other custodian.

If you are a stockholder of record, you may revoke your proxy at any time before the Annual Meeting either by filing with the Secretary of the Company at our principal offices a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting your shares in person. If you hold your shares in street name, you may change your vote by submitting new voting instructions to your broker, bank or other custodian.

You must contact your broker, bank or other custodian to find out how to do so. All shares entitled to vote and represented by properly executed proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy, the shares represented by that proxy will be voted as recommended by the Board of Directors.

Only holders of record of our common stock at the close of business on April 4, 2016 will be entitled to vote at the Annual Meeting on the proposals described in this Proxy Statement. On the record date, there were 62,177,578 shares of common stock outstanding. On all matters to come before the Annual Meeting, each holder of record of common stock is entitled to one vote for each share of common stock. The shares of common stock held in our treasury, which are not considered outstanding, will not be voted.

If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place in order to solicit additional proxies in favor of the nominees to the Board of Directors, the persons named as proxies and acting thereunder will have discretion to vote on these matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. As of the date of this notice, we have not received notice of any other matters that may be properly presented at the Annual Meeting.

In order for us to conduct the Annual Meeting, the holders of a majority of the shares of our common stock outstanding as of April 4, 2016, must be present at the Annual Meeting in person or by proxy. This is referred to as a quorum.

Election of Directors: The affirmative vote of the majority of the shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the election to the Board of Directors of each of the nominees for director. If you are a beneficial owner, note that your broker, bank and other custodian cannot vote your stock on your behalf for the election of directors if you have not provided instructions on your voting instruction form. For your vote to be counted, you must submit your voting instructions to your broker, bank or custodian. Abstentions will be counted as present for the purposes of this vote and, therefore, will have the same effect as a vote against the nominees for director. Broker non-votes will not be counted as present and are not entitled to vote on the nominees for director.

Ratification of CohnReznick LLP as the Independent Registered Public Accounting Firm for the Year Ending December 31, 2016: Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of the majority of the shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting. If you are a beneficial owner, note that your broker, bank or other custodian is entitled to vote on your behalf on the ratification of the appointment of our independent registered public accounting firm, and broker non-votes will be counted as present. Abstentions will be counted as present for the purposes of this vote and, therefore, will have the same effect as a vote against this proposal.

Advisory Vote to Approve Named Executive Officer Compensation: Adoption of the non-binding advisory vote on compensation of our named executive officers requires the affirmative vote of the majority of the shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting. If you are a beneficial owner, note that your broker, bank or other custodian cannot vote your stock on your behalf on the non-binding advisory vote on compensation of our named executive officers, if you have not provided instructions on your voting instruction form. For your vote to be counted, you must submit your voting instructions to your broker, bank or custodian. Abstentions will be counted as present for the purposes

TABLE OF CONTENTS

of this vote and, therefore, will have the same effect as a vote against this proposal. Broker non-votes will not be counted as present and are not entitled to vote on this proposal.

Approval of an Amendment to the 2013 Stock Incentive Plan: Approval of an amendment to the 2013 Stock Incentive Plan requires the affirmative vote of the majority of the shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting. If you are a beneficial owner, note that your broker, bank or other custodian cannot vote your stock on your behalf on the approval of the amendment to the 2013 Stock Incentive Plan if you have not provided instructions on your voting instruction form. Abstentions will be counted as present for the purposes of this vote and, therefore, will have the same effect as a vote against this proposal. Broker non-votes will not be counted as present and are not entitled to vote on this proposal.

If you hold your shares directly in your own name, your shares will not be voted if you do not vote them or provide a proxy. If you hold your shares directly in your own name and you sign and return your proxy card (including over the internet or by telephone) but do not include voting instructions, your proxy will be voted as the Board of Directors recommends on each proposal.

ANNUAL MEETING ADMISSION

Only stockholders and certain other permitted attendees may attend the Annual Meeting. If you plan to attend the Annual Meeting in person, we ask that you also complete and return the reservation form attached to the end of the Proxy Statement. Please note that the Company limits attendance to stockholders and one guest. Proof of your ownership of the Company's stock as of the record date, along with photo identification, will be required for admission. The street name holders will need to bring a copy of a brokerage statement reflecting their stock ownership as of the record date. No cameras, recording equipment, electronic devices, use of cell phones or other mobile devices, large bags or packages will be permitted at the Annual Meeting.

SOLICITATION OF PROXIES

We will bear the expense of soliciting proxies. Our directors, officers and other employees may solicit proxies in person, by telephone, by mail or by other means of communication, but such persons will not be specially compensated for such services. While we presently intend that solicitations will be made only by directors, officers and employees of the Company, we may also retain outside brokers, banks, custodians, nominees and other fiduciaries to assist in the solicitation of proxies. Any reasonable charges and expenses incurred in connection with the use of such outside solicitors will be paid by the Company.

HOUSEHOLDING

The Company has chosen to follow the notice only option for stockholders, which requires that only a Notice of Internet Availability of Proxy Materials be mailed to stockholders. Stockholders who receive the Notice of Internet Availability of Proxy Materials and wish to receive hard copies of the proxy materials may receive such copies by making a request on-line at www.investorvote.com/SQBG. To reduce the expense of delivering duplicate proxy materials to our stockholders, we are relying on the rules of the Securities and Exchange Commission (the SEC) that permit us to deliver only one set of proxy materials, including our Proxy Statement, proxy card and our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 (the 2015 Annual Report) to stockholders who share an address, unless we receive contrary instructions from any stockholder at that address. This practice, known as

householding, reduces duplicate mailings, thus saving printing and postage costs as well as natural resources. Each stockholder retains a separate right to vote on all matters presented at the Annual Meeting. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you wish to receive a separate copy of the 2015 Annual Report or other proxy materials, free of charge, or if you wish to receive separate copies of future annual reports or proxy materials, please mail your request to Sequential Brands Group, Inc., 601 West 26th Street, 9th Floor, New York, New York 10001, attention: Investor Relations, or call us at (646) 564-2577.

The list will also be available for examination at the Annual Meeting.

CORPORATE GOVERNANCE

Meetings and Committees

The Board of Directors held eight meetings during 2015, and separately acted by unanimous written consent on two occasions. Each current director, while serving as a director, attended at least 75% of all the meetings of the Board of Directors and the committees on which such director served. While we have not established a policy with respect to members of the Board of Directors attending annual meetings, directors are generally in attendance at the annual meeting of stockholders. Our 2015 annual meeting of stockholders was attended by four of the seven directors then serving; Mr. Shmidman, Mr. Sweedler, Mr. Hollander and Mr. Johnson.

Our shares of common stock are listed on The Nasdaq Stock Market LLC (Nasdaq) and are subject to the Nasdaq listing standards that require us to have a majority of our Board of Directors comprised of independent directors and separate committees comprised of independent directors. The Nasdaq definition of independent director includes a series of objective tests, and also require a subjective review by the Board of Directors.

Pursuant to Nasdaq's objective tests and the Board of Directors' subjective review, the Board of Directors has affirmatively determined that five of our eight current directors, namely Mr. Cohen, Mr. Leonard, Jr., Mr. Johnson, Mr. Gossett and Mr. Hollander, are independent as that term is defined in Section 5605(a)(2) of the Nasdaq Stock Market's Listing Rules. In assessing independence, the Board of Directors considered, among other things, the relationships and transactions described under Certain Relationships and Related Transactions. Mr. Sweedler does not meet the independence requirements of Section 5605(a)(2) of the Nasdaq Stock Market's Listing Rules because he is a managing member of Tengram Capital Associates (TCA), an entity affiliated with Tengram Capital Partners, L.P. (TCP), to which the Company made payments in excess of \$1.0 million in 2015 (see Certain Relationships and Related Transactions Reportable Related Party Transactions for further information). Mr. Shmidman is our Chief Executive Officer and Ms. Stewart is our Chief Creative Officer. In addition, the Company made payments of \$1.7 million to Ms. Stewart pursuant to the IP Agreements (as defined in Certain Relationships and Related Transactions Reportable Related Party Transactions) and Ms. Stewart's sister-in-law is employed by the Company as Senior Vice President, Financial Operations (see Certain Relationships and Related Transactions Reportable Related Party Transactions for further information).

The Board of Directors has established a separately designated audit committee (the Audit Committee), compensation committee (the Compensation Committee) and nominating and governance committee (the Governance Committee) of the Board of Directors. Our Board of Directors may also establish special committees from time to time to perform specifically delegated functions. The Board of Directors has adopted written charters that govern the conduct and responsibilities of each of the Audit Committee, Compensation Committee and Governance Committee, copies of which may be found on our website at www.sequentialbrandsgroup.com in the section titled Corporate Governance . You may also request printed copies of the charters by sending written request to the Secretary at the address set forth on the cover of this Proxy Statement.

Audit Committee. Our Audit Committee held four meetings during 2015. The Audit Committee is chaired by Mr. Hollander, and includes Mr. Gossett and Mr. Leonard, Jr., all of whom qualify as independent directors within the meaning of Section 5605(a)(2) of the Nasdaq Stock Market's Listing Rules and Rule 10A-3(b)(1) promulgated under the Securities Act of 1933, as amended (the Securities Act). The Board of Directors has determined that Mr. Hollander qualifies as an audit committee financial expert within the meaning of the rules and regulations of the SEC and that each of our other Audit Committee members is able to read and understand fundamental financial statements and has

substantial business experience that results in that member's financial sophistication. Among other responsibilities, the Audit Committee reviews the scope and results of quarterly reviews and the year-end audit with management and the independent auditors, reviews and discusses the adequacy of our internal controls, and recommends to the Board of Directors selection of independent auditors for the coming year. The Audit Committee operates under a written charter, which was adopted by the Board of Directors and is available on our website www.sequentialbrandsgroup.com in the section titled "Corporate Governance".

Compensation Committee. Our Compensation Committee held four meetings during 2015, and separately acted by unanimous written consent on two occasions. The Compensation Committee includes Mr. Hollander, Mr. Gossett and Mr. Johnson, all of whom qualify as independent directors within the meaning of Section 5605(a)(2) of the Nasdaq Stock Market's Listing Rules, including the enhanced independence requirements applicable to members of compensation committees. The Compensation Committee is primarily responsible for determining the annual salaries and other compensation of directors and executive officers and administering our equity compensation plans. In connection with its deliberations, the Compensation Committee seeks the views of the management with respect to appropriate compensation levels of the other officers and directors and may recruit compensation experts to provide independent advice regarding market trends and other competitive considerations. During the fiscal year ended December 31, 2015, the Compensation Committee engaged Frederic W. Cook & Co. to perform a compensation analysis in connection with the amended and restated employment agreement with the Company's Chief Executive Officer. Frederic W. Cook & Co. reviewed the competitive positioning of the Company through analysis of companies in the retail/home goods/luxury goods industry. During 2015, the Compensation Committee reviewed the services provided by Frederic W. Cook & Co. and determined that none raised any conflict of interest. The Compensation Committee operates under a written charter, which was adopted by the Board of Directors and is available on our website www.sequentialbrandsgroup.com in the section titled Corporate Governance. The Compensation Committee has the authority to delegate its responsibilities listed in the Compensation Committee charter to subcommittees comprised of one or more members of the Compensation Committee, or to the Company's Chief Executive Officer with respect to the grants of equity awards to any of our officers other than officers subject to Section 16 of the Securities Exchange Act of 1934, if the Compensation Committee determines such delegation would be in the best interest of the Company.

Governance Committee. Our Governance Committee includes Mr. Gossett, Mr. Johnson and Mr. Leonard, Jr., all of whom qualify as independent directors within the meaning of Section 5605(a)(2) of the Nasdaq Stock Market's Listing Rules. The Governance Committee reviews and makes recommendations regarding the functioning of the Board of Directors as an entity, assists the Board of Directors in defining and assessing qualifications for membership on the Board of Directors, identifies and recommends qualified individuals to serve as members of the Board of Directors and recommends corporate governance principles applicable to the Company. The Governance Committee did not meet in 2015. The Governance Committee operates under a written charter, which was adopted by the Board of Directors and is available on our website www.sequentialbrandsgroup.com in the section titled Corporate Governance.

Director Nominations

The Governance Committee reviews persons who are candidates for election to our Board of Directors and makes a recommendation with respect to such candidates to our Board of Directors. Our full Board of Directors, then reviews those members of the Board of Directors who are candidates for election to our Board of Directors and makes the final determination regarding whether to nominate a candidate to the Board of Directors for election for the next term. The Governance Committee's methods for identifying candidates for election to the Board of Directors (other than those proposed by our stockholders, as discussed below, and other than candidates that we are contractually obligated to nominate pursuant to written agreements) include the solicitation of ideas for possible candidates from a number of sources, including existing members of the Board of Directors, our executive officers, individuals personally known to the members of the Board of Directors and other research. We may also from time to time retain one or more third-party search firms to identify suitable candidates.

In carrying out its function to nominate candidates for election to our Board of Directors, upon recommendation from our Governance Committee, our Board of Directors considers the mix of skills, experience, character, commitment and diversity of background, all in the context of the requirements of our Board of Directors at that point in time. Our

Board of Directors believes that each candidate should be an individual who has demonstrated integrity and ethics in such candidate's personal and professional life, has an understanding of elements relevant to the success of a publicly-traded company and has established a record of professional accomplishment in such candidate's chosen field. Each candidate should be prepared to participate fully in our Board of Directors' activities, including attendance at and active participation in meetings of our Board of Directors, and not have other personal or professional commitments that would, in

TABLE OF CONTENTS

our Board of Directors' judgment, interfere with or limit such candidate's ability to do so. Our Board of Directors has no stated specific minimum qualifications that must be met by a candidate for a position on our Board of Directors.

Our Governance Committee and Board of Directors will consider nominees recommended by stockholders. For a stockholder recommendation to be considered by our Governance Committee and Board of Directors as a potential candidate at an annual meeting, the recommendation must be received on or before the deadline for receipt of stockholder proposals to be included in our proxy statement for such meeting. The recommendation should be addressed to our Secretary at c/o Sequential Brands Group, Inc., 601 West 26th Street, 9th Floor, New York, New York 10001. If a stockholder decides to nominate a candidate for director and solicits proxies for such candidate, the stockholder will need to follow the rules set forth by the SEC and in our amended and restated bylaws (the "Bylaws") as they pertain to director nominations. A stockholder of the Company may nominate one or more persons for election as a director at an annual meeting of stockholders if the stockholder complies with the notice, information and consent provisions contained in the Bylaws, including the notice deadlines, which are discussed under "2017 Stockholder Proposals". In addition, the notice must be made in writing and set forth as to each proposed nominee who is not an incumbent director (i) their name, age, business address and, if known, residence address, (ii) their principal occupation or employment, (iii) the class and number of shares of the Company's stock owned beneficially and of record by such person and (iv) any other information concerning the nominee that must be disclosed respecting nominees in proxy solicitations pursuant to Regulation 14A promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and Rule 14a-11 thereunder, including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

Based on the foregoing and the Company's obligations pursuant to the Amended and Restated Stockholders Agreement, dated as of March 27, 2013, by and between the Company and TCP WR Acquisition, LLC ("TCP WR"), which provides TCP WR with the right to nominate a number of nominees for director such that the number of directors that will be serving on the Board of Directors (determined immediately following the election of directors and assuming that the director nominees designated by TCP WR are elected to the Board of Directors) that have been appointed or nominated by TCP WR equals three, the Board of Directors, upon the recommendation of the Governance Committee, nominated Rodney S. Cohen, Stewart Leonard, Jr. and Gary Johnson for re-election as Class II members of the Board of Directors, subject to stockholder approval, for a three-year term ending on or around the date of the 2019 annual meeting of stockholders.

Board Leadership Structure

In connection with the closing of our financing transaction with TCP WR in February 2012, Mr. Sweedler was appointed Chairman of our Board of Directors. In November 2012, Mr. Shmidman became our Chief Executive Officer and Secretary. The Board of Directors believes that its current leadership structure best serves the objectives of the Board of Directors' oversight of management, the ability of the Board of Directors to carry out its roles and responsibilities on behalf of the stockholders and our overall corporate governance. The Board of Directors also believes that the current separation of the Chairman and Chief Executive Officer roles allows the Chief Executive Officer to focus his time and energy on operating and managing our business and leverages the experience and perspectives of our Chairman, who has a deep knowledge of the consumer industry and significant experience in managing and developing brands. The Board of Directors, however, periodically reviews the leadership structure and may make changes in the future.

Diversity

The Board of Directors does not have a formal policy with respect to director nominee diversity. In selecting the nominees, the Board of Directors is committed to building and maintaining an ideal mix of talent and experience to achieve our business objectives in the current environment, and the Board of Directors assess the effectiveness of this process when reviewing the composition of the Board of Directors each year. In particular, the Board of Directors considers expertise, depth of knowledge in key areas that are important to us and diversity of thought, background, perspective and experience so as to facilitate robust debate and broad

thinking on strategies and tactics pursued by us. The Board of Directors believes this diversity is demonstrated in the range of experiences, qualifications and skills of the current members of the Board of Directors.

Communications with the Board of Directors

You may communicate with our Board of Directors, or with any individual director, by sending communications via email to boardofdirectors@sbg-ny.com or by telephoning the Secretary at the Company's principal executive offices, who will then relay the communications to the Board of Directors.

Communications are relayed to the Board of Directors, or to any individual director, depending on the facts and circumstances described in the communication. In that regard, the Board of Directors has requested that certain items that are unrelated to the duties and responsibilities of the Board of Directors be excluded, including junk mail and mass mailings, product complaints, product inquiries, new product suggestions, resumes and other forms of job inquiries, surveys and business solicitations or advertisements. In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will not be relayed, with the provision that any communication that is not relayed will be made available to any director upon such director's request.

Any interested party, including any employee, may make confidential, anonymous submissions regarding questionable accounting or auditing matters or internal accounting controls and may communicate directly with the Chairman by letter to 601 West 26th Street, 9th Floor, New York, New York 10001, marked for the attention of the Chairman, as applicable.

Board Oversight of Risk Management

Our Board of Directors, as a whole and also at the committee level, is responsible for overseeing risk management. A fundamental part of risk management is not only understanding the risks we face and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of our Board of Directors in setting our business strategy is a key part of our assessment of risk management and the determination of what constitutes an appropriate level of risk for the Company. Members of our Board of Directors discuss with management our major risk exposures, including with respect to the Company's credit, liquidity, proposed acquisitions and operations as well as other risks associated with the Company's business, their potential impact on the Company and the steps taken by management to manage these risks. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements as well as the Company's benefit plans. The Audit Committee oversees management of financial risks and potential conflicts of interest with related parties. The Governance Committee oversees risks associated with the independence of the Board of Directors. In addition, our Board of Directors and its committees may retain, on such terms as they determine in their sole discretion, independent legal, financial and other consultants and advisors to advise and assist them in fulfilling their oversight responsibilities.

Code of Ethics and Business Conduct

We have adopted a written code of ethical conduct (the "Code of Ethics") applicable to all members of the Board of Directors and to all of our employees and executive officers, including our Chief Executive Officer and Chief Financial Officer. The Code of Ethics constitutes a "code of ethics" as defined by applicable SEC rules and a "code of conduct" as defined by applicable Nasdaq Stock Market's Listing Rules. The Code of Ethics has been publicly filed with the SEC and is incorporated by reference as an exhibit to the 2015 Annual Report. Our Code of Ethics is also

Compensation Committee Interlocks and Insider Participation

None of the current members of our Compensation Committee is, or has ever been, an officer or employee of the Company or any of its subsidiaries. COMPENSATION DISCUSSION AND ANALYSIS

Determination of Executive Compensation

The Compensation Committee of the Board of Directors is responsible for overseeing the Company's executive compensation policies and practices, including levels and structure of compensation for the Company's executive officers, which are currently submitted to the Board of Directors for ratification. Specifically, among other things, the Compensation Committee is responsible for:

Formulating, evaluating and approving compensation for the Company's executive officers, including the Chief Executive Officer and Chief Financial Officer. The Company's compensation policies are intended to reward executive officers for their contributions to the Company's growth and profitability, and recognize individual initiative, leadership, achievement, and other valuable contributions to the Company. An additional goal is to provide competitive compensation that attracts and retains qualified and talented executive officers. The Compensation Committee may consult with the Chief Executive Officer and the Chief Financial Officer on the performance of the Company's other executive officers. However, neither the Chief Executive Officer nor the Chief Financial Officer may be present during any Compensation Committee deliberations or voting with respect to each of their own compensation packages;

Overseeing and approving all compensation programs involving the issuance of the Company's stock and other equity securities under the Company's long-term incentive plans;

Assessing on an annual basis the risks associated with the Company's compensation practices, policies and programs to determine whether the risks arising from such practices, policies and programs are appropriate or reasonably likely to have a material adverse effect on the Company;

Reviewing periodically compensation practices and trends of other companies to assess the adequacy of the Company's executive compensation programs and policies; and

Securing the services of external compensation consultants or other experts, as necessary and appropriate.

Each year, the Compensation Committee reviews the Company's executive officer compensation, including the compensation structure and levels of compensation paid to the executive officers in the prior year (as disclosed in the Summary Compensation Table on page 20 for our named executive officers), and determines any needed adjustments to our compensation policies and practices so that such policies and practices continue to reflect the Company's commitment to aligning executive compensation practices with the interests of the Company's stockholders. The Compensation Committee may also retain independent compensation consultants to assess the annual compensation of the executive officers to enhance remuneration competitiveness. The Chief Executive Officer and Chief Financial Officer generally attend Compensation Committee meetings, except for those meetings at which their compensation is addressed. The Chief Executive Officer and Chief Financial Officer also make recommendations to the Compensation

Committee, which are reviewed and approved, if appropriate, by the Compensation Committee and currently presented to the Board of Directors for ratification as to compensation levels, performance goals, bonus targets and equity awards.

Compensation Philosophy and Objectives

The Company's overall compensation philosophy is to pay for performance. The Company's compensation plans, policies and practices are designed to provide compensation that motivates executive officers to achieve corporate financial goals and to reward them for short- and long-term financial performance in order to maximize stockholder value. In addition, these plans, policies and practices and compensation paid thereunder are structured to be competitive with other companies in order to attract and retain high performing executive talent. The Company's

executive compensation program is designed specifically to:

- Support the achievement of the Company's short- and long-term strategic and financial objectives;
- Reward executive officers for continuous improvement of financial metrics;

TABLE OF CONTENTS

Align executive interests with the interests of the stockholders; and
Attract and retain highly talented, results-driven executive officers.

2015 Highlights

The following individuals served as our Chief Executive Officer (principal executive officer), Chief Financial Officer (principal financial officer) and Chief Creative Officer during the year ended December 31, 2015. We did not have any other highly compensated individuals who were serving as executive officers during 2015 and whose total compensation exceeded \$100,000 during the year ended December 31, 2015. We refer to these persons as the named executive officers :

Mr. Yehuda Shmidman Chief Executive Officer

Mr. Gary Klein Chief Financial Officer

Ms. Martha Stewart Chief Creative Officer

The Company made the following decisions for 2015 with respect to its compensation policies to continue management's focus on driving stockholder value:

The named executive officers' annual base salaries were set as follows for 2015:

- Mr. Shmidman No change from amount paid by Old Sequential during 2014;
- Mr. Klein Increased \$50,000 from amount paid by Old Sequential during 2014 as set forth in his employment agreement negotiated in 2014; and
- Ms. Stewart Set at \$500,000 to be commensurate with her respective duties as Chief Creative Officer of the Company.

The Company established its 2015 bonus program for all named executive officers, other than Ms. Stewart, based on the attainment of the adjusted EBITDA target established by the Compensation Committee.

In setting compensation for its named executive officers for 2015 the Compensation Committee considered the scope and impact of the named executive officer's role, the expectations for the executive officer and contributions made by the named executive officer beyond such named executive officer's formal role and the Company's performance against budget.

Results of Old Sequential's 2015 Advisory Vote on Executive Compensation (Say-on-Pay)

As noted above, we are a newly formed company and thus, the vote on Proposal 3 at our 2016 annual meeting will be our first advisory vote on executive compensation. However, at the Company's annual meeting of stockholders held in May 2015, Old Sequential's stockholders were asked to approve the company's fiscal 2014 executive compensation programs. A majority of the votes cast on the say-on-pay proposal at that annual meeting were voted in favor of the proposal.

The Company regularly engages our stockholders to discuss a variety of aspects of our business and welcomes stockholder input and feedback, and thus, the Compensation Committee believes that the say-on-pay vote serves as an additional tool to guide the Board of Directors and the Compensation Committee in ensuring alignment of the Company's executive compensation programs with stockholder interests. The Compensation Committee has not made any significant changes to the compensation program in place at Old Sequential and believes that the results from Old Sequential's 2015 advisory vote on executive compensation reaffirm stockholder support of the Company's approach to executive compensation.

The Compensation Committee continues to work so that the design of the Company's executive compensation program is focused on long-term stockholder value creation, emphasizes pay for performance and does not encourage imprudent short-term risks. The Compensation Committee also intends to use the say-on-pay vote as a guidepost for stockholder sentiment and believes it is critical to maintain and continually develop this program to promote ongoing stockholder engagement, communication and transparency.

TABLE OF CONTENTS

Elements of Compensation

Annual Cash Compensation

Base Salary is intended to provide a portion of compensation which is fixed to provide executive officers with a certain level of financial security and to retain critical talent. Each executive officer's base salary level is designed to compensate the executive officer in a way that is competitive and indicative of his or her knowledge, skills, abilities and future potential. When making base salary adjustments, the Compensation Committee considers the performance of the Company, the overall performance and future potential of the individual executive officer, the economic environment and competitive pay positioning.

Annual Performance Bonus for all of our named executive officers, other than Ms. Stewart, is based on the attainment of the adjusted EBITDA target established by the Compensation Committee. The annual performance bonus compensation is consistent with the Company's pay for performance philosophy in that it requires the Company to meet financial objectives in order for bonus compensation to become payable. In addition, the design fosters teamwork and creates the incentive for each executive officer to work towards the Company, as a whole, being successful. The Compensation Committee believes these metrics are strong indicators of financial performance and that linking bonus compensation to the achievement of adjusted EBITDA targets closely aligns the financial interests of the executive officers with the interests of stockholders.

As provided in Messrs. Shmidman's and Klein's respective employment agreements, the annual performance bonus target for these named executive officers is set as a percentage of such named executive officer's base salary which currently equals 150% of base salary for Mr. Shmidman and 60% of base salary for Mr. Klein. For 2015, the Compensation Committee confirmed that the Company achieved its adjusted EBITDA target for the year. Such target was exceeded by more than 10%. The adjusted EBITDA target was set to be achievable, but encourage growth over the prior year's performance. The adjustments made to EBITDA include but are not limited to transaction related costs, non-cash stock-based compensation, purchase accounting adjustments, restructuring costs and other amounts that are not representative of the Company's day-to-day licensing business. Each executive officer's annual performance bonus is determined based on the level of achievement of the performance bonus target. Pursuant to Mr. Shmidman's employment agreement, if performance is 90% or more but less than 100% of the target, 75% of the target annual bonus will be paid; if performance is 80% or more but less than 90% of target, 50% of the target bonus will be paid; and if performance is less than 80%, no bonus will be paid. Mr. Klein's employment agreement provides for a single payout level. Thus, if the performance target is not attained, Mr. Klein would receive no bonus. Given the above target achievement of the adjusted EBITDA performance goal for 2015, Mr. Shmidman and Mr. Klein each received 100% of their respective annual performance bonus for 2015. See Non-Equity Incentive Plan Compensation column of the Summary Compensation Table.

Ms. Stewart does not participate in our annual performance bonus program, but rather is entitled to bonuses only as determined in the discretion of our Board of Directors and the Company's Chief Executive Officer and did not receive any bonus for 2015. However, pursuant to her employment agreement, commencing in 2016 Ms. Stewart will be entitled to an amount for each calendar year of her employment period equal to 10% of the total revenues (including, without limitation, licensing royalties) earned and received by the Company from the licensing of the Martha Stewart brand (including, all associated and related marks, but excluding publishing and media) during such calendar year in excess of \$46,000,000.

A Guaranteed Annual Payment of \$1,300,000 is provided for Ms. Stewart under her employment agreement for each calendar year of her employment period. This amount is pro-rated for partial years of service and is payable in installments in accordance with the Company's customary payroll practices. For 2015, Ms. Stewart received a pro-rated amount of \$110,000 under this provision of her employment agreement.

TABLE OF CONTENTS

Long-Term Incentive Compensation

Given her current share holdings and entitlement to certain other payments as more fully described in Executive Compensation Summary of Employment Agreements below, Ms. Stewart was not granted any equity awards as compensation for her services to the Company in 2015. The following discussion pertains only to equity awards granted to our Messrs. Shmidman and Klein. It is expected that Ms. Stewart will participate in our long-term incentive compensation program beginning in 2016.

The Compensation Committee believes long-term incentives are beneficial to stockholders and a key component of Messrs. Shmidman's and Klein's overall compensation. The primary focus in granting long-term incentives is to:

- Align executive officers' financial interest with the long-term interests of the stockholders;
- Support the achievement of strategic objectives and goals, which tend to be longer-term;
- Focus executive officers' behavior on long-term value creation;

Promote executive officers' retention by providing financial rewards that are achieved over a period of years; and
Provide executive officers with an opportunity to acquire an ownership interest in the Company.

Over the years, we have used a combination of two forms of long-term equity compensation: time-based restricted stock and restricted stock units and performance stock units (PSUs). The Compensation Committee considers the value of the award as a component of total direct compensation. In deciding which type of equity award to grant to executive officers, the Compensation Committee may consider the number of shares necessary to deliver the intended value appropriate for each named executive officer and his or her position and level of responsibility within the Company. The Company's intent is to focus executive officers on driving stockholder value by placing more emphasis on pure performance-based compensation, as PSUs have no value unless the Company achieves certain performance metrics. For 2015, the Compensation Committee granted time-based restricted stock units and PSUs to the Company's Chief Executive Officer as the sole form of equity compensation in connection with his amended and restated employment agreement which is described in more detail in Executive Compensation Summary of Employment Agreements. Mr. Klein did not receive any equity grants in 2015.

All equity awards are granted pursuant to, and are subject to the terms and conditions of, the Sequential Brands Group, Inc. 2013 Stock Incentive Compensation Plan (the 2013 Stock Incentive Plan), which we assumed in 2015.

Time-Based Restricted Stock and Restricted Stock Units

Time-based restricted stock and restricted stock units typically vest over a three- to four-year period after the grant date. While restricted stock has inherent intrinsic value when granted, it delivers greater value as the price of the Company's common stock appreciates over time. The intrinsic value at grant date tends to provide continued incentive even if the stock price decreases following the grant date and, as such, it continues to motivate executive officers to sustain their efforts towards achieving corporate goals. If the executive officer terminates employment before vesting occurs, all unvested shares are cancelled immediately, unless otherwise stipulated in the respective employment agreement.

The Company granted 100,000 time-based restricted stock units to Company's Chief Executive Officer in 2015 in connection with his amended and restated employment agreement which is described in more detail in Executive Compensation Summary of Employment Agreements.

Performance Stock Units

On June 2, 2014, Old Sequential granted 300,000 and 180,000 PSUs to Mr. Shmidman and Mr. Klein, respectively, under the 2013 Stock Incentive Plan. The PSUs were assumed by the Company and, subject to achievement of the specified performance metrics, vest 20% on December 31, 2014, 20% on December 31, 2015 and 60% on December 31, 2016. For PSUs, the Company's performance metrics included three targets, equally weighted (33.3%): revenue, adjusted EBITDA and an Annual Threshold Performance Target as

TABLE OF CONTENTS

determined by the Compensation Committee. The specific performance metrics are set at a level that is designed to be achievable, but require growth over the relevant performance period. The number of shares actually issued in respect of the PSUs at the end of each performance period will vary based on the actual performance. The value earned will be delivered in common stock following the completion of the performance period subject to our performance against the pre-established corporate goals. The PSUs contain both carryback and carryforward rights whereby any overage from a given performance period could be applied to earn awards during a period in which the Company does not achieve the pre-established targets.

The Company wanted to use more than one target, while keeping the number of variables limited. Our targets, including revenue, adjusted EBITDA and an Annual Threshold Performance Target as determined by the Compensation Committee from time to time, provide our named executive officers with incentives linked to long-term performance and promote an ownership cultures. Our goals are intended to be realistic and reasonable, but challenging in order to drive performance. PSUs typically vest over a three year period after the grant date.

The Company achieved the performance metrics for 2015. This resulted in the issuance of 60,000 and 36,000 shares of fully vested restricted stock to Mr. Shmidman and Mr. Klein, respectively, on March 14, 2016.

On April 14, 2015, after considering the recommendation of the Frederic W. Cook & Co. compensation analysis, the Company granted 200,000 PSUs to Mr. Shmidman under the 2013 Stock Incentive Plan. The PSUs will vest in equal installments on December 31, 2016, 2017 and 2018, subject to achievement of the specified performance metrics. For these PSUs, the Company's performance metrics are as follows: (i) for 2016 the Company's stock price for any 10 trading days must be at least \$20, (ii) for 2017 the Company's stock price for any 10 trading days must be at least \$22 and (iii) for 2018 the Company's stock price for any 10 trading days must be at least \$24. The number of shares actually issued in respect of the PSUs at the end of each performance period will vary based on the actual performance. The value earned will be delivered in common stock following the completion of the performance period subject to our stock price against the pre-established performance metrics. The PSUs contain carryforward rights whereby if the Company does not achieve the pre-established performance metrics the award can be earned by meeting future year performance metrics.

Mr. Klein did not receive any grants of PSUs in 2015.

Executive Employment Agreements

The Company believes employment agreements are an effective recruiting and retention tool for its executive officers. The Company also believes employment agreements help protect certain interests of the Company by prohibiting post termination competition, disclosure of confidential information and solicitation. All of the Company's employment agreements have severance provisions and noncompetition and nondisclosure clauses, which encourage executive officers to remain committed to the business and discourage them from collaborating with competitors in order to prevent critical confidential information from leaking to competitors. In addition, all employment agreements require executives to release all claims against the Company in order to receive severance payments. To that end, the Company has entered into employment agreements with Mr. Shmidman, Mr. Klein and Ms. Stewart, the terms of which are described in more detail in Executive Compensation Summary of Employment Agreements.

Benefits and Other Compensation

Retirement Plans

The Company believes that providing retirement benefits allows the Company to be competitive in attracting and retaining talented executives and to reward executive officers for long-time service to the Company. Old Sequential established a 401(k) plan in 2014 as a tax qualified retirement savings plan, which we have assumed, pursuant to which the Company's employees, including the executive officers, are able to make pre-tax contributions from their eligible compensation. The Company made a matching contribution for all participants during 2015.

TABLE OF CONTENTS

Perquisites and Other Personal Benefits

The Company also provides the executive officers with limited perquisites and other personal benefits that the Compensation Committee believes are reasonable and consistent with the Company's overall compensation program to better enable the Company to attract and retain superior executive talent. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to the executive officers, which include a car allowance for Mr. Shmidman and Mr. Klein. By reason of her unique position as a performer and her unparalleled role in supporting and developing the Martha Stewart brand, which require her to undertake extensive travel, make a substantial number of on-camera and personal appearances and require her to be constantly in the public eye, we pay for a number of expenses to assist Ms. Stewart in fulfilling these Company responsibilities that, under SEC regulations, are required to be reported as perquisites. For more information on these benefits, see the All Other Compensation column of the Summary Compensation Table on page 20. The costs associated with providing these benefits for the executive officers are reflected in the Summary Compensation Table in the column titled All Other Compensation.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis section of this Proxy Statement as required by Item 402(b) of Regulation S-K. Based on such review and discussions, the Compensation Committee recommended to our Board of Directors that the Compensation Discussion and Analysis section be included in this Proxy Statement on Schedule 14A and the 2015 Annual Report on Form 10-K.

For Mr. Shmidman, if performance is 90% or more but less than 100%, 75% of annual bonus will be paid and if performance is 80% or more but less than 90% of target, 50% of annual bonus will be paid. If performance is less than 80% no bonus is paid. For Mr. Klein, the arrangement provides for a single payout level. Actual amounts received in respect of these bonuses are reported in the Non-Equity Incentive Plan Compensation column of the Summary Compensation table above.

Reflects 200,000 performance stock units that, subject to achieving specified performance metrics, will vest in equal installments on December 31, 2016, 2017 and 2018. The performance stock units award provides for a single payout level. The Target column reflects the target equity award if we were to achieve target level performance.

The performance stock units contain carryforward rights. See Compensation Discussion and Analysis Elements of Compensation Long-Term Incentive Compensation.

(3) Represents 100,000 time-based restricted stock units that will vest in equal installments on December 31, 2016, 2017 and 2018 subject to Mr. Shmidman's continued employment.

Summary of Employment Agreements

Certain of the amounts set forth in the Summary Compensation Table and the Grants of Plan-Based Awards table are provided for in employment agreements. The material terms of such agreements with our named executive officers are summarized below:

Yehuda Shmidman. On November 19, 2012, the Board of Directors appointed Yehuda Shmidman as the Company's Chief Executive Officer and a Class I Director of the Board of Directors. Mr. Shmidman was re-elected to the Board

of Directors at the Company's annual meeting of stockholders held on May 27, 2015 and will serve on the Board of Directors of the Company for a term expiring at the 2018 annual meeting of stockholders, or until his successor has been elected and qualified. In connection with his appointment as the Company's Chief Executive Officer, we entered into an employment agreement with Mr. Shmidman.

On April 14, 2015, Old Sequential entered into an amended and restated employment agreement (the "A&R CEO Employment Agreement") with Mr. Shmidman for a term continuing through December 31, 2018, unless otherwise terminated in accordance with the terms of the A&R CEO Employment Agreement (the "Term"). The A&R CEO Employment Agreement was assumed by the Company.

TABLE OF CONTENTS

During the Term, Mr. Shmidman will receive a base salary of not less than \$600,000 per annum, subject to increases from time to time as determined by the Company's Board of Directors or the Compensation Committee (such salary, the Base Salary). Mr. Shmidman is also eligible to receive an annual performance bonus of up to 150% of the Base Salary based on the attainment of an adjusted EBITDA target to be agreed upon by the Company and Mr. Shmidman, subject to certain adjustments as set forth in the A&R CEO Employment Agreement (the Annual Bonus). In addition, the A&R CEO Employment Agreement provided for an equity compensation grant to Mr. Shmidman of 300,000 time and performance-based restricted stock units, of which the 100,000 restricted stock units (RSUs) are time-vested, with 1/3 vesting on the last calendar day of each of 2016, 2017 and 2018, and the 200,000 PSUs vesting based on the Company's attainment of certain performance targets, with 1/3 vesting on the last calendar day of each of 2016, 2017 and 2018, subject to certain catch-up provisions if the performance targets are not met in one year but are met in a subsequent year.

In the event Mr. Shmidman's employment is terminated by the Company without cause or by Mr. Shmidman for good reason, each as defined in the A&R CEO Employment Agreement, Mr. Shmidman will be entitled to receive, among other things, (i) an amount equal to 2.0 times the sum of (x) the then-current Base Salary and (y) the greater of (i) the actual Annual Bonus for the year immediately preceding the year in which the date of termination occurs or (ii) 150% of the then-current Base Salary, (ii) any Annual Bonus earned but unpaid for the prior year, (iii) in the event such resignation or termination occurs following the Company's first fiscal quarter of any year, a pro-rated Annual Bonus for the year in which Mr. Shmidman's employment was terminated and (iv) any benefits to which Mr. Shmidman may be entitled under employee benefit plans. In addition, any unvested portion of Mr. Shmidman's Restricted Stock Award, as defined in the A&R CEO Employment Agreement, and RSUs shall accelerate and become fully vested on the date of such termination. In addition, the A&R CEO Employment Agreement provides that, if Mr. Shmidman is terminated after a Change in Control, as defined in the A&R CEO Employment Agreement, or after the execution of a definitive agreement the consummation of which would constitute a Change in Control, any unvested PSUs, as defined in the A&R CEO Employment Agreement, shall accelerate and become fully vested on the date of such termination.

Pursuant to the terms of the A&R CEO Employment Agreement, Mr. Shmidman is also subject to customary (i) confidentiality provisions, (ii) non-competition provisions during the Term and for the Restricted Period thereafter, as defined in the A&R CEO Employment Agreement, and (iii) non-solicitation provisions during the Term and for a period of (A) eighteen (18) months thereafter with respect to the Company's employees and (B) twelve (12) months thereafter with respect to the Company's customers.

Gary Klein. On November 29, 2012, Old Sequential appointed Gary Klein as the company's Chief Financial Officer.

On June 3, 2014, Old Sequential entered into an employment agreement (the CFO Employment Agreement) with Mr. Klein for a term continuing through December 31, 2016, which the Company assumed. Pursuant to the CFO Employment Agreement, during the term of his employment, Mr. Klein will receive a base salary of not less than \$300,000 for the 2015 calendar year and \$325,000 for the 2016 calendar year. Mr. Klein will be eligible to receive an annual cash performance bonus of up to 60% of his then current base salary based on the attainment of certain performance targets established by the Compensation Committee which will be the same as the performance targets established for the Company's Chief Executive Officer.

In the event Mr. Klein's employment is terminated by the Company without cause or by Mr. Klein for good reason, each as defined in the CFO Employment Agreement, Mr. Klein will receive all earned but unpaid base salary and payment for all accrued but unused vacation time through the date of termination of the CFO Employment Agreement, as well as any benefits to which Mr. Klein may be entitled under employee benefit plans (collectively, the Amounts and Benefits). Mr. Klein will also receive as severance an amount equal to the base salary that Mr. Klein

would have received for the remainder of the term of the CFO Employment Agreement had Mr. Klein's employment continued until the end of the employment period along with any unpaid earned bonuses for prior years and, in the event such resignation or termination occurs following the Company's first fiscal quarter of any year, a pro-rated annual bonus for the year in which his employment was terminated. In addition, in the event Mr. Klein's employment is terminated by the Company

TABLE OF CONTENTS

without cause or by Mr. Klein for good reason or in the event of a Change in Control (as defined in the CFO Employment Agreement), certain unvested restricted stock awards will accelerate and become fully vested on the date of his termination. If Mr. Klein is terminated for cause by the Company or Mr. Klein terminates his employment without good reason, the Company will have no further obligations to Mr. Klein except to pay Mr. Klein the Amounts and Benefits.

Martha Stewart. In connection with the closing of the Company's acquisition of MSLO, the Company entered into an agreement with Ms. Stewart for an initial term continuing through December 31, 2020. The employment agreement will be automatically extended for an additional five years if gross licensing revenues exceed specified thresholds. In the event that the employment agreement is not renewed after its initial term because the extension threshold is not met, Ms. Stewart instead will consult for the Company through December 31, 2025, and for these services will receive an annual consulting fee ranging from \$1.5 million to \$4.5 million, determined annually based on gross licensing revenues. During the term of her employment agreement, Ms. Stewart will, among other things, serve as Chief Creative Officer of the Company and will be entitled to receive, among other things, (i) an annual base salary of \$500,000 per year, (ii) a guaranteed annual payment of \$1.3 million (the "Guaranteed Payment"), (iii) annually beginning on January 1, 2016, 10% of the gross licensing revenues, in excess of a specified threshold (the "Incentive Payment"), (iv) the opportunity to earn an annual bonus as determined by the Board of Directors and Chief Executive Officer, and (v) payment of certain of Ms. Stewart's expenses, up to an annual maximum amount of \$1.5 million. In addition, and regardless of whether Ms. Stewart remains employed with the Company, beginning in 2026 and ending on the later of December 31, 2030 or the date of her death, the Company will pay to Ms. Stewart 3.5% of the annual gross licensing revenues for each such year.

In the event Ms. Stewart's employment is terminated by the Company without cause or by Ms. Stewart for good reason, each as defined in Ms. Stewart's employment agreement, Ms. Stewart will be entitled to, among other things, continued payments of (a) her base salary, the Guaranteed Payment, the Incentive Payment and reimbursement of expenses, all as if Ms. Stewart had remained employed through the end of the then-current term, and (b) continuation of certain benefits and perquisites for a specified period of time post-termination. If such termination occurs upon or prior to the end of the initial term of the employment agreement, and if the term (i) would have been extended under the terms of the agreement, the payments in clause (a) above will continue through December 31, 2025, the end of what would have been the extended term, and (ii) would not have been extended under the terms of the agreement, then Ms. Stewart will receive the consulting fee as described above. These payments are described further under Potential Payments Upon Termination or Change in Control below.

TABLE OF CONTENTS**Potential Payments Upon Termination or Change in Control**

These agreements provide for certain payments and other benefits if a named executive officer's employment with us is terminated under circumstances specified in the respective agreement, including a change in control of the Company. A named executive officer's rights upon the termination of his or her employment will depend upon the circumstances of the termination. The table below sets forth potential benefits that each named executive officer would have been entitled to receive upon termination of employment under the various circumstances outlined above and assumes the relevant termination event as of December 31, 2015. The actual amounts that would be payable in these circumstances can only be determined at the time of the named executive officer's termination or a change in control and, accordingly, may differ significantly from the estimated amounts set forth in the table below.

For each \$1.0 million above the \$46.0 million threshold, Ms. Stewart will receive \$100,000. As of December 31, 2015, the Company is unable to estimate an amount for this payment.

Compensation and Risk

Our Compensation Committee regularly conducts risk assessments to determine the extent, if any, to which our compensation practices and programs may create incentives for excessive risk taking. Based on these reviews, we believe that the incentive for risk taking is low for the named executive officers and the substantial majority of our employees, because their compensation consists largely of fixed cash salary and a cash bonus that has a capped payout. Furthermore, the majority of these employees do not have the authority to take action on our behalf that could expose us to significant business risks.

In 2015, as part of its assessment, the Compensation Committee reviewed the cash and equity incentive programs for senior executive officers and concluded that certain aspects of our compensation programs actually reduce the likelihood of excessive risk taking. These aspects include the use of long-term equity awards to create incentives for senior executive officers to strive for long-term growth of the Company, policies limiting the incentive to take excessive risk for short-term gains by imposing caps on annual bonuses and requiring compliance with the Code of Ethics.

For these reasons, we do not believe that our compensation policies and practices create risks that are reasonably likely to have a material adverse effect on us.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Related Party Transactions

The Company's Code of Ethics provides that all directors and employees, including executive officers, have a duty to avoid financial, business or other relationships that might cause a conflict of interest with the performance of their duties and that employees should conduct themselves in a manner that avoids even the appearance of conflict between personal interests and those of the Company.

Pursuant to the philosophy of the Code of Ethics, members of the Board of Directors, director nominees, and executive officers are expected to disclose to the Board of Directors any direct or indirect personal interest they may have in a material transaction. Directors also are expected to recuse themselves from participation in any decision in which there is a conflict between their personal interests and the interest of the Company. Approval of any such transaction with respect to any director, director nominee or executive officer may be made only by the Board of Directors or a committee of the Board of Directors. The Company does not have a related party transaction policy for persons other than employees and directors and their affiliates.

Except as discussed above, the Company has not prescribed any specific standards to be applied when assessing material transactions. There were no instances during 2015 in which an executive officer, director or director nominee engaged in such a transaction with the Company, either directly or indirectly, without first obtaining approval.

Reportable Related Party Transactions

Other than the employment arrangements described in Executive Compensation Summary of Employment Agreements section of this Proxy Statement and the transactions described below, since January 1, 2015, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or will be a party in which the amount involved exceeds the lesser of \$120,000 or 1% of the average of the Company's total assets at year-end for the last two completed fiscal years.

The Board of Directors, as part of its determination as to whether any director, director nominee, executive officer, stockholder who beneficially owns 5% or more of our common stock or any member of their immediate family had or will have a direct or indirect material interest in any such transaction, considered each of the following transactions.

Consulting Services Agreement with Tengram Capital Partners, L.P. (f/k/a Tengram Capital Management L.P.)

Mr. Sweedler, a director of the Company, is a managing member of Tengram Capital Associates, which is the controlling partner of Tengram Capital Partners Gen2 Fund, L.P. (Tengram). Pursuant to an agreement with Tengram Capital Partners, L.P., formerly known as Tengram Capital Management, L.P. (TCP), an affiliate of Tengram, the Company has engaged TCP, effective as of January 1, 2013, to provide services to the Company pertaining to (i) mergers and acquisitions, (ii) debt and equity financing and (iii) such other related areas as the Company may reasonably request from time to time (the TCP Agreement). TCP is entitled to receive compensation of \$1.0 million, including fees and reimbursement of out-of-pocket expenses in connection with performing its services under the TCP Agreement. The TCP Agreement remains in effect for a period continuing through the earlier of five years or the date on which TCP and its affiliates cease to own in excess of 5% of the outstanding shares of common stock in the

Company.

On August 15, 2014, the Company consummated transactions pursuant to the agreement and plan of merger, dated as of June 24, 2014 (the Galaxy Merger Agreement) with SBG Universe Brands LLC, a Delaware limited liability company and our direct wholly-owned subsidiary (LLC Sub), Universe Galaxy Merger Sub, Inc., a Delaware corporation and direct wholly-owned subsidiary of LLC Sub, Galaxy and Carlyle (such transactions, collectively the Galaxy Acquisition). In connection with the Galaxy Merger Agreement the Company and TCP entered into an amendment to the TCP Agreement (the Amended TCP Agreement), pursuant to which, among other things, TCP is entitled to receive annual fees of \$0.9 million beginning with the fiscal year 2014. The Company paid TCP \$1.4 million for services under the Amended TCP Agreement in 2015, of which \$0.5 million was due from services performed in 2014. In addition, in connection with the closing the acquisition of MSLO, a \$2.5 million transaction fee was paid to TCP.

FUL IP was formed for the purpose of licensing the *FUL* trademark to third parties in connection with the manufacturing, distribution, marketing and sale of *FUL* branded bags, backpacks, duffels, luggage and apparel accessories. JALP contributed the *FUL* trademark with a fair value of approximately \$8.9 million. In exchange for a 50.5% economic interest in FUL IP the Company paid JALP \$4.5 million. JALP's minority member interest in FUL IP has been reflected as noncontrolling interest on the Company's consolidated balance sheet. One of the Company's directors, Mr. Al Gossett, has a partial ownership interest in JALP. There was no noncontrolling interest recorded or distributions during the year ended December 31, 2015.

Investment in Available-for-Sale Securities

The Company did not pay a fee or any compensation to Tengram Capital Partners, L.P. in connection with the Company's investment in the available-for-sale securities.

In connection with the transactions contemplated by the Company's acquisition of MSLO, MSLO entered into an Amended and Restated Asset License Agreement ("Intangible Asset Agreement") and Amended and Restated Intellectual Property License and Preservation Agreement ("IP License Agreement") and, together with the Intangible Asset Agreement, the IP Agreements) pursuant to which Ms. Stewart, a director and Chief Creative Officer of the Company, licensed certain intellectual property to MSLO. REPORT OF THE AUDIT COMMITTEE

The Audit Committee has furnished the following report:

The Audit Committee is composed of three independent directors, each of whom, in the Board of Directors' business judgment, is independent within the meaning of Section 5605(a)(2) of the NASDAQ Stock Market's Listing Rules and the applicable rules and regulations of the SEC. On behalf of the Board of Directors, the Audit Committee oversees the Company's accounting, auditing and financial reporting processes. The Audit Committee's function is one of oversight, recognizing that the management of the Company has the primary responsibility for the Company's financial statements as well as the Company's financial reporting processes, principles and internal controls. The Company's independent registered public accounting firm, CohnReznick LLP (the Auditors) is responsible for performing an audit of the Company's consolidated financial statements in accordance with generally accepted accounting principles, issuing a report relating to their audit and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles.

In fulfilling its responsibilities with respect to the financial statements for the fiscal year 2015, the Audit Committee:

reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2015 with management and the Auditors and reviewed and assessed the effectiveness of the Company's internal control over financial reporting and the Auditors' evaluation of the Company's internal control over financial reporting; reviewed and discussed with the Auditors the matters that independent registered public accounting firms are required to discuss with audit committees under applicable Public Company Accounting Oversight Board standards; received written disclosures and the letter from the Auditors regarding the Auditors' independence as required by applicable requirements of the Public Company Accounting Oversight Board, and has discussed with the Auditors their independence; and considered whether the Auditors' provision of non-audit services is compatible with maintaining their independence, and concluded that the non-audit services provided by the Auditors do not impair their independence. Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the year ended December 31, 2015 be included in its 2015 Annual Report on Form 10-K. The Audit Committee has selected CohnReznick LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016, and has asked the stockholders to ratify the selection.

The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. While the Audit Committee believes that the charter in its present form is adequate, it may in the future recommend to the Board of Directors amendments to the charter to the extent it deems necessary to react to changing conditions and circumstances.

PROPOSAL NO. 3

TO APPROVE, ON AN ADVISORY BASIS, NAMED EXECUTIVE OFFICER COMPENSATION

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, an advisory vote on the frequency of stockholder votes on executive compensation was conducted in connection with Old Sequential's 2013 annual meeting of stockholders. The Board of Directors recommended, our stockholders agreed, and the Board of

Directors subsequently approved that the advisory vote on executive compensation be held on an annual basis. Accordingly, we are seeking an advisory stockholder vote on the compensation of our named executive officers. This proposal, also referred to as say-on-pay, gives stockholders the opportunity to approve, reject or abstain from voting with respect to our fiscal 2015 executive compensation programs and policies for the named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers as described in this Proxy Statement. In evaluating this say-on-pay proposal, we recommend that you review Compensation Discussion and Analysis and the Executive Compensation sections of this Proxy Statement, as well as the accompanying tables and related narratives.

Our executive compensation program is simple in design and is structured to help recruit, retain and motivate a highly talented team of executives with the requisite set of skills and experience to successfully lead us in creating value for our stockholders. Our executive compensation and benefit programs are designed to reward increased stockholder value and the achievement of key operating objectives.

Because your vote on this proposal is advisory, it will not be binding on us, the Compensation Committee or the Board of Directors. However, the Compensation Committee and the Board of Directors will take into account the outcome of the vote when considering future executive compensation arrangements. Further, your advisory vote will serve as an additional tool to guide the Board of Directors and the Compensation Committee in continuing to improve the alignment of the Company's executive compensation programs with the interests of its stockholders, and is consistent with our commitment to high standards of corporate governance. Accordingly, we are asking you to endorse our executive compensation program by voting for the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Executive Compensation section, compensation tables and narrative discussion included in this proxy statement, is hereby **APPROVED**.

The affirmative vote of the majority of the shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve the advisory vote on the Company's named executive officer compensation.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE FOR THE APPROVAL OF THE NON-BINDING ADVISORY
RESOLUTION ON THE COMPANY'S NAMED EXECUTIVE OFFICER COMPENSATION

PROPOSAL NO. 4

TO APPROVE AN AMENDMENT TO THE SEQUENTIAL BRANDS GROUP, INC. 2013 STOCK INCENTIVE COMPENSATION PLAN TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FOR ISSUANCE BY 3,500,000 SHARES AND ALLOW THE GRANT OF AWARDS THAT QUALIFY AS PERFORMANCE-BASED COMPENSATION FOR PURPOSES OF SECTION 162(M) OF THE INTERNAL REVENUE CODE

On July 24, 2013, the Board of Directors adopted the 2013 Stock Incentive Compensation Plan (the "2013 Stock Incentive Plan"), which provides for grants of stock options, stock appreciation rights, restricted stock, restricted stock units, other equity-based awards and cash awards to key employees and consultants of the Company and its subsidiaries and nonemployee directors of the Company.

The 2013 Stock Incentive Plan currently has 2,500,000 shares of Common Stock reserved and made available for distribution. As of December 31, 2015, approximately 590,583 shares remained available for issuance in connection with prior and/or future grants under the 2013 Stock Incentive Plan.

As a result of the limited number of remaining shares available to satisfy prior awards, as well as future grants under the 2013 Stock Incentive Plan, the Board of Directors believes that it is appropriate at this time to amend the 2013 Stock Incentive Plan in order to reserve and make available for distribution 3,500,000 additional shares for future awards.

The Company believes that this increase in additional shares for future awards will enable the Company to continue to adhere to its compensation philosophy of providing compensation that motivates employees to achieve corporate financial goals and to reward them for long-term financial performance in order to maximize stockholder value.

In addition, the amendment of the Plan would permit grants of awards that could qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code (the "Code"). The Board of Directors believes that it is in the best interests of the Company and its stockholders to continue to provide for an equity incentive plan under which compensation awards made to the Company's executive officers can qualify for full deductibility for federal income tax purposes. Accordingly, the amended Plan has been structured in a manner such that awards granted under it can satisfy the requirements for performance-based compensation within the meaning of Section 162(m) of the Code. In general, under Section 162(m) of the Code, in order for the Company to be able to deduct compensation in excess of \$1,000,000 paid in any one year to the Chief Executive Officer or any of the other named executive officers, such compensation must qualify as performance-based. One of the requirements of

performance-based compensation for purposes of Section 162(m) of the Code is that the material terms of the performance goals under which compensation may be paid be disclosed to and approved by the Company's stockholders. For purposes of Section 162(m), the material terms include (i) the employees eligible to receive compensation; (ii) a description of the business criteria on which the performance goal is based; and (iii) the maximum amount of compensation that can be paid to an employee under the performance goal. With respect to the various types of awards under the Plan, each of these aspects is discussed below, and shareholder approval of the Plan will also constitute approval of each of these aspects of the Plan for purposes of the approval requirements of Section 162(m) of the Code. Of course, shareholder approval cannot guarantee that compensation will be treated as deductible performance-based compensation, and the Compensation Committee and Board of Directors will continue to have authority to provide compensation that is not exempt from the Section 162(m) limits on deductibility.

A copy of the 2013 Stock Incentive Plan is attached to this Proxy Statement as Appendix A. The principal features of the 2013 Stock Incentive Plan are described below, but such description is qualified in its entirety by reference to the complete text of the plan.

Summary of the 2013 Stock Incentive Plan

General. The 2013 Stock Incentive Plan permits the granting of any or all of the following types of awards: (i) nonqualified stock options; (ii) stock appreciation rights (SARs); (iii) restricted stock; (iv) restricted stock units (RSUs); (v) other stock-based awards; (vi) dividend equivalents; and (vii) cash-based awards. After the proposed amendment takes effect, the maximum number of shares that may

TABLE OF CONTENTS

be issued with respect to awards granted under the 2013 Stock Incentive Plan is 6,000,000 (subject to adjustment in accordance with the provisions under the caption Adjustments Upon Certain Events below).

The aggregate number of shares treated as issued under the 2013 Stock Incentive Plan at any time shall equal only the number of shares issued upon exercise or settlement of an award. Shares underlying awards that are forfeited, cancelled, terminated or expire unexercised, or settled in cash in lieu of issuance of shares shall be available for issuance pursuant to future awards, to the extent that such shares are forfeited, repurchased or not issued under any such award. Any Shares tendered to pay the exercise price of an option or other purchase price of an award, or withholding tax obligations with respect to an award, shall be available for issuance pursuant to future awards. In addition, if any shares subject to an award are not delivered to a participant because (i) such shares are withheld to pay the exercise price or other purchase price of such award, or withholding tax obligations with respect to such award (or other award) or (ii) a payment upon exercise of a SAR is made in shares, the number of shares subject to the exercised or purchased portion of any such award that are not delivered to the participant shall be available for issuance pursuant to future awards.

Subject to adjustment as provided in the 2013 Stock Incentive Plan, the maximum number of shares with respect to which awards may be granted to any participant in any calendar year may not exceed 500,000 shares. The maximum cash amount payable to any participant pursuant to any cash-based award granted to a participant in any calendar year and that is intended to qualify as performance-based compensation under Section 162(m) of the Code may not exceed \$2,000,000.

Eligibility. Current and prospective employees, non-employee directors, and consultants of the Company and its affiliates are eligible to be selected by the Committee (as defined below) to receive awards under the 2013 Stock Incentive Plan. Approximately 150 employees are currently eligible to participate in the 2013 Stock Incentive Plan.

Administration. The 2013 Stock Incentive Plan is administered by the Compensation Committee of the Board of Directors or by any other committee designated by the Board of Directors (the Committee and the Administrator). Members of the Committee, which consists of at least two non-employee directors, each of whom meet applicable independence requirements as determined by the Board and such additional regulatory or listing requirements as the Board may determine to be applicable or appropriate, are appointed by the Board and can be removed by the Board at any time. Except as prohibited by applicable law or the applicable rules of any stock exchange, the Committee may delegate all or any part of its responsibilities and powers to one or more of its members or to any person or persons selected by it, except that the Committee may not (1) delegate to any executive officer of the Company or its affiliates, or a committee that includes any such executive officer, the Committee's authority to grant awards, or the Committee's authority otherwise concerning awards, awarded to executive officers of the Company or an affiliate; (ii) delegate the Committee's authority to grant awards to consultants unless any such award is subject to approval by the Committee; or (iii) delegate its authority to correct defects, omissions or inconsistencies in the 2013 Stock Incentive Plan. Subject to the provisions of the 2013 Stock Incentive Plan and the specific duties delegated by the Board to the Committee, and subject to the approval of any relevant authorities, the Administrator has the full discretionary authority to operate, manage, administer and interpret the 2013 Stock Incentive Plan. All decisions, determinations, and interpretations of the Administrator are final and binding and conclusive on all award recipients.

Adjustments Upon Certain Events. If the outstanding Company shares are increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of Sequential by reason of any extraordinary divided, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, split-off, combination, repurchase or exchange of shares or other securities of the Company, issuance of warrants or other rights to acquire shares or other securities of the Company, or other similar corporate transaction or event, or other unusual or nonrecurring events affecting the Company or an affiliate, such that in any case an adjustment is determined by the

Committee in its sole discretion to be necessary or appropriate, then the Committee shall make any such adjustments in such manner as it may deem equitable to the shares available for issuance under the 2013 Stock Incentive Plan, the shares subject to outstanding awards and the grant or exercise price of outstanding awards.

TABLE OF CONTENTS

Except to the extent otherwise provided in an award agreement, in the event of a Change in Control (as defined in the 2013 Stock Incentive Plan), the Committee may, in its discretion, provide that, with respect to all or any portion of a particular outstanding Award or Awards: (i) any outstanding option, SAR or other award (as applicable) that is not then exercisable shall immediately become exercisable as to all or any portion of the shares covered thereby as of a time prior to the Change in Control; (ii) all or any portion of the restrictions applicable to any outstanding award shall immediately lapse as of a time prior to the Change in Control (including a waiver of any applicable performance goals); (iii) performance periods in effect on the date the Change in Control occurs shall end on such date, and (A) determine the extent to which performance goals or other performance goals with respect to each such performance period have been met based upon such audited or unaudited financial information or other information then available as it deems relevant and (B) cause the participant to receive partial or full payment of awards for each such performance period based upon the Committee's determination of the degree of attainment of the performance goals or other performance goals, or by assuming that the applicable target levels of performance have been attained or on such other basis determined by the Committee; (iv) awards previously deferred shall be settled in full as soon as practicable; (v) any outstanding awards shall be adjusted, substituted, converted, settled and/or terminated as the Committee, in its discretion, deems appropriate and consistent with the 2013 Stock Incentive Plan's purposes; and (vi) with respect to any options having a per share exercise price equal to, or in excess of, the fair market value of a share, such options shall be canceled and terminated without any payment or consideration therefor.

Stock Options. The 2013 Stock Incentive Plan provides that the option price pursuant to which Common Stock may be purchased shall be determined by the Committee, but shall not be less than the fair market value of the Common Stock on the date the option is granted. The term of each option shall be determined by the Committee, but no option shall be exercisable more than 10 years after the date of grant. The exercise price for shares under a stock option may be paid by one or more of the following methods, as approved by the Administrator or in the award agreement: (i) in cash, check or cash-equivalents; (ii) by delivery of shares already owned that were purchased on the open market or that have been held for at least (6) months that have a fair market value equal to the aggregate exercise price; (iii) by a broker-assisted cashless exercise procedure; (iv) by having shares withheld that have a fair market value equal to the aggregate exercise price; or (v) by any other means that the Administrator approves. In general, unvested stock options are forfeited when a participant terminates employment or service with sequential or its affiliates. In addition, under the 2013 Stock Incentive Plan, if a participant terminates service or employment with the Company or any of its affiliates, as a result of disability or death, the stock option will remain exercisable with respect to the number of shares as to which it was vested on the date of such termination until the earlier of the expiration date and the date that is one (1) year or three (3) years, respectively from the date of termination, unless the award agreement expressly provides for a different expiration date. If a participant terminates service or employment with the Company or any of its affiliates, as a result of retirement (generally at or after age 65 or age 55 with ten years of service, unless otherwise specified in the award agreement) the stock option will remain exercisable with respect to the number of shares as to which it was vested on the date of such termination until the earlier of the expiration date and the date that is five (5) years from the date of termination. If a participant terminates service or employment with the Company or any of its affiliates, for cause, any stock option held by such individual (whether vested or unvested) will be immediately forfeited. If a participant terminates service or employment with the Company or any of its affiliates for any other reason, the stock option will remain exercisable with respect to the number of shares as to which it was vested on the date of such termination and will expire on the earlier of the expiration date and the date that is 90 days following the date of such termination, unless the award agreement expressly provides for a different expiration period.

Stock Appreciation Rights. The Committee has the authority under the 2013 Stock Incentive Plan to grant SARs. A SAR is an award that gives the participant the right to benefit from appreciation in the value of shares over the grant price established in the award. The terms and conditions of a SAR are specified in the award agreement. If and when payable, the appreciation may be paid in cash, shares of common stock or such other form or combination of forms of payout, at times and upon conditions as may be set forth in the award agreement. SARs will be subject to the terms

and conditions specified in the award agreement. SARs granted in connection with an option will be granted either at the time of grant of the option or subsequent thereto

TABLE OF CONTENTS

during the term of the option. SARs granted in connection with an option are subject to the same terms and conditions as the related option and are exercisable only at such times and to such extent as the related option is exercisable. The grant price of SARs must generally be at least equal to the fair market value of the common stock on the date of grant. Under the 2013 Stock Incentive Plan, a SAR is generally treated in the same manner as a stock option on termination of employment.

No Repricing. No option or stock appreciation right may be repriced, regranted through cancellation, including cancellation in exchange for cash or other awards, or otherwise amended to reduce its option price or exercise price (other than with respect to adjustments made in connection with a transaction or other change in the Company's capitalization as described in the provisions under the caption Adjustments Upon Certain Events) without the approval of the stockholders of the Company.

Restricted Stock and RSUs. In general, restricted stock is an award of shares granted to a participant that is subject to vesting conditions and restrictions on transfer for a period of time. A restricted stock unit, or RSU, provides for the issuance of shares or cash to its holder following the vesting date or dates associated with the award. If an RSU is settled in cash, the award holder will be entitled to payment equal to the fair market value of the shares subject to such awards on the date the award vests, less applicable withholding taxes. Holders of RSUs are not entitled to any privileges of ownership of the shares of common stock underlying their RSUs until the underlying shares are actually delivered to them following vesting of the RSUs. Unless otherwise provided in the applicable award agreement, unvested restricted stock and unvested RSUs are forfeited when a holder terminates employment or service with the Company or its affiliates.

Other Stock-Based Awards. The Committee may grant other types of equity-based or equity-related awards not otherwise described above, in such amounts and subject to such terms and conditions, as the Committee shall determine as set forth in the applicable award agreement. Such other stock-based awards may involve the transfer of actual shares to participants, or payment in cash or otherwise of amounts based on the value of shares.

Dividend Equivalents. Dividend equivalents will be subject to the terms and conditions specified in an award agreement. The award agreement may provide for the dividend equivalents to be paid in cash or deemed reinvested in additional shares. Any reinvestments will be at the fair market value of the shares on the date of reinvestment. Dividend equivalents may be settled in cash and/or shares. In addition, if the dividend equivalents are awarded as a component of another award, the Committee, in its sole discretion, may subject the dividend equivalents to the same terms and conditions that apply to such award.

Cash-Based Awards. Cash-based awards may be granted to participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee. A cash-based award entitles the Participant who receives such award to receive a payment in cash upon the attainment of applicable performance goals for the applicable performance period, and/or satisfaction of other terms and conditions, in each case determined by the Committee.

Qualifying Performance Criteria. The Administrator may establish performance criteria and level of achievement of such criteria that will determine the number of shares to be granted, retained, vested, issued or issuable under or in settlement of or the amount payable pursuant to an award, which criteria may be based on qualifying performance criteria (as described below) or other standards of financial performance and/or personal performance evaluations. In addition, the Administrator may specify that an award or a portion of an award is intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Code, provided that the performance criteria for such award or portion of an award that is intended by the Administrator to satisfy the requirements for performance-based compensation under Section 162(m) of the Code will be a measure based on one or more

qualifying performance criteria selected by the Administrator and specified at the time the award is granted. The Administrator will certify the extent to which any qualifying performance criteria has been satisfied, and the amount payable as a result thereof, prior to payment, settlement or vesting of any award that is intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Code.

For purposes of the Plan, the term qualifying performance criteria means any one or more of the following performance criteria, or derivations of such performance criteria, either individually, alternatively or

TABLE OF CONTENTS

in any combination, applied to either the Company as a whole or to a business unit or subsidiary, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Compensation Committee: (i) net earnings or earnings per share (including earnings before interest, taxes, depreciation, license fees, share-based compensation, and/or amortization, or other non-GAAP profitability measures); (ii) income, net income or operating income; (iii) revenues; (iv) net sales; (v) return on sales; (vi) return on equity; (vii) return on capital (including return on total capital or return on invested capital); (viii) return on assets or net assets; (ix) economic value added measurements; (x) return on invested capital; (xi) return on operating revenue; (xii) cash flow (before or after dividends), (xiii) stock price; (xiv) total shareholder return; (xv) market capitalization; (xvi) economic value added; (xvii) debt leverage (debt to capital); (xviii) operating profit or net operating profit; (xix) operating margin or profit margin; (xx) cash from operations; (xxi) market share; (xxii) product development or release schedules; (xxiii) new product innovation; (xxiv) cost reductions; or (xxv) customer service.

To the extent consistent with Section 162(m) of the Code, the Compensation Committee (i) shall appropriately adjust any evaluation of performance under qualifying performance criteria to eliminate the effects of charges for restructurings, discontinued operations, extraordinary items and all items of gain, loss or expense determined to be extraordinary or unusual in nature or related to the disposal of a segment of a business or related to a change in accounting principle all as determined in accordance with applicable accounting provisions, as well as the cumulative effect of accounting changes, in each case as determined in accordance with generally accepted accounting principles or identified in the Company's financial statements or notes to the financial statements; and (ii) may appropriately adjust any evaluation of performance under qualifying performance criteria to exclude any of the following events that occurs during a performance period: (a) asset write-downs; (b) litigation, claims, judgments or settlements; (c) the effect of changes in tax law or other such laws or provisions affecting reported results; and (d) accruals of any amounts for payment under the Plan or any other compensation arrangement maintained by the Company.

Amendments to the 2013 Stock Incentive Plan. The Board of Directors may, subject to shareholder approval to the extent necessary and desirable to comply with applicable legal and regulatory requirements, at any time amend, alter, suspend, or terminate the 2013 Stock Incentive Plan or award agreements granted thereunder. However, no amendment, alteration, suspension, or termination may be made that would materially impair the previously accrued rights of any award recipient without the written consent of such recipient, except any such amendment made to comply with applicable law, tax rules, stock exchange rules or accounting rules. In addition, no amendment may be made to reduce the exercise or grant price of any outstanding stock option or SAR unless approved by the Company's stockholders.

Transferability. Unless determined otherwise by the Administrator, awards granted under the 2013 Stock Incentive Plan may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution following the recipient's death, and may be exercised during the lifetime of the award recipient, only by the award recipient. Each award holder may, from time to time, on a form approved by the Committee name any beneficiary or beneficiaries who shall be permitted to exercise his or her stock option or SAR or to whom any benefit under the 2013 Stock Incentive Plan is to be paid in case of the participant's death before he or she fully exercises his or her stock option or SAR or receives any or all of such benefit.

Effectiveness. The 2013 Stock Incentive Plan, as amended, became effective on August 4, 2013 and was assumed by us on December 4, 2015.

Federal Income Tax Consequences. The following is a discussion of certain U.S. federal income tax consequences relevant to participants in the 2013 Stock Incentive Plan who are subject to federal income tax and the Company. It is not intended to be a complete description of all possible tax consequences with respect to awards granted under the

2013 Stock Incentive Plan and does not address state, local or foreign tax consequences.

A participant who is granted a nonqualified stock option will not recognize income at the time the option is granted. Upon the exercise of the option, however, the excess, if any, of the fair market value of the stock

TABLE OF CONTENTS

on the date of exercise over the option price will be treated as ordinary income to the participant, and the Company will generally be entitled to an income tax deduction in the same year in an amount measured by the amount of ordinary income taxable to the participant. The participant will be entitled to a cost basis for the stock for income tax purposes equal to the amount paid for the stock plus the amount of ordinary income taxable at the time of exercise.

Upon a subsequent sale of such stock, the participant will recognize short-term or long-term capital gain or loss, depending upon his or her holding period for such stock.

Upon exercise of a SAR, a participant will recognize taxable income in the amount of the aggregate cash received. A participant who is granted unrestricted shares will recognize ordinary income in the year of grant equal to the fair market value of the shares received. In either such case, the Company will be entitled to an income tax deduction in the amount of such income recognized by the participant.

A participant will not recognize any income at the time an award of restricted stock, restricted stock units or other stock-based award is granted, nor will the Company be entitled to a deduction at that time. In the year in which restrictions on shares of restricted stock lapse, the participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares on the date of vesting over the amount, if any, the participant paid for the shares. A participant may, however, elect within 30 days after receiving an award of restricted stock to recognize ordinary income in the year of receipt of the award, instead of the year of vesting, equal to the excess of the fair market value of the shares on the date of receipt over the amount, if any, the participant paid for the shares. Similarly, upon the vesting of restricted stock units, the participant will recognize ordinary income in an amount equal to the fair market value of the shares received. With respect to awards of restricted stock, restricted stock units and other stock-based awards, the Company will be entitled to a tax deduction at the same time and in the same amount as the participant recognizes income.

With respect to cash-based awards, the participant generally will recognize ordinary income, and we will receive a corresponding tax deduction, at the time the cash is paid.

The Company generally will be entitled to a deduction for federal income tax purposes as described above with respect to each type of award. For the individual serving as the Chief Executive Officer of the Company at the end of the taxable year and for the individuals serving as the Company's named executive officers at the end of such year for proxy reporting purposes, Section 162(m) of the Code limits the amount of compensation otherwise deductible by the Company for such year to \$1,000,000 for each such individual except to the extent that such compensation is performance-based compensation. We expect that nonqualified stock options and SARs should qualify as performance-based compensation. The Compensation Committee may establish performance conditions and other terms with respect to grants of restricted stock, restricted stock units and other awards in order to qualify such grants as performance-based compensation for purposes of Section 162(m) of the Code.

Other. The amounts that will be received by participants in the future under the 2013 Stock Incentive Plan are not yet determinable, as awards are at the discretion of the Committee. The numbers of shares subject to awards which were awarded in 2015 under the Company's 2013 Stock Incentive Plan to Mr. Shmidman is set forth in the table entitled Grants of Plan-Based Awards Table, which follows the Summary Compensation Table.

(1) Consists of options to purchase our common stock issued under our 2005 Stock Incentive Plan (the "2005 Stock Incentive Plan"). The 2005 Stock Incentive Plan was replaced by the Sequential Brands Group, Inc. 2013 Stock Incentive Compensation Plan (the "2013 Stock Incentive Plan"). No new grants were granted under the 2005 Stock Incentive Plan since August 2013, when the 2013 Stock Incentive Plan came into effect.

(2) Consists of options and warrants to purchase our common stock issued under our 2013 Stock Incentive Plan, pursuant to which an aggregate of 2,500,000 shares have been reserved for issuance. Because we issued 1,261,417 shares of restricted stock, the number of securities available for future issuance has been reduced. For a description of our 2013 Stock Incentive Plan, see Note 14 to our consolidated financial statements.

(3) Consists of options and warrants to purchase our common stock issued outside of the equity compensation plans in connection with certain completed financings and acquisitions.

(4) The weighted-average exercise price does not take into account the shares issuable upon the vesting of outstanding RSUs or PSUs, which have no exercise price.
