QUESTIONS AND ANSWERS

Q: WHAT AM I VOTING ON?

A: You are being asked by Globix to vote on the election of eight directors, seven of whom were elected to our Board at our 2006 Annual Meeting of Stockholders held on February 28, 2006. For more information on each nominee, please turn to Information as to Nominees for Election to the Board of Directors beginning on page 5.

You also are being asked to approve the appointment of Amper, Politziner & Mattia, P.C. as Globix's independent registered public accounting firm for the fiscal year ending September 30, 2007. For more information on this appointment, please turn to Proposal Two Ratification of the Appointment of Amper, Politziner & Mattia, P.C. beginning on page 24.

Q: WHO IS ENTITLED TO VOTE?

A: Each recordholder of outstanding shares of Globix common stock and each recordholder of outstanding shares of Globix preferred stock at the close of business on January 22, 2007 is entitled to one vote for each share they own. As of the record date, 48,505,844 shares of common stock were issued and outstanding. Each share of common stock is entitled to one vote on each matter on which holders of shares of common stock are entitled to vote. The Globix preferred stock is entitled to one vote per share and will vote with the holders of common stock as a single class with respect to all matters proposed to be voted on at the meeting. As of the record date, there were 2,971,753 shares of Globix preferred stock outstanding. A list of the stockholders of record entitled to vote at the annual meeting will be available at the Annual Meeting and for 10 days prior to the Annual Meeting, for any purpose germane to the meeting, between the hours of 9:00 a.m. and 4:30 p.m. at our principal executive offices at 2200 West Park Drive, Westborough, Massachusetts 01581.

Q: HOW DO I VOTE?

A: You can vote in any one of the following ways:

You can vote by mail by signing and dating your proxy card and mailing it in the enclosed prepaid envelope. If you mark your voting instructions on the proxy card, your shares will be voted as you instruct. If you return a signed proxy card but do not provide voting instructions, your shares will be voted **for** the named nominees for election as directors, and **in favor of** the ratification of the appointment of Amper, Politziner & Mattia, P.C. as Globix's independent registered public accounting firm for the fiscal year ending September 30, 2007.

You can vote in person at the Annual Meeting by delivering your completed proxy card in person at the Annual Meeting or by completing a ballot available upon request at the meeting. Attendance of the Annual Meeting will not, by itself, constitute revocation of a previously given proxy. However, if you hold your shares in a bank or brokerage account rather than in your own name, you must obtain a legal proxy from your stockbroker in order to vote at the meeting.

Regardless of how you choose to vote, your vote is important and we encourage you to vote promptly.

Q: WILL ANY OTHER MATTERS BE VOTED ON?

A: We do not expect any other matters to be considered at the Annual Meeting. However, if a matter not listed on the proxy card is legally and properly brought before the Annual Meeting by a stockholder, the proxies will vote on the matter in accordance with their judgment of what is in the best interest of Globix.

Q: HOW MANY VOTES ARE NEEDED TO HOLD THE MEETING?

Edgar Filing: GLOBIX CORP - Form DEFR14A

A: The presence in person or by proxy at the Annual Meeting of the holders of one-third of the votes entitled to be cast at the Annual Meeting shall constitute a quorum.

Q: HOW MANY VOTES ARE NEEDED TO ELECT THE NOMINEES FOR DIRECTOR?

A: Directors are elected by a plurality of the votes, which means that the eight nominees who receive the largest number of votes will be elected. There is no cumulative voting.

Q: HOW MANY VOTES ARE NEEDED TO APPROVE THE RATIFICATION OF AMPER, POLITZINER & MATTIA, P.C. AS GLOBIX'S INDEPENDENT REGISTERED ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2007?

A: The affirmative vote of a majority of the votes cast at the meeting is required to approve the ratification of Amper, Politziner & Mattia, P.C. as Globix's independent registered public accounting firm for the fiscal year ending September 30, 2007.

Q: WHO WILL COUNT THE VOTES?

A: Representatives of Mellon Investor Services LLC, our Transfer Agent, will count the votes. A representative from Mellon Investor Services LLC will act as inspector of elections.

Q: HOW ARE VOTES COUNTED?

A: In determining whether we have a quorum, we count all properly submitted proxies and ballots, including abstentions, broker non-votes and withheld votes, as present and entitled to vote. Abstentions and broker non-votes, as well as votes withheld, are not considered votes cast and thus will not be counted for or against a nominee for director or the ratification of our selection of Amper, Politziner & Mattia, P.C. as our independent registered public accounting firm for fiscal 2007. Broker non-votes result from proxies received from banks, brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other person entitled to vote the shares on a particular matter with respect to which of the banks, brokers or nominees do not have discretionary power.

Q: WHAT SHARES ARE COVERED BY MY PROXY CARD?

A: You should have been provided a proxy card for each account in which you own shares of Globix common stock or preferred stock either:

directly in your name as the stockholder of record; or

indirectly through a broker, bank or other holder of record.

Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

A: It means that you have multiple accounts in which you own shares of Globix common stock or preferred stock. Please vote all proxy cards you receive to ensure that all your shares are voted. However, for your convenience we recommend that you contact your broker, bank or our transfer agent to consolidate as many accounts as possible under a single name and address. Our transfer agent is Mellon Investor Services LLC. All communications concerning shares you hold in your name, including address changes, name changes,

requests to transfer shares and similar issues, can be handled by making a toll-free call to Mellon Investor Services LLC at 1-800-370-1163 or contacting them on the internet at www.melloninvestor.com.

Q: HOW CAN I CHANGE MY VOTE?

A: You can revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You can do this by:

delivery to our corporate secretary, prior to the annual meeting, a written notice of revocation bearing a later date than the proxy;

signing another proxy with a later date; or

voting at the meeting.

Q: WHEN ARE STOCKHOLDER PROPOSALS FOR THE 2008 ANNUAL MEETING OF STOCKHOLDERS DUE?

A: You may submit proposals for consideration at the 2008 annual meeting of stockholders, including director nominations, in accordance with the following:

The notice must set forth the stockholder's name and address as they appear on Globix's books and the class and number of shares of Globix common or preferred stock which are beneficially owned by such stockholder. Additionally, the notice must set forth, as to each person whom the stockholder proposes to nominate for election as a director, all information relating to the proposed nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named as a nominee and to serving as a director if elected).

You may contact the Globix Corporate Secretary at Globix's corporate headquarters for a copy of the relevant Bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Q: WHO PAYS THE COST OF SOLICITING THE PROXIES REQUESTED?

A: We will pay the expenses of soliciting proxies for the 2007 Annual Meeting, including the costs of preparing, printing and mailing this Proxy Statement, and payments to brokerage firms, banks and others for forwarding solicitation materials to indirect owners of shares of Globix common or preferred stock. In addition to use of the mail, proxies may be solicited personally or by telephone by present and former officers, directors and other employees of Globix without additional compensation, as well as by employees of Mellon Investor Services LLC, our vote tabulator.

REPORT OF THE COMPENSATION COMMITTEE

To our Stockholders:

The following shall not be deemed to be soliciting material or to be filed with the SEC nor shall such information be incorporated by reference into any future filing of Globix under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The duties of the Compensation Committee include approval of salary and other compensation arrangements for our executive officers. No member of the Compensation Committee is a current officer or employee of Globix, and each member has been determined by our Board to be independent under the listing standards of the American Stock Exchange.

Edgar Filing: GLOBIX CORP - Form DEF14A

Our compensation policies are designed to reinforce our strategic and operational goals and enhance long-term stockholder value. Thus we seek to:

Set compensation levels to attract, retain and motivate executive officers and employees;

Align compensation with business objectives and performance and with the interests of the stockholders; and

Position compensation to reflect the individual's performance as well as the level of responsibility, skill and strategic value of the employee.

Globix attempts to target its compensation programs to provide compensation opportunities that are perceived by its officers and employees to justify continued service to Globix.

Compensation decisions for the fiscal year ended September 30, 2006 were based on the following considerations:

Existing contractual compensation arrangements with the senior executive officers;

Compensation opportunities perceived to be necessary to attract and retain executive officers; and

The contribution of the individual executive officers to our operating performance and their role in the implementation of our operating plan.

In September 2005, the Committee adopted an annual incentive compensation arrangements for fiscal 2006 encompassing both stock option and cash bonus components. Stock options granted to executive officers in September 2005 were to vest (all or in part) based on the achievement by Globix (as determined by the Compensation Committee) of revenue and EBITDA (earnings before interest, taxes, depreciation and amortization) components of the Globix operating plan as of December 31, 2005 (with respect to one-half of the options) and December 31, 2006 (with respect to the other half of the options). Cash bonuses for fiscal 2006 were based in part on the achievement by Globix (as determined by the Compensation Committee) of revenue and EBITDA components of the Globix operating plan as of December 31, 2006. The remaining portion of the cash incentive compensation depended on the achievement by the individual executives of goals related to the Globix business plan. The target amount payable, expressed as a percentage of base salary, was 50% (in the case of the Chief Executive Officer), 33% (in the case of certain other senior executive officers) and 20% (in the case of other members of senior management) assuming achievement of 100% of the performance goals. The payout for the revenue and EBITDA goals was based on a sliding scale with a portion of the target bonus amount being payable starting at 85% achievement for each of these goals, subject to a maximum of 120% of the bonus amount per goal based on achievement of at least 120% of such goal. The percentages were to be applied separately to achievement of the EBITDA and revenue objectives. Achievement of the personal objectives is determined by the Executive Chairman, subject to review by the Compensation Committee, in the case of the Chief Executive Officer and other executive officers.

Based on the series of strategic transactions that resulted in the sale of the US and UK hosting businesses and the former headquarters building in New York City, as well as the performance of the remaining Neon network services business, the Compensation Committee determined that the financial goals for the calendar year

ending December 31, 2006 were met and eligible employees were entitled to payment of 100% of their target cash incentive compensation and full vesting of their stock option grants. Only a portion of the financial goals for the period ending December 31, 2005 were met, resulting in partial vesting of the performance-based options for that period and partial payout of cash incentive compensation.

In the fall of 2005, the Compensation Committee approved the compensation arrangements relating to the appointment of Mr. Lodge as Executive Chairman for a period of one year. These arrangements were extended for an additional year in October 2006. The Committee's decision, in the fall of 2005, to grant Mr. Lodge an option to purchase 1,000,000 shares in connection with his appointment as Executive Chairman reflected the Committee's desire to align Mr. Lodge's interests with those of stockholders.

Chief Executive Officer Compensation

Edgar Filing: GLOBIX CORP - Form DEF14A

As of September 15, 2005, we entered into a new employment agreement with Mr. Stevenson that extended the employment term to December 31, 2006. Under the new agreement, Mr. Stevenson's base salary was \$350,000 per year and he was also eligible for an annual bonus in an amount up to 50 percent of his base salary under the cash incentive plan described above. In addition, Mr. Stevenson received an option to purchase up to 320,888 shares of stock under our 2003 Stock Option Plan. A portion of these options vested based on the partial achievement by Globix of revenue and EBITDA performance goals as of December 31, 2005 and the remaining options vested as of December 31, 2006, as described above. Under Mr. Stevenson's agreement, these options would also have vested if he were terminated without cause or if he terminated his employment for good reason before December 31, 2006. At the time of Mr. Stevenson's new agreement, the Committee believed that these bonus and option grants provided appropriate incentives for Mr. Stevenson to work for long-term growth and stock performance.

In the first quarter of fiscal 2007, the Compensation Committee approved the entry into a Separation Agreement with Mr. Stevenson extending the post-employment exercisability of Mr. Stevenson's options for an additional six months following the date on which they would have expired following termination of employment, and confirmed that Mr. Stevenson would receive the full amount of his cash bonus for fiscal 2006, based on the Committee's evaluation of the contribution of Mr. Stevenson to the performance of the company during fiscal 2006.
