## Forward Looking Statements:

Statements contained in this presentation, which are not historical facts, are forward-looking statements. In addition, SCBT Financial Corporation (SCBT) through its senior management or directors may from time to time make forward-looking public statements concerning matters herein. Such forward-looking statements are necessarily estimates reflecting the best judgement of SCBT's senior management or directors based upon current information and involve a number of risks and uncertainties. Certain factors which could affect the accuracy of such forward looking statements are identified in the public filings made by SCBT with the Securities and Exchange Commission, and forward-looking statements contained in this presentation or in other public statements of SCBT or its senior management or directors should be considered in light of those factors. There can be no assurance that such factors or other factors will not affect the accuracy of such forward-looking statements.
