Section 3 Securities and Trading Markets

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On March 7, 2005, Orion HealthCorp, Inc. received a letter from the American Stock Exchange notifying Orion that it does not meet the

Edgar Filing: ORION HEALTHCORP INC - Form 8-K

Exchange's continued listing standards because Orion is not in compliance with Sections 711 and 713 of the AMEX Company Guide. The non-compliance issues relate to issuance of common stock by Orion's predecessor company, SurgiCare, Inc., on two instances in 2003 and 2004 without obtaining shareholder approval.

In March 2003, SurgiCare, Inc. sold 325,854 shares of its common stock (after giving effect to a one-for-ten reverse stock split implemented in December 2004) plus warrants to purchase an additional 169,227 shares of common stock in a private placement at less than the then-current market price of the stock. The letter from the Exchange indicates that the total number of shares issued (including those shares issuable on exercise of the warrants) exceeded 20% of the outstanding common stock of SurgiCare at the time of the offering and, therefore, required shareholder approval in advance of the offering under Section 713 of the AMEX Company Guide. However, shareholder approval was not obtained.

In October 2004, SurgiCare issued 13,600 shares of its common stock (after giving effect to the one-for-ten reverse stock split) to consultants. The letter from the Exchange indicates that the issuance of shares to the consultants required advance approval of SurgiCare's shareholders under Section 711 of the AMEX Company Guide. Again, shareholder approval was not obtained.

The Exchange has advised the Company that, in order to maintain its listing, Orion must submit a plan to the Exchange by March 17, 2005, advising what action it will take to bring the Company back into compliance with Exchange continued listing standards. The Exchange has also advised Orion that, if Orion is not in compliance with Exchange standards at the conclusion of the plan period, the Exchange may initiate delisting proceedings as appropriate.

Orion submitted a plan for compliance with AMEX listing standards to the Exchange on March 10, 2005.
