On April 26, 2007, the Board of Directors of the Company appointed Lorna Borenstein to the position of President of the Company. Ms. Borenstein will begin serving as President as soon as practicable and in accordance with any existing employment obligations, and will report directly to W. Michael Long, the Company's Chief Executive Officer.

Lorna Borenstein, 39, has served as a Vice President of Yahoo! Inc. a leading Internet brand and one of the most trafficked Internet destinations worldwide, since November 2005, as Vice President of Marketing for the Yahoo! Search and Marketplace Group since June 2005 and as Vice President and General Manager of Yahoo! Personals since October 2004. Ms. Borenstein served as Vice President and General Manager for eBay Canada, the largest online trading community in Canada, from September 2000 to October 2004. Prior to joining eBay Canada, Ms. Borenstein was president of Silverbow E-Commerce Inc., an Internet consulting firm.

Ms. Borenstein will have an annual base salary of \$450,000 and will be eligible to earn a performance bonus of up to 100% of her annual salary if she reaches targeted goals, with the ability to earn up to 200% of base salary for performance in excess of the targeted goals.

Ms. Borenstein will be granted 3,000,000 stock options with an option exercise price equal to the closing price of the Company's common stock on her start date and a term of ten years from the date of grant. 2,250,000 of the stock options will vest quarterly over a 48 month period commencing from her start date. The remaining 750,000 stock options will be immediately vested and exercisable as of Ms. Borenstein's start date.

## Edgar Filing: MOVE INC - Form 8-K

Ms. Borenstein will be awarded 1,000,000 performance-based restricted stock units. Under the terms of the award, she may earn up to 500,000 units of the Company's common stock based on the attainment of certain performance goals relating to the Company's revenues and EBITDA for the fiscal year ended December 31, 2008, and she may earn up to 500,000 units of the Company's common stock based on the attainment of certain performance goals relating to the Company's revenues and EBITDA for the fiscal year ended December 31, 2009. These awards, which are denominated in terms of a target number of shares, will be forfeited if performance falls below a designated threshold level and may vest for up to 100% of the target number of shares for exceptional performance.

Ms. Borenstein will be granted such number of restricted shares of the Company's common stock in an amount equal to 1 million divided by the closing price of the Company's common stock on her start date. Such restricted shares will vest 50% upon her start date and the remaining 50% shall vest on the first anniversary of her start date subject to her continued employment on such anniversary.

In addition, it is anticipated that the Company and Ms. Borenstein will enter into an Executive Retention and Severance Agreement (the "Severance Agreement")

upon the commencement of her employment. The Severance Agreement will provide for additional benefits in the circumstances described below. In the event of Ms. Borenstein's termination upon a change of control (as defined in the Severance Agreement) she shall receive an amount equal to the sum of (i) 12 months of her then current annual base salary and (ii) 100% of the target bonus that would otherwise be payable for the fiscal year in which her termination occurs (whether or not she has satisfied the applicable performance objectives). Such cash severance will be payable in equal installments over 12 months. In addition, immediately prior to the effective date of a change of control, 100% of all outstanding stock options granted and restricted stock issued by the Company to Ms. Borenstein as described above, shall vest and all such outstanding options shall remain exercisable for a period of three years. In the event of Ms. Borenstein's termination in the absence of a change of control, or her death or disability (as described in the Severance Agreement), she shall receive amount equal to the sum of (i) 12 months of her then current annual base salary and (ii) 100% of the target bonus that would otherwise be payable for the fiscal year in which her termination occurs (whether or not she has satisfied the applicable performance objectives). Such cash severance will be payable in equal installments over 12 months. In addition, upon her termination date, 100% of all outstanding stock options granted and restricted stock issued by the Company to Ms. Borenstein as described above, shall vest and all such outstanding options shall remain exercisable for a period of three years.
