The aggregate purchase price for the KI/Keating Shares is \$926,273.46, or approximately \$0.0134 per share.

Also on June 2, 2008, Halpryn entered into a Stock Purchase Agreement (as amended, the Garisch Agreement) with Garisch Financial, Inc., an Illinois corporation (Garisch), pursuant to which Garisch will sell to Halpryn, and Halpryn will purchase from Garisch, 5,500,000 shares of Common Stock (the Garisch Shares), which Garisch Shares represent approximately 6.9% of the issued and outstanding shares of Common Stock. The aggregate purchase price for the Garisch Shares is \$73,726.54, or approximately \$0.0134 per share. The Garisch Shares and the KI/Keating Shares are referred to as the Shares .

Subsequent to the execution of the KI/Keating Agreement and the Garisch Agreement (together, the Agreements), Halpryn assigned the right to purchase a portion of the Shares to each of the Investors. For additional information regarding the Investors, please see the information contained in footnote (4) beginning on page 10 below.

It is anticipated that the closing of the purchase of the Shares (the Closing) will occur approximately ten days after the later of the date of the filing of this Information Statement with the Securities and Exchange Commission (the SEC) or the date of mailing of this Information Statement to the Company's shareholders. Pursuant to the terms of the KI/Keating Agreement, at the Closing, (i) the existing directors of the Company will increase the size of the Board to five directors, (ii) the existing directors and officers of the Company will resign effective upon the Closing, (iii) the existing directors will appoint the designees of the Investors detailed below to serve as the directors of the Company, and (iv) the existing directors will appoint Mr. Glenn L. As of May 14, 2008, the Company had 79,302,460 shares of Common Stock issued and outstanding and no shares of preferred stock, par value \$0.0001 per share, issued and outstanding. Each share of Common Stock is entitled to one vote. Pursuant to the terms of the 2007 Agreement, the Company agreed to sell to KI Equity, and KI Equity agreed to purchase from the Company, 60,000,000 shares of Common Stock for a purchase price of \$600,000 or \$0.01 per share. Prior to the closing of the 2007 Agreement, the Company was controlled by Ponce Acquisition, LLC, a Colorado limited liability company (Ponce Acquisition). The source of funds for the 2007 Transaction was from the working capital of KI Equity. The proceeds from this sale were used to settle a variety of pre-existing liabilities of the Company.

Effective as of the closing of the 2007 Transaction, in accordance with the terms of the 2007 Agreement, the then-existing officers and directors of the Company resigned, and Kevin R. Keating was appointed the Chief Executive Officer, Chief Financial Officer, President, Secretary, Treasurer and a Director of the Company and Jeff L. Andrews and Margie L. CORPORATE GOVERNANCE

Committees of the Board of Directors

The Board does not have any committees at this time.

The Board does not have a nominations committee because the Board does not believe that a defined policy with regard to the consideration of candidates recommended by shareholders is necessary at this time because it believes that, given the limited scope of the Company's operations, a specific nominating policy would be premature and of little assistance until the Company's business operations are at a more advanced level. There are no specific, minimum qualifications that the Board believes must be met by a candidate recommended by the Board. Currently, the entire Board decides on nominees, on the recommendation of any member of the Board, followed by the Board's review of the candidates' resumes and interviews of candidates. Based on the information gathered, the Board then makes a decision on whether to recommend the candidates as nominees for director. The Company does not pay any fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees.

The Board does not have any defined policy or procedural requirements for shareholders to submit recommendations or nominations for directors. The Company does not have any restrictions on shareholder nominations under its articles of incorporation or by-laws. The only restrictions are those applicable generally under Colorado law and the federal proxy rules. The Board will consider suggestions from individual shareholders, subject to an evaluation of the person's merits. Shareholders may communicate nominee suggestions directly to the Board, accompanied by biographical details and a statement of support for the nominees. The suggested nominee must also provide a statement of consent to being considered for nomination. There are no formal criteria for nominees.

Currently, the Board functions as an audit committee and performs some of the same functions as an audit committee, including the following: (1) selection and oversight of the Company's independent accountant; (2) establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal controls and auditing matters; and (3) engaging outside advisors. The Company is not a listed company under SEC rules and therefore is not required to have an audit committee comprised of independent directors.

The Board has determined that its members do not include a person who is an audit committee financial expert within the meaning of the rules and regulations of the SEC. The Board has determined that each of its members is able to read and understand fundamental financial statements and has substantial business experience that results in that member's financial sophistication. Accordingly, the Board believes that each of its members have the sufficient knowledge and experience necessary to fulfill the duties and obligations that an audit committee would have.

The Board does not have a compensation committee and is not required to have such a committee because the Company is not a listed company under SEC rules. The Company is currently a shell company with nominal assets, no employees and no active business operations. Its business plans are to seek a private operating company with which to merge or to complete a business combination in a reverse merger transaction. As such, the Company has no formal compensation program for its executive officers, directors or employees.

During the last two fiscal years, the Company has not provided any salary, bonus, annual or long-term equity or non-equity based incentive programs, health benefits, life insurance, tax-qualified savings plans, special employee benefits or perquisites, supplemental life insurance benefits, pension or other retirement benefits or any type of nonqualified deferred compensation programs for its executive officers or employees.

Anyone who has a concern about the Company's conduct, including accounting, internal accounting controls or audit matters, may communicate directly with the Board, its non-management directors or, to the extent formed by the Company, the Audit Committee. These communications may be confidential or anonymous, and may be mailed, e-mailed, submitted in writing or reported by phone. All of these concerns will be forwarded to the appropriate directors for their review, and will be simultaneously reviewed and addressed by the Company's Chief Financial Officer in the same way that the Company addresses other concerns.

Director Independence

The Board has determined that the current directors of the Company are not independent directors as defined under Rule 4200(a)(15) of the Nasdaq Marketplace Rules, although these independent director standards or any other standards do not directly apply to the Company because the Company does not currently have any securities that are listed on The Nasdaq Stock Market, a national securities exchange or an inter-dealer quotation system which has requirements that a majority of the Board be independent.

After the Change of Control, it is anticipated that the Board will determine that Dr. Curtis Lockshin and Mr. Ronald Stein are independent directors as defined under Rule 4200(a)(15) of the Nasdaq Marketplace Rules. Messrs. Halpryn, Weisberg and Silver will not be independent directors upon their appointment to the Board.

Meetings of the Board of Directors and Committees

The Board did not hold any meetings during fiscal year 2007. The Board took a number of actions by unanimous written consent during fiscal year 2007. Consistent with Colorado law and the Company's charter documents, actions taken by unanimous written consent are valid and effective as if such actions had been approved at a meeting of the Board duly called and held.

The Company does not have a policy regarding the attendance of its directors at the Company's annual meetings of shareholders. At least one member of the Board attended the Company's last annual meeting on February 20, 2007.

Legal Proceedings

To the Company's knowledge, there are no material proceedings to which any current officer or director of the Company, nor any proposed officer or director of the Company, or any associate of any such current or proposed director or officer, is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries.

RELATED PERSON TRANSACTIONS

Transactions with Related Persons

During the Company's 2006 fiscal year, Mr. Michael A. Littman, the managing member of the Company's majority shareholder at the time, Ponce Acquisition, performed legal services for, and made cost advances on behalf of, the Company. Such services were rendered in connection with bringing the Company current in its reporting obligations under the Exchange Act and obtaining a quotation for the Common Stock on the Over-the-Counter Bulletin Board.

On January 30, 2007, the Company issued a promissory note (the Note) to Mr. Littman in the principal amount of \$434,385 to evidence these legal fees and cost advances. The Note was paid in full from the proceeds of the 2007 Transaction (see section entitled "2007 Transaction").

On January 31, 2007, the Company issued 7,500,000 shares of Common Stock (on an adjusted basis for the one-for-twenty reverse stock split) to Ponce Acquisition for \$15,000, or \$0.002 per share. Ponce Acquisition acquired control of the Company as a result of this issuance. The proceeds from this issuance were used to pay expenses for the Company's reporting obligations under the Exchange Act. In connection with the 2007 Transaction, Ponce Acquisition cancelled and returned to the Company an aggregate of 7,450,000 shares of Common Stock (on an adjusted basis for the one-for-twenty reverse stock split).

Effective as of the closing of the 2007 Transaction, Kevin R. Keating was appointed as the Chief Executive Officer, Chief Financial Officer, President, Secretary, Treasurer and a Director of the Company and Jeff L. Andrews and Margie L. Blackwell were appointed Directors of the Company.

Kevin R. Keating is the father of Timothy J. Keating, the principal member of Keating Investments, LLC. Keating Investments, LLC is the managing member of KI Equity. Timothy J. Keating is the manager of KI Equity. Additionally, Jeff L. Andrews and Margie L. Blackwell are members of Keating Investments, LLC. KI Equity is the controlling shareholder of the Company.

On March 21, 2007, the Company issued 60,000,000 shares of Common Stock to KI Equity for an aggregate consideration of \$600,000, or \$0.01 per share. The proceeds from this sale were used to settle a variety of pre-existing liabilities of the Company.

On March 26, 2007, the Company issued 7,500,000 shares of Common Stock to KI Equity for an aggregate consideration of \$75,000, or \$0.01 per share. The proceeds from this sale are being used for working capital to pay expenses to maintain the reporting status of the Company. Also on March 26, 2007, the Company issued 1,600,000 shares of its Common Stock to Kevin R. Keating, the sole officer and a director of the Company, for services rendered to the Company valued at \$16,000, or \$0.01 per share.

The shares of Common Stock issued to KI Equity and Kevin R. Keating in March of 2007 were issued under an exemption from registration under Section 4(2) of the Securities Act of 1933, as amended (the Securities Act). As such, these shares are restricted shares, and the holder thereof may not sell, transfer or otherwise dispose of such shares without registration under the Securities Act or an exemption therefrom. The Company has granted demand and piggyback registration rights to KI Equity and Kevin R. Keating with respect to the above shares.

Effective March 26, 2007, the Company entered into a management agreement (the Management Agreement) with Vero Management, L.L.C., a Delaware limited liability company (Vero Management), under which Vero Management provides a broad range of managerial and administrative services to the Company including, but not limited to, assistance in the preparation and maintenance of the Company's financial books and records, the filing of various reports with the appropriate regulatory agencies as are required by State and Federal rules and regulations, the administration of matters relating to the Company's shareholders including responding to various information requests from shareholders as well as the preparation and distribution to shareholders of relevant Company materials, and office space, corporate identity, telephone and fax services, mailing, postage and courier services for a fixed fee of \$2,000 per month, for an initial period of twelve months. At the end of the initial twelve month term, the Management Agreement will continue to remain in effect until terminated in writing by either party. Effective July 1, 2007, the Management Agreement was amended to reduce the fixed monthly fee to \$1,000 per month.

Kevin R. Keating owns and controls Vero Management and is also the sole officer and a director of the Company. The terms of the Management Agreement were determined based on terms which the Company believes would be available to it from third parties on an arms length basis.

As soon as practical following the Closing, it is anticipated that the Company will issue to Halpryn and the Investors, in a private placement transaction (the Private Placement), an aggregate of 31,437,000 shares of Common Stock (the Post-Closing Shares), providing anticipated gross proceeds of \$500,000 for working capital purposes. It is anticipated that Halpryn, nominee for Chairman, Chief Executive Officer and President of the Company, will acquire 7,476,110 shares of Common Stock for \$35,627, Mr. Noah M. Silver, nominee for Vice President, Secretary, Treasurer and director of the Company, will acquire 3,821,560 shares of Common Stock for \$16,375, Mr. Alan Jay Weisberg, nominee for Chief Financial and Accounting Officer and director of the Company, will acquire 785,925 shares of Common Stock for \$3,125 and Mr. Ronald Stein, nominee for director of the Company, will acquire 294,722 shares of Common Stock for \$8,252. Other than the above transactions or as otherwise set forth in this report or in any reports filed by the Company with the SEC, the Company has not entered into any material transactions with any director, executive officer, nominee for director, beneficial owner of five percent or more of its Common Stock, or family members of such persons. The Company is not a subsidiary of any company.

Review, Approval or Ratification of Transactions with Related Persons

The Company's Board conducts an appropriate review of and oversees all related party transactions on a continuing basis and reviews potential conflict of interest situations where appropriate. The Board has not adopted formal standards to apply when it reviews, approves or ratifies any related party transaction. However, traditionally, as reflected in the minutes of its meetings, the Board has followed the following standards: (i) all related party transactions must be fair and reasonable to the Company and on terms comparable to those reasonably expected to be agreed to with independent third parties for the same goods and/or services at the time they are authorized by the Board and (ii) all related party transactions should be authorized, approved or ratified by the affirmative vote of a majority of the directors who have no interest, either directly or indirectly, in any such related party transaction.
