(e) Mutual Fund Award to Chief Investment Officer

On March 28, 2017, Mark R. Freeman, the Company's Chief Investment Officer, and the Company entered into a Mutual Fund Share Incentive Agreement (the "MFSI Agreement"). The MFSI Agreement provides that Mr. Freeman is eligible to earn (i) \$500,000 (the "Target Bonus Amount") if the Westwood Income Opportunity Fund (the "Fund") receives a 4-star overall rating from Morningstar for the Fund performance period that commenced on January 1, 2017 and ends on December 31, 2017 (the "Performance Period") and (ii) \$1 million (the "Maximum Bonus Amount") if the Fund receives a 5-star overall rating from Morningstar for the Performance Period, either of which is subject to vesting as further described below. The MFSI Agreement alternatively provides that Mr. Freeman is eligible to earn (i) the Target Bonus Amount if the Fund receives a 3-star overall rating, and (ii) \$1 million if the Fund receives a 4-star or 5-star overall rating, but for both (i) and (ii), only in the event the Fund is classified in the Allocation-50-70% Equity Category reported by Morningstar at the end of the Performance Period, and the Fund's Morningstar Risk Rating for the Performance Period is "Average," "Below Average," or "Low."

If the Compensation Committee determines that the Fund has received a 3, 4 or 5-star overall rating from Morningstar, then the amounts of \$500,000 or \$1 million, as applicable, will be notionally credited to a bookkeeping account in Mr. Freeman's name (the "Account") maintained by the Company and converted, on a notional basis, to a number of shares of the Fund ("Fund Shares") equal to any bonus amount divided by the net closing value of a Fund Share on the date such bonus amount is credited to the Account. The value of the Account adjusts (up or down) to reflect changes in the net value of the Fund Shares credited to the Account. If and when distributions are paid by the Fund with respect to its shares, the Company would credit the Account with additional Fund Shares having a value equal to the amount of the distributions that would have been payable if the Fund Shares credited to the Account were issued and outstanding.

Mr. Freeman's right to receive payment of the amount credited to the Account will vest 50% on December 31, 2018 and 50% on December 31, 2019, provided that he remains continuously employed by the Company through those dates. If Mr. Freeman's employment terminates prior to the vesting dates above, Mr. Freeman will forfeit his rights under the MFSI Agreement, except in the case of (i) his death, (ii) his disability, or (iii) pursuant to terms specified in the employment agreement between the Company and Mr. Freeman effective January 1, 2017. Payment of the amount credited to the Account may, in the Compensation Committee's discretion, be in Fund Shares, cash or other property, and subject to any applicable tax withholding. Payment is due within 30 days of the applicable date of vesting.

The foregoing description of the MFSI Agreement is not complete and is qualified in its entirety by reference to the Form of Mutual Fund Share Incentive Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The Compensation Committee expects that the Form of Mutual Fund Share Incentive Agreement will be used for future grants of mutual fund share incentive awards to Mr. Freeman.
