(A Development Stage Company)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
THREE MONTHS ENDED MARCH 31, 2003

The unaudited financial statements included herein were prepared from the records of the Company in accordance with Generally Accepted Accounting Principles. These financial statements reflect all adjustments which are, in the opinion of management, necessary to provide a fair statement of the results of operations and financial position for the interim periods. Such financial statements generally conform to the presentation reflected in the Company's Forms 10-QSB and 10-KSB filed under its previous name of Rhombic Corporation with the Securities and Exchange Commission for the year ended December 31, 2002. The current interim period reported herein should be read in conjunction with the Company's Form 10-KSB subject to independent audit at the end of the year.

A majority of the shareholders of record on February 10, 2003 voted to amend the Articles of Incorporation of the Registrant to change the name of the Company to Silverado Financial, Inc. and to change the authorized common shares to 100,000,000 and the authorized preferred shares to 5,000,000 as described in an information statement filed on Form 14C with the Securities and Exchange Commission on February 11, 2003. The Registrant filed with the Secretary of State of Nevada a Certificate of Amended Articles of Incorporation on March 21, 2003.

As shown in the accompanying financial statements, the Company had a net loss of \$200,542 for the three months ended March 31, 2003. It has incurred an accumulated deficit of \$8,823,023 and has a deficit in working capital of approximately \$219,227 as of March 31, 2003. The ability of the Company to continue as a going concern is dependent on obtaining additional capital and financing and operating at a profitable level. The Company intends to seek additional capital either through debt or equity offerings, or a combination thereof, and to seek acquisitions which will generate sales volume with operating margins sufficient to achieve profitability. The financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern. The independent auditor's report on the financial statements for the year ended December 31, 2002 expressed substantial doubt about the ability of the Company to continue as a going-concern. The results of operations for the three months ended March 31, 2003 are not necessarily indicative of the results that may be expected for the year ending December 31, 2003.

The Company did not have any investments classified as trading securities or held-to-maturity securities. The statement further requires that available for sale securities be reported at fair value, with unrealized gains and losses excluded from earnings but reported in a separate component of shareholders' equity (net of the effect of income taxes) until they are sold. At the time of sale, any gains or losses will be recognized as a component of operating results.

STOCKHOLDERS' EQUITY

During the first quarter of 2003, the Company issued 973,936 restricted common shares as payment in full to the officers of the Company for accrued compensation of \$ 45,000 during the year 2002. The Company also issued 100,000 restricted common shares to an individual for investor relations services valued at \$4,000.

Also during the fourth quarter the Company issued 750,000 unrestricted common shares to three consultants under its S-8 plan at a deemed value of \$37,500 for legal work and the preparation of a marketing strategy and budget for the mortgage brokerage industry.

The deemed value of the all shares issued was determined based upon the trading value of the Company's common stock at the time of the issuance of the stock.

SUBSEQUENT EVENTS

At the beginning of business on April 29, 2003 the Company changed its trading name and trading symbol to "SLVO" on the OTCBB and decreased the number of issued and outstanding shares of common stock by issuing one new share for each five shares held. This action was done in conjunction with the shareholder approval of February 10, 2003 to amend the Articles of Incorporation of the Registrant to change the name of the Company to Silverado Financial, Inc. and to change the authorized common shares to 100,000,000 and the authorized preferred shares to 5,000,000.

On May 9, 2003 the board of directors approved the acquisition of Realty Capital Inc., a mortgage brokerage company, from John Hartman for 729,452 restricted common shares. Mr. Hartman abstained from the vote. The acquisition was made at a deemed value of \$127,654 which was the net asset value of Realty Capital and the average closing bid price of the Company on the prior five trading days.

THESE FORWARD-LOOKING STATEMENTS INVOLVE RISKS, UNCERTAINTIES AND OTHER FACTORS. ALL FORWARD-LOOKING STATEMENTS INCLUDED IN THIS DOCUMENT ARE BASED ON INFORMATION AVAILABLE TO THE COMPANY ON THE DATE HEREOF AND SPEAK ONLY AS OF THE DATE HEREOF. THE FACTORS DISCUSSED BELOW UNDER "FORWARD-LOOKING STATEMENTS" AND ELSEWHERE IN THIS QUARTERLY REPORT ON FORM 10-QSB ARE AMONG THOSE FACTORS THAT IN SOME CASES HAVE AFFECTED THE COMPANY'S RESULTS AND COULD CAUSE THE ACTUAL RESULTS TO DIFFER MATERIALLY FROM THOSE PROJECTED IN THE FORWARD-LOOKING STATEMENTS. IN ADDITION, THE FOLLOWING DISCUSSION IS INTENDED TO PROVIDE AN ANALYSIS OF THE COMPANY'S FINANCIAL CONDITION AND PLAN OF OPERATION AND SHOULD BE READ IN CONJUNCTION WITH THE COMPANY'S FINANCIAL STATEMENTS AND THE NOTES THERETO.

7

GENERAL:

Since its inception during 1994 as Rhombic Corporation, the Company has been in the development stage and its efforts have been primarily focused on the acquisition of the rights to innovative technologies that could ultimately be developed into numerous applications. During the years of 1999 through 2001 it began to focus on the research and development of its portfolio of acquired technologies and to develop specific applications in order to make them commercially marketable. The business strategy of the Company was to develop a specific application from a technology, then commence or contract for a marketing effort for the developed application that would generate sales.

In 2002 the Company concluded that it could not raise capital to pursue its planned efforts for its scientific technology and began seeking potential acquisition candidates. During the fourth quarter of 2002 the Company appointed John Hartman as Chief Executive Officer and director and Sean Radetich as a director.

On November 11, 2002, the board of directors of the Registrant approved the issuance of 22,000,000 restricted shares of its common stock for the acquisition of all of the issued and outstanding shares of Financial Software, Inc. ("FSI"). The transaction was closed on November 19, 2002. The value of the consideration in the exchange was determined at arms length by FSI and the registrant. FSI was in the financial services technology and publishing industry.

A majority of the shareholders of record on February 10, 2003 voted to amend the Articles of Incorporation of the Registrant to change the name of the Company to Silverado Financial, Inc. and to change the authorized common shares to 100,000,000 and the authorized preferred shares to 5,000,000 as described in an information statement filed on Form 14C with the Securities and Exchange Commission on February 11, 2003. The Registrant filed with the Secretary of State of Nevada a Certificate of Amended Articles of Incorporation on March 21, 2003.

It is the intention of Silverado Financial, Inc. "Silverado" to become a multifaceted technology and real estate services company. To achieve its new business plan, Rhombic will acquire or modify its current software technology to target the real estate lending markets and to serve as a parent to companies

Edgar Filing: SILVERADO FINANCIAL INC - Form 10QSB

that would provide financial publishing, mortgage brokerage and mortgage banking real estate services to customers through a developed software application.

Silverado is currently considering the acquisition of firms or the establishment of business lines in the mortgage brokerage, investment advisory, insurance brokerage and commercial and residential mortgage banking sectors.

The first planned acquisition is to acquire Realty Capital, Inc. from John Hartman in a non-arms length transaction without goodwill subject to the ratification of the shareholders of both companies.

The competition in the technology proliferation and transfer market is highly intense and is based on product and technology recognition and acceptance, novelty and marketability of an invention, price, and sales expertise. The new management of the Company is reviewing its intellectual property and patents and considering seeing potential buyers.

The Company does not have any employees and uses consultants for matters pertaining to coordinating technology development and administration. The Company may hire employees during the next twelve months depending upon its success in developing prototype applications for sale and financing more development.

RESULTS OF OPERATIONS:

Comparison of Quarter Ended March 31, 2003 and 2002

The Company has not generated revenue from operations during the first three months of 2003 or since its inception. Management's objective during the first quarter of 2003 was to restate its capital structure to attract investment capital and to register an employee and consultants stock compensation plan in a registration statement on Form S-8 in order to attract competent consultants to assist in structuring the Company to attract potential acquisitions.

On January 31, 2003 the Company filed an employee and consultants stock compensation plan in a registration statement on Form S-8 authorizing a Compensation Committee to issue up to 8,000,000 common shares. During the first quarter of 2003, the Compensation Committee issued 750,000 common shares to a total of three consultants at an agreed value of \$37,500.

8

The three consultants, respectively, prepared and filed the amendments to the Articles of Incorporation with the state of Nevada and the Form 14C to the Securities and Exchange Commission which were approved by a majority of the shareholders during February 2003. It also had its consultants stock compensation plan in a registration statement on Form S-8 prepared.

Additionally, the Company received a marketing strategy and budget for starting and expanding a mortgage brokerage company. The strategy detailed the profile for brokers to be hired with the type of products they would sell.

On January 31, 2003 the Company issued 100,000 restricted shares at an agreed value of \$4,000 to an individual for investor relation work and 973,936 restricted common shares to the officers of the Company for accrued compensation of \$45,000.

During the first quarter of 2003 the Company incurred \$45,100 in general and administrative expenses which was comprised of accrued compensation expense of \$30,000 to its officers and \$15,000 of office expenses and out of pocket costs involved with the restating the Company's capital structure.

The Company incurred \$121,300 in consulting fees of which approximately \$90,000

Edgar Filing: SILVERADO FINANCIAL INC - Form 10QSB

was accrued. The accrued consulting fees were comprised of approximately \$21,000 additional legal fees owed for general consulting and filings with the Securities and Exchange Commission, approximately \$33,000 for software valuations and modifications to get FSI operating, approximately \$26,000 in administrative costs to integrate all corporate and financial records of FSI with Silverado and \$10,000 for additional costs pertaining to marketing consulting for commencing and expanding a mortgage brokerage business.

During the first quarter of 2003, the Company sold 70,000 shares of Showintel Networks, Inc. and recorded a gain of \$1,122.

At December 31, 2001 the Company had \$ 9,000 in cash and \$ 49,092 in current payables. At March 31, 2002 the Company had approximately \$ 6,800 in cash and approximately \$ 88,500 in current payables of which \$ 58,543 was owed to affiliates.

On March 19, 2002, the Company canceled a letter of intent for a proposed merger because it had not received sufficient financial information in order to negotiate an agreement. Its plan for the remainder of the calendar year 2002, was to actively seek the acquisition of a revenue generating operation, ideally having some relationship to one or more of the intellectual properties held.

LIQUIDITY AND CAPITAL RESOURCES:

At December 31, 2002 the Company had \$ 561 in cash and \$ 167,100 in current payables. At March 31, 2003 the Company had approximately \$ 951 in cash and approximately \$ 286,775 in current payables. Although the company could probably settle debt to affiliates in the amount of \$ 42,000 for restricted common stock, it would have approximately \$244,775 in debt remaining.

During the first quarter of 2003, the Company sold 70,000 shares of Showintel Networks, Inc. and received \$7,421 in cash which was used to pay consultants of FSI.

The Company's receivable from Realty Capital Corporation increased approximately \$19,000 to \$31,804 for rent expense that Silverado had to pay.

The Company increased its accounts payable by \$126,609 due to accrued compensation expense of \$30,000 to its officers, approximately \$90,000 in consulting fees, costs related to filing of the Forms 14C and S-8 with the Securities and Exchange Commission and additional costs for implementing the restated capital of the Company and obtaining a new trading symbol.

The Company incurred \$6,068 of interest expense on its debt of \$301,000 of which \$275,000 was incurred for the software of FSI and \$26,000 were loans for cash in a private placement from accredited investors.

9

On October 11, 2002, the Company began a private placement to accredited investors for \$250,000. The terms of the offering are a 10% annual interest bearing note that can be converted by the holder into restricted common shares at \$.08 with a warrant to buy an equal amount of shares at \$.09. The term of the note is one-year from the subscription date and the registrant has the right to extend the note for an additional year. The term of the warrant is for three years from the subscription date. As of May 1, 2003 the company has subscribed \$26,000 under this private placement. The company has paid \$1,600 in commissions in connection with the subscriptions and has received \$24,400 in net proceeds. However, there is no assurance that it will be able to generate capital sufficient to meet these long-term needs. If it can't meet these requirements, it may not be able to continue as a going concern.

Edgar Filing: SILVERADO FINANCIAL INC - Form 10QSB

The Company believes that it has sufficient capital and resources to support operations through the remainder of 2003. It anticipates that the capital requirements for the balance of the period ending December 31, 2003 will require that additional cash be raised from external sources. It believes that this requirement will be met by cash equity investments.

SUBSEQUENT EVENTS:

At the beginning of business on April 29, 2003 the Company changed its trading name and trading symbol to "SLVO" on the OTCBB and decreased the number of issued and outstanding shares of common stock by issuing one new share for each five shares held. This action was done in conjunction with the shareholder approval of February 10, 2003 to amend the Articles of Incorporation of the Registrant to change the name of the Company to Silverado Financial, Inc. and to change the authorized common shares to 100,000,000 and the authorized preferred shares to 5,000,000.

On May 9, 2003 the board of directors approved the acquisition of Realty Capital Inc., a mortgage brokerage company, from John Hartman for 729,452 restricted common shares. Mr. Hartman abstained from the vote. The acquisition was made at a deemed value of \$127,654 which was the net asset value of Realty Capital and the average closing bid price of the Company on the prior five trading days.
