PROXY STATEMENT
For Annual Meeting of Stockholders
to be Held July 22, 2004

Proxies in the form enclosed with this statement are solicited by Milestone Scientific Inc. ("Milestone" or "the Company") to be used at the Annual Meeting of stockholders and any adjournments thereof, to be held at The American Stock Exchange, 86 Trinity Place, New York, NY on Thursday July 22, 2004, at 9:00 a.m. Eastern Daylight Time, for the purposes set forth in the Notice of Meeting and this Proxy Statement. The Board of Directors know of no other business which will come before the meeting. Milestone's principal executive offices are located at 220 South Orange Avenue, Livingston Corporate Park, Livingston, New Jersey 07039. The approximate date on which this statement and the accompanying proxy will be mailed to stockholders is June 28, 2004. The Company's annual report to stockholders for the year ended December 31, 2003 is being mailed herewith to all stockholders entitled to vote at the annual meeting. However, except to the extent indicated herein, the annual report to stockholders is not part of the Company's proxy solicitation materials.

THE VOTING AND VOTE REQUIRED

On the record date for the meeting, June 4, 2004, there were outstanding 9,663,906 shares of common stock of the Company (the "Common Stock"), each of which will be entitled to one vote.

Directors are elected by a plurality of the votes cast at the meeting. The affirmative vote of a majority of votes cast for or against the matter by stockholders entitled to vote is required to approve the 2004 Milestone Stock Option Plan and to ratify the appointment of independent auditors.

All shares represented by valid proxies will be voted in accordance with the instructions contained therein. In the absence of instructions, proxies will be voted FOR each of the stated matters being voted on at the meeting. A proxy may be revoked by the stockholder giving the proxy at any time before it is voted, either by oral or written notice, and a prior proxy is automatically revoked by a stockholder giving a subsequent proxy or attending and voting at the meeting. Attendance at the meeting, however, in and of itself does not

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

revoke a prior proxy. In the case of the election of directors, shares represented by a proxy marked "WITHHOLD AUTHORITY" to vote for all five nominees will not be counted in determining whether a plurality vote has been received for the election of directors. Shares represented by proxies marked "ABSTAIN" on any other proposal will not be counted in determining whether the requisite vote has been received for such proposal. In instances where brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies ("broker non-votes"), those shares will not be included in the vote totals and, therefore, will have no effect on the outcome of the vote.

4

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

directors and consultants. The Compensation Committee is comprised of Leonard M. Schiller, Paul Gregory and Jeffrey Fuller.

Audit Committee

The Audit Committee was established to meet with management and the Company's independent accountants to determine the adequacy of internal controls and other financial reporting matters. The Board has adopted a written charter for the Audit Committee. The Audit Committee reviewed the Company's audited financial statements for the year ended December 31, 2003 and met with the management of the Company to discuss such audited financial statements. The Audit Committee has discussed with the Company's former independent accountants, J. H. Cohn LLP, the matters required to be discussed pursuant to Statement on Accounting Standards No. 61. The Audit Committee has received the written disclosures and the letter from J. H. Cohn LLP required by the Independence Standards Board Standard No. 1. The Audit Committee has discussed with J. H. Cohn LLP its independence from management and the Company. J. H. Cohn LLP had full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB. The Audit Committee is comprised of Leonard M. Schiller, Leslie Bernhard and Jeffrey Fuller, all of whom are independent (as defined in Section 121(A) of the American Stock Exchange Listing Standards).

The Audit Committee Charter is annexed hereto as Appendix A.

Nominating Committee

The Company formed a nominating committee in May 2004. The members of the Nominating Committee are Leonard M. Schiller and Jeffrey Fuller, each of whom is qualified as "Independent Director" under the AMEX listing standards.

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information: the name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; also - the name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to the Company's Chief Financial Officer at 220 South Orange Avenue, Livingston Corporate Park, Livingston, NJ 07039 and must be received not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of stockholders.

The Nominating Committee believes that the minimum qualifications for service as a director of the Company are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board's oversight of the business and affairs of the Company and an impeccable reputation of integrity and competence in his or her personal or professional activities. The Nominating Committee's evaluation of potential candidates shall be consistent with the Board's criteria for selecting new directors. Such criteria include an understanding of the Company's business environment and the possession of such knowledge, skills, expertise and diversity of experience so as to enhance the Board's ability to manage and

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

direct the affairs and business of the Company, including when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements.

The Nominating Committee may also receive suggestions from current Board members, company executive officers or other sources, which may be either unsolicited or in response to requests from the Nominating

5

Committee for such candidates. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates.

Once a person has been identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Nominating Committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Nominating Committee may consider all such information in light of information regarding any other candidates that the Nominating Committee might be evaluating for membership on the Board. In certain instances, Nominating Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The Nominating Committee Charter is annexed hereto as Appendix B.

Communications with Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at 220 South Orange Avenue, Livingston Corporate Park, Livingston, NJ 07039. All communications received as set forth in the preceding paragraph will be opened by the Secretary of the Company for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board of Directors will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Company Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

It is the Company's policy that directors are invited and encouraged to attend the Annual Meeting. Five of our directors were in attendance at the 2003 Annual Meeting.

EMPLOYMENT CONTRACTS

As of January 1, 1998 Milestone entered into an Employment Agreement with Mr. Osser, which provides for an initial term expiring on December 31, 2002, with a two-year non-competition period at the end of the term. The term is automatically extended for successive one-year periods, unless prior to December 1 of any year either party notifies the other of its election not to extend the term. Neither party has given notice to the other. Under the Agreement Mr. Osser serves as our full-time Chief Executive Officer and receives annual base pay of \$350,000, increasing to reflect cost of living adjustments commencing on January 1, 2001. In addition, during January 1998 and each of the next four Januarys Milestone shall grant Mr. Osser an option to purchase 16,667 shares of Common Stock exercisable only during the last 30 days of the five-year option term unless Milestone achieves certain financial goals to be specified annually by

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

the Compensation Committee. Additionally, as soon as financial statements for each year commencing with 1998 are completed, Milestone shall grant the executive an additional option to purchase up to 16,667 shares depending upon the achievement of specified performance goals. Further, Mr. Osser shall receive the opportunity to earn cash bonuses of up to \$200,000 per year depending upon the achievement of performance targets to be specified by the Option Committee.

On July 7, 1998, at his sole discretion, Mr. Osser implemented a voluntary reduction of his annual base salary, reducing his annual base pay from \$350,000 to \$188,462. The voluntary reduction has been described by Mr. Osser as being both temporary and having no effect upon his rights under his employment agreement with Milestone. Such reduction remained in effect until August 5, 2000. At that time, Mr. Osser began to defer his salary at the \$350,000 annual base. At December 31, 2000, his deferred compensation was \$141,346. In December 2001, Milestone reached an agreement with Mr. Osser to satisfy the \$491,346 of unpaid salary. The agreement calls for the issuance of 204,728 units. Each unit consists of one share of Milestone common stock and one warrant to purchase an additional share of such common stock. The warrants will be exercisable at \$2.40 per share through January 31, 2003, thereafter at \$3.00 per share through January 31, 2004, and thereafter at \$6.00 per share through January 31, 2007, at which time they will expire. On March 31, 2003, Mr. Osser signed an agreement deferring \$640,000 of his annual salary until April 1, 2004. On October 9, 2003 Mr. Osser signed an agreement under which he received as of February 17, 2004 61,350 units, in payment of \$384,000 of accrued compensation.

In December 2003 Milestone entered into a new employment agreement with Mr. Osser for a five-year term commencing January 1, 2004. Under the new agreement Mr. Osser will receive base compensation of \$300,000

8

per year, payable one half in cash and one half in common stock valued at the average closing price of the common stock during the first 15 trading days in the month of December during each year of the term. While the number of shares to be issued will be determined each year, the stock will not be issuable until the end of the term of the agreement. In addition, Mr. Osser may earn annual bonuses up to an aggregate of \$300,000, payable one half in cash and one half in common stock, contingent upon Milestone achieving predetermined annual operating cash flow, revenue and earnings targets. For 2004 he can earn a \$150,000 bonus based on Milestone achieving break-even cash flow from operations, a \$100,000 bonus based on Milestone achieving net revenues of \$6,250,000 and a \$50,000 bonus based on Milestone achieving break-even earnings, determined in accordance with generally accepted accounting principles. The cash flow bonus and the earnings bonus will not be payable to the extent that the payment thereof will reduce operating cash flow or earnings below break-even, respectively. For purposes of the agreement operating cash flow shall mean cash flow from operations adjusted for financing transactions plus accounts receivable increases and less accounts payable increases. Shares of common stock issued in partial payment of bonuses will be valued at the average closing price of the common stock during the first 15 trading days in the month of March during each year of the term. The stock portion of the bonus awards, if any, will be paid at the end of the term of the agreement.

In addition, if during any year of the term of the agreement Mr. Osser earns a bonus under the above formulae, he shall also be granted 5-year stock options to purchase twice the number of shares earned under the above formulae, each such option to be exercisable at a price per share equal to the fair market value of a share on the date of grant (110% of fair market value if Mr. Osser is a 10% or greater stockholder on the date of grant). The options shall vest and become exercisable to the extent of one-third of the shares covered at the end

of each of the first three years following the date of grant, but shall only be exercisable while Mr. Osser is employed by Milestone or within 30 days after the termination of his employment.

COMPENSATION OF DIRECTORS

In 2003, each non-employee director was granted a five-year option to purchase 6,667 shares of our Common Stock at an exercise price of \$1.50, a price above the fair market value of a share of our Common Stock on the date of grant. Directors receive no cash compensation.

PROPOSAL NO. 2

APPROVAL OF THE MILESTONE 2004 STOCK OPTION PLAN

Milestone's Board adopted the 2004 Stock Option Plan (the "2004 Plan"), subject to stockholder approval, which provides for the grant to our employees, directors and consultants of incentive and non-qualified stock options to purchase 500,000 shares of Common Stock.

The purpose of the 2004 Plan is to provide incentives to employees, directors and consultants whose performance will contribute to our long-term success and growth, to strengthen the Company's ability to attract and retain employees, directors and consultants of high competence, to increase the identity of interests of such people with those of its stockholders and to help build loyalty to Milestone through recognition and the opportunity for stock ownership. The Compensation Committee of the Board will administer the 2004 Plan.

The following description of the 2004 Plan is a summary and is qualified in its entirety by reference to the 2004 Plan, a copy of which is annexed hereto as Appendix C to this proxy statement.

Eligibility

Under the 2004 Plan, incentive stock options may be granted only to employees and non-qualified stock options may be granted to employees, directors and consultants. The 2004 Plan and will expire 10 years from the date of stockholder approval.

Terms of Options

The 2004 Plan permits the granting of both incentive stock options and nonqualified stock options. Generally, the option price of both incentive stock options and non-qualified stock options must be at least equal to 100% of the fair market value of the shares on the date of grant. The maximum term of each option is ten years. For any participant who owns shares possessing more than 10% of the voting rights of Milestone's outstanding shares of Common Stock, the exercise price of any incentive stock option must be at least equal to 110% of the fair market value of the shares subject to such option on the date of grant and the term of the option may not be longer than five years. Options become exercisable at such time or times as the Compensation Committee may determine at the time it grants options.

Federal Income Tax Consequences

Non-qualified Stock Options. The grant of non-qualified stock options will have no immediate tax consequences to the Company or the grantee. The exercise

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

of a non-qualified stock option will require an employee to include in his gross income the amount by which the fair market value of the acquired shares on the exercise date (or the date on which any substantial risk of forfeiture lapses) exceeds the option price. Upon a subsequent sale or taxable exchange of the shares acquired upon exercise of a non-qualified stock option, an employee will recognize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of such shares. Milestone will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes at the same time and in the same amount as the employee is in receipt of income in connection with the exercise of a non-qualified stock option.

Incentive Stock Options. The grant of an incentive stock option will have no immediate tax consequences to Milestone or its employee. If the employee exercises an incentive stock option and does not dispose of the acquired shares within two years after the grant of the incentive stock option nor within one year after the date of the transfer of such shares to him (a "disqualifying disposition"), he will realize no compensation income and any gain or loss that he realizes on a subsequent disposition of such shares will be treated as a long-term capital gain or loss. For purposes of calculating the employee's alternative minimum taxable income, however, the option will be taxed as if it were a non-qualified stock option.

PROPOSAL NO. 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

On June 10, 2004, Milestone engaged Eisner LLP as its Independent Registered Public Accounting Firm and dismissed J.H. Cohn LLP, Milestone's former Independent Registered Public Accounting Firm. The reports of J.H. Cohn LLP for the years ended December 31, 2003 and 2002 did not contain an adverse opinion or disclaimer of opinion and were not modified as to uncertainty, audit scope or accounting principles.

The decision to change accountants was approved by Milestone's Audit Committee and its Board of Directors as a whole.

During 2003 and 2002, and during the period from January 1, 2004 to June 10, 2004, there were no disagreements with J.H. Cohn LLP on accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of J.H. Cohn LLP, would have caused J.H. Cohn LLP to make reference to the subject matter of the disagreement in connection with their report.

During the two most recent fiscal years and the subsequent interim period preceding the engagement of Eisner LLP, neither Milestone, nor anyone on its behalf, has consulted Eisner LLP regarding: (i) the application of accounting principles to a specific completed or proposed transaction, or the type of audit opinion that might be rendered on Milestone's financial statements, which consultation resulted in the providing of a written report or oral advice concerning the same to Milestone that was an important factor considered by Milestone in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Rule 304(a)(1)(iv) of Regulation S-B promulgated under the Securities Act of 1933, as amended) or a reportable event (as defined in Rule 304(a)(1)(v) of Regulation S-B).

A representative of Eisner LLP will be present at the Annual Meeting and will be afforded an opportunity to make a statement and to respond to questions.

The Board of Directors Recommends A Vote FOR the Ratification of the Appointment of Eisner LLP for Fiscal Year 2004

AUDIT COMMITTEE REPORT

The Audit Committee is comprised of three non-management directors and operates pursuant to a written Charter. During fiscal 2003, the Audit Committee held one meeting with the independent auditors. The Audit Committee's purpose is to assist the Board of Directors in its oversight of (i) the integrity of our financial statements, (ii) our compliance with legal and regulatory requirements, (iii) our independent auditors' qualifications and independence and (iv) the performance of our internal audit function and independent auditors; to decide whether to appoint, retain or terminate our independent auditors and to pre-approve all audit, audit-related and other services, if any, to be provided by the independent auditors; and to prepare this Report. The Board of Directors has determined that each member of the Audit Committee is "independent" within the meaning of the rules of both the AMEX and the SEC. The Board of Directors has also determined that each member is financially literate and at least one member of the Audit Committee has accounting or related financial management expertise, as such qualifications are defined under the rules of the AMEX, and that Mr. Jeffrey Fuller is an "audit committee financial expert" within the meaning of the rules of the SEC.

Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles and the establishment and effectiveness of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for performing an independent audit of the financial statements in accordance with generally accepted auditing standards. The independent auditors have free access to the Audit Committee to discuss any matters they deem appropriate.

In performing its oversight role, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61,

12

Communication with Audit Committees, as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the auditors the auditors' independence. All non-audit services performed by the independent auditors must be specifically pre-approved by the Audit Committee or a member thereof.

During fiscal 2003, the Audit Committee performed all of its duties and responsibilities under the Audit Committee Charter. In addition, based on the reports and discussions described in this Report, the Audit Committee recommended to the Board of Directors that the audited financial statements of Milestone for fiscal 2003 be included in its Annual Report on Form 10-KSB for such fiscal year.

Each of the permitted non-audit services has been pre-approved by the Audit Committee or the Audit Committee's Chairman pursuant to delegated authority by the Audit Committee, other than de minimus non-audit services for which the pre-approval requirements are waived in accordance with the rules and regulations of the SEC.

Audit Committee Pre-Approved Policies and Procedures

The Audit Committee will pre-approve audit services and non-audit services to be provided by the Company's independent auditors before the accountant is engaged to render these services. The Audit Committee may consult with management in the decision-making process, but may not delegate this authority to management. The Audit Committee may delegate its authority to pre-approve services to one or more committee members, provided that the designees present the pre-approvals to the full committee at the next committee meeting.

Certain Relationships and Related Transactions

In January 2002, the Company issued 108,333 units to K. Tucker Andersen, each comprised of one share of common stock and one five-year warrant to purchase one share of common stock at prices increasing from \$2.40 to \$6.00, in consideration for \$250,000. The Company also issued to Mr. Andersen, in January 2002, 11,280 additional units in repayment of interest in the amount of \$27,072 accrued under a \$500,000 line of credit.

As of September 30 and November 10, 2003 the Company issued an aggregate of 147,011 shares of common stock to Mr. Osser in repayment of \$404,459 of principal and accrued interest on the 6%/12% notes and the prior extension of these notes, an aggregate of 779,184 shares of common stock to K. Tucker Andersen, in satisfaction of \$2,345,304 of principal and accrued interest on the 6%/12%, 8% and 10% notes and the prior extension of these notes and an aggregate of 660,257 shares of common stock to Cumberland Associates, LLC, in satisfaction

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

of \$1,816,450 of principal and accrued interest on the 6%/12% notes and the prior extension of these notes. The shares issued to Mr. Osser, Mr. Andersen and Cumberland Associates, represented their share of common stock issued to the holders of that debt in the aggregate amount of approximately \$5 million, including accrued interest, and Mr. Osser, Mr. Andersen and Cumberland Associates received no extra or special benefit that was not shared on a pro rata basis by all of the holders of that debt.

On October 9, 2003 the Company reached an agreement to satisfy \$1,265,545 of debt and accrued interest due to a major investor, K. Tucker Andersen, and \$435,985 of debt and accrued interest and \$640,000 of deferred compensation due to the Company's Chief Executive Officer and Chairman, Leonard Osser. Of the total debt and accrued interest due to Messrs. Andersen and Osser, and the deferred compensation owed to Mr. Osser, \$1,604,204 and \$384,000, respectively were paid February 24, 2004 through the issuance of 241,988 and 61,350 units valued at the initial offering price. The remaining \$97,326 of indebtedness to Messrs. Andersen and Osser and \$256,000 of deferred compensation to Mr. Osser was paid in cash on February 23, 2004. The cash portion of the total payment represents the estimated tax on the interest and compensation.

Additionally, the technology underlying our SafetyWand, the CompuFlo and an improvement to the controls for CompuDent were developed by our Director of Clinical Affairs and assigned to us. Upon sale of products using any such technology we will owe him a 5% royalty on the total sales price, or, if technology covered by other patents is also used by the product, on an allocated part of the sales price. In addition, he is granted, pursuant to the agreement, an option to purchase, at fair market value on the date of the grant, 8,333 shares of our common stock upon the issuance of each additional patent relating to these technologies.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent (10%) of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Officers, directors and greater than ten percent (10%) stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the best of the Company's knowledge, based solely on review of the copies of such forms furnished to the Company, or written representations that no other forms were required, the Company believes that all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent (10%) shareholders were complied with during 2003.

3. Administration.

The Plan, except as may otherwise be determined by the Board, shall be administered by the Committee, the members of which shall be "nonemployee directors" under Rule 16b-3 and "outside directors" under Section 162(m) of the Code.

The Committee shall have the authority in its discretion, subject to and not inconsistent with the express provisions of the Plan, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan, including, without limitation, the authority to grant Options; to determine which Options shall constitute Incentive Stock Options and which Options shall constitute Nonqualified Stock Options; to determine the purchase price of the shares of Common Stock covered by each Option; to determine the persons to whom, and the time or times at which awards shall be granted; to determine the number of shares to be covered by each award; to interpret the

Plan; to prescribe, amend and rescind rules and regulations relating to the Plan; to determine the terms and provisions of the Agreements (which need not be identical) and to cancel or suspend awards, as necessary; and to make all other determinations deemed necessary or advisable for the administration of the Plan.

The Committee may not delegate its authority to grant Options. The Committee may employ one or more persons to render advice with respect to any responsibility the Committee may have under the Plan. The Board shall have sole authority, unless expressly delegated to the Committee, to grant Options to Nonemployee Directors. All decisions, determination and interpretations of the Committee shall be final and binding on all Optionees of any awards under this Plan.

C-3

The Board shall have the authority to fill all vacancies, however caused, in the Committee. The Board may from time to time appoint additional members to the Committee, and may at any time remove one or more Committee members. One member of the Committee shall be selected by the Board as chairman. The Committee shall hold its meetings at such times and places as it shall deem advisable. All determinations of the Committee shall be made by a majority of its members either present in person or participating by conference telephone at a meeting or by written consent. The Committee may appoint a secretary and make such rules and regulations for the conduct of its business as it shall deem advisable, and shall keep minutes of its meetings.

No member of the Board or Committee shall be liable for any action taken or determination made in good faith with respect to the Plan or any award granted hereunder.

4. Eligibility.

Awards may be granted to officers and other key employees of and consultants to the Company, and its Subsidiaries, including officers and directors who are employees, and to Nonemployee Directors. In determining the persons to whom awards shall be granted and the number of shares to be covered by each award, the Committee shall take into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Committee shall deem relevant in connection with accomplishing the purpose of the Plan.

5. Stock.

The maximum number of shares of Common Stock reserved for the grant of awards under the Plan shall be 500,000, subject to adjustment as provided in Section 9 hereof. Such shares may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be reacquired by the Company.

If any outstanding award under the Plan should for any reason expire, be canceled or be forfeited without having been exercised in full, the shares of Common Stock allocable to the unexercised, canceled or terminated portion of such award shall (unless the Plan shall have been terminated) become available for subsequent grants of awards under the Plan.

6. Terms and Conditions of Options.

Each Option granted pursuant to the Plan shall be evidenced by an Agreement, in such form and containing such terms and conditions as the Committee shall from time to time approve, which Agreement shall comply with and

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

be subject to the following terms and conditions, unless otherwise specifically provided in such Option Agreement:

(a) Number of Shares. Each Option Agreement shall state the number of shares of Common Stock to which the Option relates.

(b) Type of Option. Each Option Agreement shall specifically state that the Option constitutes an Incentive Stock Option or a Nonqualified Stock Option.

(c) Option Price. Each Option Agreement shall state the Option Price, which shall not be less than one hundred percent (100%) of the Fair Market Value of the shares of Common Stock covered by the Option on the date of grant unless, with respect to Nonqualified Stock Options, otherwise determined by the Committee. The Option Price shall be subject to adjustment as provided in Section 9 hereof. The date as of which the Committee adopts a resolution expressly granting an Option shall be considered the day on which such Option is granted, unless such resolution specifies a different date.

(d) Medium and Time of Payment. The Option Price shall be paid in full, at the time of exercise, in cash.

C-4

(e) Exercise Schedule and Period of Options. Each Option Agreement shall provide the exercise schedule for the Option as determined by the Committee; provided, however, that, the Committee shall have the authority to accelerate the exercisability of any outstanding Option at such time and under such circumstances as it, in its sole discretion, deems appropriate. The exercise period shall be ten (10) years from the date of the grant of the Option unless otherwise determined by the Committee; provided, however, that, in the case of an Incentive Stock Option, such exercise period shall not exceed ten (10) years from the date of grant of such Option. The exercise period shall be subject to earlier termination as provided in Sections 6(f) and 6(g) hereof. An Option may be exercised, as to any or all full shares of Common Stock as to which the Option has become exercisable, by written notice delivered in person or by mail to the Secretary of the Company, specifying the number of shares of Common Stock with respect to which the Option is being exercised.

(f) Termination. Except as provided in this Section 6(f) and in Section 6(g) hereof, an Option may not be exercised unless (i) with respect to an Optionee who is an employee of the Company, the Optionee is then in the employ of the Company or a Subsidiary (or a company or a Parent or Subsidiary company of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Optionee has remained continuously so employed since the date of grant of the Option and (ii) with respect to an Optionee who is a Nonemployee Director, the Optionee is then serving as a member of the Board or as a member of a board of directors of a company or a Parent or Subsidiary company of such company issuing or assuming the Option. In the event that the employment of an Optionee shall terminate or the service of an Optionee as a member of the Board shall cease (other than by reason of death, Disability, or Cause), all Options of such Optionee that are exercisable at the time of such termination may, unless earlier terminated in accordance with their terms, be exercised within ninety (90) days after the date of such termination or service (or such different period as the Committee shall prescribe).

(g) Death or Disability of Optionee. If an Optionee shall die while employed by the Company or a Subsidiary or serving as a member of the Board, or within ninety (90) days after the date of termination of such Optionee's

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

employment or cessation of such Optionee's service (or within such different period as the Committee may have provided pursuant to Section 6(f) hereof), or if the Optionee's employment shall terminate or service shall cease by reason of Disability, all Options theretofore granted to such Optionee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Optionee or by his beneficiary, at any time within one year after the death or Disability of the Optionee (or such different period as the Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Optionee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. Unless otherwise determined by the Committee, Options not otherwise exercisable on the date of termination of employment shall be forfeited as of such date.

(h) Other Provisions. The Option Agreements evidencing awards under the Plan shall contain such other terms and conditions not inconsistent with the Plan as the Committee may determine, including penalties for the commission of competitive acts.

7. Nonqualified Stock Options.

Options granted pursuant to this Section 7 are intended to constitute Nonqualified Stock Options and shall be subject only to the general terms and conditions specified in Section 6 hereof.

8. Incentive Stock Options.

Options granted pursuant to this Section 8 are intended to constitute Incentive Stock Options and shall be subject to the following special terms and conditions, in addition to the general terms and conditions specified in Section 6 hereof. An Incentive Stock Option may not be granted to a Nonemployee Director or a consultant to the Company.

(a) Value of Shares. The aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the shares of Common Stock with respect to which Incentive Stock Options granted

under this Plan and all other option plans of any subsidiary become exercisable for the first time by each Optionee during any calendar year shall not exceed \$100,000.

(b) Ten Percent Stockholder. In the case of an Incentive Stock Option granted to a Ten Percent Stockholder, (i) the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value of the shares of Common Stock on the date of grant of such Incentive Stock Option, and (ii) the exercise period shall not exceed five (5) years from the date of grant of such Incentive Stock Option.

9. Effect of Certain Changes.

(a) In the event of any extraordinary dividend, stock dividend, recapitalization, merger, consolidation, stock split, warrant or rights issuance, or combination or exchange of such shares, or other similar transactions, each of the number of shares of Common Stock available for awards, the number of such shares covered by outstanding awards, and the price per share of Options, as appropriate, shall be equitably adjusted by the Committee to reflect such event and preserve the value of such awards.

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

(b) Upon the occurrence of a Change in Control, each Option granted under the Plan and then outstanding but not yet exercisable shall thereupon become fully exercisable.

10. Surrender and Exchange of Awards.

The Committee may permit the voluntary surrender of all or a portion of any Option granted under the Plan or any option granted under any other plan, program or arrangement of the Company or any Subsidiary ("Surrendered Option"), to be conditioned upon the granting to the Optionee of a new Option for the same number of shares of Common Stock as the Surrendered Option, or may require such voluntary surrender as a condition precedent to a grant of a new Option to such Optionee. Subject to the provisions of the Plan, such new Option may be an Incentive Stock Option or a Nonqualified Stock Option, and shall be exercisable at the price, during such period and on such other terms and conditions as are specified by the Committee at the time the new Option is granted.

11. Period During Which Awards May Be Granted.

Awards may be granted pursuant to the Plan from time to time within a period of ten (10) years from the date the Plan is adopted by the Board, or the date the Plan is approved by the shareholders of the Company, whichever is earlier, unless the Board shall terminate the Plan at an earlier date.

12. Nontransferability of Awards.

Except as otherwise determined by the Committee, awards granted under the Plan shall not be transferable otherwise than by will or by the laws of descent and distribution, and awards may be exercised or otherwise realized, during the lifetime of the Optionee, only by the Optionee or by his guardian or legal representative.

13. Approval of Shareholders.

The Plan shall take effect upon its adoption by the Board and shall terminate on the tenth anniversary of such date, but the Plan (and any grants of awards made prior to the shareholder approval mentioned herein) shall be subject to the approval of Company's shareholders, which approval must occur within twelve months of the date the Plan is adopted by the Board.

14. Agreement by Optionee Regarding Withholding Taxes.

If the Committee shall so require, as a condition of exercise of a Nonqualified Stock Option (a "Tax Event"), each Optionee who is not a Nonemployee Director shall agree that no later than the date of the Tax Event, such Optionee will pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the Tax Event. Alternatively, the Committee may provide that such an Optionee may elect, to the extent permitted or required by law, to

C-6

have the Company deduct federal, state and local taxes of any kind required by law to be withheld upon the Tax Event from any payment of any kind due the Optionee. The withholding obligation may be satisfied by the withholding or delivery of Common Stock. Any decision made by the Committee under this Section 15 shall be made in its sole discretion.

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

15. Amendment and Termination of the Plan.

The Board at any time and from time to time may suspend, terminate, modify or amend the Plan; provided, however, that, unless otherwise determined by the Board, an amendment that requires stockholder approval in order for the Plan to continue to comply with Rule 16b-3, Section 162(m) of the Code or any other law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of stockholders. Except as provided in Section 9(a) hereof, no suspension, termination, modification or amendment of the Plan may adversely affect any award previously granted, unless the written consent of the Optionee is obtained.

16. Rights as a Shareholder.

An Optionee or a transferee of an award shall have no rights as a shareholder with respect to any shares covered by the award until the date of the issuance of a stock certificate to him for such shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 9(a) hereof.

17. No Rights to Employment or Service as a Director or Consultant.

Nothing in the Plan or in any award granted or Agreement entered into pursuant hereto shall confer upon any Optionee the right to continue in the employ of the Company or any Subsidiary or as a member of the Board or a consultant to the Company or any Subsidiary or to be entitled to any remuneration or benefits not set forth in the Plan or such Agreement or to interfere with or limit in any way the right of the Company or any such Subsidiary to terminate such Optionee's employment or service. Awards granted under the Plan shall not be affected by any change in duties or position of an employee Optionee as long as such Optionee continues to be employed by the Company or any Subsidiary.

18. Beneficiary.

An Optionee may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Optionee, the executor or administrator of the Optionee's estate shall be deemed to be the Optionee's beneficiary.

19. Governing Law.

The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware.
