expands the composition of
its Board of Directors

Paris, November 18, 2004 - (Euronext: EXHO.PA/NYSE: SDX) - On November 16, 2004, the Board of Directors of Sodexho Alliance met under the chairmanship of Pierre Bellon to close the accounts for the year ended August 31, 2004 and propose for shareholder approval the expansion of its Board of Directors.

I. 2003-2004 Results

The 2003-2004 financial results reflect Sodexho's sound financial condition:

- o 11.5 billion euro in revenues, 4.1% in organic growth and 20% of revenues generated from services other than in food.
- o Excluding the currency effects:
 - o EBITA increased by 7% to 515 million euro.
 - o Group net income rose by 21% to 183 million euro.
 - o Operating cash flow totaled 451 million euro, confirming the Group's excellent financial model.

With Sodexho operating in 76 countries, all aspects of the Group's financial reporting were automatically impacted by currency effects and in particular by the roughly 11% drop in the dollar during fiscal 2004. However, these exchange rate variations do not result in operating risks, since each subsidiary's revenues and expenses are in the same currency.

2003-2004 Results in (euro) millions	Fiscal year ended Aug. 31, 2004	Fiscal year ended Aug. 31, 2003	% change at current exchange rates
Revenues	11,494	11,687	-1.6%
EBITA	515	514	0.4%
Net financial expense	(118)	(152)	NM

Net exceptional income (expense)	(33)	1	NM
Income tax	(109)	(134)	NM
Group net income	183	162	13.0%
Earnings per share before goodwill amortization (in euro)	1.53	1.41	8.3%
Earnings per share after goodwill amortization (in euro)	1.15	1.02	13.0%
Operating cash flow	451	390	15.5%

In fiscal 2004, organic growth in revenues at a constant consolidation scope and excluding currency effects amounted to 4.1%, an improvement over the 3.1% growth reported in fiscal 2003.

o In Food and Management Services, revenues totaled 11.2 billion euro. Organic growth amounted to 4%, including 2.9% in Business and Industry, 3.4% in Healthcare and a strong performance of 6.7% in Education.

o In Service Vouchers and Cards, revenues totaled 249 million euro, with organic growth of 6.6%, while issue volume increased by 11.2%.

EBITA amounted to 515 million euro, an increase of 0.4%. Excluding currency effects, organic growth rose by 7.2%. Operating margin totaled 4.5%, versus 4.4% in fiscal 2003

This growth resulted mainly from the improved performance of our United Kingdom and Ireland subsidiary and good results in Latin America, Asia-Pacific, Remote Sites and Service Vouchers and Cards.

In the United Kingdom and Ireland, operating results improved in most segments, resulting in a significant 35% increase in EBITA to 28 million euro.

In North America, EBITA was on a par with fiscal 2003, excluding currency effects, despite delays in contract variation discussions with the US Marine Corps.

In Continental Europe, EBITA increased by 2.4%. Two elements weighed on our performance: a doubtful debt provision booked for a major client in Italy; and problems in the school meal delivery activity in the Paris area.

A decrease in net interest expense and a lower effective tax rate contributed to a strong increase in Group net income, notwithstanding exceptional expenses of 33 million euro.

Group net income, after exceptional items, totaled 183 million euro, an increase of 13%, and of 21% excluding currency effects. Earnings per share increased proportionally.

Operating cash flow increased by 15% to 451 million euro despite a negative

currency effect of 7%.

Net debt decreased by 294 million euro, including 57 million euro due to currency effects. At 31 of August 2004, net debt of 919 million euro represents 41% of shareholders' equity.

At the Annual Meeting on February 8, 2005, the Board of Directors will ask shareholders to approve :

- o In line with the growth in net income, an increase of 15% in dividend per share to 0.70 euro. Subject to shareholder approval, the dividend payment will be on March 4, 2005.

II. Expansion of our Board of Directors

The Board of Directors is proposing to expand its composition to better reflect the Group's international presence and integrate new skills. At the Annual Meeting on February 8, 2005, shareholders will also be asked to elect the following directors:

Mr. Thompson, who recently left the PepsiCo Beverages International senior management team, has been a member of the Board of Directors of Syngenta since 2000. A US citizen, he will bring to the Board his skills in Sales and Marketing and his knowledge of international business.

Speaking on behalf of the Board of Directors, Pierre Bellon would like to thank Edouard de Royere for his excellent contribution to the Board since 1996 and in particular for his leadership of the Audit Committee.

Subject to approval of these proposals by shareholders at the Annual Meeting, the Board will be composed of 14 members:
