PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JUNE 13, 2017

This Proxy Statement is furnished by the Board of Directors (the “Board”) of Wilhelmina International, Inc., a Delaware corporation (the “Company,” “we,” “our” or “us”), in connection with the Board’s solicitation of proxies for use at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held on June 13, 2017, at our offices at 200 Crescent Court, Suite 1400, Dallas, Texas 75201, at 10:00 a.m., local time, or at any adjournment or postponement thereof. This Proxy Statement is being mailed to stockholders beginning on or around April 28, 2017.

Questions and Answers About the Annual Meeting and Voting

Q: Why did I receive this Proxy Statement?

A: The Board is soliciting your proxy to vote at the Annual Meeting because you were a stockholder at the close of business on April 21, 2017, the record date for the Annual Meeting (the “Record Date”), and are entitled to vote at the Annual Meeting.

This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares.

Q: What information is contained in this Proxy Statement?

A: The information in this Proxy Statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of directors and certain executive officers, and certain other required information.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your shares are registered directly in your name with our transfer agent, Securities Transfer Corporation (the "Transfer Agent"), you are considered, with respect to those shares, the "stockholder of record." This Proxy Statement, our 2016 Annual Report on Form 10-K (the "2016 Annual Report"), and a proxy card have been sent directly to you by the Company.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name. This Proxy Statement and the 2016 Annual Report have been forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone or the Internet. You may not vote these shares in person at the Annual Meeting unless you obtain a proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares at the meeting.

Q: What am I voting on at the Annual Meeting?

A: You are voting on the following matters:

Election of seven directors to serve until the next Annual Meeting of Stockholders and until their successors are duly elected and qualify;

An amendment to our Restated Certificate of Incorporation to eliminate any class of preferred stock from the shares of capital stock the Company is authorized to issue;

An amendment to our Restated Certificate of Incorporation to decrease the number of shares of common stock the Company is authorized to issue from 12,500,000 shares to 9,000,000 shares;

Ratification of the appointment of Montgomery Coscia Greilich LLP (“MCG”) as the Company’s independent registered public accounting firm for fiscal year 2017; and

The transaction of such other business as may properly be brought before the Annual Meeting.

The Board recommends a vote “FOR” the election of each of its director nominees and “FOR” each of the other proposals described in this Proxy Statement.

Q: How do I vote?

A: You may vote using any of the following methods:

By proxy card or voting instruction card. Be sure to complete, sign and date the card and return it in the prepaid envelope.

By telephone or the Internet. This is allowed if you are a beneficial owner of shares and your broker, bank or nominee offers this alternative.

In person at the Annual Meeting. All record stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a proxy from your broker, bank or nominee and present it to the inspector of election with your ballot when you vote at the Annual Meeting.

Q: What can I do if I change my mind after I vote my shares?

A: If you are a stockholder of record, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

- sending written notice of revocation to our Corporate Secretary;
- submitting a new proxy dated later than the date of the revoked proxy; or
- attending the Annual Meeting and voting in person.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your broker, bank or nominee. You may also vote in person at the Annual Meeting if you obtain a proxy from your broker, bank or nominee. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Q: What if I return a signed proxy card, but do not vote for the matters listed on the proxy card?

If you return a signed proxy card without indicating your vote, your shares will be voted, in accordance with the Board's recommendation, "FOR" the election of each of its director nominees and "FOR" each of the other proposals described in this Proxy Statement.

Q: Can my broker vote my shares for me?

Brokers and nominees who have record ownership of shares held in "street name" (i.e., for account holders who are the beneficial owners of the shares) have the discretion to vote such shares on routine matters, but not on other matters. Brokers and nominees will have discretionary authority to vote on the ratification of auditors but will not have discretionary authority to vote on the election of directors or any of the other proposals described in this Proxy Statement. Please provide voting instructions to your broker or nominee so your vote can be counted.

Q: Can my shares be voted if I do not return my proxy card or voting instruction card and do not attend the Annual Meeting?

A: If you do not vote your shares held of record (registered directly in your name, not in the name of a broker, bank or nominee), your shares will not be voted.

If your shares are held in street name and you do not provide voting instructions to your broker, bank or nominee, your broker, bank or nominee may nonetheless submit a proxy reflecting a "broker non-vote." Broker non-votes will be considered present for purposes of determining a quorum at the Annual Meeting but not for any other purpose. Therefore, broker non-votes will not affect the outcome of any matter considered at the Annual Meeting.

Q: How are votes counted?

For the election of directors, you may vote "FOR" all or some of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. For the other proposals described in this Proxy Statement, you may vote "FOR" or "AGAINST" each proposal or you may "ABSTAIN" from voting on any proposal.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, you may vote "FOR" all or some of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. You may not cumulate your votes. Thus, a stockholder is not entitled to cumulate his votes and cast them all for any single nominee or to spread his votes, so cumulated, among more than one nominee. Directors will be elected by a plurality of the votes cast at the Annual Meeting.

With respect to each other item of business, you may vote “FOR,” “AGAINST” or “ABSTAIN.” Approval of each proposed amendment to our Restated Certificate of Incorporation requires the affirmative vote of the holders of a majority of all issued and outstanding shares of our common stock. For all other matters to be brought before the meeting, the affirmative vote of the holders of a majority of the outstanding shares entitled to vote and represented in person or by proxy at the Annual Meeting (excluding broker non-votes) will decide the question. Therefore, if you “ABSTAIN” with respect to any matter, the abstention has the same effect as a vote “AGAINST.”

Q: How many votes do I have?

A: You are entitled to one vote for each share of common stock, \$0.01 par value per share, of the Company that you hold. As of the Record Date, there were 5,381,668 shares of our common stock issued and outstanding.

Q: What happens if a director nominee does not stand for election?

If for any reason any nominee does not stand for election, any proxies we receive will be voted in favor of the remainder of the nominees and may be voted for a substitute nominee in place of any nominee who does not stand. We have no reason to expect that any nominee will not stand for election.

Q: What happens if additional matters are presented at the Annual Meeting?

Other than the items of business described in this Proxy Statement, we are not aware of any other business to be brought before the Annual Meeting. If you grant a proxy, the person named as proxy holder will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A majority of the 5,381,668 shares of our common stock issued and outstanding as of the Record Date, represented in person or by proxy, constitutes a quorum at the Annual Meeting. If a quorum is not present, in person or by proxy, the Annual Meeting may be postponed or adjourned from time to time until a quorum is obtained.

Q: How can I attend and vote my shares in person at the Annual Meeting?

A: You are entitled to attend the Annual Meeting only if you were a stockholder as of the close of business on the Record Date, or you hold a valid proxy for the Annual Meeting. You should be prepared to present photo identification for admittance. In addition, if you are a stockholder of record, your name will be verified against the list of stockholders of record on the Record Date prior to your being admitted to the Annual Meeting. If you are not a stockholder of record but hold shares through a broker, bank or nominee (i.e., in street name), you may be required to provide evidence of your ownership (such as your most recent account statement prior to the Record Date, a copy of the voting instruction card provided by your broker, bank or nominee, or other similar evidence of ownership) in order to be admitted to the Annual Meeting.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy card or voting instruction card as described herein so that your vote will be counted if you later decide not to attend the Annual Meeting.

Q: What is the deadline for voting my shares?

If you hold shares as the stockholder of record, your vote by proxy must be received before the polls close at the Annual Meeting. If you hold shares beneficially in street name with a broker, bank or nominee, please follow the voting instructions provided by your broker, bank or nominee.

Q: Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except (a) as necessary to meet applicable legal requirements, (b) to allow for the tabulation of votes and certification of the vote, and (c) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy card, which are then forwarded to our management.

Q: Where can I find the voting results of the Annual Meeting?

We intend to announce preliminary voting results at the Annual Meeting and publish final voting results in a Current Report on Form 8-K to be filed with the U.S. Securities and Exchange Commission (the "SEC") within four business days after the Annual Meeting.

Q: How may I obtain a copy of the 2016 Annual Report and other financial information?

Proposals to be voted on at the annual meeting

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

There are seven nominees for election to the Board at the Annual Meeting to serve until the next Annual Meeting of Stockholders and until their successors are duly elected and qualify. All of the nominees currently serve as directors of the Company. Proxies may not be voted with respect to more than seven individuals in the election of directors at the Annual Meeting.

Except where authority to vote for a director has been withheld, the proxies received pursuant to this solicitation will be voted "FOR" the nominees named below. If for any reason any nominee does not stand for election, such proxies will be voted in favor of the remainder of the nominees and may be voted for a substitute nominee in place of the nominee who did not stand. We have no reason to expect that any of the nominees will not stand for election. The election of directors will be determined by a plurality of the shares voted at the Annual Meeting.

Arrangements Regarding Election of Directors

In 2008, Mr. Esch and his affiliate, Lorex Investments AG (collectively, the "Esch Parties"), Brad Krassner and his affiliate, Krassner Family Investments Limited Partnership (collectively the "Krassner Parties") and Newcastle LP entered into a Mutual Support Agreement with respect to the election of directors to the Board. The Mutual Support Agreement was subsequently amended in 2010 to provide for the election of independent directors. The Krassner Parties ceased to have any rights or obligations under the Mutual Support Agreement (as amended, the "MSA") upon becoming the beneficial owner of less than 5% of the outstanding shares of the Company's common stock in 2012. The MSA will terminate upon the earlier of (a) the written agreement of the remaining parties, or (b) either the Esch Parties or Newcastle LP becoming the beneficial owner of less than 5% of the outstanding shares of the common stock of the Company.

Pursuant to the MSA, the Esch Parties and Newcastle LP have agreed to use their commercially reasonable efforts (including the voting of all of their shares) to cause the Board to at all times be comprised of seven directors which include (a) three persons designated by Newcastle LP, (b) one person designated by Mr. Esch, (c) one additional person designated by Newcastle LP from a list of four independent candidates proposed by Mr. Esch, and (d) one additional person designated by Mr. Esch from a list of four independent candidates proposed by Newcastle LP. The MSA contains detailed provisions concerning the characteristics of the independent candidates to be proposed by each of Mr. Esch and Newcastle LP for selection by the other.

Messrs. Schwarz, Coleman and Dvorak have been elected to the Board as designees of Newcastle LP under the MSA and Mr. Esch has been elected to the Board as his own designee. In addition, pursuant to the MSA, Mr. Utz has been elected to the Board as an independent director proposed by Mr. Esch and designated by Newcastle LP and Mr. Pape has been elected to the Board as an independent director proposed by Newcastle LP and designated by Mr. Esch. Mr. Roddey was initially elected to the Board as an independent director proposed by Mr. Esch and designated by Newcastle LP, but was not re-proposed by Mr. Esch for election at the 2013 Annual Meeting of Stockholders. However, in November 2013, the Board elected Mr. Roddey as a director to fill the vacancy previously created by the resignation of Mr. Krassner in September 2012.

PROPOSALS NO. 2 & 3 – INTRODUCTION

The Restated Articles of Incorporation of the Company presently authorize the issuance of 22,500,000 shares of capital stock consisting of 12,500,000 shares of common stock, par value \$0.01 per share, and 10,000,000 shares of preferred stock, par value \$0.01 per share. On April 4, 2017, the Board unanimously adopted resolutions proposing amendments of the Restated Articles of Incorporation of the Company to (a) eliminate any class of preferred stock from the shares of capital stock the Company is authorized to issue (the “Preferred Stock Elimination Amendment”), and (b) reduce the number of shares of common stock, \$0.01 par value per share, that the Company is authorized to issue to 9,000,000 shares (the “Common Stock Reduction Amendment”). The primary purpose of each proposed amendment is to reduce the Company’s annual Delaware franchise tax liability. Under Delaware law, each amendment must be approved by the affirmative vote of the holders of a majority of the issued and outstanding shares of our common stock.

The Preferred Stock Elimination Amendment and the Common Stock Reduction Amendment are each independent of the other. Neither proposed amendment is conditioned upon shareholder approval of the other proposed amendment. However, for illustrative purposes only, if both the Preferred Stock Elimination Amendment and the Common Stock Reduction Amendment were to be approved by shareholders and implemented by the Board, the Restated Articles of Incorporation of the Company would be amended by deleting Article 4.2 in its entirety and replacing Article 4.1 with the following Article 4.1:

“4.1 Total Number of Shares of Stock. The total number of shares of all classes of stock that the corporation shall have authority to issue is nine million (9,000,000) shares of common stock, par value \$0.01 per share (‘Common Stock’).”

The Board recommends a vote FOR both Proposal No. 2 approving the Preferred Stock Elimination Amendment and Proposal No. 3 approving the Common Stock Reduction Amendment.

PROPOSAL NO. 2 – APPROVAL OF THE PREFERRED STOCK ELIMINATION AMENDMENT

Article 4.1 of the Restated Articles of Incorporation of the Company presently authorizes the issuance of 10,000,000 shares of preferred stock, par value \$0.01 per share. Article 4.2 of the Restated Articles of Incorporation authorizes the Board to create and issue series of such preferred stock and to fix the number of shares, powers, designations, preferences, rights, qualifications, limitations and restrictions of each such series of preferred stock.

The Board previously filed a Certificate of Designation in accordance with the Restated Articles of Incorporation and Delaware law creating a class of 1,000,000 shares of Series A Junior Participating Preferred Stock issuable in connection with our former shareholder rights plan. However, the shareholder rights plan has expired by its terms and no shares of the Series A Junior Participating Preferred Stock or any other class of preferred stock authorized by the Restated Articles of Incorporation have ever been issued. The Preferred Stock Elimination Amendment would eliminate the presently designated Series A Junior Participating Preferred Stock and remove the Board’s authority to create or issue any other series of preferred stock.

The primary purpose of the Preferred Stock Elimination Amendment is to reduce the Company’s annual Delaware franchise tax liability. Eliminating the authorized preferred stock would also protect the interests of holders of the common stock by precluding the Board from creating and issuing a class of preferred stock with rights, privileges and preferences senior to the common stock.

Under Delaware law, the Preferred Stock Elimination Amendment must be approved by the affirmative vote of the holders of a majority of the issued and outstanding shares of our common stock. Even if approved by shareholders, the Board retains the discretionary authority not to file Articles of Amendment implementing the Preferred Stock Elimination Amendment if it subsequently determines that to do so would not be in the best interests of the Company and its shareholders.

Approval of the Preferred Stock Elimination Amendment is separate from, and not conditioned upon approval of, the Common Stock Reduction Amendment described in Proposal No. 3 below. For illustrative purposes only, if only the Preferred Stock Elimination Amendment were to be approved by shareholders and implemented by the Board, Article 4.2 of the Restated Articles of Incorporation of the Company would be deleted in its entirety and Article 4.1 would be replaced by the following Article 4.1:

“4.1 Total Number of Shares of Stock. The total number of shares of all classes of stock that the corporation shall have authority to issue is twelve million five hundred thousand (12,500,000) shares of common stock, par value \$0.01 per share (‘Common Stock’).”

The Board recommends a vote FOR Proposal No. 2 approving the Preferred Stock Elimination Amendment.

PROPOSAL NO. 3 – APPROVAL OF THE COMMON STOCK REDUCTION AMENDMENT

Article 4.1 of the Restated Articles of Incorporation of the Company presently authorizes the issuance of 12,500,000 shares of common stock, par value \$0.01 per share. The Common Stock Reduction Amendment would reduce the number of shares of our common stock authorized for issuance to a total of 9,000,000 shares. The Common Stock Reduction Amendment would not affect the par value of our common stock or make any change to shares of our common stock which are presently issued (whether outstanding or in treasury). The primary purpose of the Common Stock Reduction Amendment is to reduce the Company’s annual Delaware franchise tax liability.

Under Delaware law, the Common Stock Reduction Amendment must be approved by the affirmative vote of the holders of a majority of the issued and outstanding shares of our common stock. Even if approved by shareholders, the Board retains the discretionary authority not to file Articles of Amendment implementing the Common Stock Reduction Amendment if it subsequently determines that to do so would not be in the best interests of the Company and its shareholders

Approval of the Common Stock Reduction Amendment is separate from, and not conditioned upon approval of, the Preferred Stock Elimination Amendment described in Proposal No. 2 above. For illustrative purposes only, if only the Common Stock Reduction Amendment were to be approved by shareholders and implemented by the Board, Article 4.2 of the Restated Articles of Incorporation of the Company would remain intact and Article 4.1 would be replaced by the following Article 4.1:

“4.1 Total Number of Shares of Stock. The total number of shares of all classes of stock that the corporation shall have authority to issue is nineteen million (19,000,000). Of such shares, (i) nine million (9,000,000) shall be common stock, par value \$0.01 per share (‘Common Stock’), and (ii) ten million (10,000,000) shall be preferred stock, par value \$0.01 per share (‘Preferred Stock’).”

The Board recommends a vote FOR Proposal No. 3 approving the Common Stock Reduction Amendment.

PROPOSAL NO. 4 - RATIFICATION OF APPOINTMENT OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Montgomery Coscia Greilich LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017. Although the selection of MCG does not require ratification, the Board has directed that the appointment of MCG be submitted to stockholders for ratification due to the significance of their appointment to the Company. If stockholders do not ratify the appointment of MCG as the Company's independent registered public accounting firm, the Audit Committee will consider the appointment of other certified public accountants. A representative of MCG is expected to be present at the Annual Meeting, to be available to respond to appropriate questions and to have an opportunity to make a statement.

The Board recommends a vote "FOR" Proposal No. 4 ratifying the selection of MCG as the Company's independent registered public accounting firm for fiscal year 2017.

Corporate Governance

Board Leadership Structure

Our governing documents provide the Board with flexibility to determine the appropriate leadership structure for the Board and the Company, including whether it is appropriate to separate the roles of our Chairman of the Board and our Chief Executive Officer. In making these determinations, the Board considers numerous factors, including the specific needs and strategic direction of the Company and the size and membership of the Board at the time.

Mark E. Schwarz serves as the Executive Chairman of the Company. In such capacity, he functions as both the chairman of the Board and an executive officer with responsibilities for corporate strategy, capital allocation and business acquisitions. William J. Wackermann serves as the President and Chief Executive Officer of the Company but is not a director. The Board believes that this leadership structure is appropriate because it permits Mr. Schwarz to provide Board leadership independent of operational management, while still providing the Company the benefit of his business and investment expertise. As a result, the Board believes that all directors are able to objectively evaluate the management and operations of the Company. The Board also believes that, as a result of his significant beneficial ownership of Common Stock, Mr. Schwarz's role as Executive Chairman enhances the focus of the Board on building stockholder value. (See, *Security Ownership of Certain Beneficial Owners and Management*.)

Board Role in Risk Oversight

Senior management is responsible for assessing and managing the Company's various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. The Board is responsible for overseeing management in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities periodically as part of its meetings, at which the Board regularly discusses areas of material risk to the Company (including operational, financial, legal and regulatory, and strategic and reputational risks), and at meetings of the Audit Committee. In addition, an overall review of risk is inherent in the Board's consideration of the Company's long-term strategies and in the transactions and other matters presented to the Board, including capital expenditures, acquisitions and divestitures, and financial matters.

Director Independence

Annually, as well as in connection with the election or appointment of a new director to the Board, the Board considers the Company's business and other relationships with each director. The Board determines whether directors are "independent" under Nasdaq's listing standards. The Board has determined that Messrs. Esch, Pape, Roddey and Utz are independent under Nasdaq's listing standards. The Board has determined that Messrs. Schwarz, Coleman and Dvorak are not independent under Nasdaq's listing standards.

Meetings and Committees of the Board of Directors

The Board met six times during 2016 and also approved various matters by unanimous written consent. Each of the directors attended at least 75% of the aggregate of (a) the total number of meetings of the Board, and (b) the total number of meetings of all committees of the Board on which he served. The Company has no policy with respect to directors attending the Annual Meeting of Stockholders. One of the incumbent directors was present at the Company's 2016 Annual Meeting of Stockholders.

The Board currently has a separately-designated Audit Committee and Compensation Committee, but does not have a separately-designated Nominating Committee. The Audit Committee met six times during the fiscal year ended December 31, 2016. The Compensation Committee did not meet during 2016 but approved certain matters by unanimous written consent.

Audit Committee

The Audit Committee, among other things, meets with our independent registered public accounting firm and management representatives, recommends to the Board appointment of an independent registered public accounting firm, approves the scope of audits and other services to be performed by the independent registered public accounting firm, considers whether the performance of any professional services by the independent registered public accounting firm other than services provided in connection with the audit function could impair the independence of the independent registered public accounting firm, and reviews the results of audits and the accounting principles applied in financial reporting and financial and operational controls. The independent registered public accounting firm has unrestricted access to the Audit Committee and vice versa.

The incumbent Audit Committee is comprised of Mark E. Pape (chairman), James C. Roddey and Jeffrey R. Utz, each of whom is independent as independence for audit committee members is defined under the listing standards of Nasdaq. The Board has determined that each of Messrs. Pape, Roddey and Utz each qualifies as an "audit committee financial expert," as defined under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Board has adopted a written Charter of the Audit Committee, which is available at <http://wilhelmina.com/new-york/investor-relations>.

Compensation Committee

The Compensation Committee determines policies and procedures relating to compensation, employee stock options and other benefit plans of executive officers and other key employees. Compensation is determined pursuant to discussions and analysis by the Compensation Committee based on factors that may include a review of the individual's performance, the scope of responsibility for the applicable position, the experience level necessary for the applicable position, certain peer group compensation levels and the performance of the Company. The Executive Chairman makes recommendations to the Compensation Committee regarding the amount and form of compensation for the Company's executive officers and other key employees and the Compensation Committee takes such recommendations into account in its review.

The incumbent Compensation Committee is comprised of James C. Roddey (chairman), Mark E. Pape and Jeffrey R. Utz, each of whom is independent under the listing standards of Nasdaq. The Board has adopted a written Charter of the Compensation Committee, which is available at <http://wilhelmina.com/new-york/investor-relations>.

Full Board Serving Function of Nominating Committee

The Company qualifies as a “controlled company” under Nasdaq rules. In reliance on an exemption to Nasdaq rules for a controlled company, the Company does not maintain a separate nominating committee or require that independent directors comprising a majority of the board select nominees for director.

The Company’s full Board currently serves the function of a nominating committee. The Board believes it is appropriate for the Company not to have a nominating committee at this time because, pursuant to the MSA, stockholders holding approximately 64.4% of our outstanding shares have agreed to use their commercially reasonable efforts (including the voting of all of their shares) to cause the Board to at all times be comprised of seven directors which include (a) a total of four nominees directly designated by such holders, and (b) an additional two independent nominees pre-approved by the other party to the MSA. (See, *Proposal No. 1 - Election of Directors – Arrangements Regarding Election of Directors.*) Consequently, as a practical matter, the election of directors to the Board will be controlled by these stockholders for the foreseeable future.

Director Nomination Process

Members of the Board who are parties to the MSA identify prospective candidates to serve as directors, review candidates’ credentials and qualifications, and interview prospective candidates, in accordance with the terms of the MSA. Subject to the terms of the MSA, the members of the Board also consider and discuss other stockholder recommendations for director nominees. Recommendations for director nominees may come from a wide variety of sources, including stockholders, business contacts, community leaders, other third-party sources and members of management. The Board will initially evaluate any such prospective nominee on the basis of his or her resume and other background information that has been made available to the Board and follow up with the prospective nominee. Except with respect to nominations in accordance with the MSA, the Board does not anticipate that the Company will differentiate evaluating nominees based on the source of their nomination. While the Board will consider candidates recommended by stockholders as discussed above, it has not adopted formal procedures to be followed by stockholders for submitting such recommendations in light of the nomination provisions of the MSA, which provides for identification and selection procedures with respect to all but one seat on the Board at this time.

The Board seeks to attract director nominees of personal integrity whose diversity of business background and experience will represent the interests of all stockholders. There is no specific requirement for minimum qualifications or skills that candidates must possess. Director candidates are evaluated based on a number of qualifications, including their judgment, leadership ability, expertise in the industry, experience developing and analyzing business strategies, financial literacy and risk management skills.

Stockholder Communications with the Board

The Board has established a process for stockholders to send communications to the Board. Stockholders may communicate with the Board generally or a specific director at any time by writing to the Company at 200 Crescent Court, Suite 1400, Dallas, Texas 75201, Attn: Corporate Secretary. The Corporate Secretary reviews all messages received, and forwards any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to the Board. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to the Board generally, to the Chairman of the Board. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest are not forwarded to the Board. The Corporate Secretary has the right, but not the obligation, to forward such other communications to appropriate channels within the Company.

Stockholder Proposals

If a stockholder wishes to submit a proposal for inclusion in the Company's proxy statement and form of proxy for the Company's 2018 Annual Meeting of Stockholders, the proposal must be received in proper form at the Company's principal executive offices on or before December 29, 2017 in order to have the proposal included in the proxy materials of the Company for such meeting. If a stockholder wishes to submit a proposal at the 2018 Annual Meeting of Stockholders outside the processes of Rule 14a-8 promulgated under the Exchange Act, the stockholder must notify the Company in writing of such proposal on or before March 14, 2018 in order to have that proposal considered at such meeting.

To be in proper form, a stockholder's notice must include information concerning the proposal. A stockholder who wishes to submit a proposal is encouraged to seek independent counsel with regard to the SEC requirements. The Company may exclude any proposal that does not meet the SEC's requirements for submitting a proposal, and reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements. Notices of intention to submit proposals for or at the Company's 2018 Annual Meeting of Stockholders should be addressed to the Company at 200 Crescent Court, Suite 1400, Dallas, Texas 75201, Attn: Corporate Secretary.

Code of Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics (the "Code of Ethics") that sets forth legal and ethical standards of conduct applicable to all directors, officers and employees of the Company. The Code of Ethics is available on the Company's website at <http://wilhelmina.com/new-york/investor-relations>.

Review, Approval or Ratification of Transactions with Related Persons

The Board reviews all relationships and transactions with the Company in which our directors or executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. The Board is primarily responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related party transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. In addition, the Audit Committee reviews and approves or ratifies any related party transaction that is required to be disclosed pursuant to SEC or Nasdaq rules. In the course of its review and approval or ratification of a related party transaction, the Audit Committee considers: (i) the nature of the related person's interest in the transaction, (ii) the material terms of the transaction, including, without limitation, the amount and type of transaction, (iii) the importance of the transaction to the related person, (iv) the importance of the

transaction to the Company, (v) whether the transaction would impair the judgment of a director or executive officer to act in the best interest of the Company, and (vi) any other matters the Audit Committee deems appropriate. Any member of the Board who is a related person with respect to a transaction under review may not participate in the deliberations or vote respecting approval or ratification of the transaction. (See, *Related Party Transactions*.)

Compensation of Directors

The Company's current standard compensation arrangement for non-employee directors permits each non-employee director to elect to receive either (a) an annual cash retainer of \$28,000, (b) options to purchase 100,000 shares of the Common Stock at the closing price on the date of grant, or (c) a combination of cash retainer and stock options. During fiscal 2016, each non-employee director elected to receive all of his compensation in cash. The Chairman of the Audit Committee and the Compensation Committee each receive an additional annual cash retainer of \$2,500, and each member of the Audit Committee and Compensation Committee receive an additional annual cash retainer of \$1,000.

The employment of Mr. Vaickus was terminated by the Company as of January 26, 2016. Pursuant to the Employment Agreement, Mr. Vaickus was restricted from competing with the Company for a period of one year from the date of termination and is subject to certain covenants of confidential and non-solicitation.

Mr. Chaiken was appointed Chief Accounting Officer of the Company on January 23, 2015, pursuant to an Offer Letter providing for an annual base salary of \$275,000, increasing to \$300,000 upon the satisfaction of certain objectives. Mr. Chaiken was also eligible to earn an annual cash bonus of up to \$40,000 based on the achievement of certain targets. All services to be performed by the Company’s independent registered public accounting firm must be approved in advance by the Audit Committee. Limited amounts of services (other than audit, review or attest services) may be approved by one or more members of the Audit Committee pursuant to authority delegated by the Audit Committee, provided each such approved service is reported to the full Audit Committee at its next meeting. All of the services performed by MCG for the 2016 and 2015 fiscal years were pre-approved by the Audit Committee.

Audit Committee Report

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company’s accounting functions and internal controls. The Audit Committee is currently composed of three directors and acts under a written charter approved and adopted by the Board. The Audit Committee reviews its charter on an annual basis. Each of the members is independent as defined by all Nasdaq and SEC requirements. The Board annually reviews the relevant definitions of independence for audit committee members and makes an annual determination of

the independence of Audit Committee members.

The Board has determined that each member of the Audit Committee is an “audit committee financial expert,” as defined by SEC rules and regulations. This designation does not impose any duty, obligation or liability that is greater than is generally imposed on a member of the Audit Committee and the Board, and designation as an audit committee financial expert does not affect the duty, obligation or liability of any member of the Audit Committee or the Board.

The Audit Committee reviewed and discussed with management the Company’s audited financial statements for the fiscal year ended December 31, 2016. It also discussed with MCG the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board (the “PCAOB”). In addition, the Audit Committee has received the written disclosures and the letter from MCG required by applicable requirements of the PCAOB regarding MCG’s communications with the Audit Committee concerning independence and the Audit Committee discussed with MCG that firm’s independence.

The Audit Committee is responsible for recommending to the Board that the Company's financial statements be included in the Company's annual report. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Company's independent auditor, MCG, is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements to generally accepted accounting principles.

Based on the discussions with MCG concerning the audit, the financial statement review, and other such matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board that the audited financial statements for the fiscal year ended December 31, 2016 be included in the Company's 2016 Annual Report on Form 10-K for filing with the SEC.

Submitted to the Board by the undersigned members of the Audit Committee.
