(ii) Mr. Richard J. Connaughton be elected to the Board, to serve until the annual general meeting of the Company's shareholders to be held in 2013; and

(iii) Mr. Kuk Yi be elected to the Board, to serve until the annual general meeting of the Company's shareholders to be held in 2011.”

The affirmative vote of the holders of a simple majority of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolution.

The Board recommends a vote "FOR" the foregoing proposed resolution.

ITEM 4 – APPROVAL OF AN INCREASE IN THE MAXIMUM AMOUNT FOR WHICH THE
COMPANY MAY PROSPECTIVELY UNDERTAKE TO INDEMNIFY ITS DIRECTORS AND
OFFICERS AND APPROVAL OF THE GRANTING BY THE COMPANY OF A NEW
INDEMNIFICATION UNDERTAKING TO EACH OF ITS DIRECTORS REFLECTING,
AMONG OTHER THINGS, SUCH INCREASE

The Audit Committee and Board believe that in light of the expected expansion in the Company's business as a result of consummating the Merger, it is appropriate to increase the maximum amount of indemnification that the Company and its subsidiaries may prospectively undertake to provide to the Company's directors and officers, all in accordance with and as permitted under applicable law.

Under the Companies Law, a prospective undertaking by a company to indemnify its officers and directors must be approved first by a company's audit committee and then by its board of directors and, with respect to indemnification of directors, subsequently by a company's shareholders.

At the Meeting, the shareholders will be requested to approve an increase in the maximum amount for which the Company and its subsidiaries may prospectively undertake to indemnify the Company's directors and officers, to the greater of \$20 million and 75% of the Company's assets minus its liabilities according to the most recent reviewed or audited consolidated financial statements of the Company prior to the time of payment of the applicable indemnification amount, in the aggregate for all indemnified directors and officers and for all indemnifiable events, subject to the mandatory limitations under applicable law. The Board has determined that considering the scope and the activity of the Company that this amount is reasonable under the circumstances.

The shareholders will also be requested to approve the granting by the Company and its subsidiaries of new indemnification undertakings, substantially in the forms attached hereto as Appendices B and C, to each of its current and future directors reflecting, among other things, such increase. Such indemnification undertakings will replace all previous indemnification undertakings and agreements previously granted to and entered into with the Company's directors. The Board has determined that the indemnifiable events covered by such indemnification undertakings are anticipated in light of the Company's actual current activities.

It is proposed that the following resolutions be adopted at the Meeting:

“RESOLVED, to approve an increase in the maximum amount for which the Company and its subsidiaries may prospectively undertake to indemnify the Company's directors and officers to the greater of \$20 million and 75% of the Company's assets minus its liabilities according to the most recent reviewed or audited consolidated financial statements of the Company prior to the time of payment of the applicable indemnification amount, in the aggregate for all indemnified directors and officers and for all indemnifiable events, subject to the mandatory limitations under applicable law.”

“RESOLVED, to approve the granting by the Company and its subsidiaries of an indemnification undertaking substantially in the form presented to the shareholders to each of the current and future directors of the Company, which indemnification undertakings will replace all previous indemnification undertakings and agreements previously granted to and entered into with the Company’s directors.”

The Audit Committee and the Board have approved the foregoing proposals.

The affirmative vote of the holders of a simple majority of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolutions. In addition, one of the following two alternatives must apply:

(i) The simple majority vote at the meeting approving this matter must include at least one-third of the total votes cast by shareholders having no personal interest in approving this matter and participating in the vote on this matter in person or by proxy (the votes of shareholders who abstain from voting on this matter will be excluded from such calculation); or

(ii) The total number of votes of shareholders who vote against approving this matter at the meeting in person or by proxy (excluding shareholders who abstain from voting on this matter) does not exceed one percent (1%) of the total voting rights in the Company.

The Board and the Audit Committee recommend a vote "FOR" the foregoing proposed resolutions.

**ITEM 5 – APPROVAL OF THE RENEWAL OF THE EXISTING LIABILITY INSURANCE
POLICIES COVERING THE COMPANY’S DIRECTORS AND OFFICERS AND PURCHASE OF
UP TO AN ADDITIONAL \$5,000,000 IN INSURANCE COVERAGE FOR THE COMPANY’S
OFFICERS AND DIRECTORS**

Since the Merger, the Company’s directors and officers have been covered by directors and officers liability insurance of \$10,000,000 traditional insurance covering both indemnifiable and non indemnifiable claims, \$5,000,000 'A' Side Difference in Conditions ('DIC') insurance covering non indemnifiable claims only, and \$5,000,000 'A' Side Difference in Conditions ('DIC') insurance covering non indemnifiable claims only for Mr. Daniel Borislow, the controlling shareholder, the CEO and a director of the Company. The aggregate annual premium under such insurance policies is \$218,000. The Audit Committee and Board have approved the renewal of such policies subject to shareholder approval.

The Audit Committee and Board have determined that in light of the expected expansion in the Company's and its subsidiaries' businesses as a result of consummating the Merger, it may become appropriate to increase the coverage under the directors and officers insurance policies by up to an additional \$5 million, such that the total aggregate coverage under such policies after such increase will be \$25 million. Approval of the increase in insurance coverage would grant management the discretion to increase the insurance coverage at such time as it determines appropriate.

Under the Companies Law, insurance coverage for officers and directors must be approved first by the Company's audit committee and then by its board of directors and, with respect to directors, subsequently by the Company's shareholders.

At the Meeting, the shareholders will be requested to approve the renewal of the existing directors and officers liability insurance policies in the aggregate amount of \$20 million and the future purchase of up to an additional \$5 million in insurance coverage in the aggregate for the Company's directors and officers, in such amounts and under such terms as shall be determined by the Audit Committee and the Board from time to time; provided that the additional \$5 million in insurance coverage shall not cause the annual premiums payable under all such insurance policies to increase by more than 25%. This resolution shall be valid and shall cover the future purchase of directors and officers insurance policies for any coverage period ending no later than December 31, 2013.

It is proposed that the following resolutions be adopted at the Meeting:

“RESOLVED, to approve the renewal of the existing liability insurance policies covering the Company’s directors and officers in the aggregate amount of \$20,000,000, as approved by the Audit Committee and Board and presented to the shareholders.”

“RESOLVED, to approve the future purchase of up to an additional \$5,000,000 in insurance coverage for the Company's directors and officers for any coverage periods ending no later than December 31, 2013, in such amounts and under such terms as shall be determined by the Audit Committee and the Board from time to time; provided that the additional \$5 million in insurance coverage shall not cause the annual premiums payable under all such insurance policies to increase by more than 25%.”

The Audit Committee and the Board have approved the foregoing proposal.

The affirmative vote of the holders of a simple majority of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolution. In addition, one of the following two alternatives must apply:

- (i) The simple majority vote at the meeting approving this matter must include at least one-third of the total votes cast by shareholders having no personal interest in approving this matter and participating in the vote on this matter in person or by proxy (the votes of shareholders who abstain from voting on this matter will be excluded from such calculation); or
- (ii) The total number of votes of shareholders who vote against approving this matter at the meeting in person or by proxy (excluding shareholders who abstain from voting on this matter) does not exceed one percent (1%) of the total voting rights in the Company.

The Board and the Audit Committee recommend a vote "FOR" the foregoing proposed resolutions.

ITEM 6 - APPROVAL OF A PRIVATE PLACEMENT OF ORDINARY SHARES OF THE COMPANY TO MR. DANIEL BORISLOW

The Board believes that it is in the best interests of the Company and its shareholders to purchase ordinary shares, par value NIS 0.65 per share, of the Company (“Ordinary Shares”) by various means and that a repurchase of the Ordinary Shares by the Company would constitute an efficient use of the Company's cash resources that would benefit the Company and its shareholders.

The Company intends to submit to a court in Israel a motion for the use of cash by the Company in an amount of up to US\$12 million, and subject to the receipt of the requisite approval by the court, intends to consummate repurchase(s) of Company Ordinary Shares during the 12 month period following receipt of such approval (or during such longer period as may be permitted under Israeli law) through various transactions, including, but not limited to, open market transactions or privately negotiated transactions, for an aggregate amount in cash of up to US\$12 million, to be implemented in accordance with both U.S. and Israeli laws and regulations (the “Buyback”).

The Companies Law requires that a transaction which results in a shareholder's holdings in a public company reaching 25% of the voting power in such company be effected through a special tender offer unless an exemption is available under the Companies Law. As of November 2, 2010, the percentage holdings of Mr. Daniel Borislow in the Company were 24.96%, and therefore may increase to 25% as a result of the repurchase of Ordinary Shares described above or otherwise. One exemption from the tender offer requirement described above is if the shareholders’ holdings in the

company reach 25% of the company's issued and outstanding share capital as a result of a private placement by the company to the shareholder, and such private placement is approved by the shareholders of the company in accordance with the Companies Law.

Accordingly, the Company's shareholders will be requested at the Meeting to approve a private placement of Ordinary Shares of the Company to Mr. Daniel Borislow (at a per share price equal to the then current market price of the Company's Ordinary Shares, as determined by the Board at the time of allocation) which shall cause his holdings to increase above 25% of the Company's issued and outstanding share capital. Following such approval, Mr. Borislow will not be required to effect a tender offer to the shareholders of the Company upon his holdings reaching 25% of the voting power of the Company.

Under the Companies Law, the terms of a private placement to a controlling shareholder must be approved by a company's audit committee, followed by its board of directors, and then by its shareholders.

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, that a private placement of Ordinary Shares of the Company to Mr. Daniel Borislow (at a per share market price equal to the then current market price of the Company's Ordinary Shares, as determined by the Board at the time of allocation) which shall cause his holdings to increase above 25% of the Company's share capital, is hereby approved and authorized.”

The Audit Committee and the Board have approved the foregoing proposal.

The affirmative vote of the holders of a simple majority of the voting power represented at the Meeting in person or by proxy is necessary for the approval of the foregoing resolution. In addition, one of the following two alternatives must apply:

- (i) The simple majority vote at the meeting approving this matter must include at least one-third of the total votes cast by shareholders having no personal interest in approving this matter and participating in the vote on this matter in person or by proxy (the votes of shareholders who abstain from voting on this matter will be excluded from such calculation); or
- (ii) The total number of votes of shareholders who vote against approving this matter at the meeting in person or by proxy (excluding shareholders who abstain from voting on this matter) does not exceed one percent (1%) of the total voting rights in the Company.

The Board and the Audit Committee recommend a vote "FOR" the foregoing proposed resolution.

**ITEM 7 – APPROVAL OF AN AMENDMENT TO THE COMPANY'S ARTICLES OF
ASSOCIATION TO INCREASE THE MAXIMUM NUMBER OF DIRECTORS THAT MAY BE
ELECTED TO THE BOARD TO ELEVEN (11)**

At the Meeting, the shareholders will be requested to approve an amendment to the Company's Articles of Association pursuant to which the maximum number of directors that the Board of the Company may consist of shall be increased from seven (7) to eleven (11) directors.

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, to amend Article 38 of the Articles of Association of the Company by providing that the maximum number of directors that the Board of Directors of the Company may consist of shall be eleven (11) directors.”

RESOLVED, THAT Article 38 of the Articles shall be amended and replaced in its entirety as follows:

38.

NUMBER OF DIRECTORS

"The Board of Directors of the Company shall consist of not less than two (2) nor more than eleven (11) Directors."

The affirmative vote of the holders of not less than seventy-five percent (75%) of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolution.

The Board recommends a vote "FOR" the foregoing proposed resolution.

11

ITEM 8 - APPROVAL OF AN AMENDMENT TO THE PROVISIONS OF THE
COMPANY'S ARTICLES OF ASSOCIATION ENABLING SHAREHOLDERS TO ELECT
DIRECTORS TO TERMS OF ONE YEAR OR THREE YEARS

The Company's Articles of Association currently provide for a staggered board structure under which the directors of the Company, other than the Company's external directors, are divided into three classes. The members of each class of directors serve on the board until the annual meeting of shareholders held in the third year following the year of their election. At the annual general meeting of the Company's shareholders in each year, the members of one of the classes stand for re-election.

The Board believes that it is in the interest of the Company and its shareholders to remove the staggered board structure. Instead, the Board recommends that the shareholders amend the Company's Articles of Association to provide that the Company's shareholders may elect directors for a term that expires either at the annual meeting of shareholders held in the first year following the year of their election or at the annual meeting of shareholders held in the third year following the year of their election. The term of service for each director would be determined by the shareholders at the time of the election of such director.

Due to the removal of the staggered board structure, the shareholders must address the term of service of Ilan Rosen, whose term of office ends in 2012. The Board recommends that Mr. Rosen's term of service as a director expire at the annual general meeting of the Company's shareholders to be held in 2011 rather than at the annual general meeting of the Company's shareholders to be held in 2012.

At the Meeting, the shareholders will be requested to approve an amendment to Article 39 to reflect the recommended amendment described above.

It is proposed that the following resolutions be adopted at the Meeting:

"RESOLVED, to amend the Articles of Association of the Company by deleting Article 39(a) thereof in its entirety and replacing it with the word "[Reserved]."

"RESOLVED, to amend the Articles of Association of the Company by replacing Article 39(b) thereof with the following paragraph:

'Directors shall be elected at the Annual General Meeting or an Extraordinary Meeting of the Company by the vote of the holders of a majority of the voting power represented at such meeting in person or by proxy and voting on the election of directors. Each Director, except for External Directors, will serve for a term that expires either at the Annual General Meeting held in the first year following the year of his/her election or at the Annual General Meeting held in the third year following the year of his/her election. The term of service for each director would be determined by the shareholders at the time of the election of such director.'

"RESOLVED, that term of service of Ilan Rosen will expire at the annual general meeting of the Company's shareholders held in 2011 rather than at the annual general meeting of the Company's shareholders to be held in 2012."

The affirmative vote of the holders of not less than seventy-five percent (75%) of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolutions.

The Board recommends a vote "FOR" the foregoing proposed resolutions.

ITEM 9 - APPROVAL OF AN AMENDMENT TO THE COMPANY'S ARTICLES OF ASSOCIATION TO CHANGE THE COMPANY'S PAR VALUE PER SHARE FROM 65 AGUROT PER SHARE TO NO PAR VALUE

The Board believes that it is in the best interest of the Company and its shareholders to change the Company's par value per share from 65 agurot per share to no par value, due to difficulties under Israeli law arising from splitting shares that have a par value that is an odd number.

Under the Companies Law, each Israeli company has a share capital number quoted in New Israeli Shekels (NIS), which is calculated as the product of the number of authorized shares of the Company multiplied by the par value of such shares. With respect to companies that have shares of no par value, the Company's authorized share capital number in NIS is equal to the number of its authorized shares. Therefore, cancellation of the par value of the Company's shares will have the result of increasing the Company's authorized share capital to NIS 30 million.

Shareholders should note that approval of Proposal 10 and Proposal 14 below would also affect the authorized share capital of the Company.

It is proposed that the following resolutions be adopted at the Meeting:

“RESOLVED, to cancel the par value of the authorized and issued share capital of the Company (the "Par Value Cancellation") .”; and

“RESOLVED, to amend the Company's Articles of Association and Memorandum of Association to reflect the Par Value Cancellation.”

The affirmative vote of the holders of not less than seventy-five percent (75%) of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolution.

The Board recommends a vote "FOR" the foregoing proposed resolution.

ITEM 10 - INCREASE IN AUTHORIZED SHARE CAPITAL

At the Meeting, the shareholders will be requested to approve an amendment to the Company's Articles of Association and Memorandum of Association to increase the number of shares included in the Company's authorized share capital from 30 million shares to 100 million shares. This increase would apply whether or not the Company's par value per share is changed to no par value as provided in Proposal 9 above and does not take into account any split of the Company's shares as provided in Proposal 14 below.

Shareholders should note that approval of Proposal 9 above and Proposal 14 below would also affect the authorized share capital of the Company.

It is proposed that the following resolutions be adopted at the Meeting:

“RESOLVED, to increase the number of shares included in the Company's authorized share capital to 100 million shares”; and

“RESOLVED, to amend the Company's Articles of Association and Memorandum of Association to such increase.”

The affirmative vote of the holders of not less than seventy-five percent (75%) of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolution.

The Board recommends a vote "FOR" the foregoing proposed resolution.

ITEM 11 - APPROVAL OF THE TERMS OF REMUNERATION OF CERTAIN
DIRECTORS OF THE COMPANY, TO BE EFFECTIVE AS OF THE DATE OF THE MERGER

At the Meeting, the shareholders will be requested to approve the following terms of remuneration of the Company's directors (excluding external directors), effective as of the date of the Merger, which was consummated on July 16, 2010:

- A fixed annual payment of \$20,000 (to be paid quarterly) for service as a member of the Board, plus, if applicable, a fixed annual payment of \$10,000 (to be paid quarterly) for service as a member of each committee of the Board on which the director serves. For the avoidance of any doubt, the fixed payment shall be inclusive of participation in meetings, phone conferences and obtainment of written resolutions of the Board or a committee thereof.
- Reimbursement of business expenses and travel and accommodation expenses incurred in the performance of duties as a member of the Board and/or any Board committee, including, for illustration purposes, business class flying tickets for overseas travels, suitable hotel accommodation, taxi and/or leased vehicles.
- Without derogating from the above, Mr. Ilan Rosen's remuneration for service as a member of the Board or any committee thereof shall be a fixed annual payment (to be paid quarterly), which shall equal US\$100,000. In addition, Mr. Ilan Rosen shall be entitled to an additional annual payment in an amount of up to US\$20,000, subject to the discretion of the Company's Executive and Compensation Committee
- Without derogating from the above, Mr. Daniel Borislow's remuneration for service as a member of the Board or any committee thereof shall be a fixed annual payment (to be paid quarterly), which shall equal US\$200,000 for his service as a member of the Board or any committee thereof, and for serving as Chief Executive Officer of the Company, plus amounts to reimburse Mr. Borislow for expenses he incurs in the ordinary course of business.

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, that the terms of remuneration of the Company's directors, as presented to the Company's shareholders, are hereby approved and authorized, effective as of the date of the Merger.”

The Audit Committee and the Board have approved the foregoing proposal.

The affirmative vote of the holders of a simple majority of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolution. In addition, one of the following two alternatives must apply:

- (i) The simple majority vote at the meeting approving this matter must include at least one-third of the total votes cast by shareholders having no personal interest in approving this matter and participating in the vote on this matter in person or by proxy (the votes of shareholders who abstain from voting on this matter will be excluded from such calculation); or
- (ii) The total number of votes of shareholders who vote against approving this matter at the meeting in person or by proxy (excluding shareholders who abstain from voting on this matter) does not exceed one percent (1%) of the total voting rights in the Company.

The Board and the Audit Committee recommend a vote "FOR" the foregoing proposed resolution.

ITEM 12 –INCREASE OF THE NUMBER OF ORDINARY SHARES UNDERLYING THE COMPANY’S 2003 AMENDED MASTER STOCK OPTION PLAN EVERY SECOND YEAR

The number of ordinary shares underlying the Company’s 2003 Amended Master Stock Option Plan (the “Plan”) as of November 2, 2010 was 611,573, out of which 171,340 are available for future grants under the Plan. The Company’s shareholders will be requested at the Meeting to approve an increase in the number of ordinary shares underlying the Plan by 200,000 ordinary shares every second year. Each such increase will be effected immediately following the annual general meeting of the Company’s shareholders in every second year, starting in 2010, and will replace, commencing in 2010, the annual increase that was approved by the Company’s shareholders at the extraordinary general meeting held on April 11, 2007. The Company believes that such the proposed increase is customary among companies of similar size, scope and complexity to those of the Company, which are engaged in businesses similar to that of the Company. The Company also believes that such increase would give the Company’s Board of Directors flexibility to implement long-term planning of options and/or restricted shares grants on a regular basis.

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, that the number of ordinary shares of the Company underlying the Company’s 2003 Amended Master Stock Option Plan be increased every second year by 200,000 ordinary shares, each such increase to be effected immediately following the annual general meeting of the Company’s shareholders in every second year, starting in 2010.”

The Board has approved the foregoing proposal.

The affirmative vote of the holders of a simple majority of the voting power represented at the Meeting in person or by proxy is necessary for the approval of the foregoing resolution.

The Board recommends a vote "FOR" the foregoing proposed resolution.

ITEM 13 – APPROVAL OF AN AMENDMENT TO THE COMPANY’S 2003 AMENDED MASTER STOCK OPTION PLAN IN ORDER TO ALLOW FOR GRANTS OF SHARES AND RESTRICTED SHARES

The Company’s 2003 Amended Master Stock Option Plan currently provides only for the grant of options to purchase ordinary shares of the Company. The Company’s shareholders will be requested at the Meeting to approve an amendment to the Company’s 2003 Amended Master Stock Option Plan in order to allow grants of shares and restricted shares to the Company’s directors, employees and service providers.

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, that an amendment to the Company’s 2003 Amended Master Stock Option Plan, in order to allow grants of shares and restricted shares to the Company’s directors, employees and service providers, is hereby approved and authorized.”

The Board has approved the foregoing proposal.

The affirmative vote of the holders of a simple majority of the voting power represented at the Meeting in person or by proxy is necessary for the approval of the foregoing resolution.

The Board recommends a vote "FOR" the foregoing proposed resolution.

ITEM 14 - APPROVAL OF A SPLIT OF THE COMPANY'S ORDINARY SHARES, SUCH THAT EVERY THREE ORDINARY SHARES WOULD SPLIT INTO FOUR ORDINARY SHARES, AND AMENDING THE COMPANY'S ARTICLES OF ASSOCIATION TO REFLECT THE SPLIT

The Board believes that it is in the best interest of the Company and its shareholders to effect a split of the Company's ordinary shares, such that every three ordinary shares of the Company would split into four ordinary shares. The proposed split is intended to increase the liquidity of the Company's shares. Approval of the split would grant the Board authority to implement the split at such time as it determines appropriate.

On the effective date of the split, each holder of an ordinary share will be deemed to receive one additional ordinary share for each three ordinary share owned on the effective date. Based upon 11,739,636 issued and outstanding ordinary shares as of November 3, 2010, a three for four split would result in 15,652,848 issued and outstanding ordinary shares.

Shareholders should note that approval of Proposal 9 and Proposal 10 above would also affect the authorized share capital of the Company.

It is proposed that the following resolutions be adopted at the Meeting:

“RESOLVED, to approve the split of the ordinary shares of the Company, such that every three ordinary shares may be split into four ordinary shares; and

RESOLVED, to amend the Company's Articles of Association and Memorandum of Association to reflect the split.”

The affirmative vote of the holders of not less than seventy-five percent (75%) of the voting power represented at the Meeting in person or by proxy is necessary for the approval of the foregoing resolution.

The Board recommends a vote "FOR" the foregoing proposed resolution.

**ITEM 15 - APPROVAL OF AN AMENDMENT TO THE COMPANY'S ARTICLES OF
ASSOCIATION TO REMOVE THE REQUIREMENT TO SEND A SEPARATE NOTICE OF
GENERAL MEETING TO REGISTERED SHAREHOLDERS OF THE COMPANY**

We propose amending Article 25 (Notices of General Meetings; Omission to Give Notice) of our Articles of Association to remove the requirement to send separate notice of a general meeting to registered shareholders of the Company. This amendment is in accordance with the Companies Law and its regulations, and it is intended to simplify the process of convening the General Meeting of Shareholders.

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, that Article 25 (Notices of General Meetings; Omission to Give Notice) of our Articles of Association is hereby revised in its entirety to read as follows:

"Not less than twenty-one (21) days' prior notice shall be given of every General Meeting to all shareholders who would be entitled to attend and vote at such meeting. No separate notice shall be given to registered shareholders of the Company. Each such notice shall specify the place and the day and hour of the meeting and the general nature of each item to be acted upon thereat, said notice to be given to all members who would be entitled to attend and vote at such meeting. Anything therein to the contrary notwithstanding, with the consent of all members entitled to vote thereon, a resolution may be proposed and passed at such meeting although a lesser notice than hereinabove prescribed has been given.”

The affirmative vote of the holders of not less than seventy-five percent (75%) of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolution.

The Board recommends a vote "FOR" the foregoing proposed resolution.

In addition to the foregoing, at the Meeting the shareholders will be requested to consider the directors' report and the financial statements of the Company for the fiscal year ended December 31, 2009, and the Board will report on the auditor's compensation with respect to fiscal year 2009.

OTHER BUSINESS

The Company's management is not aware of any other business to be transacted at the Meeting. However, if any other matters are properly presented to the Meeting, the persons named in the enclosed form of proxy will vote upon such matters in accordance with their best judgment.

Shareholders are urged to complete and return their proxies promptly in order to, among other things, ensure actions by a quorum and to avoid the expense of additional solicitation. If the accompanying proxy is properly executed and returned in time for voting, and a choice is specified, the ordinary shares represented thereby will be voted as indicated therein. If no specification is made, the proxy will be voted in favor of each of the proposals described in this Proxy Statement.

Whereas On _____, 2010, the Audit Committee and the Board of Directors of the Company resolved to approve the undertaking by the Company to indemnify and release the directors and officers of the Company in accordance with the provisions of the Companies Law (as defined below) and the terms of the indemnification and release set out in this Indemnification and Release Undertaking (this “Undertaking”); and

Whereas On _____, 2010, the shareholders of the Company also approved such resolutions; and

Whereas You currently serve or in the past have served or have agreed to serve as an Officer (as defined below) of the Company and/or of one or more Subsidiaries (as defined below) of the Company, and the Company has undertaken to indemnify and release its Officers as set forth in this Undertaking;

Now, therefore, the Company hereby irrevocably undertakes towards you as follows:

In this instrument:

- “Companies Law” - means the Israeli Companies Law, 5759-1999, as such shall be in effect from time to time.
- “Officer” - has the meaning given to such term in the Companies Law, including a director.
- “Proceeding” - any legal proceeding including, but not limited to, a demand of any kind, including an investigation by a competent authority, criminal or civil actions, an action for financial damages and/or application for declaratory judgment.

B - 1

1. Release from Liability

The Company hereby releases you in advance and retroactively, to the fullest extent permitted by law, from any and all liability for any damages that have been or will in the future be caused to the Company or any of its Subsidiaries, directly or indirectly, as a result of a breach of your duty of care to the Company and/or its Subsidiaries, in your capacity as an Officer of the Company or Officer of any Subsidiary at the request of the Company.

The undertakings of the Company under this release will be construed broadly and in a manner that will render them effective and enforceable to the fullest extent permitted by law, in order to achieve their intended purposes.

In the event of any conflict between any provision contained in this release and any provision of applicable law that cannot be overridden or conditioned upon, such provision of law will control without derogating or diminishing from any other provision of this Undertaking.

The foregoing release will not derogate from the Company's indemnification undertakings and obligations hereunder.

2. Indemnification Undertaking

2.1 Without derogating from the Company's right to indemnify you retroactively as permitted by the Articles of Association of the Company, the Company hereby irrevocably undertakes to indemnify you to the maximum extent permitted by applicable law for any liability or expense, as detailed below, that will be imposed upon you or that you will expend in consequence of one or more of the following:

2.1.1 Your actions and/or any consequences thereof in your capacity as an Officer of the Company (including any action that was performed or omitted during the period of your service prior to the date hereof); and

2.1.2 Your actions and/or any consequence thereof in your capacity as an Officer, employee or agent of the Company and/or any Subsidiary or as officer, director, or observer at board of directors' meetings of a company that is not a Subsidiary but where your appointment as an officer, director or observer is at the request of the Company (including any act or omission that was performed or omitted during the period of your service/employment prior to the date hereof);

2.2 Indemnifiable Matters

The indemnification undertaking pursuant to Section 2.1 above will apply with respect to any liability or expense as detailed in this Section 2.2 below that will be imposed upon you or that you will expend by virtue of your service in a capacity described in Section 2.1 above, and which is indemnifiable pursuant to applicable law and the Articles of Association of the Company.

2.2.1 Any financial liability that will be imposed upon you in favor of any other person by court judgment, including a judgment given by way of settlement or arbitrator's award that has been approved by any court, provided that such financial liability pertains, directly or indirectly, to one or more of the events described in Schedule A hereto and/or any portion of them, including by reason of actions that occurred prior to the date of this Undertaking and which events, in the opinion of the Board of Directors of the Company, are foreseeable in light of the Company's actual activity at the time of the grant of this Undertaking, and provided also that the maximum amount of indemnification in respect of all financial liabilities under this Section 2.2.1 will not exceed the amount or the criteria detailed in Section 2.3.1 below, which the Board of Directors of the Company has determined to be reasonable in the circumstances;

2.2.2 All reasonable litigation expenses, including legal fees, that you will expend or be required to pay by a court (a) in a proceeding instituted against you by the Company or on its behalf or by any other person, (b) in any criminal proceeding from which you are acquitted, (c) in any criminal proceeding in which you are convicted of an offence that does not require proof of criminal intent (mens rea), or (d) to the extent permitted by applicable law, any appeal taken from any of the foregoing; and

B - 2

2.2.3 All reasonable litigation expenses, including legal fees, that you will expend as a result of any investigation or proceeding conducted against you by a competent authority that is empowered to conduct such investigation or proceeding, and which (a) is concluded without the filing of an indictment against you and without any financial obligation in lieu of a criminal proceeding being imposed on you, or (b) is concluded without the filing of an indictment against you but with a financial obligation in lieu of a criminal proceeding being imposed on you for an offence that does not require proof of criminal intent (*mens rea*).

2.3

Maximum Indemnification Amount

2.3.1 The amount of indemnification payable by the Company and its Subsidiaries to all Officers, in the aggregate, pursuant to all indemnification undertakings issued by the Company and its Subsidiaries, with respect to financial liabilities detailed in Section 2.2.1 above, will not exceed the greater of: (a) US\$ 20,000,000 (twenty million United States dollars) and (b) an amount equal to 75% (seventy five percent) of the Company's assets minus its liabilities according to the most recent audited consolidated financial statements of the Company prior to the time of payment of the applicable indemnification amount (the "Maximum Indemnification Amount").

2.3.2 It is hereby clarified that payment of the indemnification mentioned above shall not derogate from your right to receive insurance payments with respect to the events described in this Undertaking and/or the reasonable litigation expenses mentioned above and which are insured by an insurance company, if you (or the Company on your behalf) will receive any such payment under any directors and officers insurance policy of the Company. In the event that you actually receive any indemnification payment under any directors and officers insurance policy of the Company in respect of any event that is indemnifiable hereunder, the indemnification hereunder will be paid with respect to the difference between the amount of the financial liability that has been imposed on you and/or the litigation costs that you have expended or become liable for as stated above, and the amount received from the insurer in respect of such matter, provided that the indemnification amount which the Company will become liable for pursuant to this Undertaking in respect of liabilities and expenses as detailed in Section 2.2.1 above will not exceed the Maximum Indemnification Amount.

2.3.3 It is expressly emphasized that the Company's payments hereunder will constitute an "additional tier" over and above the amount of all insurance payments that are paid by the insurer (to the extent that such are paid). If you are required to pay any deductible in respect of the events described in Schedule A hereto and/or in respect of the expenses of a legal defense, then the Company will indemnify you for the amount of the deductible that you will have paid. The Company's obligation to indemnify you as herein stated in respect of the deductible will not be affected if you are insured otherwise than under a policy maintained by the Company for your benefit, provided that you will not be indemnified and/or receive insurance payments more than once for the same event, financial liability or expense. It is further emphasized that this Undertaking is not a contract for the benefit of any third party, including any insurer, and is not assignable, nor will any third party, including any insurer, have any right to demand the Company's participation in the payment for which an insurer is liable under any insurance policy, save for the deductible that is specified in such policy as aforesaid.

2.3.4 If and to the extent the sum of all the indemnification amounts that the Company and/or its subsidiaries will be required to pay to its Officers, with respect to the financial liabilities detailed in Section 2.2.1 above, will at any time exceed the Maximum Indemnification Amount or the balance of the Maximum Indemnification Amount at such time pursuant to Section 2.3.1 above, the Maximum Indemnification Amount or the balance thereof will be divided among the Officers who shall be entitled to indemnification pursuant to all indemnification undertakings issued by the Company and in effect at such time, in a manner whereby the indemnification amount that will actually be payable to each of the Officers so entitled, will be calculated based on the ratio between the amount of the indemnifiable financial liability of such Officer and the aggregate amount of the indemnifiable financial liabilities of all Officers who are so entitled.

B - 3

2.3.5 In the event that the Company and/or its Subsidiaries shall have paid indemnification amounts to the Officers of the Company in respect of financial liabilities detailed in Section 2.2.1 above that in the aggregate equal the Maximum Indemnification Amount, the Company will not be liable to pay any further indemnification amounts in respect of any financial liability or expense detailed in Section 2.2.1 above, unless payment of the additional indemnification amounts will be approved by the organs of the Company that are authorized to approve such increase by law, on or prior to the payment date of the additional indemnification amounts, subject to the adoption of all amendments of the Company's Articles of Association, if any, that may be required by law to be adopted in order to permit the payment of such additional payments.

2.4 Advance Payments

2.4.1 In furtherance and not in limitation of the foregoing provisions, all expenses with respect to which you may become entitled to indemnification pursuant to the provisions of Sections 2.2.2 and 2.2.3 above with respect to any Proceeding (collectively, "Expenses") actually incurred by you in advance of the final disposition of a Proceeding shall be advanced to you by the Company within 10 (ten) business days after the receipt by the Company of a statement or statements from you requesting such advance or advances from time to time. Such statement or statements shall reasonably evidence the Expenses incurred by you. The Company's obligation to advance Expenses pursuant to this Section 2.4.1 shall be contingent upon you providing an undertaking in which you agree to repay all amounts so advanced pursuant to the provisions of Section 2.10 below if it should be ultimately determined by a court or other tribunal that you are not entitled to have such Expenses paid by the Company under this Section 2.4.1 or otherwise.

2.4.2 In a case where the Company will advance any Expenses pursuant to Section 2.4.1 above in connection with any such Proceeding, and it is subsequently determined by a court ruling that you were not entitled to indemnification from the Company for such Expenses or any portion thereof, the provisions of Section 2.10 below will apply.

2.4.3 As part of its undertakings hereunder, the Company will make available to you any security or guarantee that you may be required to post in accordance with an interim decision given by a court or an arbitrator, including for the purpose of substituting liens imposed on your assets, subject to the limitation of the Maximum Indemnification Amount.

2.4.4 If any approval is required to pay or provide any security or guarantee as mentioned above, and such payment or arrangement is not approved for any reason, the making of such payment or any part thereof that will not have been approved as aforesaid shall be contingent upon court approval therefor, and the Company will take all reasonable actions to obtain such court approval and will bear all reasonable expenses and payments necessary to obtain the same.

2.5 Terms and Conditions of Indemnification

Without derogating from the foregoing, the indemnification undertakings hereunder are subject to the following terms and conditions:

2.5.1 The Company shall not be prohibited by law from providing such indemnification.

2.5.2 Promptly after receipt by you of notice of the commencement of any Proceeding for which indemnification may be sought hereunder, you shall give the Company notice in writing of such Proceeding, provided, however, that except to the extent that the failure to notify causes material prejudice to the Company, your failure to so notify

the Company shall not relieve the Company from its obligations to indemnify or advance Expenses hereunder or from any liability which the Company may otherwise have to you, and you will deliver to the Company or to whomsoever it directs, all and, any documents relating to such Proceeding.

B - 4

2.5.3 You shall be entitled to select counsel to represent you at the Company's expense in the Proceeding, subject to the terms of any applicable insurance then maintained by the Company for its own benefit or your benefit. You and the Company shall each participate in the defense of the Proceeding, and no settlement of any such Proceeding shall be effected without your consent and (unless you release the Company from its indemnification obligations hereunder) the Company's consent; provided, however, that you shall not withhold consent to any settlement approved by the Company if such settlement involves (a) solely the payment of money by the Company, (b) your full and unconditional release and (c) if so requested by you, an acknowledgement that you deny all wrongdoing.

2.5.4 The Company and/or the lawyer that it has chosen on your behalf will, at your request, provide reports (at reasonable intervals and in a reasonable scope) regarding the manner of the handling of your defense.

2.5.5 The Company may determine a dispute by way of arbitration or conciliation or mediation in connection with a financial liability only if the claim or threatened claim against you will be removed in full.

2.6

Payment of Liabilities and Expenses

2.6.1 Whether or not the Company assumes your defense in any Proceeding, the Company will cover all liabilities and expenses mentioned in Section 2.1 above such that you will not be required to personally pay or finance any such liabilities and expenses, subject to applicable law and the terms and conditions of this Undertaking. The foregoing will not derogate from the indemnification to which you are entitled hereunder, and/or under the terms of any insurance policy purchased by the Company from time to time.

2.6.2 If you are entitled under any provision of this Undertaking to indemnification or advancement of Expenses by the Company for some or a portion of Expenses or other liabilities and expenses actually incurred by you in connection with a Proceeding, but not, however, for all of the total amount thereof, the Company shall nevertheless indemnify and/or advance to you for the portion of such Expenses or other liabilities and expenses to which you are so entitled.

2.7

Exceptions

2.7.1 The Company shall not be required to indemnify you under this Undertaking for any sum payable by you in accordance with the terms of any settlement of any Proceeding or any award under any arbitration that you choose to conduct on your own, unless the Company has agreed in writing to such settlement or the holding of such arbitration, as applicable, provided that the Company shall not unreasonably withhold such consent.

2.7.2 Additionally, the indemnification provided to you under Section 2.2.1 will not apply in the event that you plead guilty to having committed a crime that does not require proof of criminal intent (mens rea) unless the Company shall have given its prior written consent thereto.

2.7.3 The Company will not be required to pay hereunder any amounts that have been actually paid to you or on your behalf or in your stead in any manner under any insurance policy purchased by the Company or any undertaking to indemnify by any other person other than the Company save for the amount that exceeds the amount that has been paid under such insurance policy or other indemnity agreement. Nothing contained herein shall derogate from your right to have the Company pay any deductibles under any insurance policy and/or transfer to you insurance payments that have been received by the Company from the insurers in respect of your financial liability or the legal costs that have been borne by you.

2.7.4

In addition, should the indemnification hereunder be in respect of your holding office in any Subsidiary or any other company, then the indemnification hereunder will only apply after all your rights in the framework of any insurance that has been made by the relevant Subsidiary or other company or under any undertaking in advance to indemnify by the Subsidiary or other company (if and to the extent such shall be in effect) shall have been exhausted.

B - 5

For the avoidance of any doubt, it is hereby clarified that any indemnification paid hereunder will apply over and above (and in addition to) any amounts that will be actually paid in the framework of the Subsidiary's or other company's insurance coverage or indemnification that has been given by such Subsidiary or other company, provided that the aggregate amount of indemnification payable for financial liabilities, as set forth in Section 2.2.1, by the Company and its subsidiaries does not exceed the amount set forth in Section 2.3.

If your demand to receive indemnification or insurance coverage for any act that you have committed by virtue of your position in a Subsidiary or other company and that is indemnifiable hereunder, is rejected by the Subsidiary or other company or the insurance company of the Subsidiary or such other company, as appropriate, the Company will pay to you hereunder such amounts to which you will be entitled hereunder if you will be entitled thereto, and you will assign to the Company your rights to receive monies from the Subsidiary or other company or under the insurance policy of the Subsidiary or such other company and authorize the Company to collect such sums in your name, to the extent that such consent will be required in order to perform the provisions of this Section 2.7.4. In connection therewith, you undertake to sign any document that will be required by the Company in order for you to assign such rights and the authorization of the Company to collect such amounts in your name.

For the avoidance of any doubt it is clarified that nothing contained herein shall confer upon the Subsidiary or other company or any other third party any rights towards the Company including, but without derogating from the generality of the foregoing, a right to sue for or demand any payment from the Company as participation in the indemnification or insurance coverage that will be granted to you by the Subsidiary or other company in respect of any act that you have performed by virtue of your position in such Subsidiary or other company.

2.8

Payment

The Company will, following your request to be indemnified hereunder, take all action that is required by law for payment thereof, and take all actions necessary to obtain any approval that will be required in connection therewith (if any). If any approval is required for the Company to make any indemnification payments hereunder, and such approval is not granted for any reason, the making by the Company of such payment or any part thereof that is not approved shall require court approval, and the Company will take all reasonable actions to obtain such court approval.

2.9

Entitlement

The Company's undertakings hereunder shall inure for your benefit and/or the benefit of your estate and/or for the benefit of any alternate director who shall be duly appointed by you, without limitation in time also after the termination of your employment in the Company or your service as an Officer of the Company or your service as an Officer of any Subsidiary or other position with respect to which you are entitled to indemnification hereunder, as applicable, provided that the acts in respect of which the release or indemnification are given were carried out during the period of your employment in the Company and/or service as an Officer of the Company and/or of any Subsidiary or other position with respect to which you are entitled to indemnification hereunder.

2.10

Repayment

In the event that after the Company makes any payment of any liabilities or expenses to you or on your behalf under this Undertaking in connection with any Proceeding, including by way of assuming your defense, and thereafter it is determined by a non-appealable (other than in the case of expenses and liabilities related to a criminal Proceeding) court ruling that you were not entitled to indemnification from the Company for such liabilities or expenses, then such payments will be deemed to be a loan that has been granted to you by the Company with interest at the

minimum rate required from time to time by law so that that such loan will not be considered a taxable benefit, and you shall be obligated to repay such amounts to the Company upon its written demand, in accordance with any payment schedule determined by the Company.

B - 6

3. Miscellaneous

3.1 The Company hereby undertakes not to amend its Articles of Association in a manner that will derogate from your rights hereunder.

3.2 The Company hereby undertakes to notify you of any event of which it becomes aware in respect of which you may be entitled to indemnification hereunder, and of any event of which it becomes aware that may lead to termination of any insurance under which you are covered, as promptly as possible.

3.7 Nothing in this Undertaking shall be construed as or in any manner deemed to be an undertaking or commitment of the Company to indemnify you or release you from liability other than to the extent permitted by the Companies Law.

3.8 This Undertaking will enter into effect upon its execution by you in the space provided below, and delivery of the signed copy to the Company. It is hereby agreed that your agreement to accept this Undertaking constitutes your irrevocable consent to cancel any prior undertaking for indemnification or release granted to you by the Company. This Undertaking shall not derogate from your rights under any existing indemnification provided to you by any Subsidiary prior to the merger among the Company, a wholly owned subsidiary of the Company and YMax Corporation.

3.9 The Company may, at its exclusive discretion and at any time, rescind its indemnification undertaking hereunder, or reduce the maximum indemnification amount hereunder, or limit the events to which it applies in relation to all or some of its Officers, to the extent such rescission relates to events that will occur after the date of such change; provided that prior notice of any such rescission, reduction or limitation shall be provided to the Officer in writing at least 60 (sixty) days prior to the date on which such rescission, reduction or limitation enters into effect. For the avoidance of doubt, it is hereby clarified that any such rescission, reduction or limitation which reduces or cancels the terms of this Undertaking shall not have retroactive effect of any nature and this Undertaking will continue to apply and remain in full force and effect for all purposes as it was in effect immediately prior to the rescission, reduction or limitation, as applicable, with respect to any action that occurred prior to such rescission, reduction or limitation, even if the Proceeding in respect thereof was commenced against the Officer after the effective date of the applicable rescission, reduction or limitation.

3.10 In any other case, this Undertaking may not be amended or terminated other than by a written instrument executed by you and the Company and explicitly referencing this Undertaking and stating that it is intended to amend or terminate this Undertaking.

3.11

This Undertaking does not derogate from the Company's right to indemnify you retroactively in accordance with the provisions of the Company's Articles of Association and applicable law and any such retroactive indemnification will not derogate from the release granted to you by the Company pursuant to Section 1 above.

B - 7

3.12 For the avoidance of any doubt, it is hereby clarified that this Undertaking does not constitute a contract for the benefit of a third party, nor is it assignable. For the avoidance of any doubt, this Undertaking shall continue to apply after death, to you and to your estate.

3.13 No waiver, delay, forbearance to act or extension granted by the Company or by you shall be construed in any circumstances to be a waiver and will not derogate from the parties' respective rights and undertakings hereunder or by law, nor will the same prevent any party from taking any legal action or any other steps that are necessary in order to exercise its rights hereunder.

3.14 This Undertaking shall be governed by the laws of the State of Israel and the competent courts in Tel Aviv-Jaffa are vested with exclusive jurisdiction with respect to any and all disputes that may arise under or with respect to this Undertaking.

Dear _____:

YMax Corporation (“YMax”) hereby confirms its request that you serve as a member of the board of directors of VocalTec Communications Ltd. (“VocalTec”) and in connection therewith further confirms that you shall be indemnified pursuant to and in accordance with Article VII of the by-laws of YMax, as in effect on the date hereof.

YMax shall, and shall cause its representatives to, execute and deliver such additional instruments, documents or assurances and take such other actions as shall be necessary, or otherwise reasonably be requested by you, to (i) confirm its obligations to you under, (ii) render effective and (iii) otherwise carry out the intent and purpose of this undertaking and the indemnification provisions of the YMax by-laws. YMax shall not seek or agree to any order of any court or other governmental authority that would prohibit or otherwise interfere, and shall not take or fail to take any other action if such action or failure would reasonably be expected to have the effect of prohibiting or otherwise interfering, with the performance of YMax’s obligations to you under this undertaking or the indemnification provisions of the YMax by-laws.

This undertaking shall be governed by and its provisions construed in accordance with the laws of the State of Delaware, as applied to contracts between Delaware residents entered into and to be performed entirely within Delaware, without regard to the conflict of law principles thereof. YMax hereby irrevocably consents to the exclusive jurisdiction of the courts of the State of Delaware for all purposes in connection with any proceeding which arises out of or relates to this undertaking or to YMax’s indemnification obligations to you under the YMax by-laws and agrees that any such proceeding shall be brought only in the state courts of the State of Delaware.

Very truly yours,
