Explanation of Responses:

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
  - \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) In a Form 5 filed in February 2003, the reporting person reported that, on April 22, 2002, he was granted an employee stock option covering 120,000 shares of common stock, having an exercise price of \$36.8750 per share and vesting in three annual installments beginning on April 22, 2004. Following a review of the issuer's stock option award practices, it was determined that the exercise price for this option should be adjusted to \$39.250 per share to reflect the fair market value of the issuer's common stock on the accounting measurement date. As a result, the reporting person and the issuer agreed to amend the option to provide that the option will have an exercise price of \$39.250 per share.
- (2) All other terms and conditions of the option award remain the same, including the vesting schedule described above. The amendment is reported in this Form 4 as a cancellation of the original option and the grant of a replacement option. For additional information, please see the issuer's Current Report on Form 8-K, which was filed with the Commission on August 15, 2007

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
