Explanation of Responses:

- 1 These numbers include vested options only. Detailed information concerning my options has been previously disclosed.
- 2 I have account balances in several different deferred compensation plans. Although I don't currently earn fees as a director or compensation as an employee, my account balances in such plans are credited with dividends on a quarterly basis.
- 3 Prior to my retirement, I received phantom stock units as a result of my participation in an excess benefit plan sponsored by Questar. Although I no longer earn compensation, my account balance is credited with dividends. This total includes the 47,883.6090 phantom stock units in such plan in addition to the phantom stock units held through account balances in deferred compensation plans.
