Of the 11,605 shares owned directly, 2,977 are restricted stock units including dividend equivalent rights. An adjustment of 96 additional shares has been made to the total number of shares beneficially owned by the reporting person. The adjustments were made to reconcile

- (1) discrepancies between what was reported previously and the actual number of shares as determined by a recent review of the Company's records. It is believed that the discrepancy in the numbers reported are the result of rounding and discrepancies in calculations made of the total shares held.

These shares are held in a trust, of which the reporting person and his wife serve as co-trustees, for the benefit of his wife. The reporting

- (2) person disclaims beneficial ownership of these securities, and this report shall not be deemed an admission that the reporting person is the beneficial owner of such securities for purposes of Section 16 or for any other purpose.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
