Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As described in Item 5.07, on June 16, 2010 at the 2010 Annual Meeting of Stockholders of Identive Group, Inc. (formerly known as SCM Microsystems, Inc., the "Company"), the stockholders approved the 2010 Bonus and Incentive Plan (the "Plan"). A copy of the Plan is filed as Exhibit 10.1 to this Form 8-K and is incorporated herein by reference.

Under the terms of the Plan, executive officers and other key employees of the Plan are eligible to receive cash and equity-based awards, such as nonqualified stock options, restricted stock, or deferred stock awards. There are 3,000,000 shares of Company common stock reserved for issuance under the Plan. The awards are subject to the achievement of certain performance criteria determined by the Compensation Committee of the Company's Board of Directors as measured at the end of a specified performance period of 12 months or longer. The performance criteria considered by the Compensation Committee may include any one or more of the following business measurements: (i) total stockholder return, (ii) economic value added,

(iii) return on capital employed, (iv) revenues, (v) sales, (vi) net income, (vii) operating income,

(viii) EBITDA, (ix) EBITDA margin, (x) profit margin, (xi) earnings per share, including in

comparison to selected indexes and comparable companies, (xii) return on equity, (xiii) cash flow, (xiv) operating margin, (xv) net worth, (xvi) stock price, or (xvii) in the case of any incentive award, other than an incentive award to certain employees, any other criteria that may be determined as appropriate by the Compensation Committee from time to time.

The Compensation Committee may provide that adjustments will be made in determining the extent to which the performance criteria have been satisfied, so long as such adjustments would not preclude the incentive award from qualifying as "performance-based compensation" within the meaning of Section 162(m)(4)(C) of the Internal Revenue Code.

Unless otherwise specified by the Compensation Committee, upon a change in control of the Company all outstanding performance periods will terminate and participants in the Plan will be entitled to a pro-rated incentive payment based on actual performance through date of the change in control, subject to the discretion and authority of the Compensation Committee to modify, eliminate or adjust any incentive otherwise payable to a participant under the Plan for any reason. Additionally, upon a change in control, each outstanding equity award will be assumed or an equivalent option or right substituted by the successor corporation (as determined by the Compensation Committee) and, if the successor corporation refuses to assume or substitute for the equity award, the holder of the equity award will be deemed fully vested in such equity award as of immediately prior to the consummation of the change in control.

Item 8.01 Other Events.

In May 2010, upon recommendation of the Audit Committee, the Company's Board of Directors approved a loan conversion agreement between Bluehill ID AG ("Bluehill"), a subsidiary of the Company, and Mountain Partners AG ("Mountain Partners"). Mountain Partners, through an affiliate, provided a loan to Bluehill in August 2008, of which approximately EUR 235,000 remained outstanding as of the date of conversion. Under the agreement, Mountain Partners agreed to accept 180,769 shares of common stock as payment in full for the outstanding balance, based upon a price per share equal to the closing price of the common stock on the NASDAQ Global Market on June 4, 2010, the date of the agreement. As a result, Mountain Partners beneficially owns approximately 18% of the Company's common stock. Mr. Daniel Wenzel, a director of the Company, is a partner in Mountain Partners.

In connection with the Company's acquisition of Bluehill in January 2010, the Company filed a Form 8-K/A on March 16, 2010 to provide certain financial information related to the acquired entity required under Item 9.01 of Form 8-K, including audited financial statements for Bluehill as of and for the two years ended December 31, 2009 (prepared in accordance with IFRS), certain financial statements for the three foreign predecessor companies of Bluehill (the "Bluehill Predecessors") as of and for the six months ended June 30, 2008, and unaudited pro forma condensed combined financial information for the Company as of and for the year ended December 31, 2009. The Company has since determined that the Bluehill Predecessor financial statements for the first half of 2008, as initially filed on Form 8-K/A, were not prepared on a basis consistent with the requirements of Rule 8-04 of Registration S-X. The Company will amend its Form 8-K/A as soon as practicable to file audited financial statements for the three Bluehill Predecessors as of and for the six months ended June 30, 2008 compliant with Rule 8-04.
