Dear Stockholder:

I cordially invite you to attend the Annual Meeting of Stockholders of Frequency Electronics, Inc. (the "Company") on November 1, 2016, at our offices located at 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553.

Our Board of Directors is recommending a highly qualified and experienced slate of director nominees for election to the Board of Directors at the Annual Meeting. At the Annual Meeting, we will ask you to: (1) elect five directors; (2) ratify the appointment of EisnerAmper LLP, an independent registered public accounting firm, as our independent auditors for the fiscal year commencing May 1, 2016; (3) consider an advisory vote on the compensation of our named executive officers; and (4) take action upon any other business as may properly come before the Annual Meeting.

The accompanying materials include the Notice of Annual Meeting of Stockholders and Proxy Statement. The Proxy Statement describes the business that we will conduct at the Annual Meeting. It also provides information about us that you should consider when you vote your shares.

You also should have received a WHITE proxy card and postage-paid return envelope. WHITE proxy cards are being solicited on behalf of our Board of Directors.

As we previously announced, we have strengthened our Board with the addition of new, highly qualified independent directors, Dr. Stanton D. Sloane and Mr. Russell M. Sarachek, each of whom has a deep understanding of our business and the industry in which we operate. The appointments of Dr. Sloane and Mr. Sarachek demonstrate our continued commitment to change and sustainable shareholder value creation and will further enhance corporate governance for the benefit of all shareholders.

Your vote will be especially important at this year's Annual Meeting. As you may have heard, Privet Fund LP and certain of its affiliates (together, "Privet") have notified the Company that Privet intends to nominate a slate of four nominees for election as directors at the meeting in opposition to the nominees recommended by our Board of Directors. You may receive a proxy statement, proxy card and other solicitation materials from Privet. The Company is not responsible for the accuracy of any information provided by or relating to Privet or its nominees contained in the solicitation materials filed or disseminated by or on behalf of Privet or any other statements that Privet may make.

The Board of Directors does NOT endorse any Privet nominees and unanimously recommends that you vote FOR the election of each of the nominees proposed by the Board of Directors. The Board of Directors strongly urges you NOT to sign or return any proxy card sent to you by Privet. If you have already signed or returned a proxy card sent to you by Privet, you can revoke that proxy and vote for our Board of Directors' nominees and on the other matters to be voted on at the meeting by using the enclosed WHITE proxy card.

Follow the instructions on the WHITE proxy card to cast your vote via internet, by telephone or by signing, dating, and returning the WHITE proxy card in the envelope provided. If your brokerage firm, bank, broker-dealer or other similar organization is the holder of record of your shares (i.e., your shares are held in "street name"), you will receive voting instructions from the holder of record. You must follow these instructions in order for your shares to be voted. Your broker is required to vote those shares in accordance with your instructions.

Because of the contested nature of the proposals, if you do not give instructions to your broker, your broker will not be able to vote your shares with respect to the election of directors (Proposal 1). We urge you to instruct your broker or other nominee, by following those instructions, to vote your shares for the WHITE proxy card.

Holders of shares as of the close of business on September 12, 2016, the record date for voting at the Annual Meeting, are urged to submit a WHITE proxy card, even if your shares were sold after such date.

PROXY STATEMENT  
PRELIMINARY PROXY STATEMENT - SUBJECT TO COMPLETION

ANNUAL MEETING OF STOCKHOLDERS

To be held on November 1, 2016

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors (the "Board") of Frequency Electronics, Inc., a Delaware corporation (hereinafter called the "Company"), for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the office of the Company, 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553, on the 1<sup>st</sup> day of November 2016, at 10:00 A.M., Eastern Daylight Time, or any adjournment or adjournments thereof. This Proxy Statement together with the accompanying WHITE Proxy card was first mailed to stockholders on or about [ ], 2016.

Only stockholders of record as of the close of business on September 12, 2016 are entitled to notice of, and to vote at, the meeting. Each proxy executed and returned by a stockholder may be revoked at any time thereafter by filing a later dated proxy or by appearing at the meeting and voting in person. Attendance at the meeting will not, in itself, constitute revocation of a proxy. Even if you plan to attend the Annual Meeting, we strongly urge you to vote in advance by proxy by signing and dating the enclosed WHITE proxy card and returning it in the postage-paid envelope provided or by voting via the Internet or by telephone by following the instructions provided on the enclosed WHITE proxy card.

The cost of solicitation of proxies will be borne by the Company. The Board may use the services of the Company's directors, officers and other regular employees to solicit proxies personally or by telephone and may request brokers, fiduciaries, custodians and nominees to send proxies, proxy statements and other materials to their principals and reimburse them for their out-of-pocket expenses in so doing. As a result of the proxy solicitation by Privet, we may incur additional costs in connection with our solicitation of proxies. We have hired MacKenzie Partners, Inc. ("MacKenzie"), 105 Madison Ave, New York, NY 10016 to assist us in the solicitation of proxies for a fee of up to [\$ ] plus out-of-pocket expenses. Our expenses related to the solicitation of proxies from stockholders this year will exceed those normally spent for an annual meeting. Such aggregate costs are expected to be approximately [\$ ]. These additional solicitation costs are expected to include the fee payable to our proxy solicitor, fees of outside counsel and financial and other advisors to advise the Company in connection with a contested solicitation of proxies, increased mailing costs, such as the costs of additional mailings of solicitation material to stockholders and the reimbursement of reasonable expenses of banks, brokerage houses and other agents incurred in forwarding solicitation materials to beneficial owners of our common stock and the costs of retaining an independent inspector of election.

Voting Securities and Votes Required

The Board has fixed the close of business on September 12, 2016, as the record date for determination of stockholders entitled to notice of, and to vote at, the meeting. On [August 25], 2016, the Company had outstanding [8,729,682] shares of common stock, \$1.00 par value per share ("Common Stock") (excluding [396,352] treasury shares), each of which entitled the holder to one vote. No shares of preferred stock were outstanding as of the record date. A majority of the outstanding shares of Common Stock, represented in person or by proxy, constitutes a quorum. Rights of appraisal or similar rights of dissenters are not available to stockholders of the Company with respect to any matter to be acted upon at the Annual Meeting.

A stockholder who abstains from voting on any or all proposals will be included in the number of stockholders present at the meeting for the purpose of determining the presence of a quorum. A "broker non-vote" will also be counted for the purpose of determining the presence of a quorum. A "broker non-vote" occurs when a beneficial owner whose shares are held of record by a broker does not instruct the broker how to vote those shares and the broker does not otherwise have discretionary authority to vote on a particular matter.

In the case of broker non-votes, brokers are entitled to vote on the ratification of the independent auditors, but are not entitled to vote on Proposal Number 1 (the election of directors) or Proposal Number 3 (advisory vote on executive compensation). Broker non-votes will have no effect on the election of directors. Please vote your proxy so your vote can be counted. Stockholder abstentions will have no effect on the outcome of the election of directors, but will have the same practical effect as a negative vote on Proposal Number 2 (ratifying the appointment of the independent auditors) and Proposal Number 3 (advisory vote on executive compensation).

It is expected that the following business will be considered at the meeting and action will be taken thereon.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company's Amended and Restated Bylaws provide that the size of the Board shall consist of not less than three (3) but not more than twelve (12) members, as determined from time to time the Board. On August 19, 2016, after a thorough search process and a period of considerable deliberation by the Board, including with regard to the Company's corporate governance, the Board adopted a resolution to increase the number of directors on the Board from five (5) to seven (7), and appointed Dr. Stanton D. Sarachek as an independent director to fill the remaining vacancy on the Board. All of the Board's director nominees have been interviewed by members of the Board prior to their nomination to the Board. On August 29, 2016 each of Admiral Foley and General Franklin notified the Board that they would not stand for reelection at the Annual Meeting, and the Board adopted a resolution to decrease the number of directors on the Board from seven (7) to five (5) effective as of October 31, 2016. Also on August 29, 2016, the Board appointed Messrs. Sloane and Sarachek to the Audit Committee and the Compensation Committee.

In the event that any such nominee is unable or declines to serve, the Proxy may be voted for the election of another person in his place. The Board knows of no reason to anticipate that this will occur.

The Board's director nominees are as follows:

## Privet Solicitation

On August 2, 2013, Privet filed a Schedule 13D with the Securities and Exchange Commission disclosing beneficial ownership by Ryan Levenson, the Founding Principal and Managing Member of Privet, and certain Privet funds of 509,826 shares of the Company's outstanding common stock, representing beneficial ownership of approximately 6.0% of the Company's outstanding common stock. Privet indicated that it acquired such shares for investment purposes and had no specific present plans or proposals that would result in, among other things, any change in the present Board or management of the Company or any material change in the Company's business or corporate structure.

On December 30, 2013, Privet amended its Schedule 13D to disclose that it had acquired additional shares and indicated that, as of the date of the filing, Mr. Levenson and certain Privet funds, beneficially owned 674,071 shares (or approximately 7.9%) of the Company's outstanding common stock. On December 19, 2014, Privet amended its Schedule 13D to disclose that it had acquired additional shares and indicated that, as of the date of the filing, Mr. Levenson and certain Privet funds, beneficially owned 774,504 shares (or approximately 9.0%) of the Company's outstanding common stock.

In January 2014, Mr. Levinson and Mr. Bloch met at a conference and Mr. Levinson made an appointment to visit the Company. Later that month, Mr. Levinson and other representatives of Privet met with Mr. Bloch and other members of the Company's management and stated that Privet could be helpful in introducing the Company to merger and acquisition opportunities. Later in 2014, Mr. Levinson and Mr. Bloch met in New York City and discussed the Company and the industry.

On March 20, 2015, Mr. Levenson contacted the Company. Mr. Bloch and other members of the Company's management team returned Mr. Levenson's call, and Mr. Levenson informed the Company that he was interested in serving on the Company's Board of Directors. Mr. Bloch indicated that he would review Mr. Levenson's credentials and get back to him. On Monday, March 23, 2015, Mr. Levenson sent a follow up email to which he attached a resume of his professional experience, and in which he indicated that he expected that he would have no trouble obtaining the security clearance held by the other members of the Board. In this email, Mr. Levenson also stated that he would appreciate the opportunity to participate in the Company's capital allocation decisions that do not involve the discussion of classified information.

Over the next two weeks, the Company's management and Mr. Levenson spoke by telephone several times and discussed the conditions under which Privet might be permitted to receive certain Company information to help it evaluate its investment in the Company. The Company agreed, among other things, to: (i) provide Privet with all written information (other than classified information) provided to the Board, (ii) permit Privet to designate one Board member, subject to him or her obtaining "secret" level security clearance (i.e., the minimum clearance level held by each of our other directors) and (iii) provide privet with access to the Company's Chief Executive Officer to discuss Company business. In consideration for these rights, Privet agreed to execute a letter agreement containing standard confidentiality and standstill provisions. Privet also agreed to amend its Schedule 13D to include disclosure required by the Securities and Exchange Commission regarding its investment intent.

On April 6, 2015, Bryan Cave LLP, outside counsel to Privet, ("Bryan Cave") contacted Greenberg Traurig, LLP, outside counsel to the Company, ("Greenberg") and asked Greenberg to prepare a draft confidentiality and standstill agreement between the Company and Privet memorializing the business discussions between the parties. On April 8, 2016, Greenberg delivered to Bryan Cave a draft confidentiality and standstill agreement. The following day, Mr. Levenson and representatives from Bryan Cave and Greenberg participated in a conference call during which the participants discussed the draft confidentiality and standstill agreement, including the duration of the standstill, the security clearance level held by the then-current members of the Board and the scope of access to be given to Privet. Over approximately the next two months, the parties exchanged drafts of the draft confidentiality and standstill agreement. Open issues that were resolved during these negotiations included: (i) whether Privet would be permitted to purchase any additional shares of the Company's common stock during the standstill period and, if so, up to what percentage of the Company's outstanding common stock Privet would be permitted to purchase, (ii) whether, upon the termination of the confidentiality and standstill agreement or upon the resignation or removal of Privet's designee from the Board, Privet could require the Company to make public disclosure of all confidential information disclosed to Privet under the confidentiality and standstill agreement, (iii) whether Privet would have a right to appoint any person to serve as a director to the Company's Board (subject only to that designee obtaining security clearance) or whether the Privet designee would need to be acceptable to the Company's Board, (iv) the duration of the standstill covenant, (v) whether Privet would have a unilateral right to terminate the confidentiality and standstill agreement, (vi) the access that Privet would receive to Company information if it chose not to nominate a candidate to the Board, (vii) whether the Company will provide Privet with copies of all acquisition proposals it has received on or after January 1, 2012 or whether the cutoff date would be January 1, 2014, (viii) whether the size of the Board could be increased by more than one director without Privet's consent, (ix) whether the confidentiality and standstill agreement would terminate automatically upon the termination of the standstill period, and (x) under what circumstances the standstill provisions would survive the termination of the confidentiality and standstill agreement, including under what circumstances, if any, Privet would have a right to solicit proxies in respect of the Company's 2015 annual meeting.

On May 11, 2015, Mr. Levenson called a representative from SunTrust Robinson Humphrey ("SunTrust"), the Company's outside financial advisor and left a voicemail in which he indicated that he saw a news article referencing a potential purchase of the Company by a third party. In the voicemail, Mr. Levenson indicated that he would be willing to enter into a voting agreement in favor of a potential transaction and that his support could be articulated to such third party or other parties as appropriate. The SunTrust representative delivered the message to the Company, but neither the SunTrust representative nor the Company spoke with Mr. Levenson at this time.

On June 4, 2015, the Company, Privet Fund Management L.L.C. and Mr. Levenson executed the confidentiality and standstill agreement.

On June 15, 2015, Privet amended its Schedule 13D to disclose that it had acquired additional shares and indicated that, as of the date of the filing, Mr. Levenson and certain Privet funds, beneficially owned 848,855 shares (or approximately 9.8%) of the Company's outstanding common stock. Privet also attached a copy of the executed confidentiality and standstill agreement as Exhibit 99.1 to such amendment. Privet's amended Schedule 13D did not disclose, as required by Item 4(d) of Schedule 13D, that Privet had sought representation on the Board or any Privet plans or proposals that relate to or would result in, among other things, any change in the Board or the Company's management.

Ultimately, Privet determined not to exercise its right to designate a director, but, once or twice, it did exercise its right to receive information and access to the Company's CEO and expressed its view to Mr. Bloch that the Company should consider buying back stock or selling the Company.

In autumn 2015, in a response to an announcement that the Company's then CFO would be retiring, Mr. Levinson contacted Mr. Bloch and offered to suggest some replacement CFO candidates. Mr. Bloch told Mr. Levinson that the Company would consider any qualified suggestions and scheduled interviews with two candidates that Privet

suggested. One candidate that Privet suggested did not attend his interview which was rescheduled four times and the Company did not hire the other candidate suggested by Privet as other applicants were deemed more qualified.

In early March 2016, Mr. Levenson met with Mr. Bloch at the Company's offices and informed Mr. Bloch that Privet and certain additional investors available to Privet were interested in considering a leveraged buyout of the Company at a price of at least \$13.50 per share. Mr. Levenson indicated that participants in the proposed transaction could include selected Company insiders. Mr. Levenson asked Mr. Bloch whether, in Mr. Bloch's opinion, the Company's Board would react favorably to such a transaction. Mr. Bloch responded that the Company would need additional information regarding the terms and conditions of such a transaction before the Board could respond. A telephone call between the parties and their legal advisors was scheduled for the following week. On that call, Mr. Levenson indicated that Privet would require a 90 day exclusivity period with no fiduciary out for the Company to seek financing for a potential leveraged buyout of the Company. Mr. Levenson also indicated that Privet was considering a price of up to \$13.50 per share for such transaction. The Company's legal advisor indicated that an exclusivity period of the nature and length Privet was requiring was unlikely to be acceptable to the Company. Mr. Levenson responded that, in any event, that, to secure financing for a leveraged buyout, Privet would need access to quality of earnings information beyond that provided under the existing confidentiality and standstill agreement. Mr. Bloch expressed his concerns to Mr. Levenson regarding Privet's ability to finance a leveraged buyout, but, informed Mr. Levenson that the Board would consider any bona fide offer at an appropriate price. Mr. Bloch agreed to furnish the requested diligence provided that Privet entered into an agreement that that would appropriately protect the Company's confidential information and satisfy the Company's fiduciary duties and obligations under applicable securities laws. However, Mr. Bloch indicated that in any offer for the Company from Privet, the Company expected that \$13.50 per share was a floor—not a ceiling.

Shortly thereafter, a representative of Bryan Cave contacted a representative of Greenberg and stated that Privet wished to proceed with its diligence inquiry pursuant to the confidentiality provisions contained in the confidentiality and standstill agreement executed by the parties on June 4, 2015. The Greenberg representative asked Bryan Cave to confirm that Privet would agree to extend the standstill covenants in order that there be a reasonable tail on the standstill covenants following the completion of due diligence and that the term of the confidentiality provisions, as applied to the information learned in diligence, would be appropriately extended. Later that month, Mr. Levenson, Mr. Michaelsen and representatives from Bryan Cave and Greenberg participated in a conference call during which they discussed the scope of diligence to be provided to Privet and the confidentiality and other provisions that would govern access of Privet and Houlihan Lokey, Privet's outside financial advisor, to the Company's confidential information. After several weeks of discussion, the Company agreed to grant Privet access to the Company's confidential information under the existing confidentiality and standstill agreement if that Houlihan Lokey would execute an acceptable joinder agreement prior to receiving such access. The parties were unable to agree on a mutually acceptable joinder agreement.

On April 26, 2016, the Company determined that, because the existing confidentiality and standstill agreement was to expire shortly—on June 8, 2016—the confidentiality provisions of such agreement would not be adequate to provide sufficient protection of the Company's confidential information as required by the securities laws and the Board's fiduciary duties. Later that day, the Company instructed Greenberg to prepare, and circulate to Bryan Cave, a standard confidentiality agreement that Privet would need to sign to access the Company's confidential information. The draft confidentiality agreement delivered to Privet on behalf of the Company had a term of 12 months and did not include standstill or non-solicitation provisions. For approximately two weeks after the delivery of this draft, the parties discussed the terms under which the Company's confidential information would be provided to Privet. The parties were unable to agree on an extension of the confidentiality terms in the existing confidentiality and standstill agreement that would satisfy the Company's fiduciary duties and provide the Company with appropriate protection.

Privet indicated that, in its view, the existing confidentiality and standstill agreement impeded it from making a proposal to acquire the Company. In early May 2016, the Company delivered a letter to Privet in which it offered to execute a termination of the existing confidentiality and standstill agreement so that Privet could make a bona fide proposal. The Company further agreed that if Privet made a bona fide proposal, at an appropriate price, that was in the best interest of the Company and its stockholders, the Company would agree (subject to Privet executing a standard confidentiality agreement) to provide Privet with access to due diligence so that Privet would be in a position

to seek financing for such proposal. The Company did not receive a response from Privet to its May 2016 letter.

On June 8, 2016, the confidentiality and standstill agreement between the Company and Privet expired.

On July 5, 2016, the Company received a formal notice from Privet of its intent to nominate a slate of four nominees for election to the Board at its 2016 annual meeting. Also on July 5, 2016, Privet amended its Schedule 13D to disclose that it had acquired additional shares and indicated that, as of the date of the filing, Mr. Levenson and certain Privet funds, beneficially owned 848,855 shares (or approximately 9.7% ) of the Company's outstanding common stock. In this amendment, Privet provided biographical information for each of its nominees, summarized its nomination notice and attached the notice as Exhibit 99.1 to the amendment. Privet disclosed, in this amendment, that it has engaged in, and intends to continue to engage in, discussions with management and the Board regarding Board representation and the composition of the Board.

On July 15, 2016, the Company contacted Privet with certain clarifying questions regarding its nominees and their backgrounds. Later that day, Privet amended its Schedule 13D to disclose that it had acquired additional shares and indicated that, as of the date of the filing, Mr. Levenson and certain Privet funds, beneficially owned 1,005,461 shares (or approximately 11.5% ) of the Company's outstanding common stock. On July 19, 2016, Privet responded to the questions sent by the Company on July 15<sup>th</sup>. Shortly thereafter, Privet contacted the Company and indicated that it was disappointed not to have heard from the Company and suggested that Privet and the Company schedule call or meeting to have a general discussion. On July 21, 2017, Mr. Bloch sent a letter to Privet indicating, among other things, that the Company's primary duty is, and will continue to be, the protection of the interest of the Company and its stockholders and that, while the Company did not believe that a general discussion with Privet would be useful, the Board would review any constructive specific proposals from Privet. On July 25, 2016, the Company issued a press release announcing its fiscal year 2016 results. In such press release, which the Company filed on July 26, 2016 with the Securities and Exchange Commission, as Exhibit 99.1 to its Form 8-K, the Company also disclosed that it had received from Privet a notice of its intention to nominate four nominees for election to the Board at the Company's 2016 annual meeting and further stated that the Board "believes that [Privet] is engaged in an effort to acquire control of the Company without paying a [control] premium to the Company's stockholders. Accordingly, the Board does not believe that electing [Privet's] nominees would be in the best interests of the Company's stockholders."

On or about August 18, 2016, Mr. Bloch phoned Mr. Levenson and informed him that, for a long time, the Company has been considering adding new independent directors to the Board, and that the Board has identified certain new, independent, highly accomplished candidates who are willing to serve on the Board. Mr. Bloch informed Mr. Levenson that, as part of its reconstitution of the Board, the Company would be willing to offer Privet board representation subject to (i) the Board interviewing and determining any Privet nominee(s) would be a useful addition to the Board and (ii) Privet publicly announcing that it has withdrawn its nominations to the Board as a result of a settlement. Mr. Levenson informed Mr. Bloch that, while he would consider a settlement and that Privet would be willing to settle if the Company agreed to expand the Board and appoint three Privet nominees, the appointment of fewer than three director nominees was not sufficient. On August 29, 2016, a representative from Greenberg spoke with a representative from Olshan, Frome Wolosky LLP ("Olshan"), a second outside law firm hired by Privet, and discussed a possible settlement in which Privet would receive board representation.

On August 19, 2016, the Board deemed it advisable and in the best interests of the Company and its stockholders to increase the number of directors that will constitute the Board from five to seven directors and appoint Mr. Stanton D. Sloane to fill one of the vacancies created as a result of the increase of the size of the Board. On August 25, 2016, the Board appointed Mr. Russell Sarachek, a significant shareholder who holds approximately 4% of the Company's outstanding common stock, to fill the other vacancy on the Board. The Company announced the expansion of the Board to seven directors and the appointment of Messrs. Sloane and Sarachek to the Board in Exhibit 99.1 to the Form 8-K filed with the Securities and Exchange Commission on August 26, 2016. On August 29, 2016, each of Admiral Foley and General Franklin notified the Board that they would not stand for reelection at the Annual Meeting, and the Board adopted a resolution to decrease the number of directors on the Board from seven directors to five directors effective as of October 31, 2016. Also on August 29, 2016, the Board appointed Messrs. Sloane and Sarachek to the Audit Committee and the Compensation Committee.

On August 22, 2016, the Company received a letter from Privet requesting the inspection and copies of certain stockholder list materials of the Company. The Company responded to such letter on August 26, 2016.

(1) The amounts in this column do not represent actual cash payments, but represent the aggregate grant date fair value of stock appreciation rights awarded during the 2016 fiscal year computed in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 718. The assumptions used in determining the grant date fair values of these awards are set forth in the notes to the Company's consolidated financial statements, which are included in its Annual Report on Form 10-K for the year ended April 30, 2016, as filed with the Securities and Exchange Commission ("SEC").

(2) Each non-officer Director received stock appreciation rights ("SARs") to receive, upon exercise, the number of shares of Common Stock equal to the appreciated value of 66,000 shares of Common Stock between the award date and the exercise date. ## Vote Required and Board Recommendation

Assuming the presence of a quorum at the Annual Meeting, the affirmative vote of a plurality of the votes cast by holders of shares of Common Stock represented at the Annual Meeting and entitled to vote is required for the election of directors. The five nominees receiving the highest number of FOR votes will be elected. Withholdings will be counted as present for the purposes of this vote but are not counted as votes cast. Broker non-votes, if any, will be counted as present, but are not entitled to vote on the proposal.

The Board recommends that you vote on the WHITE proxy card as set forth on the voting instruction form "FOR" the election of each of our nominees to serve as directors of the Company until the 2017 annual meeting of stockholders, or until their successors are elected and qualified.

Our Board does not endorse any Privet nominee and unanimously recommends that you disregard any proxy card that may be sent to you by Privet. Voting to "withhold" with respect to any of Privet's nominees on its proxy card is not the same as voting for our Board's nominees, because a vote to "withhold" with respect to any of Privet's nominees on its proxy card will revoke any previous proxy submitted by you. If you have already voted using a proxy card sent to you by Privet, you have every right to change it and we urge you to revoke that proxy by voting in favor of our Board's nominees by using the enclosed WHITE proxy card. Only the latest validly executed proxy that you submit will be counted.

Annex A sets forth information relating to our directors, nominees for directors and certain of our officers and employees who are considered "participants" in our solicitation under the rules of the SEC by reason of their position as directors of the Company, as nominees for directors or because they may be soliciting proxies on our behalf.

**THE BOARD DEEMS PROPOSAL NO. 1 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" THE NOMINEES NAMED ON THE WHITE PROXY CARD.**

## PROPOSAL NO. 2

### APPOINTMENT OF INDEPENDENT AUDITORS

The Board, upon recommendation of the Audit Committee, has appointed the firm of EisnerAmper LLP, ("EisnerAmper"), independent accountants, to be the Company's external auditors for the fiscal year commencing May 1, 2016, and recommends to stockholders that they vote for ratification of that appointment.

It is anticipated that a representative of EisnerAmper will be present at the Annual Meeting. Such representative will be given the opportunity to make a statement and will be available to respond to appropriate questions.

In connection with the audits of the Company's financial statements for the years ended April 30, 2016 and 2015 and the subsequent interim period through July 29, 2016, there have been no disagreements with EisnerAmper on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EisnerAmper, would have caused EisnerAmper to make reference thereto in their reports on the Company's financial statements for such years.

No reportable event of the type described in Item 304(a)(1)(v) of Regulation S-K occurred during the years ended April 30, 2016 and 2015 and the subsequent interim period through July 29, 2016.

During the Company's two fiscal years ended April 30, 2016 and 2015 and the subsequent interim period through July 29, 2016, the Company has not consulted with EisnerAmper or any predecessor firms regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might

be rendered on the Company's consolidated financial statements, or any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or reportable event (within the meaning of Item 304(a)(1)(v) of Regulation S-K).

## AUDIT AND NON-AUDIT FEES

The following table presents the aggregate fees and expenses paid or accrued by the Company for professional services rendered by the Company's auditors, EisnerAmper, in fiscal years 2016 and 2015. Other than as set forth below, no professional services were rendered or fees billed by EisnerAmper during fiscal years 2016 and 2015.

Service	2016	2015
Audit Fees <sup>(1)</sup>	\$371,000	\$365,000
Audit-Related Fees <sup>(2)</sup>	48,000	43,000
Tax Fees <sup>(3)</sup>	-	-
All Other Fees <sup>(4)</sup>	-	-
<b>TOTAL</b>	<b>\$419,000</b>	<b>\$408,000</b>

Audit fees consist of professional services rendered for the audit of the Company's annual financial statements, the (1) reviews of the quarterly financial statements, issuance of consents and assistance with and review of documents filed with the SEC.

(2) Other audit-related services provided by EisnerAmper include the annual audit of the Company's employee benefit plans as well as accounting consultations regarding significant transactions during the fiscal year.

(3) Tax fees consist of fees for services rendered to the Company for tax compliance, tax planning and advice.

(4) Beginning in fiscal year 2009, the Company engaged another accounting firm to provide such services.

(4) No other services were performed by EisnerAmper in connection with financial information systems design and implementation or otherwise.

## Pre-Approved Services

Prior to engaging EisnerAmper to render the above services during fiscal year 2016, and pursuant to its charter, the Audit Committee approved the engagement for each of the services and determined that the provision of such services by the external auditor was compatible with the maintenance of EisnerAmper's independence in the conduct of its auditing services.

The procedures used by the Audit Committee for the pre-approval of all audit and permissible non-audit services provided by the independent auditors are described below.

Before engagement of EisnerAmper as independent auditors for fiscal year 2016, the independent auditors submitted a detailed description of services expected to be rendered during that year within each of four categories of services to the Audit Committee for approval.

Audit Services include audit work performed on the Company's financial statements, as well as work that generally only the independent auditors can reasonably be expected to provide, including statutory audits, comfort letters, consents and assistance with and review of documents filed with the SEC.

Audit-Related Services are for assurance and related services that are traditionally performed by the independent auditors, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements and discussions surrounding the proper application of financial accounting and/or reporting standards.

Tax Services include all services, except those services specifically related to the audit of the financial statements, performed by the independent auditors' tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting other tax related regulatory requirements; and tax compliance and reporting. As indicated above, the Company has engaged another accounting

firm to provide such services which will thus not impair EisnerAmper's independence.

13

---

Other Services are those associated with services not captured in the other categories. The Company generally does not request such services from the independent auditors.

Prior to engagement, the Audit Committee pre-approves independent auditor services within each category. The fees are budgeted and the Audit Committee requires the independent auditors to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditors for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditors.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member(s) to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

#### Vote Required and Board Recommendation

The affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote is required for the ratification of EisnerAmper as the Company's independent auditors for the 2016 fiscal year.

THE BOARD DEEMS PROPOSAL NO. 2 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

#### PROPOSAL NO. 3

##### ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables the Company's stockholders to vote to approve, on a non-binding advisory basis, the compensation of the Company's principal executive officer and two other most highly compensated executive officers (collectively, the "Named Executive Officers") as disclosed in this Proxy Statement in accordance with SEC rules.

The Company's objective is to provide a fair and competitive compensation package to its Named Executive Officers that rewards long-term performance and enhances stockholder value. In order to achieve its goals, the Company is dependent on its ability to attract, retain and motivate individuals who can achieve superior technical, operational and financial results. This approach has enabled the Company to attract and retain the executive talent that has resulted in increased revenues and profitability in recent years and has established the basis for sustaining such growth in the future. For an overview of the compensation of the Company's Named Executive Officers, see "Executive Compensation."

The Company is asking for non-binding approval of the compensation of its Named Executive Officers as disclosed in this Proxy Statement in accordance with SEC rules, which disclosures include the disclosures under the section "Executive Compensation," the summary compensation table and the narrative discussion following the summary compensation table. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's Named Executive Officers and the policies and practices described in this Proxy Statement, as disclosed under the "Executive Compensation" section. Accordingly, stockholders are asked to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on a non-binding advisory basis, the compensation of the Named Executive Officers pursuant to the compensation disclosure rules of the SEC as described in the Executive Compensation, the summary compensation tables and the narrative discussion in the Company's Proxy Statement for the 2016 Annual Meeting of Stockholders."

While the Company intends to carefully consider the voting results of this proposal, this vote is advisory and therefore not binding on the Company, the Compensation Committee or the Board. Accordingly, and given that some of the compensation to be paid is a contractual obligation with the applicable executives, regardless of the outcome of this advisory vote, such compensation may still be payable. The Board and the Compensation Committee value the opinions of the Company's stockholders, and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this Proxy Statement, the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Vote Required and Board Recommendation

The affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote is required for advisory approval of this proposal.

THE BOARD RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE SEC'S EXECUTIVE COMPENSATION DISCLOSURE RULES.

PROPOSALS OF STOCKHOLDERS

In accordance with the rules promulgated by the SEC, any stockholder who wishes to submit a proposal for inclusion in the proxy material to be distributed by the Company in connection with the 2017 Annual Meeting of Stockholders must submit such proposal to the Company no later than [ ], 2017.

Assuming that the Company's 2017 Annual Meeting of Stockholders is held on schedule, the Company must receive notice of a stockholder's intention to introduce a nomination or other item of business at that meeting no earlier than July 5, 2017, and no later than August 3, 2017. If the Company does not receive notice by August 3, 2017, or if the Company meets certain other requirements of the SEC rules, the persons named as proxies in the proxy materials relating to that meeting will use their discretion in voting the proxies when these matters are raised at the meeting.

On July 5, 2016, the Company received a letter from Privet seeking to nominate four individuals for election to the Board at the Company's 2016 Annual Meeting of Stockholders. The Board does not endorse any Privet nominee and unanimously recommends that you disregard any proxy card that may be sent to you by Privet. Voting to "withhold" with respect to any of Privet's nominees on its proxy card is not the same as voting for the Board's nominees, because a vote to "withhold" with respect to any of Privet's nominees on its proxy card will revoke any previous proxy submitted by you. Only the latest validly executed proxy that you submit will be counted.

#### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors, officers and any person who is the beneficial owner of more than 10% of the Company's equity securities ("10% stockholder") to file reports of ownership and reports of changes in ownership of the Company's Common Stock and other equity securities with the SEC. Directors, executive officers and 10% stockholders are required to furnish the Company with copies of all Section 16(a) forms they file. Based on a review of the copies of such reports furnished to it, the Company believes that during the fiscal year ended April 30, 2016, the Company's directors, officers and 10% stockholders complied with all Section 16(a) filing requirements applicable to them.

#### CERTAIN INFORMATION AS TO COMMITTEES AND MEETINGS OF THE BOARD

During the past fiscal year, five (5) meetings of the Board were held. Except for Dr. Sloane and Mr. Sarachek who were appointed to the Board on August 19, 2016 and August 25, 2016, respectively, each of the Company's directors attended, in person or telephonically, all of the meetings of the Board and of the meetings of committees of the Board of which such director was a member that were held during the past fiscal year.

In addition to attendance at Board meetings, the Board encourages, but does not require, all directors to attend annual meetings of the Company's stockholders.

#### Audit Committee

The Audit Committee currently consists of five of the Company's independent directors; Messrs. Foley, Girsky, Schwartz, Sloane and Sarachek. Each of these directors is independent in accordance with the independence standards for audit committee membership set forth in Section 10A(m)(3) of the Exchange Act and the listing standards of The NASDAQ Stock Market, upon which the Company's Common Stock is listed and trades. The Board has determined that each member of the Audit Committee is able to read and understand fundamental financial statements. In addition, the Board has determined that Mr. Girsky, chairman of the Audit Committee, satisfies the SEC's criteria as an "audit committee financial expert."

The Audit Committee has procedures in place to receive, retain and handle complaints received regarding accounting, internal controls or auditing matters and to allow for the confidential and anonymous submission by anyone of concerns regarding questionable accounting or auditing matters.

The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and the audits of the Company's financial statements. The functions of the Audit Committee include, without limitation, (i) responsibility for the appointment, compensation, retention and oversight of the Company's independent

auditors, (ii) review and pre-approval of all audit and non-audit services provided to the Company by the independent auditors, other than as may be allowed by applicable law, and (iii) review of the annual audited and quarterly consolidated financial statements. The Audit Committee Charter, which describes all of the Audit Committee's responsibilities, is posted on the Company's website at <http://www.frequencyelectronics.com>.

The Audit Committee held four (4) meetings during the last fiscal year. For the Audit Committee's report, see "Report of the Audit Committee," below.

#### Compensation Committee

The Compensation Committee currently consists of five of the Company's independent directors; Messrs. Foley, Girsky, Schwartz, Sloane and Sarachek. The Compensation Committee adopted a formal charter, which is posted on the Company's website at <http://www.frequencyelectronics.com>. The Compensation Committee is responsible for determining remuneration arrangements for the highest paid executives and oversees the Company's stock option, bonus and other incentive compensation plans. The Compensation Committee may not delegate these responsibilities. The Compensation Committee held four (4) meetings during fiscal year 2016.

The Company's President and Chief Executive Officer, Martin Bloch, recommends to the Compensation Committee base salary, bonus payouts from the short-term incentive pool and long-term incentive grants for the Company's officers (other than himself) and other eligible employees (see "Executive Compensation" below). Mr. Bloch makes these recommendations to the Compensation Committee based on input from the Company's Human Resources Manager using compensation data as described below, as well as qualitative judgments regarding individual performance. Mr. Bloch is not involved with any aspect of determining his own pay. Mr. Bloch's compensation is based upon an employment agreement dated March 17, 2008, a description of which is found below.

In order to assess whether the compensation program that the Company provides to its executive officers is competitive, its human resources department annually participates in a survey of electronics companies in the New York metropolitan area. This survey compares base salaries by job type as well as benefits offered by other companies in the electronics industry. The Compensation Committee has established salaries and benefits which are in the mid-range of those companies which participate in this survey.

#### Director Nominations

The Company does not have a formal nominating or corporate governance committee. New director nominations, which are infrequent, and compliance with corporate governance rules, are reviewed and approved by the independent directors. By Board resolution, the Company has determined that if a new director is to be nominated, the independent directors of the Company (currently Messrs. Foley, Girsky, Schwartz, Sloane and Sarachek) will conduct interviews of qualified candidates and, as appropriate, will recommend selected individuals to the Board. The independent directors consider director candidates based on criteria approved by the Board, including such individuals' backgrounds, skills, expertise, accessibility and availability to serve constructively and effectively on the Board. The Board has no formal policy on the consideration to be given to diversity in the nomination process, other than to seek candidates who have skills and experience that are appropriate to the position and complementary to those of the other board members or candidates using the criteria identified above. The Company may retain a director search firm to assist it in identifying qualified director nominees.

#### Director Candidates Proposed by Stockholders

The Company will consider recommendations for director candidates submitted in good faith by stockholders of the Company. A stockholder recommending an individual for consideration by the Board (and the independent directors) must provide (i) evidence in accordance with Rule 14a-8 of the Exchange Act of compliance with the stockholder eligibility requirements, (ii) the written consent of the candidate(s) for nomination as a director, (iii) a resume or other written statement of the qualifications of the candidate(s) for nomination as a director, and (iv) all information regarding the candidate(s) and the stockholder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board, including, without limitation, name, age, business and residence address and principal occupation or employment during the past five years. Stockholders should send the required information to the Company at 55 Charles Lindbergh Boulevard, Mitchel Field, New York

11553, Attention: Corporate Secretary.

19

---

In order for a recommendation to be considered by the Company for the 2017 Annual Meeting of Stockholders, the Company's Corporate Secretary must receive the recommendation no later than 5:00 PM, local time, on [ ], 2017. Such recommendations must be sent via registered, certified or express mail (or other means that allows the stockholder to determine when the recommendation was received by the Company). The Company's Corporate Secretary will send properly submitted stockholder recommendations to the independent directors for consideration at a future meeting. Individuals recommended by stockholders in accordance with these procedures will receive the same consideration as other individuals evaluated by the independent directors.

## CORPORATE GOVERNANCE MATTERS

### Communications with Directors

Stockholders and other interested parties may communicate directly with any Director, including any non-management member of the Board, by writing to the attention of such individual at the following address: Frequency Electronics, Inc., 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553, Attention: Corporate Secretary. The Company's Secretary will distribute any stockholder communications received to the Director(s) to whom the letter is addressed or to all of the Directors if addressed to the entire Board.

Communications that are intended for the non-management directors generally should be marked "Personal and Confidential" and sent to the attention of the Chairman of the Audit Committee. The Chairman will distribute any communications received to the non-management member(s) to whom the communication is addressed.

### Executive Sessions of Independent Directors

The independent directors regularly meet without any management directors or employees present. Such executive sessions are held at least annually and as often as necessary to fulfill the independent directors' responsibilities.

### Size of Board

The Company's Amended and Restated Bylaws provide that the size of the Board shall consist of not less than three (3) but not more than twelve (12) members, as determined from time to time the Board. On August 19, 2016, after a thorough search process and a period of considerable deliberation by the Board, including with regard to the Company's corporate governance, the Board adopted a resolution to increase the number of directors on the Board from five (5) to seven (7), and appointed Dr. Stanton D. Sloane as an independent director to fill one of the newly created vacancies. On August 25, 2016, the Board appointed Mr. Russell M. Sarachek as an independent director to fill the remaining vacancy on the Board. On August 29, 2016, each of Admiral Foley and General Franklin notified the Board that they would not stand for reelection at the Annual Meeting, and the Board adopted a resolution to decrease the number of directors on the Board from seven (7) to five (5) effective as of October 31, 2016. Also on August 29, 2016, the Board appointed Messrs. Sloane and Sarachek to the Audit Committee and the Compensation Committee.

### Code of Ethics

All directors, officers and employees of the Company must act ethically and in accordance with the Company's Code of Ethics (the "Code of Ethics"). The Code of Ethics satisfies the definition of "code of ethics" under the rules and regulations of the SEC and is available on the Company's website at <http://www.frequencyelectronics.com>. The Code of Ethics is also available in print to anyone who requests it by writing to the Company at the following address: Frequency Electronics, Inc., 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553, Attention: Ethics Officer. Annually, the Company's Directors review the Code of Ethics and the report of the Company's Ethics Committee.

### Board Leadership Structure

The positions of Chairman of the Board and Chief Executive Officer are currently held by different persons. The Board believes that having a separate Chairman allows the Chief Executive Officer, Mr. Bloch, to focus on the day-to-day management of the Company while enabling the Board to maintain an independent perspective on the activities of the Company and executive management.

## Board Risk Oversight

The Company's senior management manages the day-to-day risks facing the Company under the oversight and supervision of the Board, which oversees the Company's risk management strategy, focusing on the adequacy of the Company's risk management and mitigation processes. The Board's role in the risk oversight process includes receiving regular reports from senior management on areas of material risk, including operational, financial, legal and regulatory and strategic and reputational risks. The full Board receives these reports to enable it to understand the Company's risk identification, risk management and risk mitigation strategies. While the full Board is ultimately responsible for risk oversight at the Company, the Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk in the areas of financial reporting and internal controls. In performing its functions, the Audit Committee has access to management and is able to engage advisors, if deemed necessary. The Board receives regular reports from the Audit Committee regarding its areas of focus.

## REPORT OF THE AUDIT COMMITTEE

The Report of the Audit Committee is not to be considered as filed with the SEC or incorporated by reference into any other filings which the Company makes with the Exchange Commission under the Securities Act of 1933, as amended, or the Exchange Act, nor is this information considered as proxy soliciting material. This portion of this proxy statement is not a part of any of those filings unless otherwise stated in those filings.

The members of the Audit Committee have been appointed by the Board. As of the date of the Report of the Audit Committee the Audit Committee was comprised of three non-employee directors, each of whom satisfies the independence standards for audit committee membership set forth in Section 10A(m)(3) of the Exchange Act and the independence requirements of the NASDAQ. The Audit Committee is governed by a charter that has been approved and adopted by the Board and which is reviewed and reassessed annually by the Audit Committee.

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Exchange Act except to the extent the Company specifically incorporates this Audit Committee Report by reference therein.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements for the fiscal year ended April 30, 2016, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, management and the independent auditors have represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee has also discussed with the independent auditors any matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee has received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with the independent accountant the independent accountant's independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held four meetings during fiscal year 2016.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended April 30, 2016 for filing with the Securities and Exchange Commission.

The amounts in this column do not represent actual cash payments to the Named Executive Officers. Each value primarily (see Note 3 below) represents the aggregate grant date fair value of SARs awarded by the Company during fiscal years 2016 and 2015 computed in accordance with FASB ASC TOPIC 718. The assumptions used in (2) determining the grant date fair values of these awards are set forth in the notes to the Company's consolidated financial statements, which are included in its Annual Report on Form 10-K for the years ended April 30, 2016 and 2015, as filed with the SEC.

Other than contributions of Common Stock to the accounts of participants in the Company's 401(k) Savings Plan, (3) the Company did not make any other awards of Common Stock to any employees during fiscal years 2016 and 2015. The fair market value of contributions to the 401(k) accounts of participants, including the Named Executive Officers, may not exceed \$3,000 in a calendar year.

(4)

The amounts in this column do not represent actual cash payments to the Named Executive Officers. The Company has entered into certain deferred compensation agreements with key employees (including the Named Executive Officers) providing for the payment of benefits upon retirement or death or upon the termination of employment not for cause. The values in the table above reflect the change in the actuarially calculated deferred compensation liability for each of the Named Executive Officers for fiscal years 2016 and 2015. These non-cash amounts are included in the Company's general and administrative expenses for the fiscal years ended April 30, 2016 and 2015, respectively.

(5) The amounts shown in this column are composed of the following:

Name	Costs of Purchased or Leased Automobile	Health, Life, Disability Insurance & Medical Reimbursement (a)	Additional Life Insurance Premiums (b)	Financial Planning Advice and other (b)	Total All Other Compensation

(b) Mr. Bloch's compensation includes financial planning advice and Company-paid premiums for additional whole life insurance policies, the beneficiaries of which are Mr. Bloch's heirs.

#### Narrative Disclosure of Summary Compensation Table

##### Short-Term Incentives

The Company maintains short-term incentive bonus programs for certain employees which are based on operating profits and certain other relevant criteria of the individual subsidiaries to which the employees are assigned. The Company's employment agreement with its Chief Executive Officer includes a bonus formula based on consolidated pre-tax profits (see "Chief Executive Officer Employment Agreement" below). These plans are designed to create incentives for superior performance and to allow the Company's executive officers to share in the success of the Company by rewarding the contributions of individual officers. Focused on short-term or annual business results, these plans enable the Company to award designated executives with annual cash bonuses based on their contributions to the profits of the Company.

##### Long-Term Incentives

As part of its comprehensive compensation program, the Company stresses long-term incentives through awards of shares of its Common Stock through the grant of SARs or options to purchase Common Stock through its 2005 Stock Award Plan. Grants and awards are aimed at attracting new personnel, recognizing and rewarding current executive officers for special individual accomplishments, and retaining high-performing officers and key employees by linking financial benefit to the performance of the Company (as reflected in the market price of Common Stock) and to continued employment with the Company. Grants of SARs, stock options and other equity awards are generally determined on an individual-by-individual basis. The factors considered are the individual's performance and potential for contributing to the Company's future growth, the number of SARs, stock options and awards previously

granted to the individual and the Company's financial and operational performance.

23

---

The Company does not maintain any compensation plans for its executive officers or directors nor for any of its other employees which provide compensation intended to serve as incentive for performance to occur over a period longer than one fiscal year other than the stock award plans discussed above and the Company's 401(k) Savings Plan discussed below. The fair values of SAR awards under the 2005 Stock Award Plan is shown in the Summary Compensation Table above.

#### Nonqualified Deferred Compensation Agreements

The Company has no tax-qualified defined benefit or actuarial retirement plans in effect. It has entered into certain deferred compensation agreements with key employees, including its officers, providing for the payment of benefits upon retirement or death or upon the termination of employment not for cause. The Company pays compensation benefits out of its working capital but has also purchased whole or universal life insurance (of which it is the sole beneficiary) on the lives of each of the participants to cover the optional lump sum obligations under the deferred compensation agreements upon the death of the participant. The annual premiums paid during fiscal year 2015 were less than the increase in cash surrender value of the whole and universal life insurance policies.

The deferred compensation for participants in the program is reviewed annually by the Compensation Committee. The annual benefit may be increased based upon recent performance, length of service, economic conditions and other factors. The annual benefit to be provided to each of the Named Executive Officers upon his retirement is as follows:

Martin Bloch, President & CEO	\$235,000
Markus Hechler, Executive VP	95,000
Oleandro Mancini, Senior VP	75,000

Such benefits are payable for the remaining life of the individual with a minimum payment over ten years (25 years for Mr. Bloch) to either the employee or his beneficiaries. Benefits may be paid in a lump sum in the case of a participant's death, disability or early termination of employment without cause. The change in actuarial value in nonqualified deferred compensation benefits under the deferred compensation agreements for each of the Named Executive Officers is presented in the Summary Compensation Table.

#### Supplemental Separation Benefits

Included in the deferred compensation agreements of certain executive officers and certain key employees are provisions for supplemental separation benefits. Under the agreements, in the event of a change in control or ownership of part or all of the Company which gives rise to discharge of any officer or employee without cause, then such officer or employee will receive supplemental severance pay equal to one and one-half times the employee's average base salary plus cash bonus from the previous five calendar years prior to the change of control if such discharge occurs in the first year after the change of control. If discharge occurs more than one year but less than two years after the change of control, then the employee will receive two-thirds of the five-year average of base salary and bonus.

#### Chief Executive Officer Employment Agreement

Pursuant to his employment agreement, Mr. Bloch's base annual salary is \$400,000. Mr. Bloch also receives additional compensation of up to \$52,000 in the form of financial planning advice and Company-paid premiums for life insurance coverage, the beneficiaries of which are Mr. Bloch's heirs. Mr. Bloch's employment agreement provides a fixed annual bonus of 6% of the pre-tax profit of the Company with a cap on the pre-tax profit at \$20,000,000, as well as separation benefits in the event of a change in control or ownership of part or all of the Company, continuation of disability, medical and life insurance, the cost of an annual physical examination and a new automobile every three years. Mr. Bloch was awarded SARs based on 355,000 shares of the Common Stock and the market value of the Company's stock on the date of grant. The SARs are exercisable for a period of ten years from the date of grant with

the exception of the fiscal year 2015 award which is exercisable for a period of five years from the date of grant. (See "Outstanding Equity Awards at Fiscal Year-End" and footnotes (6) and (9) under "Stock Ownership of Certain Beneficial Owners and Management" above.)

## Employee Benefit Plans

Officers, including the Named Executive Officers, are eligible to participate in the Company's 401(k) Savings Plan. This plan permits eligible employees to defer a portion of their income through voluntary contributions to the plan. Under the provisions of the plan, the Company makes discretionary matching contributions of the Company's Common Stock, the fair market value of which may not exceed \$3,000 in a calendar year. All participants in the plan become fully vested in the Company contribution after six years of employment. All of the Named Executive Officers are fully vested in the shares attributable to their accounts. (See footnote (8) under "Stock Ownership of Certain Beneficial Owners and Management" above.)

In addition, Mr. Bloch and Mr. Hechler were participants in the Company's Stock Bonus Plan and the ESOP which replaced it. In May 2015, the ESOP plan was merged into the Company's 401(k) Savings Plan.

## Other Compensation

Officers (other than Mr. Bloch) and certain key employees are provided with a leased automobile to use for both business and personal purposes. The operating costs of each vehicle are paid by the Company. The value of any personal use is included in the taxable income of each employee. Officers of the Company are also reimbursed for out-of-pocket medical expenses incurred by the officers and their families. Such reimbursement is also included in the officers' taxable income.

In the case of Mr. Bloch's award of 40,000 SARs on March 17, 2008, the SAR was 50% exercisable one year after the grant date and fully exercisable two years after the grant date. In general, awards expire ten years after the date of grant but such terms may be modified at the discretion of the Company's Compensation Committee. The award granted on April 30, 2015 will expire in five years from the date of grant. Grants are made at the market value of Common Stock on the date of grant.

A copy of the Company's Annual Report on Form 10-K, including the financial statements for the fiscal year ended April 30, 2016, is available under the Investor Relations section of the Company's website at <http://www.frequencyelectronics.com>. A Notice of Internet Availability of Proxy Materials is being mailed to stockholders which also includes instructions on how stockholders may obtain printed copies of the Annual Report on Form 10-K and the Proxy Statement. Stockholders may also request printed copies of the Proxy Materials by calling the Company at (516) 794-4500, extension 5024 or by sending an email to [investorrelations@freqelec.com](mailto:investorrelations@freqelec.com). For a charge of \$50, the Company agrees to provide a copy of the exhibits to the Form 10-K to any stockholders who request such a copy.

## STOCKHOLDERS SHARING THE SAME ADDRESS

SEC rules permit companies, brokers, banks or other intermediaries to deliver a single copy of a proxy statement and annual report to households at which two or more stockholders reside. This practice, known as "householding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. Stockholders sharing an address who have been previously notified by their broker, bank or other intermediary and have consented to householding will receive only one copy of the Company's proxy statement and annual report.

If you would like to opt out of this practice for future mailings and receive separate proxy statements and annual reports for each stockholder sharing the same address, please contact your broker, bank or other intermediary. You may also obtain a separate proxy statement or annual report without charge by contacting the Company at Frequency Electronics, Inc., 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553, Attention: Corporate Secretary; (516) 794-4500. We will promptly send additional copies of the proxy statement or annual report. Stockholders sharing an address that are receiving multiple copies of the proxy statement or annual report can request delivery of a single copy of the proxy statement or annual report by contacting their broker, bank or other intermediary or by contacting the Company as indicated above.
