**Lloyds Banking Group plc**

**Notification of transaction by persons discharging managerial responsibilities**

On 2nd July, 2009, following the Placing and Compensatory Open Offer (the “Offer”) announced on 20 May 2009, conditional awards in respect of ordinary shares of 25p each in Lloyds Banking Group plc (“Shares”) held by the individuals set out below under the Lloyds TSB long-term incentive plan (LTIP) were adjusted.

We disclosed in the Prospectus for the Offer, published on 20 May 2009, that options and awards under the Lloyds Banking Group Employee Share Plans might be adjusted to take into account the Offer.

Colleagues were generally permitted to participate in the Offer with respect to their private shareholdings. However, they were not eligible to participate with respect to active employee share plans (such as the LTIP and nil cost options) that gave them a future right to acquire shares. Because the Offer was at a discount to current market value, this resulted in a dilution of the value of those share awards. These adjustments restore the value of potential awards and ensure that they are not adversely affected by the Offer.

The details of the adjusted awards are set out below. No other changes to the terms of the awards, which are subject to stretching performance criteria over a three year period, have been made.

In addition, a nil-cost option held by Mr. M.A. Fisher under the Lloyds TSB Group executive share plan 2003 was also adjusted on 2nd July, 2009 in order to keep its value whole and to ensure that it is not adversely affected by the Offer.

This nil-cost option was granted on 11th March, 2009 in respect of 984,251 Shares. The adjusted number of Shares is 1,288,933. No other changes to the terms of this option have been made.
