The Company, a Delaware corporation, has its principal executive offices at 3165 McMullen Booth Road, Building B, Clearwater, Florida 33761.

Solicitation of Proxies

The Company is soliciting proxies. The cost of distributing the Proxy Statement and Annual Meeting Notice will be borne by the Company. Brokerage houses and nominees will be requested to supply lists of or forward the information material to the beneficial owners. The Company, upon request, will reimburse such brokerage houses and nominees for their reasonable expenses in forwarding information materials to their beneficial owners. Shares of common stock, represented by a properly executed proxy, will be voted as indicated on the proxy and if no proxy or designation is made a vote by management will be for the proposal. The form of proxy accompanying this Proxy Statement and the persons named therein as proxies have been approved by the Board of Directors.

Shareholders Entitled to Vote

Holders of shares of the Common Stock of the Company of record at the close of business on July 10, 2003 are entitled to notice of and to vote at the Annual Meeting and at any and all adjournments or postponements of the meeting. Each share entitles its holder to one vote. The holders of one-third of the shares entitled to vote at the meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the meeting. On the record date there were 11,352,379 shares outstanding (excluding 645,161 shares held by the Company's majority-owned subsidiary, Stem Cell Preservation Technologies, Inc.).

Vote Required

Other than the election of directors, which requires a plurality of the votes cast, each matter to be submitted to the shareholders requires the affirmative vote of a majority of the votes cast at the meeting. For purposes of determining the number of votes cast with respect to a particular matter, votes cast For, Against or Abstain are included. Abstentions are counted as votes cast against any matter and will be counted for purposes of determining whether a quorum is present at the meeting.

Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers (broker non-votes) are not counted or deemed to be present or represented for purposes of determining whether shareholders have approved that matter, but are counted as present for purposes of determining the existence of a quorum at the annual meeting.

Proxy Revocability

Any proxy given pursuant to this solicitation is revocable at any time prior to the voting at the meeting by (1) delivering written notice to the Secretary of the Company, (2) submitting a subsequently dated proxy, or (3) attending the Meeting, withdrawing the proxy, and voting in person.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The business and affairs of the Company are managed under the direction of the Board of Directors. The Board currently consists of six positions. Each director is elected to hold office for a period of one year or until his or her successors are elected.

The Board held six meetings in fiscal 2002, and each of the directors then in office attended at least 75% of the regularly scheduled meetings of the Board and the Committees of the Board of which the director was a member. The Committees established by the Board include the following:

Audit Committee

The current members of the Audit Committee are Mr. Christian (Chairman) and Mr. Goubran. The Audit Committee is comprised entirely of non-employee, independent members of the Board of Directors and operates under a written charter adopted by the Board of Directors, which is attached hereto as Exhibit A. The Charter sets out the responsibilities, authority and specific duties of the Audit Committee. The Charter specifies, among other things, the structure and membership requirements of the Committee, as well as the relationship of the Audit Committee to the independent auditors and management of the Company. The Audit Committee assists the Board of Directors in fulfilling its responsibilities of ensuring that management is maintaining an adequate system of internal controls such that there is reasonable assurance that assets are safeguarded and that financial reports are properly prepared; that there is consistent application of generally accepted accounting principles; and that there is compliance with management's policies and procedures. In performing these functions, the Audit Committee meets periodically with the independent auditors and management to review their work and confirm that they are properly discharging their respective responsibilities. In addition, the Audit Committee recommends the independent auditors for appointment by the Board of Directors. The Audit Committee met two times during the last fiscal year. The members of the audit committee are independent, as independence is defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards.

The primary focus of the Governance Committee is on the broad range of issues surrounding the composition and operation of the Company's Board of Directors. The Committee provides assistance to the Board of Directors in the areas of membership selection, committee selection and rotation practices, evaluation of the overall effectiveness of the Board of Directors, and review and consideration of developments in corporate governance practices. The Committee's goal is to assure that the composition, practices and operation of the Board of Directors contribute to value creation and effective representation of the Company's shareholders.

Directors' Fees

Directors who are employees of the Company receive no compensation for their services as directors or as members of committees. Each director of the Company is eligible to receive awards of options or shares pursuant to the Company's stock option plan. Currently, each director receives an award in the form of a stock option grant upon first becoming a member of the Board of Directors. The number of options granted is currently 20,000 shares per person. Non-employee directors are paid an attendance fee of \$1,000 for each day of a Board or Board Committee

Edgar Filing: CRYO CELL INTERNATIONAL INC - Form DEF 14A

meeting and are reimbursed the reasonable expenses incurred in attending the meeting. The fee for participation in a Board or Board Committee meeting held by telephone conference call and lasting at least one hour is \$500.

In addition to the meeting fees, in June 2002, the Board of Directors approved a compensation arrangement with Mercedes Walton for her service to the Company as Chairman of the Board, a position to which she was elected in June 2002. The arrangement provides for annual compensation to Ms. Walton of \$150,000. At the time of becoming Chairman in June 2002, Ms. Walton was also granted options to purchase 100,000 shares of the Company's common stock pursuant to the Company's Stock Incentive Plan. The exercise price of the options is \$2.15 and the options are fully vested and are exercisable for five years. In addition, Ms. Walton is entitled to a future option grant to purchase 25,000 shares of the Company's common stock upon the Company's obtaining each of the following benchmarks:

The date the Company becomes listed for trading on the Nasdaq National Market;

The date the Company's shareholder equity reaches \$50 million;

The date the Company's annual net profits reach \$10 million; and

The date the market price of the Company's common stock reaches \$10.00 per share.

To the extent the benchmarks are achieved by the Company and Ms. Walton is Chairman of the Company at the time, the exercise price of the options will be \$6.00 per share or the closing price of the Company's stock on the day the benchmark is achieved, whichever is lower. Each option grant will be exercisable for a term of five years.

Section 16(a) Beneficial Ownership Reporting Compliance

The Company believes that during the fiscal year 2002 all reports for the Company's officers and directors that were required to be filed under Section 16 of the Securities and Exchange Act of 1934 were timely filed, except that one Form 3 was filed late by Mr. Goubran and one Form 3 was filed late by Mr. Finch.

INDEPENDENT AUDITOR MATTERS

Independent Auditors

The firm of Weinick, Sanders, Leventhal and Company, LLP (Weinick Sanders) served as the Company's independent auditors for the year ended November 30, 2002. Representatives of Weinick Sanders are not expected to be present at the Annual Meeting of Shareholders and therefore representatives of Weinick Sanders will not be available to respond to questions or make a statement.

On March 11, 2003, upon the recommendation and approval of its Board of Directors and its Audit Committee, the Company dismissed Weinick Sanders as the Company's independent auditors. Weinick Sanders' reports on the Company's consolidated financial statements for each of the fiscal years ended November 30, 2002 and 2001 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended November 30, 2002 and 2001 and subsequently through the date of its dismissal, there were no disagreements with Weinick Sanders on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Weinick Sanders' satisfaction, would have caused them to make reference to

Edgar Filing: CRYO CELL INTERNATIONAL INC - Form DEF 14A

the subject matter in connection with their report on the Company's consolidated financial statements for such years. The Company requested Weinick Sanders to furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether Weinick Sanders agreed with the statements regarding Weinick Sanders included in a Form 8-K/A filed with the Securities and Exchange Commission on March 17, 2003. A copy of such letter has been filed as an exhibit to that Form 8-K/A.

On March 11, 2003, the Company engaged Ernst & Young LLP (E&Y) to serve as the Company's independent auditors. On May 13, 2003, E&Y resigned as the Company's independent auditors.

On June 30, 2003, the Company retained Grant Thornton LLP to serve as its independent auditors, effective for the year ending November 30, 2003. Representatives of Grant Thornton LLP will be available telephonically at the Annual Meeting of Shareholders to respond to questions and make a statement if they desire to do so.

Fees to Independent Auditors

During fiscal 2002, the Company retained Weinick Sanders to provide services in the following categories and amounts:

Audit Fees

The Company estimates that the aggregate fees billed by its independent auditors for professional services rendered in connection with the audit of the Company's annual financial statements set forth in the Company's Annual Report on Form 10-KSB for the year ended November 30, 2002 were approximately \$188,000. In addition, the independent auditors billed approximately \$45,000 for the audit of the Company's majority-owned subsidiary, Stem Cell Preservation Technologies, Inc.

Financial Information Systems Design and Implementation Fees

The Company incurred no fees from its independent auditors for the Company's most recent fiscal year for professional services rendered in connection with operating, or supervising the operation of, the Company's information system, managing the Company's local area network or designing and implementing hardware and software systems.

All Other Fees

The Company estimates that the fees billed by its independent auditors for the Company's most recent fiscal year for other services totaled approximately \$48,000. These fees related to work performed with respect to management consulting services and tax services.

The Audit Committee has determined that the provision of the services described above under "Financial Information Systems Design and Implementation Fees" and "All Other Fees" by Weinick Sanders Leventhal & Co., LLP was compatible with maintaining Weinick Sanders Leventhal & Co., LLP's independence.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reports to and acts on behalf of the Board of Directors by providing oversight of the financial management, independent auditors and financial reporting procedures of the Company. The Company's management is responsible for preparing the Company's financial statements and the independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by the Company's management and the independent auditors.

In this context, the Committee has met and held discussions with management and the independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

The Committee has discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), as amended. In addition, the independent auditors provided to the Audit Committee the written disclosures required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committees), and the Committee and the independent auditors have discussed the auditors independence from the Company and its management, including the matters in those written disclosures. The Committee has discussed with the Company's independent auditors, with and without management present, their evaluation of the Company's internal accounting controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions with management and the independent auditors referred above, the Audit Committee recommended to the Board of Directors and the Board approved, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-KSB for the fiscal year ended November 30, 2002, as amended, for filing with the Securities and Exchange Commission. The Audit Committee also recommended to the Board of Directors, and the Board approved the selection of the Company's independent auditors.

These options were scheduled to vest on June 18, 2003. On April 8, 2003, Mr. Hargiss resigned as the Company's President and Chief Executive Officer.

CERTAIN TRANSACTIONS

Daniel D. Richard, former Chairman of the Board and Chief Executive Officer is the father of Ronald B. Richard, a former member of the Board of Directors of the Company and the former Chief Executive Officer of the Company's majority owned subsidiary Stem Cell Preservation Technologies, Inc. While Mr. Ronald Richard was Chief Executive Officer of Stem Cell Preservation Technologies, Inc. he received \$138,936 as compensation in fiscal 2002.

On June 18, 2002, Daniel D. Richard resigned from his positions as Chairman and Chief Executive Officer of the Company. On January 29, 2003, Mr. Daniel Richard resigned from the Board of Directors. The Board awarded Mr. Daniel Richard a \$250,000 retirement bonus which was recorded at May 31, 2002 and conditionally awarded, 200,000 stock options at 110% of market value at the time of grant from the Company's Stock Incentive Plan upon the successful completion of certain performance milestones. Mr. Daniel Richard will be paid \$200,000 per year over the next 10 years as part of a long-term consulting agreement with the Company. The agreement contains a survivor's benefit to his widow in the event of Mr. Daniel Richard's death before the expiration of the 10-year period. Mr. Daniel Richard currently serves as Chairman and Chief Executive Officer of Stem Cell Preservation Technologies, Inc.

On July 25, 2001 the Board of Directors of CRYO-CELL International, Inc. announced that the Company would declare and distribute a stock dividend in the shares of its then wholly owned subsidiary, Stem Cell Preservation Technologies, Inc. (SCPT). SCPT is a development stage company, which will be involved in the development of marketing programs for the collection and preservation of adult stem cells.

Shareholders of record of CRYO-CELL on August 31, 2001 are expected to receive a distribution of three shares of Stem Cell Preservation Technologies, Inc. common stock for every four shares of CCEL that they owned on the record date. The payment date of the shares to be distributed is expected to follow the anticipated effective date of a registration statement relating to such distribution. Subsequent to an effective registration statement, the Company will own approximately 24.9% of SCPT. In June 2002 SCPT filed the original registration statement. In November 2002 SCPT responded to the first round of comments from the Securities and Exchange Commission and is now responding to additional comments. Upon the effective date of the registration statement and distribution of the shares, shareholders will thereafter be able to sell one-third of their shares immediately and the remaining two-thirds equally over the two years following the effective date.

Prior to the spin off of SCPT, and continuing thereafter, the Company and SCPT have agreed to sharing of certain revenues earned by SCPT. In exchange for \$3,000,000 in cash and common stock (\$600,000 in cash, \$2,400,000 in common stock of CCEL) the Company is to receive in perpetuity a fixed portion of all income derived from the storage of adult stem cells, for up to 50,000 specimens originating from customers from each of the states of New York and Illinois. An operational agreement has been established between the Company and SCPT for the processing and storage of SCPT client specimens.

As of March 31, 2003 Mr. Daniel Richard owned 750,000 shares of SCPT, Mr. Maass owned 30,000 shares, Ms. Walton owned 25,000 shares, Mr. Nyberg owned 25,000 shares and Ms. Taymans owned 25,000 shares. To the extent these officers and directors own shares in the Company, they will participate pro-rata in the anticipated dividend.

On February 9, 1999, the Company's revenue sharing agreement with two individual investors relating to the State of Arizona (the Arizona Agreement) was modified and replaced by a new Revenue Sharing Agreement relating to the State of Florida (the Florida Revenue Sharing Agreement). Under the terms of the new agreement, the Company was to receive an aggregate one time up front payment of \$1,000,000 from the individual investors. The individual investors received a credit from the Company of \$450,000 toward the \$1,000,000 payment as a result of payments previously made by the investors to the Company pursuant to the Arizona Agreement. The Florida Revenue Sharing Agreement entitles the investors to an ongoing fixed percentage of the net storage revenue earned by the Company from specimens originating within the State of

Florida up to a maximum of 33,000 storage spaces. The Company is applying all of its payment obligations under the Florida Revenue Sharing Agreement toward the \$550,000 balance owed to the investors until such amount is paid in full. After the \$550,000 payment is satisfied, payments under the Florida Revenue Sharing Agreement will be made to the investors. The Company applied \$114,660 and \$55,177 in fiscal years ending 2002 and 2001, respectively, toward the investors' obligation to pay the \$550,000 balance. One of the Florida Revenue Sharing Agreement investors is Mr. Nyberg, who became a director of the Company in October 2001.

In May 2001 the Red Rock Partners, a partnership (Red Rock), paid \$200,000 to acquire warrants that expire on May 31, 2006 for 100,000 shares of the Company's common stock at \$6.00 per share. Mr. Nyberg, a director of the Company, is a partner of Red Rock.

On May 31, 2001 the Company also entered into a revenue sharing agreement with Red Rock entitling Red Rock to an on-going fixed percentage of the net storage revenue earned by the Company from specimens originating within the State of Texas up to a maximum of 33,000 storage spaces (the Texas Revenue Sharing Agreement). Under the terms of the Texas Revenue Sharing Agreement Red Rock paid the Company an aggregate one time up-front payment of \$750,000 and the Company made total payments to Red Rock of \$52,308 and \$15,138 for fiscal years ending 2002 and 2001, respectively.

In October 2001, the Company sold 90% of Safti-Cell, Inc., a then inactive subsidiary of the company, to Red Rock Partners, an Arizona general partnership. Mr. Charles Nyberg, a member of the Board of Directors of the Company, owns an interest in Red Rock Partners. The sale was approved prior to the time that Mr. Nyberg became a member of the Company's Board of Directors. The sale required that the partnership invest capital in land, buildings, equipment and personnel sufficient to provide back-up dual cryogenic storage of umbilical cord stem cells for the Company. Red Rock Partners has advised the Company it has invested in excess of one million dollars to bring such facilities into operation. These operations commenced in October 2002. An expanded building and facilities program is expected to be implemented over the next 18 months to facilitate expanded dual cryogenic storage capacity for the Company. Under the Company's agreement with Safti-Cell, the Company pays \$10 for each specimen that is delivered to the Safti-Cell facility for secondary storage. The agreement is for a period of twenty (20) years, during which the Company will own 10% of the equity of Safti-Cell and will also receive 2% of all of Safti-Cell's net profits from secondary storage.

OTHER BUSINESS

Management does not know of any other business to be acted upon at the meeting, and, as far as is known to management, no matters are to be brought before the meeting except as specified in the notice of the meeting. However, if any other business properly should come before the meeting, it is intended that the proxies will vote on any such matters in accordance with the judgment of the persons voting such proxies.

2004 ANNUAL MEETING SHAREHOLDER PROPOSALS

Pursuant to the Company's Bylaws, at an annual meeting of the shareholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business must be (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors; (b) otherwise properly brought before the meeting by or at the direction of the Board of Directors; (c) in the case of a nomination for director, properly brought in accordance with the procedures described below; or (d) otherwise properly brought before the meeting by a shareholder entitled to vote at such meeting. For business other than a nomination for director to be properly brought before an annual meeting by a shareholder, the shareholder must have given written notice to the Secretary of the Company so as to be received at the principal executive offices of the Company not less than 120 days in advance of the date of the Company's proxy statement released to shareholders in connection with the previous year's annual meeting of shareholders, except that if no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 days from the date contemplated at the time of the previous year's proxy statement, such notice must be so received a reasonable time before the solicitation is

made. Each such notice

shall set forth as to each matter the shareholder proposes to bring before the annual meeting (v) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; (w) the name and address of the shareholder proposing such business; (x) the class and number of shares of the Company which are beneficially owned by the shareholder; (y) any material interest of the shareholder in such business; and (z) such other information regarding such business as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had the matter been proposed by the Board of Directors.

The Company anticipates that the date of the 2004 Annual Meeting will be changed by more than 30 days from the date of the 2003 Annual Meeting. The Company anticipates that the 2004 Annual Meeting will be held on or about June 15, 2004, and that the proxy statement for such meeting will be mailed on or about May 11, 2004. Under the requirements described above, proposals intended to be presented at the Company's next Annual Meeting of Shareholders must be received at the Company's executive offices a reasonable time prior to the mailing date of the proxy materials, and not later than January 12, 2004, for inclusion in the proxy statement related to that meeting.

Rule 14a-4 promulgated under the Securities and Exchange Act of 1934 governs the Company's use of its discretionary proxy voting authority with respect to a shareholder proposal that the shareholder has not sought to include in the Company's proxy statement. The Rule provides that if a proponent of a proposal fails to notify the Company at least 45 days prior to the month and day of mailing of the prior year's proxy statement, management proxies will be allowed to use their discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter. Because the Company anticipates that the date of the 2004 Annual Meeting will be changed by more than 30 days from the date of the 2003 Annual Meeting, the notification with respect to the Company's 2004 Annual Meeting of Shareholders must be received at the Company's executive offices a reasonable time prior to the mailing date of the proxy materials, and not later than March 29, 2004. If the notice is not received by that time, management proxies will be allowed to use their discretionary authority as outlined above.
