We cordially invite you to attend the Annual Meeting. Whether or not you plan to attend, please complete, date and sign the proxy card and return it promptly in the return envelope provided.

QUESTIONS AND ANSWERS

1. Q: Who is asking for my proxy?

A: Your proxy is being solicited by our Board for use at our Annual Meeting. Our directors and officers may also solicit proxies on behalf of our Board, in person or by telephone, facsimile, mail or e-mail. If our directors, officers or employees solicit proxies, they will not be specially compensated. Contango will pay all costs and expenses of this proxy solicitation.

2. Q: What are stockholders being asked to vote on?

A: At our Annual Meeting, stockholders will be asked to vote:

Edgar Filing: CONTANGO OIL & GAS CO - Form DEF 14A

- n To elect our board of directors to serve until the annual meeting of stockholders in 2004; and
- n On any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

3. Q: Who is entitled to vote?

A: The record of stockholders entitled to vote at the Annual Meeting was taken at the close of business on September 22, 2003 (the Record Date). As of the Record Date, the Company had outstanding 9,301,692 shares of common stock, par value \$0.04 per share (the Common Stock), 2,500 shares of Series A senior convertible cumulative preferred shares, par value \$ 0.04 per share (Series A Preferred Stock), and 5,000 shares of Series B senior convertible cumulative preferred Shares, par value \$0.04 per share (Series B Preferred Stock). Only holders of record of the Company's Common Stock, Series A Preferred Stock and Series B Preferred Stock at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting.

4. Q: How many shares may vote at the Annual Meeting?

A: The holders of the Company's Common Stock, Series A Preferred Stock and Series B Preferred Stock vote together as a single class at the Annual Meeting and any adjournment thereof on the election of directors, with each record holder of Common Stock entitled to one vote per share of Common Stock, each record holder of Series A Preferred Stock entitled to 400 votes per share of Series A Preferred Stock and each record holder of Series B Preferred Stock entitled to 227.3 votes per share of Series B Preferred Stock.

5. Q: How do I vote my shares?

A: A proxy card is included with the proxy materials being sent to you. The proxy card allows you to specify how you want your shares voted as to each proposal listed. The proxy card provides space for you to:

n Vote for, or withhold authority to vote for, each nominee for the Board.

If the proxy card is properly signed and returned to us, shares covered by the proxy card will be voted in accordance with the directions you specify on the card. The person named as proxy on the proxy card is Kenneth R. Peak, the Company's Chairman and Chief Executive Officer. Any stockholder who wishes to name a different person as his or her proxy may do so by crossing out Mr. Peak's name and inserting the name of the other person to act as his or her proxy. In such a case, the stockholder would have to sign the proxy card and deliver it to the person named as his or her proxy, and that person would have to be present and vote at the Annual Meeting. Any proxy card so marked should not be mailed to the Company.

If you return a signed proxy card without having specified any choices, Mr. Peak, named as proxy, will vote the shares represented at the Annual Meeting and any adjournment thereof as follows:

n **FOR** the election of each nominee for director; and

n At the discretion of Mr. Peak, as proxy, on any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

6. Q: How does the Board recommend I vote?

A: The Board unanimously recommends that you vote **For** each of the matters to be voted on at the Annual Meeting.

Our executive officers and directors who own shares of Common Stock have advised us that they intend to vote their shares in favor of the proposal presented in this Proxy Statement. As of the Record Date, executive officers and directors collectively owned 1,305,433 shares of Common Stock, representing 11.4% of the total shares entitled to vote. Trust Company of the West (TCW), which holds 1,851,852 shares of the issued and outstanding Common Stock and all of the Series A Preferred Stock which, if converted, would constitute 1,000,000 shares of Common Stock, has advised us that it intends to vote its shares in favor of the proposal presented in this Proxy Statement. TCW's shares represent 24.9% of the total shares entitled to vote. In addition, Concert Capital Resources, LP (Concert), which holds all of the Series B Preferred Stock, which, if converted, would constitute 1,136,364 shares of the issued and outstanding Common Stock, have advised us that they intend to vote their shares in favor of the proposal presented in this Proxy Statement. Concert's shares represent 9.9% of the total shares entitled to vote. John B. Juneau, who beneficially owns 594,542 shares of the issued and outstanding Common Stock, has advised us that he intends to vote his shares in favor of the proposal presented in this Proxy Statement. Mr. Juneau's shares represent 5.2% of the total shares entitled to vote. See Security Ownership of Certain Beneficial Owners and Management .

7. Q: What vote is required?

A: Proposal 1, the election of directors will require an affirmative vote of a majority of the shares present in person or by proxy and voting at the Annual Meeting.

8. Q: What is a quorum ?

A: Presence at the Annual Meeting, in person or by proxy, of holders of a majority of the votes entitled to be cast by all record holders of the Company's Common Stock, Series A Preferred Stock and Series B Preferred Stock will constitute a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

9. Q: What is the effect of an abstention or a broker non-vote?

A: Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. A broker non-vote occurs when a nominee holding shares of the Company's Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders as a vote against, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

10. Q: What does it mean if I get more than one proxy card?

A: If your shares are registered differently or in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all your shares are voted.

11. Q: Can I revoke my proxy?

A: You may revoke your proxy at any time before it is exercised at the Annual Meeting by filing with or transmitting to our corporate secretary either a notice of revocation or a properly created proxy bearing a later date. You also may attend the meeting and revoke your proxy by voting your shares in person.

12. Q: How will the Company solicit proxies?

A: Proxies will be solicited in person, by telephone, facsimile or e-mail by directors, officers and employees of the Company without additional compensation. The Company will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to stockholders.

Board Operations and Organization

Mission Statement. The Company's primary objective is to maximize stockholder value, while at all times observing the highest ethical standards. The Company will pursue this objective through participation in the energy industry.

Corporate Authority & Responsibility. All corporate authority resides in the Board, as the representative of the stockholders. Authority is delegated to management by the Board in order to implement the Company's mission. Such delegated authority includes the authorization of spending limits and the authority to hire employees and terminate their services. The Board retains responsibility to recommend candidates to the stockholders for election to the Board. The Board retains responsibility for selection, evaluation and the determination of compensation of the chief executive officer of the Company, oversight of the succession plan, approval of the annual budget, assurance of adequate systems, procedures and controls, all matters of corporate governance, as well as assisting in the preparation and approval of the strategic plan. Additionally, the Board provides advice and counsel to senior management.

Compensation of Directors. Directors are compensated in the form of both a cash payment and Company equity. Each outside director receives a quarterly cash retainer of \$3,000 and a quarterly stock option grant to purchase 3,000 shares of Common Stock. Each outside director received a \$1,000 cash payment for each board meeting and separately scheduled Audit Committee meeting attended. In addition, the Chairman of the Audit Committee receives an additional quarterly stock option grant to purchase 1,500 shares of Common Stock.

Board Size. In general, smaller to mid-size boards are more cohesive, work better together and tend to be more effective monitors than larger boards. Our Bylaws currently provide for at least three and not more than seven directors.

Annual Election of Directors. In order to create greater alignment between the Board's and our stockholders' interests and to promote greater accountability to the stockholders, directors shall be elected annually.

Meetings. Our Board has meetings as necessary. During the fiscal year ended June 30, 2003, the Board held three regular meetings. All directors attended each of these meetings. During the fiscal year ended June 30, 2003, the Board passed resolutions by unanimous written consent on 10 occasions.

Committee Structure. It is the general policy of the Company that the Board as a whole will consider all major decisions. As a consequence, the committee structure of the Board is limited to the Audit Committee. The Audit Committee is composed solely of independent directors. The Board may form other committees as it determines appropriate.

Audit Committee. The Audit Committee recommends the appointment of independent public accountants to conduct audits of our financial statements, reviews with the accountants the plan and results of the auditing engagement, approves other professional services provided by the accountants and evaluates the independence of the accountants. The Audit Committee also reviews the scope and results of the Company's procedures for internal auditing and the adequacy of our system of internal accounting controls. Members are Messrs. Compofelice (chairman), Brehmer and Williams. The Audit Committee met formally five times during the fiscal year ended June 30, 2003.

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE FOUR NOMINEES AS DIRECTORS OF CONTANGO, TO SERVE UNTIL THE NEXT ANNUAL MEETING OF STOCKHOLDERS OR UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED.

CORPORATE GOVERNANCE

We believe that good corporate governance is important to assure that the Company is managed for the long-term benefit of its stockholders. The Board and management are committed to good business practices, transparency in financial reporting and the highest level of corporate governance and ethics. During the past year, the Board has reviewed existing corporate governance policies and practices and compared them to those suggested by various authorities in corporate governance and the practices of other public companies. It has specifically reviewed the provisions of the Sarbanes-Oxley Act of 2002, the new and proposed rules of the Securities and Exchange Commission and the proposed new listing standards and rules of the American Stock Exchange.

Many of the requirements of the Sarbanes-Oxley Act and the proposed American Stock Exchange rules are not yet effective as of the date of this Proxy Statement. Nevertheless, the Board has reaffirmed existing policies and initiated actions voluntarily adopting new policies consistent with many of the proposed new rules and listing standards. In particular, we have:

A majority of independent directors

An Audit Committee consisting solely of independent directors

Adopted a formal Audit Committee Charter in May 2000, an amended copy of which is attached to this proxy statement as Exhibit A

Empowered the Audit Committee to engage independent auditors and other outside advisors

As an inducement to enter into the agreement, JEX received 200,000 shares of our Common Stock. As of September 2, 2003, we have granted to JEX options to purchase 400,000 shares of our Common Stock in connection with exploratory successes and acquisitions. Of these options, 285,834 remain vested and unexercised as of September 2, 2003, with the remainder vesting subject to achieving a defined payout and rate of return. Additionally, we have granted to JEX warrants to acquire 125,000 shares of Common Stock in connection with the formation of Republic Exploration, LLC.

On August 14, 2000, we amended our agreement with JEX whereby in exchange for our no longer granting stock options for each acquisition and exploration success brought to us by JEX, we increased the overriding royalty interest granted to JEX's individual geoscientists from 2.5% to 3.3%. JEX currently receives a 25% proportionately reduced back-in working interest on successful prospects brought to us by JEX after we achieve a defined payout. JEX will continue to bear the upfront overhead costs of performing all functions involved in bringing a prospect to a ready to drill stage. JEX is required to participate for a 5% working interest in each transaction recommended. JEX's overall remuneration is directly related to our exploration success, as the overriding royalty and 25% after payout back-in working interest are tied to the drilling and performance of successful wells.

As of September 2, 2003, John B. Juneau beneficially owned 10.5% of our Common Stock and is the sole manager of the general partner of JEX.

Related party Transactions

Management shall inform the Committee of all related party transactions.

Miscellaneous

The Committee may perform any other activities consistent with this Charter, the Company's Certificate of Incorporation and Bylaws, and governing law, as the Committee or the Board of Directors deems necessary or appropriate.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally acceptable accounting principles. This is the responsibility of management and the outside auditors.

The Company will provide appropriate funding for the Committee.
