PROXY STATEMENT

ABOUT THE ANNUAL MEETING

Who Is Soliciting My Vote?

The Board of Directors of j2 Global Communications, Inc. (j2 Global or the Company) is soliciting your vote at the 2004 Annual Meeting of j2 Global s stockholders.

What Will I Be Voting On?

A proposal to elect five members to the j2 Global Board of Directors (see page 3).

A proposal to ratify the appointment of Deloitte & Touche LLP as j2 Global s auditors for 2004 (see page 23).

How Many Votes Do I Have?

You will have one vote for every share of j2 Global common stock you owned on March 15, 2004 (the record date).

How Many Votes Can Be Cast By All Stockholders?

23,139,596, which represents the total number of shares of j2 Global common stock that were outstanding on the record date.

How Many Votes Must Be Present to Hold the Meeting?

A majority of the votes that can be cast, or 11,569,799 votes. We urge you to vote by proxy even if you plan to attend the Annual Meeting, so that we will know as soon as possible that enough votes will be present for us to hold the Meeting.

What is the Required Vote to Approve Each Proposal?

In the election of directors, the five nominees receiving the highest number of votes will be elected to the j2 Global Board of Directors, whether or not such number of votes for any individual represents a majority of the votes cast. For the ratification of Deloitte & Touche LLP as our independent auditors, the vote of the holders of a majority of shares of j2 Global common stock present or represented and entitled to vote at the Annual Meeting is required.

How Do I Vote?

You can vote either in person at the Annual Meeting or by proxy without attending the Annual Meeting.

To vote by proxy, you must fill out the enclosed proxy card, date and sign it, and return it in the enclosed postage-paid envelope.

Table of Contents

If you want to vote in person at the Annual Meeting, and you hold your j2 Global stock through a securities broker (that is, in street name), you must obtain a proxy from your broker and bring that proxy to the meeting.

Can I Revoke My Proxy?

Yes. Just send in a new proxy card with a later date or send a written notice of revocation to j2 Global's Secretary at 6922 Hollywood Boulevard, Suite 500, Los Angeles, California 90028. In addition, if you attend the Annual Meeting and want to vote in person, you can request that your previously submitted proxy not be used. Attendance at the Annual Meeting will not by itself revoke a proxy.

What If I Don't Vote For a Matter Listed On My Proxy Card?

If you return a proxy card without indicating your vote, your shares will be voted for the nominees listed on the card and for the ratification of Deloitte & Touche LLP as auditors for 2004 and otherwise in accordance with the judgment of the person or persons voting the proxy on any other matter properly brought before the Annual Meeting.

What If I Vote Abstain ?

For the purpose of determining whether the stockholders have approved the ratification of Deloitte & Touche LLP, abstentions are treated as shares present or represented and entitled to vote, so abstaining has the same effect as a negative vote. An abstention has no effect on the outcome of the election of directors.

Can My Shares Be Voted If I Don't Return My Proxy Card and Don't Attend the Annual Meeting?

If you don't vote your shares held in street name, your broker can vote your shares on any matter scheduled to come before the meeting.

If your broker does not have discretion to vote your shares held in street name on a particular proposal and you don't give your broker instructions on how to vote your shares, or your broker has such discretion but does not exercise it, the votes will be broker non-votes, which will have no effect on the vote for any matter scheduled to be considered at the Annual Meeting but which will be counted for purposes of determining whether a quorum is present for transaction of business at the Annual Meeting.

If you don't vote your shares held in your name, your shares will not be voted and will not be counted for purposes of determining whether a quorum is present for transaction of business at the Annual Meeting.

What Happens if the Meeting is Postponed or Adjourned?

Your proxy will still be good and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is voted.

BOARD AND BOARD COMMITTEE INFORMATION

Director Independence

Douglas Y. Bech, Robert J. Cresci and Michael P. Schulhof are independent directors, as defined in the NASDAQ listing standards and as determined by our Board of Directors.

Board Meetings and Attendance at Annual Meeting

The Board of Directors of j2 Global held a total of eight meetings during 2003 and conducted business by written consent as well. During 2003, each director attended at least seventy-five percent (75%) of all of the meetings of the Board of Directors and the committees of which he was a member. The Company encourages, but does not require, members of the Board of Directors to attend annual stockholder meetings. Two of our directors attended last year's Annual Meeting.

Executive Sessions

In accordance with the Company's Corporate Governance Principles, executive sessions of non-management directors are held at least two times a year. The sessions are scheduled and chaired by the Chairman of the Audit Committee. Any non-management director can request that an additional executive session be scheduled.

Identifying Director Nominees; Consideration of Nominees of the Stockholders

The Board of Directors does not have a standing nominating committee or committee performing similar functions. The Board of Directors has determined that it is appropriate not to have a nominating committee because of the relatively small size of the Board of Directors, and because the entire Board of Directors effectively functions in the capacity of a nominating committee. In evaluating and determining whether to recommend a person as a candidate for election as a director, the Board of Directors considers the qualifications set forth in j2 Global's Corporate Governance Principles and follows the procedures set forth below when filling vacancies or adding a new Board member:

The Chairman of the Board identifies a need to add a new board member who meets specific criteria or to fill a vacancy on the board.

The entire Board of Directors, including a majority of the Independent Directors, confirms this need by voting in favor of the search.

The Board of Directors establishes an ad hoc search committee to coordinate the search, which will be chaired by the Chairman of the Board and have a majority of its members be Independent Directors.

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

The search committee initiates a broad ranging search for suitable candidates. In doing so, the committee may use the services of outside search firms and will consider recommendations from members of the Board of Directors, senior executives and stockholders.

The search committee will recommend a candidate to the full Board of Directors, who will vote on the recommendation, with the requirement that a majority of the Independent Directors make the final selection.

The Board of Directors will consider candidates recommended by stockholders, when the nominations are properly submitted, under the criteria in j2 Global's Corporate Governance Principles. The deadlines and procedures for stockholder submissions of director nominees are described below under [Deadline for Submitting Stockholder Proposals and Director Nominations for the Next Annual Meeting](#). Following verification of the stockholder status of persons proposing candidates, the Chairman of the Board makes an initial

Table of Contents

analysis of the qualifications of any candidate recommended by stockholders to determine whether the candidate is qualified for service on the Company's Board before deciding to undertake a complete evaluation of the candidate. Other than the verification of compliance with procedures and stockholder status, and the initial analysis performed by the Chairman, a potential candidate nominated by a stockholder is considered in the same manner as any other potential candidate during the review process by the Board.

Communications with the Board and the Audit Committee

The Board welcomes communications from stockholders and has adopted a procedure for receiving and addressing them. Interested parties may also submit complaints regarding accounting, internal accounting controls or auditing matters to our Audit Committee. Stockholders may send written communications to the entire Board, to the Audit Committee or to individual members, addressing them to j2 Global Communications, Inc., 6922 Hollywood Boulevard, Suite 500, Los Angeles, California 90028, Attention: Corporate Secretary. Communications by e-mail should be addressed to *investor@j2global.com* and marked Attention: Corporate Secretary in the Subject field.

Board Compensation

Each director, other than Richard S. Ressler who is separately compensated as an employee of a consultant that provides his services to the Company, receives an annual retainer of \$20,000. Each member of the Audit Committee receives an additional \$10,000 per annum (with an additional \$10,000 per annum paid for service as the Chairman of the Audit Committee). The Chairman of the Investor Relations Committee also receives an additional \$20,000 per annum.

The services of Mr. Ressler as Chairman of the Board are provided to j2 Global pursuant to a consulting agreement. See Report of the Compensation Committee of the Board of Directors on Executive Compensation Compensation of j2 Global's President and Chairman beginning on page 17 for a description of the terms of that agreement.

j2 Global's directors are also eligible to participate in j2 Global's 1997 Stock Option Plan. During 2003, Mr. Schulhof exercised options and warrants to purchase 233,750 shares of common stock at prices ranging from \$1.88 to \$3.60 per share and sold those shares on the open market. Also during 2003, Mr. Rieley exercised options to purchase 41,250 shares of common stock at prices ranging from \$1.88 to \$7.05 per share. No other options or warrants were exercised by any of j2 Global's directors in 2003. See Executive Officer Compensation and Other Matters 1997 Stock Option Plan beginning on page 13 for a description of the terms of j2 Global's 1997 Stock Option Plan.

Board Committees

The Board of Directors has an Audit Committee and a Compensation Committee, each composed solely of independent directors as defined in the NASDAQ listing standards. The charters of the Audit Committee and Compensation Committee are posted under Corporate Governance in the Investor Relations portion of j2 Global's Website at www.j2global.com.

The Board has determined that Mr. Cresci is an audit committee financial expert as that term is defined in the SEC rules adopted pursuant to the Sarbanes-Oxley Act. Options Granted in Last Fiscal Year

The following table provides certain information regarding stock options granted during the fiscal year ended December 31, 2003 to j2 Global's executive officers. As required by SEC rules, the table sets forth the hypothetical gains that would exist for the shares subject to such options based on assumed annual compounded rates of stock price appreciation during the option term.

Greggory Kalvin .	30,000	14%	\$ 13.75	05/08/2013	259,419	657,419

- (1) The potential realizable value illustrates value that might be realized upon exercise of options immediately prior to the expiration of their terms, assuming the specified compounded rates of appreciation of the market price per share from the date of grant to the end of the option term. Actual gains, if any, on stock option exercise are dependent upon a number of factors, including the future performance of j2 Global's common stock and the timing of option exercises, as well as the optionee's continued employment through the vesting period. The gains shown are net of the option exercise price, but do not include deductions for taxes and other expenses payable upon the exercise of the option or for sale of underlying shares of j2 Global's common stock. There can be no assurance that the amounts reflected in this table will be achieved.

- (2) All stock options granted have 10-year terms and are exercisable with respect to twenty-five percent (25%) of the shares covered thereby on each anniversary of the date of grant, with full vesting occurring four years following the date of grant. See 1997 Stock Option Plan beginning on page 13 for provisions regarding acceleration of the vesting of options.
- (3) j2 Global granted stock options to purchase 212,323 shares of j2 Global's common stock to employees in the fiscal year ended December 31, 2003.
- (4) Options were granted at an exercise price equal to the closing market value of j2 Global's common stock as listed on The NASDAQ National Market on the grant date.
- (5) The exercise price and tax withholding obligations may be paid in cash and, subject to certain conditions or restrictions, by delivery of already-owned shares.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The following table sets forth certain information with respect to stock options exercised by j2 Global's executive officers during the fiscal year ended December 31, 2003. In addition, the table sets forth the number of shares covered by unexercised stock options held by j2 Global's executive officers as of December 31, 2003, and the value of in-the-money stock options, which represents the positive spread between the exercise price of a stock option and the market price of the shares subject to such option as of December 31, 2003.

- (2) The value realized represents the difference between the per share closing price of j2 Global's common stock on the day of exercise and the exercise price of the options, and does not necessarily indicate that the optionee sold such stock.

Employment Contracts, Termination of Employment and Change of Control Arrangements

j2 Global currently has employment contracts with each of Messrs. Jarus and Zucker. j2 Global also has consulting agreements with Orchard Capital Corporation, which supplies the service of Mr. Ressler, and with Boardrush Media LLC, which supplies the services of John F. Rieley, a director and co-founder, and Jens Muller, a former director and a co-founder. See Report of the Compensation Committee of the Board of Directors on Executive Compensation Compensation of j2 Global's President and Chairman beginning on page 17 for a description of the terms of the Orchard Capital consulting agreement, and see Certain Transactions Consulting Agreements beginning on page 24 for a description of the terms of the Boardrush consulting agreement.

Mr. Jarus Contract. Mr. Jarus entered into an employment agreement with j2 Global upon joining j2 Global as President on July 8, 2001. Under this agreement, Mr. Jarus receives a base salary of \$270,000 per year and is eligible to participate in j2 Global's executive bonus program. He also is entitled to participate in all of j2 Global's benefits programs. If j2 Global terminates his employment constructively or for any reason other than cause, Mr. Jarus is entitled to severance and continued participation in j2 Global's health insurance coverage for six months following the date of termination. These severance and continued health insurance coverage obligations would cease in the event Mr. Jarus were to become employed by another company during this period. Also pursuant to this employment agreement, during 2001 j2 Global loaned Mr. Jarus \$500,000 towards the purchase of a home in the Los Angeles area. The loan was repaid in full in May 2003.

In accordance with this agreement, j2 Global issued Mr. Jarus options to purchase 500,000 shares of j2 Global's common stock at an exercise price of \$2.01 per share, which was the closing price of j2 Global's common stock on the NASDAQ National Market on the trading day preceding his date of employment. The agreement provides for accelerated vesting of a portion of Mr. Jarus' options if he is terminated without cause or constructively terminated within one year following a change in control of j2 Global. Mr. Jarus' options are governed by j2 Global's 1997 Stock Option Plan. See 1997 Stock Option Plan beginning on this page for a description of the terms of j2 Global's 1997 Stock Option Plan.

Mr. Zucker's Contract. This employment agreement has no specified term and is terminable at will by either party, but provides for severance payments equal to six months' salary in the event of a termination by j2 Global without cause.

1997 Stock Option Plan

j2 Global's 1997 Stock Option Plan was adopted by the Board of Directors and approved by the stockholders in November 1997. In May 2001, j2 Global amended and restated the 1997 Stock Option Plan to permit the issuance of restricted stock under the plan. A total of 5,000,000 shares of j2 Global's common stock have been reserved for issuance under the plan. As of December 31, 2003, options to purchase 2,629,626 shares of common stock were outstanding under the plan, 1,284,318 shares had been issued upon exercise of previously granted options and no shares of restricted stock were outstanding under the plan.

The plan provides for grants to employees, including officers and employee directors, of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and for grants of non-statutory stock options and restricted stock awards to employees, including officers and employee directors, and consultants, who may be non-employee directors.

The plan is administered by the Compensation Committee of j2 Global's Board of Directors. The plan administrator determines the terms of the options granted and restricted stock awarded, including the exercise price of each option, the number of shares subject to each option and

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

covered by each restricted stock award and the vesting of each option and restricted stock award. The plan administrator also has the full power to select the individuals to whom options and restricted stock will be granted and to make any combination of grants to any participants.

Table of Contents

Options generally have a term of 10 years. For options granted in 1999 and prior years, one-third of the options vested on the one-year anniversary of the grant date and each of the remaining one-third portions of the options vested on each annual anniversary of the grant date thereafter. For options granted after 1999, one-quarter of the options vest on the one-year anniversary of the grant date and each of the remaining one-quarter portions of the options vest on each annual anniversary of the grant date thereafter.

The option exercise price may not be less than the higher of the par value or one hundred percent (100%) of the fair market value of j2 Global's common stock on the date of grant. However, non-statutory options may be granted at exercise prices of not less than the higher of the par value or eighty-five percent (85%) of the fair market value of j2 Global's common stock on the date the option is granted. In the case of an incentive option granted to a person who at the time of the grant owns stock representing more than ten percent (10%) of the total combined voting power of all classes of j2 Global's common stock, the option exercise price for each share of common stock covered by such option may not be less than one hundred ten percent (110%) of the fair market value of a share of j2 Global's common stock on the date of grant of such option.

In the event of, among other things, a sale of all or substantially all of j2 Global's assets, or j2 Global's merger with or into another corporation, each option and each share of restricted stock will become immediately exercisable in full unless the Board of Directors determines that the holder has been offered substantially identical replacement options or replacement shares of restricted stock, as the case may be, and a comparable position at the acquiring company.

2001 Employee Stock Purchase Plan

j2 Global's 2001 Employee Stock Purchase Plan (the Purchase Plan) was adopted by the Board of Directors and approved by the stockholders in May and June 2001, respectively. A total of 1,000,000 shares of j2 Global's common stock have been reserved for issuance under the Purchase Plan. As of December 31, 2003, 109,379 shares had been issued under the Purchase Plan and 890,621 shares were available for future issuance. The Purchase Plan is administered by the Compensation Committee of j2 Global's Board of Directors.

The Purchase Plan is implemented through sequential offerings, each of which is referred to as an offering, the terms of which are referred to herein as offering periods. Generally, each offering period is for three months or such other duration as the Compensation Committee shall determine, not to exceed 27 months. Offering periods commence on or about February 1, May 1, August 1 and November 1 of each year and end on or about the next April 30, July 31, October 31 and January 31, respectively.

The purchase price per share for an offering under the Purchase Plan is ninety percent (90%) of the lesser of (a) the fair market value of a share of common stock on the commencement of the offering or (b) the fair market value of a share of common stock on the date of purchase. However, the Compensation Committee, in its sole discretion, may change the purchase price at which each share of common stock may be acquired in an offering so long as the purchase price is not less than eighty-five percent (85%) of the lesser of (x) the fair market value of a share of common stock on the commencement of the offering or (y) the fair market value of a share of common stock on the date of purchase.

By executing an agreement to participate in the Purchase Plan, an eligible employee is entitled to purchase shares under the Purchase Plan, or a purchase right. The purchase right consists of an option to purchase a maximum number of shares of common stock determined by either (1) dividing fifteen percent (15%) of such eligible employee's compensation during the offering period by the purchase price of a share of common stock for such offering period or (2) dividing \$12,500 by the fair market value of a share of common stock on the last date of such offering period, whichever is less. If the aggregate number of shares to be purchased upon exercise of purchase rights granted in the offering would exceed the maximum aggregate number of shares available for issuance under the Purchase Plan, the Compensation Committee would make a pro rata allocation of shares available in a uniform and equitable manner. Unless the employee's participation is discontinued, his or her right to

purchase shares is exercised automatically at the end of each offering period.

Table of Contents

Any employee of j2 Global or of any parent or subsidiary corporation of j2 Global designated by the Compensation Committee for inclusion in the Purchase Plan is eligible to participate in an offering under the Purchase Plan so long as the employee has been employed by j2 Global or any designated parent or subsidiary corporation of j2 Global for at least 30 days and is customarily employed at least 20 hours per week and five months per calendar year. However, no employee who owns or holds options to purchase, or as a result of participation in the Purchase Plan would own or hold options to purchase, five percent (5%) or more of the total combined voting power or value of all classes of stock of j2 Global or of any parent or subsidiary corporation of j2 Global is entitled to participate in the Purchase Plan. In addition, no employee is entitled to purchase more than \$25,000 worth of stock (determined based on the fair market value of the shares at the time such rights are granted) under all employee stock purchase plans of j2 Global in any calendar year.

REPORT OF THE COMPENSATION COMMITTEE

OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

General

The Compensation Committee of j2 Global's Board of Directors administers the Company's compensation programs, including its stock option and employee stock purchase plans; recommends to the Board, for approval by a majority of independent directors, the compensation to be paid to the Company's executives; recommends to the Board of Directors changes to j2 Global's compensation policies and benefits programs; and otherwise seeks to ensure that j2 Global's compensation philosophy is consistent with j2 Global's best interests and is properly implemented. The Committee currently is comprised of three independent non-employee directors.

Compensation Philosophy

The goals of j2 Global's compensation program are to align compensation with j2 Global's overall business objectives and performance, to foster teamwork and to enable j2 Global to attract, retain and reward employees who contribute to its long-term success. The Committee also seeks to establish compensation policies that allow j2 Global flexibility to respond to changes in its business environment.

Compensation Components

Compensation for j2 Global's executives generally consists of salary, participation in an executive bonus program, and stock option grants and restricted stock awards. The Committee helps the Board of Directors assess past performance and anticipated future contribution of each executive officer in recommending to the Board of Directors, for approval by a majority of independent directors, the total amount and mix of each element of compensation.

Salary. Base salaries are evaluated annually for all executive officers. In determining appropriate salary levels for such officers to recommend to the Board of Directors for its approval, the Compensation Committee considers, among other factors, the officer's scope of responsibility, prior experience, and past performance and data on prevailing compensation levels in relevant markets for executive talent.

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

Bonus Programs. j2 Global has established two bonus programs one for executives and eligible managers, and the other for all other employees not eligible for the executive plan.

Executive Bonus Program. The bonus program for j2 Global's executives and eligible managers is designed to encourage and reward senior management for (a) attaining Company-wide financial goals, (b) improving the financial and operational health of j2 Global, and (c) meeting or exceeding individually defined goals and objectives for each executive and eligible manager. j2 Global's Compensation Committee administers this program subject to final approval by a majority of independent directors. Under this program, j2 Global will establish a bonus pool in an amount that will vary based upon j2 Global achieving specific pre-defined financial criteria. If j2 Global achieves 100% of these goals, the bonus pool will equal a percentage of the total annual base salaries of all eligible participants. The bonus pool can increase or decrease based upon greater than or less than 100% of these financial criteria being

Table of Contents

satisfied. After public release of j2 Global's 2004 year-end audited financial statements, the Compensation Committee will recommend to the Board of Directors for approval by a majority of independent directors the total amount of the pool, and the amount to be distributed to each participant. The Board of Directors is not obligated to distribute the entire accrued bonus pool, although it expects to do so.

Employee Bonus Program. The bonus program for all of j2 Global's employees (other than those eligible for the Executive Bonus Program) is designed to encourage and reward extraordinary performance. It is referred to by j2 Global as its Reward & Recognition Program. Under this program, j2 Global will accrue throughout 2004 an amount equal to 5% of the total annual base salaries and hourly compensation for all employees (except those eligible for the Executive Bonus Program). The timing and amount of each individual reward is determined by the employee's senior manager, with the concurrence of j2 Global's President. Awards may occur at any time throughout the year, and are based on an individual's singular contribution or the contribution of a group of individuals who work as a team. As this pool is intended to reward exceptional effort or accomplishment, there is no guarantee that the entire accrued bonus pool will actually be awarded.

Stock Options and Restricted Stock. Stock option and restricted stock awards are designed to align the interests of executives and employees with the long-term interests of the stockholders. The Compensation Committee approves option grants and restricted stock awards subject to vesting periods to retain executives and employees and encourage sustained contributions. The typical vesting period of options is four-years, 25% on each of the first four anniversaries of the date of grant. The exercise price of options is generally the market price on the date of grant. To date, there have been no grants of restricted stock.

Compensation of j2 Global's President and Chairman

Mr. Jarus joined j2 Global as President in July 2001. His services are provided to j2 Global pursuant to an employment agreement. See Executive Officer Compensation and Other Matters Employment Contracts, Termination of Employment and Change of Control Arrangements beginning on page 13 for a description of the terms of his employment agreement. The terms of Mr. Jarus' employment agreement were determined by the Compensation Committee based upon various subjective factors, such as Mr. Jarus' responsibilities, qualifications and years of experience.

Mr. Ressler's services as Chairman of the Board are provided pursuant to a consulting arrangement with Orchard Capital Corporation, a company controlled by Mr. Ressler. Mr. Ressler is the Manager of Orchard/JFAX Investors, LLC, one of j2 Global's principal stockholders. Under this consulting arrangement, which runs for consecutive six-month terms, Orchard Capital's compensation is \$275,000 per year. The agreement is terminable by either party by written notice delivered at least 30 days prior to commencement of the next six-month term. The compensation payable to Orchard Capital pursuant to this consulting arrangement was determined by the Compensation Committee based upon a formal compensation survey and analysis conducted by a third party compensation consultant at the request of the Compensation Committee.

AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Directors in its oversight of j2 Global's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the Committee are independent, as required by applicable listing standards of Nasdaq. The Committee operates pursuant to a Charter that was last amended and restated by the Board on February 20, 2003, a copy of which is attached to this Proxy Statement as Appendix A. As set forth in the Charter, management of j2 Global is responsible for the preparation, presentation and integrity of j2 Global's financial statements, j2 Global's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing j2 Global's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Committee has considered and discussed the audited financial statements with management and the independent auditors. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. Finally, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, has considered whether the provision of non-audit services by the independent auditors to j2 Global is compatible with maintaining the auditor's independence and has discussed with the auditors the auditor's independence.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to in the Charter, the Committee recommended to the Board that the audited financial statements be included in j2 Global's Annual Report on Form 10-K for the year ended December 31, 2003 and filed with the Securities and Exchange Commission.

modified as to uncertainty, audit scope, or accounting principles. The decision to change accountants was approved by the Board of Directors of j2 Global.

In connection with the audit of the year ended December 31, 2001 and the subsequent interim period through December 11, 2002, there were no disagreements between j2 Global and KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or audit scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG LLP, would have caused it to make reference to the subject matter of the disagreement in their reports on the financial statements for such periods within the meaning of Item 304(a)(1)(iv) of Regulation S-K, an SEC rule. PERFORMANCE GRAPH

The following graph compares, for the period that j2 Global's common stock has been registered under Section 12 of the Exchange Act, the cumulative total stockholder return for j2 Global, the NASDAQ Telecommunications Index and an index of companies that j2 Global has selected and justified as its peer group. Measurement points are July 23, 1999 (the first trading day) and the last trading day in each of j2 Global's fiscal quarters through the end of fiscal 2003. The graph assumes that \$100 was invested on July 23, 1999 in j2 Global's common stock at the initial public offering price of \$19 per share and in each of the indexes, and assumes reinvestment of any dividends. No dividends have been declared or paid on j2 Global's common stock. The stock price performance on the following graph is not necessarily indicative of future stock price performance.

j2 Global has made a change to the membership of its peer group index this year because TeraGlobal Communications Corp., one of the seven companies included in the peer group when it was first used in j2 Global's May 2001 proxy statement, is no longer publicly traded. The peer group index now consists of the six surviving members of the peer group: Deltathree Inc., Easylink Services Corporation (formerly Mail.com, Inc.), I-Link Corporation, iBasis Inc., PTEK Holdings, Inc. and Tumbleweed Communications Corp. We believe that the peer group index provides a representative group of companies in the outsourced messaging and communications industry.

CERTAIN TRANSACTIONS

Indebtedness of Officers and Directors

As of December 31, 2003, Boardrush Media LLC (Boardrush) was indebted to j2 Global in the amount of \$173,078. j2 Global advanced this loan to Boardrush on March 17, 1997 and the principal amount of the loan was originally \$2,250,000. This loan matures on January 1, 2005 and bears interest at the rate of 6.32% per annum, with interest payments offset against amounts owed by j2 Global to Boardrush under the consulting agreement described below.

In connection with his engagement of employment and relocation to Los Angeles, and pursuant to his employment agreement, during 2001 j2 Global loaned Mr. Jarus \$500,000 towards the purchase of a home in the Los Angeles area. Mr. Jarus repaid this loan in full in May 2003.

Consulting Agreements

j2 Global has entered into the following consulting agreements with directors, officers and beneficial owners of more than five percent (5%) of j2 Global's common stock:

j2 Global is a party to a consulting agreement with Boardrush dated March 17, 1999, as amended in January 2000 and again in October 2001 (the Boardrush Agreement). Jens Muller, a co-founder and former director of j2 Global, is the Manager and therefore the controlling person of Boardrush. Pursuant to the Boardrush Agreement, Boardrush provides the services of Mr. Muller and John F. Rieley, a current director of j2 Global and also a co-founder, to j2 Global for a maximum of two days each per month. The Boardrush Agreement runs for a term ending on the earlier of the date the Boardrush loan described above is repaid in full, and January 1, 2005. Until March 17, 1999, j2 Global paid Boardrush \$400,000 per year, payable in equal monthly payments, pursuant to the Boardrush Agreement. From and after March 17, 1999, Boardrush's compensation under the Boardrush Agreement consists of forgiveness of interest and principal under the loan described above, with principal reductions being made pro rata over the period from March 17, 1999 through January 1, 2005.

Boardrush has the right to repay the loan at any time either in cash or in j2 Global's common stock valued at the then current market price. On July 27, 2000, Boardrush prepaid \$760,000 of the loan by delivering to j2 Global approximately 125,000 shares of j2 Global's common stock, valued at \$6.062 per share. As a result of this prepayment, and in accordance with the Boardrush Agreement, the following occurred: (a) the requirement in the Boardrush Agreement that Boardrush repay the loan with the proceeds of any sale of j2 Global's common stock after it has received in excess of \$6.0 million was terminated, and (b) Boardrush's pledge of 1,462,500 shares of j2 Global's common stock was extinguished.

Richard S. Ressler's services as Chairman of the Board are provided pursuant to a consulting arrangement with Orchard Capital Corporation, a company controlled by Mr. Ressler. Mr. Ressler is also a member and Manager of Orchard/JFAX Investors, LLC, one of j2 Global's principal stockholders. See Report of the Compensation Committee of the Board of Directors on Executive Compensation Compensation of j2 Global's President and Chairman beginning on page 17 for a description of the terms of this consulting arrangement.

Office Lease

j2 Global currently leases approximately 28,000 square feet of office space for its headquarters in Los Angeles, California under a lease that expires in January 2010. j2 Global leases the space from CIM/Hollywood, LLC, a limited liability company indirectly controlled by j2 Global's Chairman, Richard S. Ressler.

Investments in j2 Global by Officers, Directors and Principal Stockholders

Between December 1995 and March 1997, j2 Global issued a total of 3,455,000 shares of common stock to j2 Global's founders, Messrs. Muller and Rieley, 2,687,500 of which were canceled in March 1997 and reissued to Boardrush. Also in March 1997, j2 Global issued 5,030,000 shares of common stock to Orchard/JFAX Investors, LLC, and 110,000 shares of common stock to Nehemia Zucker. In connection with these issuances, j2 Global entered into a registration rights agreement with those investors. Under this agreement, the investors have the right to participate in registrations initiated by j2 Global, but do not have the right to demand that j2 Global effect a registration. These registration rights will expire on March 17, 2007.

In June 2001, j2 Global repurchased 503,844 shares of common stock and a warrant to acquire 234,376 shares of common stock for \$911,000 in cash from an investor group advised by Pecks Management Partners Ltd. (Pecks) consisting of Declaration of Trust for Defined Benefit Plans of Zeneca Holdings, Inc., Declaration of Trust for Defined Benefit Plans of ICI American Holdings, Inc., Delaware State Employees Retirement Fund and the J.W. McConnell Family Foundation. Robert J. Cresci, one of j2 Global's directors, is a Managing Director of Pecks. At the same time, Pecks sold 600,006 shares of j2 Global's common stock to a third party unaffiliated with j2 Global. Prior to disposing of these shares and warrants, Pecks had a right to cause j2 Global to repurchase these shares for \$6.40 per share and to purchase these warrants for \$3.20 per underlying share upon a change of control of j2 Global. In connection with Pecks' June 2001 sale of these shares and warrants, these repurchase rights were canceled.

In July 1998, in connection with a preferred stock issuance (which preferred stock was repurchased in 1999), j2 Global issued warrants to acquire a total of 1,562,500 shares of j2 Global's common stock to the following entities: (a) Donaldson, Lufkin & Jenrette Securities Corporation (DLJ), which acted as placement agent for the offering; (b) affiliates of DLJ; (c) R. Scott Turicchi, who at the time was an employee of DLJ; (d) Orchard/JFAX Investors, LLC; and (e) Pecks. As stated above, j2 Global repurchased the warrants issued to Pecks in June 2001. The remaining warrants, which have an exercise price of \$4.80 per share, expire July 1, 2005. Each of the warrant holders has a right to cause j2 Global to repurchase these warrants for \$3.20 per underlying share upon a change of control of j2 Global.

We believe that the transactions described above were made on terms no less favorable than could have been obtained from third parties. All transactions were negotiated at arms' length. j2 Global intends to have all future transactions between j2 Global and its officers, directors and affiliates be approved by a majority of disinterested members of j2 Global's Board of Directors or one of its committees, as appropriate, in a manner consistent with Delaware law and the fiduciary duties of j2 Global's directors.

DEADLINE FOR SUBMITTING STOCKHOLDER PROPOSALS AND DIRECTOR

NOMINATIONS FOR THE NEXT ANNUAL MEETING

Under Rule 14a-8 of the Exchange Act, certain stockholder proposals may be eligible for inclusion in j2 Global's proxy statement and form of proxy. The date by which stockholder proposals must be received by j2 Global so that they may be considered for inclusion in the proxy statement and form of proxy for the Company's 2005 Annual Meeting of Stockholders is November 22, 2004 (or if the date of the next j2 Global Annual Meeting is changed by more than 30 days from the date of the 2004 Annual Meeting, a reasonable time before j2 Global begins to print and mail its proxy materials). Under j2 Global's Bylaws, stockholder proposals which a stockholder does not seek to include in the proxy statement and form of proxy pursuant to Rule 14a-8 of the Exchange Act must be received by j2 Global not less than 60 days nor more than 90 days prior to the date of the next j2 Global Annual Meeting (unless there are fewer than 70 days between the date the next Annual Meeting is announced and the date it is held, in which case such advance notice must be given at least 10 days after the date of the announcement). Notice of a stockholder's intent to nominate candidates for election as directors must be submitted within the deadline for submission of stockholder proposals. Stockholder proposals or notices of intent to nominate candidates for election as directors should be submitted to j2 Global

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires j2 Global's officers (as defined in Rule 16a-1(f)), directors and persons who own more than ten percent (10%) of a registered class of j2 Global's equity securities to file reports of ownership and changes in ownership with the SEC. Such persons are required by SEC regulations to furnish j2 Global with copies of all Section 16(a) forms they file. Based solely on j2 Global's review of the copies of such forms received by j2 Global and written representations from certain reporting persons that they have complied with the relevant filing requirements, we believe that all filing requirements applicable to its officers, directors and ten percent (10%) stockholders were complied with during the fiscal year ended December 31, 2003.

COST OF ANNUAL MEETING AND PROXY SOLICITATION

j2 Global is paying the expenses of this solicitation. We also will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in sending proxy material to principals and obtaining their instructions. In addition to solicitation by mail, our directors, officers and employees may solicit proxies in person or by telephone, fax, email or similar means.

HOUSEHOLDING

As permitted by the Securities Exchange Act of 1934, only one copy of this Proxy Statement is being delivered to stockholders residing at the same address, unless such stockholders have notified j2 Global of their desire to receive multiple copies of the Proxy Statement.

j2 Global will promptly deliver, upon oral or written request, a separate copy of the Proxy Statement to any stockholder residing at an address to which only one copy was mailed. Requests for additional copies should be directed to j2 Global's Secretary, 6922 Hollywood Boulevard, Suite 500, Los Angeles, California 90028, (323) 860-9200.

AMENDED AND RESTATED

AUDIT COMMITTEE CHARTER

- I. Composition of the Audit Committee: The Audit Committee shall be comprised of at least three directors, each of whom shall not be an officer or employee of the Company or its subsidiaries, shall not have any relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and shall otherwise satisfy the applicable membership requirements under the rules of the National Association of Securities Dealers, Inc., as such requirements are interpreted by the Board of Directors in its business judgment.
- II. Purposes of the Audit Committee: The purposes of the Audit Committee are to assist the Board of Directors:
1. in its oversight of the Company's accounting and financial reporting principles and policies and internal audit controls and procedures;
 2. in its oversight of the Company's financial statements and the independent audit thereof;
 3. in selecting, evaluating and, where deemed appropriate, replacing the outside auditors (or nominating the outside auditors to be proposed for shareholder approval in any proxy statement); and
 4. in evaluating the independence of the outside auditors.

The function of the Audit Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements. Management and the internal auditing department are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The outside auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements, reviews of the Company's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Company and are not, and do not represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing, including in respect of auditor independence standards. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information; (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors); and (iii) representations made by management as to any information technology, internal audit and other non-audit services provided by the auditors to the Company.

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

The outside auditors for the Company are ultimately accountable to the Board of Directors (as assisted by the Audit Committee). The Board of Directors, with the assistance of the Audit Committee, has the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditors (or to nominate the outside auditors to be proposed for shareholder approval in the proxy statement).

The outside auditors shall submit to the Company annually a formal written statement delineating all relationships between the outside auditors and the Company (Statement as to Independence), addressing each non-audit service provided to the Company and the matters set forth in Independence Standards Board No. 1.

Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

 - (iv) to consider the effect of the outside auditors' provision of (a) information technology consulting services relating to financial information systems design and implementation and (b) other non-audit services to the Company on the independence of the outside auditors (it being understood that the Audit Committee will rely on the accuracy of the information provided by the outside auditors as to the services provided and the fees paid and will rely on the representations of management in connection with such consideration); and
