(Attach extra sheets if needed.)

The Registrant was unable to file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2004 in a timely manner since it is reviewing with its current and former independent accountants information relating to previously recorded deferred tax assets of approximately \$4.8 million. Upon completion of the review, the Registrant will finalize its quarterly financial statements and determine whether any amendment is appropriate for its previously filed periodic reports. The Registrant believes that any possible amendment to historical financial statements, even if deemed necessary, would have no impact on the Registrant's historical income from operations, cash balances, or cash flow from operations.
