The principals of the firm of Woods Rogers PLC and members of their immediate families beneficially own shares of common stock of Registrant.

ITEM 6: INDEMNIFICATION OF DIRECTORS AND OFFICERS OF THE COMPANY.

Section 13.1-692.1 of the Code of Virginia, 1950, as amended, places a limitation on the liability of officers and directors of a corporation in any proceeding brought by or in the right of the corporation or brought by or on behalf of shareholders of the corporation. The damages assessed against an officer or director arising out of a single transaction, occurrence, or course of conduct shall not exceed the greater of \$100,000 or the amount of cash compensation received by the officer or director from the corporation during the 12 months immediately preceding the act or omission for which liability was imposed. The statute also authorizes the corporation, in its articles of incorporation or, if approved by the shareholders, in its bylaws, to provide for a different specific monetary limit on, or to eliminate entirely, liability. The liability of an officer or director shall not be limited if the officer or director engaged in willful misconduct or a knowing violation of the criminal law or any federal or state securities law. Registrant's Articles of Incorporation contain a provision which eliminates, to the full extent that the laws of the Commonwealth of Virginia permit, the liability of an officer or director of Registrant to the corporation or its shareholders for monetary damages for any breach of duty as a director or officer.

Registrant's Articles of Incorporation also require Registrant to indemnify any director or officer who is or was a party to a proceeding, including a proceeding by or in the right of the corporation, by reason of the fact that he is or was such a director or officer or is or was serving at the request of Registrant as a director, officer, employee or agent of another entity. Directors and officers of Registrant are entitled to be indemnified against all liabilities and expenses incurred by the director or officer in the proceeding, except such liabilities and expenses as are incurred because of his or her willful misconduct or knowing violation of the criminal law. Unless a determination has been made that indemnification is not permissible, a director or officer also is entitled to have Registrant make advances and reimbursement for expenses prior to final disposition of the proceeding upon receipt of a written undertaking from the director or officer to repay the amounts advanced or reimbursed if it is ultimately determined that he or she is not entitled to indemnification. The Board of Directors of Registrant also has the authority to extend to employees, agents, and other persons serving at the request of Registrant the same indemnification rights held by directors and officers, subject to all of the accompanying conditions and obligations.

Virginia Code Section 13.1-700.1 permits a court, upon application of a director or officer, to review Registrant's determination as to a director's or officer's request for advances, reimbursement or indemnification. If it determines that the director or officer is entitled to such advances, reimbursement or indemnification, the court may order Registrant to make advances and/or reimbursement for expenses or to provide indemnification, in which case the court shall also order Registrant to pay the officer's or director's reasonable expenses incurred to obtain the order. With respect to a proceeding by or in the right of the corporation, the court may order indemnification to the extent of the officer's or director's reasonable expenses if it determines that, considering all the relevant circumstances, the officer or director is entitled to indemnification even though he or she was adjudged liable, and may also order Registrant to pay the officer's and director's reasonable expenses incurred to

obtain the order.

Registrant has the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of Registrant, or is or was serving at the request of Registrant as a director, officer, employee or agent of another entity, against any liability asserted against or incurred by such person, in any such capacity or arising from his or her status as such, whether or not Registrant would have the power to indemnify such person against such liability under the Articles of Incorporation.

Registrant maintains a directors and officers legal liability insurance policy. The policy provides coverage, subject to certain deductible or retention amounts, for (i) Registrant's directors and officers against losses by reason of their wrongful acts, and (ii) Registrant against claims against the directors and officers by reasons of their wrongful acts for which Registrant is required to indemnify or pay, all as such terms are defined in the policy and subject to the terms, conditions and exclusions contained therein.

ITEM 9: UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or material change to such information in the Registration Statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Edgar Filing: RGC RESOURCES INC - Form S-8

- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registrant statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling persons of the registrant in the successful defense of any action, suit or proceedings) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction to question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
