PROXY STATEMENT

March 23, 2005

GENERAL

This Proxy Statement and the accompanying proxy card are being mailed to Shareholders of Westamerica Bancorporation (Westamerica or the Corporation) beginning on or about March 23, 2005. The Westamerica Board of Directors is soliciting proxies to be used at the 2005 Annual Meeting of Westamerica Shareholders, which will be held at 11:00 a.m. P.T., Thursday, April 28, 2005, or at any adjournment or postponement of the Meeting. Proxies are solicited to give all Shareholders of record an opportunity to vote on matters to be presented at the Annual Meeting. In the following pages of this Proxy Statement, you will find information on matters to be voted on at the Annual Meeting.

Voting Information

Who Can Vote. You are entitled to vote if you were a Shareholder of record (Record Holder) of Westamerica common stock as of the close of business on February 28, 2005. Your shares can be voted at the Meeting only if you are present or represented by a valid proxy. If your shares of common stock are held by a bank, broker or other nominee in street name, you are a beneficial owner and will receive voting instructions from the record holder (including instructions, if any, on how to vote by telephone or through the Internet). You must follow these instructions in order to have your shares voted by proxy. To be able to vote in person at the Meeting, beneficial owners must obtain a proxy from the institution that holds your shares, indicating that you were the beneficial owner of the shares on February 28, 2005, the record date for voting.

Proxy Card. The Board has designated Arthur C. Latno, Jr., Ronald A. Nelson and Edward B. Sylvester to serve as Proxies for the Annual Meeting. As Proxies, they will vote the shares represented by proxies at the Annual Meeting. If you sign, date and return your proxy card but do not specify how to vote your shares, they will be voted by the Proxies in favor of the election of all of the director nominees. The Proxies will also have discretionary authority to vote in accordance with their judgment on any other matter that may properly come before the Meeting.

Quorum and Shares Outstanding. A quorum, which is a majority of the total shares outstanding as of the Record Date, must be present to hold the Meeting. A quorum is calculated based on the number of shares represented by Shareholders attending in person or by proxy. On February 28, 2005, 31,515,786 shares of Westamerica common stock were outstanding. We also count broker non-votes, which we describe below, as

shares present or represented at the Meeting for the purpose of determining whether a quorum exists.

Required Votes Election of Director Nominees. Each share is entitled to one vote, except in the election of directors where a Shareholder may cumulate votes as to candidates nominated prior to voting, but only

Table of Contents

when a Shareholder gives notice of intent to cumulate votes prior to the voting at the Meeting. If any Shareholder gives such notice, all Shareholders may cumulate their votes for nominees. Under cumulative voting, each share carries as many votes as the number of directors to be elected, and the Shareholder may cast all of such votes for a single nominee or distribute them in any manner among as many nominees as desired. In the election of directors, the ten nominees receiving the highest number of votes will be elected. If your proxy is marked **Withhold** with regard to the election of any nominee, your shares will be counted toward a quorum but they will not be voted for or against the election of that nominee.

Other Matters. Approval of any other matter considered at the Meeting will require the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the Meeting.

Broker Non-Votes. Broker non-votes will be included as **present** for the purpose of determining the presence of a quorum. A broker non-vote occurs under the stock exchange rules when a broker is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instruction is given on a timely basis. Brokers may vote at their discretion on routine matters, such as the election of directors, but not on non-routine matters.

How You Can Vote. Record Holders may vote by proxy or in person at the Meeting. To vote by proxy, you may select one of the following options:

Vote by Telephone. You can vote your shares by telephone by calling the toll-free telephone number shown on your proxy card. Telephone voting is available 24 hours a day, seven days a week. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. Our telephone voting procedures are designed to authenticate the Shareholder by using individual control numbers, which you will find on your proxy card. If you vote by telephone, you should **NOT** return your proxy card.

Vote by Internet. You can also choose to vote on the Internet. The web site for Internet voting is shown on your proxy card. Internet voting is available 24 hours a day, seven days a week. You will be given the opportunity to confirm that your instructions have been properly recorded. If you vote on the Internet, you should **NOT** return your proxy card.

If you vote by Internet or telephone, your vote must be received by 1:00 a.m., C.T., on April 28, 2005 to ensure that your vote is counted. For Westamerica Bancorporation Tax Deferred Savings/Retirement Plan (ESOP) participants, your vote must be received by 1:00 a.m., C.T., on April 26, 2005.

Vote by Mail. If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided.

Revocation of Proxy. Record Holders who vote by proxy, whether by telephone, Internet or mail, may revoke that proxy at any time before it is voted at the Meeting. You may do this by: (a) signing another proxy card with a later date and delivering it to us prior to the Meeting or sending a notice of revocation to the Corporate Secretary of Westamerica at 1108 Fifth Avenue, San Rafael, CA 94901; (b) voting at a later time by telephone or on the Internet prior to 1:00 a.m. C.T., on April 28, 2005; or (c) attending the Meeting in person and casting a ballot. If you hold shares in street name, you may change your vote by submitting new voting instructions to your broker or other nominee.

Additional Information

Multiple Copies of Annual Reports to Shareholders. If you and others who share your address own your shares in street name, your broker, bank or other holder of record may be sending only one Annual Report to your address. This process is commonly known as householding and will continue unless the broker, bank or other holder of record receives contrary instructions from you. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Annual Report, please notify your broker, bank or other holder of record.

At least one account at your address must continue to receive an Annual Report, unless you elect to receive future Annual Reports and Proxy Statements over the Internet. Mailing of dividends, dividend reinvestment statements, proxy materials, and special notices will not be affected by your election to discontinue duplicate mailings of the Annual Report.

Electronic Access to Proxy Materials and Annual Reports. This Proxy Statement and the 2004 Annual Report are available on the Corporation's Internet site at www.westamerica.com/investor_relations/index.html. If you hold your Westamerica common stock in street name through a broker, a bank or other nominee, you may have the option of securing your Proxy Statement and Annual Report over the Internet. If you vote this year's proxy electronically, you may also be able to elect to receive future Proxy Statements, Annual Reports and other materials electronically by following the instructions when you vote.

The Committee will annually recommend a slate of nominees to be submitted for election at each Annual Meeting. As part of that process, it will evaluate and consider all candidates submitted by Shareholders in accordance with the Corporation's bylaws and will consider each existing Board member's contributions to evaluate his or her experience as a Director prior to recommending for re-nomination each year. The Committee will apply the same standards to evaluate candidates whether the candidate was recommended by a Shareholder or otherwise. The minimum criteria set for all nominees is found below.

Nominating Directors: For the Annual Meeting to be held in 2006, the Nominating Committee will consider Shareholder nominations for election to the Board submitted in accordance with Section 2.14 of the Bylaws of the Corporation, which requires, among other things, that nominations be submitted in writing and must be received by the Corporate Secretary at least 45 days before the anniversary of the date on which the Corporation first mailed its proxy materials for the prior year's Annual Meeting of Shareholders. Board Compensation Committee Report⁽¹⁾

Overview. The Employee Benefits and Compensation Committee of the Board of Directors (the Committee) is comprised solely of directors who are not current or former employees of Westamerica Bancorporation and are independent, as that term is defined by applicable rules of NASDAQ. The Committee oversees the executive compensation program. The Committee recommends compensation for the CEO and other executive officers to the Board. The Committee evaluates the CEO's performance and compensation without the CEO present. This executive compensation program and annual evaluation process establishes a competitive base salary for each executive and offers incentive compensation which can provide additional compensation if established performance measures are achieved.

Compensation Objectives and Policies. The Committee seeks to ensure that:

incentive compensation is closely linked to company-wide, division and individual performance;

the interests of the Corporation's key employees are aligned with those of its shareholders through stock-based incentives and resulting stock ownership; and

compensation and benefits are set at levels that enable the Corporation to attract and retain highly qualified employees.

Over time, the Committee intends to limit base salary increases, creating an increasing reliance on incentives in the form of annual cash bonuses and stock-based awards to achieve targeted total compensation, thus increasing the percentage of total compensation dependent upon meeting specific performance objectives.

In determining total compensation, the Committee obtains competitive market data, comparing the Corporation's compensation practices to those of a peer group of companies. The peer group is comprised of companies in the banking industry with which the Corporation competes for executive talent and which are generally comparable with respect to business activities.

Base Salary and Bonus. Each executive officer named in the Summary Compensation Table receives a monthly base salary and is eligible to receive an annual cash bonus. Corporate performance measures are established each year based on the Corporation's business objectives. Specific criteria for each corporate objective are established for Threshold, Target, and Outstanding performance. Achievement of these annual corporate-level performance measures determines between 55% and 80% of the annual cash bonuses to be paid to each named executive, with the remaining 45% to 20% of the annual cash bonus determined by individual and division-level performance. This furthers the Committee's goal of linking management compensation to shareholder interests.

All employees, including corporate officers, are eligible to receive severance pay benefits in the event of a Change in Control, as defined in the Corporation's Severance Payment Plan (Severance Payment Plan). Benefits under the Severance Payment Plan vary based on years of service, corporate title, and salary, but are limited to a maximum benefit equal to one year's annual salary.

⁽¹⁾ The material in the Compensation Committee Report and the investment performance graph included elsewhere in this proxy statement is not soliciting material, is not deemed filed with the Securities and Exchange Commission, and is not to be incorporated by reference in any of the Corporation's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether

made before or after the date of this proxy statement and irrespective of any general incorporation language therein.

Stock Options and Restricted Performance Shares. Each named executive officer may be awarded an annual grant of stock options if one-year corporate-level goals are achieved. Stock options are priced at 100% of fair market value on the date of grant and generally vest over three years. Options generally expire ten years after grant. All named executive officers are also eligible to receive an annual grant of restricted performance shares. Restricted performance shares generally vest three years after grant but only if three-year corporate-level performance goals are met.

Performance Criteria. Specific criteria for each corporate objective are established for Threshold, Target, and Outstanding performance. During 2004, corporate performance measures for cash bonuses and stock option grants included meeting predetermined target levels for:

return on equity, return on assets and earnings per share;

credit quality measures;

revenue per share growth;

controlling non-interest expenses;

maintaining satisfactory audit results; and

improving service quality.

Additional corporate performance objectives for a three-year period are established by the Committee to accompany each grant of restricted performance shares. Whether each grant vests three years following the date of grant is determined by achievement of these pre-established, three-year performance objectives which may include one or more of the following:

earnings and diluted earnings per share;

revenue and revenue per diluted share;

expenses;

share price;

return on equity, return on assets;

return on equity and return on assets relative to the average return on equity for similarly-sized institutions;

Edgar Filing: WESTAMERICA BANCORPORATION - Form DEF 14A

efficiency ratio (operating expenses divided by operating revenue);

net loan losses as a percentage of average loans outstanding; and

nonperforming assets and nonperforming assets as a percentage of total assets.

Compensation of Chief Executive Officer. Mr. Payne's 2004 base salary was \$371,000 and annual cash bonus was \$450,000. His 2004 bonus (included in the Summary Compensation Table below) was related 80% to the achievement of the corporate goals listed above and 20% to the achievement of individual management goals. Individual management goals achieved in 2004 included satisfactory results from regulatory examinations, satisfactory compliance with internal control requirements, satisfactory progress on acquisition activity, satisfactory progress on systems upgrades, satisfactory progress on management succession and development plans, and satisfactory improvements in operational efficiency. Pursuant to the 1995 Stock Option Plan, Mr. Payne was granted 250,000 nonqualified stock options in January 2005 which was related to achievement of the 2004 performance measures. Compared to the corporate objectives, the Corporation:

achieved its core profitability objectives;

improved credit quality measures to better than targeted levels;

outperformed non-interest expense and control goals; and

improved efficiency measures to better than targeted levels.

Other. Internal Revenue Code (IRC) Section 162(m) places a limit of \$1,000,000 on the amount of compensation that may be deducted by the Corporation in any year with respect to certain of the Corporation s highest paid executives. Certain performance-based compensation is not counted toward this limit. The Corporation intends generally to qualify compensation paid to executive officers for deductibility under the IRC, including Section 162(m), but reserves the right to pay compensation that is not deductible under Section 162(m).

The Employee Benefits and Compensation Committee believes that the foregoing compensation programs and policies provide competitive levels of compensation, encourage long-term performance and promote management retention while further aligning shareholder and management interests in the performance of the Corporation and the Corporation s common stock.

Certain Employment Contracts

Westamerica entered into an employment agreement with Mr. Entwisle, dated January 7, 1987. Mr. Entwisle's annual base salary is \$134,280. The agreement is evergreen in the sense that the term of the agreement is automatically extended for one additional month upon completion of each additional month of employment unless Westamerica gives Mr. Entwisle one year's notice of intent to terminate. Westamerica may terminate Mr. Entwisle's employment without cause and Mr. Entwisle may terminate his employment for good reason, as defined in the agreement. Under such circumstances, however, Mr. Entwisle would be entitled to severance pay or liquidated damages equal to the sum of: (i) one time his annual base salary; (ii) his maximum bonus(es) had he remained employed one additional year past the date of termination; and (iii) an amount equal to his automobile allowance for the one year preceding the date of termination.

Hans T. Y. Tjian accepted a position with Westamerica as Senior Vice President and Manager of Operations and Systems Administration under the terms set forth in a letter agreement dated April 14, 1989. Under the terms of this agreement, Mr. Tjian is entitled to: (i) receive an annual salary of \$130,008; (ii) receive a car allowance of \$1,000 per month; (iii) participate in Westamerica's executive bonus plan; (iv) participate in the Corporation's Stock Option Plan; and (v) vacation leave. In addition, Mr. Tjian is entitled to receive severance pay equal to his annual base salary for one year, if his position is eliminated as a result of a Change of Control (as defined in the agreement).

Pension Agreement

During 1997, the Corporation entered into a nonqualified pension agreement (Pension Agreement) with Mr. Payne in consideration of Mr. Payne's agreement that restricted performance shares granted in 1995, 1996 and 1997 would be canceled. In January 2000, the Employee Benefits and Compensation Committee (the Committee), based on the Corporation's achievement of certain performance goals which had first been established for Mr. Payne's 1995, 1996, and 1997 restricted performance shares, determined Mr. Payne's annual pension will be \$511,950. The vested portion of the pension will be paid to Mr. Payne as a 20-year certain pension commencing at age 55. Mr. Payne became fully vested in the pension on December 31, 2002.

As part of the Pension Agreement, if Mr. Payne becomes subject to an excise tax as a result of the accelerated vesting of the pension in connection with a Change of Control (as defined in the Pension Agreement), Mr. Payne will also receive a cash payment equal to the sum of (i) the portion of any excise tax due attributable to the vested pension in excess of the portion of any excise tax that would be due if Mr. Payne's restricted performance shares had not been canceled, and (ii) the amount necessary to restore Mr. Payne to the same after-tax position as if no such excise tax had been imposed.

Deferred Compensation Agreement

In December 1998, the Corporation entered into a deferred compensation agreement with Mr. Payne for additional discretionary deferred compensation to provide an incentive to remain with the Corporation. The deferred compensation was to be delivered in the form of discretionary monthly company contributions to be deposited in a non-qualified deferred compensation plan. The Committee was to periodically review the accumulated deferred compensation balance, including investment performance, to determine if the additional discretionary company contributions were necessary to provide Mr. Payne with an appropriate level of benefits. The amount of such additional company contributions was to be determined quarterly by the Committee and be based on Mr. Payne's attainment of certain performance goals to include, but not be limited to, Shareholder returns, overall financial performance, merger and acquisition activities, loan review examinations, asset quality and related reserves, and revenue growth.

In 2002, the Committee and Mr. Payne mutually agreed that monthly contributions be temporarily suspended. As a result no contributions were made in 2003. Mr. Payne's deferred compensation award of \$456,430 was paid in a lump sum on January 1, 2004 pursuant to the provision that he be continuously employed through that date.

AUDIT COMMITTEE REPORT ⁽¹⁾

The Audit Committee is composed of four Directors who are neither officers nor employees of the Company, and who meet the independence requirements for Audit Committee members of NASDAQ and of the Securities and Exchange Commission (SEC). The Audit Committee selects, appoints and retains the Corporation's independent auditors and is responsible for their compensation and oversight.

In performing its functions, the Audit Committee acts only in an oversight capacity and necessarily relies on the work and assurances of the Corporation's management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, as part of their examination, express an opinion on the conformity of the Corporation's annual financial statements to generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited consolidated financial statements and discussed such statements with management and with KPMG LLP, the Corporation's independent auditors for the fiscal year 2004.

Management represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with generally accepted accounting principles. Management also represented that it performed an assessment of the effectiveness of internal controls over financial reporting as of December 31, 2004, and that adequate internal control over financial reporting for the corporation was maintained. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees) as amended, including the auditor's judgment about the quality as well as the acceptability of the Corporation's accounting principles, as applied in its financial reporting.

The Corporation's independent auditors also provided to the Audit Committee the written disclosures and the letter from the independent auditors required by the Independence Standards Board No. 1 (Independence Discussions with the Audit Committees). The Audit Committee discussed with the independent auditors the firm's independence.

Based on the Audit Committee's discussion with management and the independent auditors, the Audit Committee's review of the representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the SEC. The Audit Committee and the Board of Directors also have appointed the Corporation's independent auditors.

Dear Participant:

March 23, 2005

As a participant in the Westamerica Bancorporation Tax Deferred Savings/Retirement Plan (the Plan), you have an interest in the Annual Meeting of Shareholders of Westamerica Bancorporation which will be held on Thursday, April 28, 2005 (the Meeting). You may direct the Trustee of the Plan how to vote all full and fractional shares of Westamerica Bancorporation stock standing to the credit of your individual account(s) (from the Supplemental Retirement Plan Account, Employer Matching Contributions and Employee Contributions) as of February 28, 2005.

For your information, we have enclosed a copy of the Proxy Statement and the Annual Report supplied to shareholders of Westamerica Bancorporation. The enclosed Proxy Statement describes one proposal to be voted on by the shareholders of Westamerica Bancorporation at the Meeting. The Board of Directors of Westamerica Bancorporation recommends a vote FOR ALL NOMINEES. Please instruct the Trustee how to vote on this proposal by indicating your selection on the reverse Proxy.

Edgar Filing: WESTAMERICA BANCORPORATION - Form DEF 14A

If the Trustee does not receive written instructions from you before 1:00 a.m., C.T. on April 26, 2005, it will vote all the shares for which you are entitled to provide instruction in the same proportion as shares for which instructions are received. Under the terms of the Plan, with respect to fractional shares in plan accounts (from the Supplemental Retirement Plan Account, Employer Matching Contribution and Employee Contributions), the Trustee may pool the results of instructions received from all participants to whom fractional shares have been allocated and vote such shares accordingly.

The Trustee may also use its discretion in voting on any other business which may properly be brought before the Meeting (or any postponement or adjournment thereof) that was not specified in the Notice of Annual Meeting of Shareholders. Please instruct the Trustee how to vote your shares. A return envelope is enclosed for your convenience.

Sincerely yours,
Kris Irvine
