Except as described in this Statement, in the Information Statement (as defined below) or otherwise incorporated herein by reference, to the knowledge of the Company, as of the date of this Schedule, there are no material agreements, arrangements or understandings, nor any actual or potential conflicts of interest, between

the Company or its affiliates and (i) the Company's executive officers, directors or affiliates or (ii) Offeror, Acxiom or their respective executive officers, directors or affiliates.

Certain executive officers and directors of the Company have interests in the Offer and the Merger, which are described below and in the Information Statement pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended (the *Exchange Act*), and Rule 14f-1 thereunder (the *Information Statement*) that is attached as Annex I to this Statement and incorporated herein by reference, and which may present them with certain potential conflicts of interest.

In the case of each plan or agreement discussed below or in the Information Statement to which the term *change in control* applies, the consummation of the Offer would constitute a change in control.

(a) Arrangements with Executive Officers and Directors of the Company.

Certain contracts, agreements, arrangements or understandings between the Company and its directors and officers are described in the Information Statement, which is incorporated herein by reference. The descriptions of these agreements and arrangements in the Information Statement are qualified in their entirety by reference to the agreements filed as Exhibits (e)(7) through (e)(15) hereto, which are incorporated herein by reference.

Cash Consideration Payable Pursuant to the Offer. If the Company's directors and executive officers were to tender any Shares they own for purchase pursuant to the Offer, they would receive the same cash consideration on the same terms and conditions as the other stockholders of the Company. As of March 28, 2005, the Company's directors and executive officers owned 5,090,693 Shares in the aggregate (excluding the exercise of options to purchase Shares and Shares subject to forfeiture and a right of repurchase). Indemnification and Insurance. Section 145 of the DGCL permits a corporation to include in its charter documents, and in agreements between the corporation and its directors and officers, provisions expanding the scope of indemnification beyond that specifically provided by current law. The Company's Amended and Restated Certificate of Incorporation provides for the indemnification of the Company's directors to the fullest extent permissible under Delaware law. The Company's Bylaws provides for the indemnification of officers, directors and third parties acting on behalf of the Company, provided that such person acted in good faith and in a manner reasonably believed to be in and not opposed to the best interest of the Company and, provided further, with respect to any criminal action or proceeding, the indemnified party had no reason to believe his or her conduct was unlawful. set forth in the Company's organizational documents as in effect on the date of the Merger Agreement, in each case to the full extent permitted by applicable law. The Certificate of Incorporation and Bylaws of the Surviving Corporation will contain provisions with respect to exculpation and indemnification that are at least as favorable to the Indemnified Parties as those contained in the Certificate of Incorporation and Bylaws of the Company as in effect

on the date of the Merger Agreement, which provisions will not be amended, repealed or otherwise modified in any manner that would adversely affect the rights of the Indemnified Parties, unless such modification is required by law.

For a period of six years after the Effective Time, Acxiom has also agreed to cause the Surviving Corporation to maintain directors' and officers' liability insurance covering those persons who are covered by the Company's directors' and officers' liability insurance policy as of the date of the Merger Agreement in an amount and on terms no less favorable than those applicable to the current directors and officers of the Company.

Item 4. *The Solicitation or Recommendation.*

(a) Solicitation/Recommendation.

At a meeting held on March 24, 2005, the Board of Directors, by unanimous vote of all of its directors, (i) determined that the Merger Agreement and the transactions contemplated thereby (including the Offer and the Merger) are advisable and are fair to and in the best interests

Edgar Filing: DIGITAL IMPACT INC /DE/ - Form SC 14D9

of the Company's stockholders, (ii) approved the Merger Agreement and the transactions contemplated thereby (including the Offer and the Merger), which approval constituted approval under Section 203 of the DGCL, and (iii) recommended that the Company's stockholders accept the Offer and tender their Shares pursuant to the Offer.

Accordingly, the Board of Directors unanimously recommends that the Company's stockholders accept the Offer and tender their Shares pursuant to the Offer.

A letter to stockholders communicating the Board of Directors' recommendation and the press release issued by the Company announcing the execution of the Merger Agreement are filed as Exhibits (a)(5) and (a)(6) hereto, respectively, and are incorporated herein by reference.

(b) Background.

In mid-October of 2004, the Company received a letter from infoUSA Inc. (*infoUSA*) in which infoUSA proposed to acquire all of the Shares for \$2.00 per Share either all in cash or or in cash and stock. The Company received another letter from infoUSA in early November of 2004 indicating infoUSA's continued interest to engage in discussions regarding a potential business combination transaction with the Company. The Company responded to this letter on November 16, 2004, indicating that the Company did not want to proceed with discussions with infoUSA at that time.

On February 10, 2005, the Company received a letter from infoUSA stating that it was prepared to propose an acquisition of all of the Shares for \$2.00 per Share in cash (the *February Letter*). On the same day, infoUSA issued a press release announcing its proposal to acquire Digital Impact for \$2.00 per Share in cash.

On February 10, 2005, the Company issued a press release stating that it had received the February Letter and that the Board of Directors was reviewing the proposal contained in the February Letter in accordance with its fiduciary duties.

Following the February 10, 2005 public announcements, the Company received several inquiries from third parties regarding potential business combination transactions with the Company.

In meetings held on February 14, 16 and 17, 2005, the Board of Directors considered the current financial plan of the Company, and received a report from management on the operations, the projected financial performance and strategic position of the Company. The Board of Directors also reviewed its fiduciary duties in reviewing its strategic alternatives, including potential business combination transactions. The Board of Directors also instructed management to explore introductory meetings with those third parties that had contacted the Company after the February Letter. The Board of Directors did not make any decision with respect to any particular strategic direction for the Company.

On February 15, 2005, Acxiom contacted the Company to inquire whether the Company would be interested in discussing a possible business combination in view of recent events.

On February 18, 2005, the Company entered into a confidentiality and standstill agreement with Acxiom. During the next several days, the Company entered into similar confidentiality and standstill agreements with other third parties.

On February 18, 2005, a representative of the Company telephoned a representative of infoUSA to indicate that the Company would provide infoUSA with a formal response to the February Letter in the following week.

On February 24, 2005, infoUSA commenced an unsolicited tender offer to purchase all of the Shares for a cash purchase price per Share of \$2.00 (the *Unsolicited Offer*). The Company issued a press release on the same day urging its stockholders to take no action with respect to the Unsolicited Offer until such time as the Board of Directors, in consultation with independent legal and financial advisors, could carefully consider and evaluate the Unsolicited Offer and issue its recommendation to the Company's stockholders.

Edgar Filing: DIGITAL IMPACT INC /DE/ - Form SC 14D9

On February 25 and 26, 2005, representatives of Acxiom met with representatives of the Company. The parties discussed their respective businesses. In addition, Acxiom again inquired whether the Company would be interested in discussing a possible business combination transaction. During the week of February 28, 2005, the Company contacted Acxiom to indicate that the Company would like to move forward with discussions and the parties scheduled a meeting to be held on March 10, 2005.

On March 4, 2005, the Board of Directors held a meeting, at which the Board of Directors, after a review of its fiduciary duties and careful consideration and consultation with management and independent legal and financial advisors, unanimously determined (i) that the Unsolicited Offer was financially inadequate and not in the best interests of the Company's stockholders and (ii) to recommend that the Company's stockholders reject the Unsolicited Offer and not tender their Shares. At this meeting, the Board of Directors also adopted a

stockholder rights plan, amended and restated existing retention agreements with certain of its key employees, and adopted a 2005 Employee Retention Plan. On March 7, 2005, the Company issued a press release and filed a Solicitation/Recommendation Statement with the SEC on Schedule 14D-9, pursuant to which the Board of Directors communicated these determinations. Also, at the March 4, 2005 meeting, the Board of Directors directed management to work with Credit Suisse First Boston, the Company's financial advisor, to identify and contact other third parties that may have an interest in discussing a possible business combination transaction.

On March 10, 2005, representatives of Acxiom met with representatives of the Company. At the meeting, the Company shared a management presentation with Acxiom. The Company indicated that it had received inquiries from other third parties regarding a possible transaction, but that the Company had not commenced negotiations with any party. Subsequent to the meeting, Acxiom indicated to the Company its desire to have a follow-up meeting for Acxiom to share with the Company its management presentation.

On March 11, 2005, a representative of Acxiom spoke to a representative of the Company and again inquired if the Company would be interested in entering discussions regarding a possible business combination transaction at a proposed price. The Company indicated that it would prefer to remain independent rather than pursue a business combination at the proposed price.

During March 2005, the Company continued to have exploratory discussions with other parties regarding a possible business combination transaction with the Company.

During this period, the Company also amended its confidentiality agreement to revise the standstill provision with each of the parties with whom the Company had previously entered into confidentiality agreements, including Acxiom and used the revised form of confidentiality agreement with subsequent third parties.

During the week of March 14, 2005, a representative of the Company provided due diligence materials to Acxiom and indicated that the Company believed that there was long-term value in pursuing the Company's business plan and that before entering into any discussions regarding a possible business combination, any potential acquirer would need to at least provide the Company's stockholders similar value. Although the parties were substantially apart on valuation, Credit Suisse First Boston LLC (*Credit Suisse First Boston*) delivered to Acxiom a form of merger agreement which Wilson Sonsini Goodrich & Rosati, the Company's legal counsel (*WSGR*) had previously prepared for distribution to interested third parties.

On March 16, 2005, Charles Morgan, Chairman of Acxiom, spoke with William Park, Chairman of Digital Impact, by telephone and discussed a range of valuations for a potential transaction, and based on this discussion, they agreed that they and their representatives would meet the following day.

On March 17, 2005, representatives of the Company met with representatives of Acxiom to continue to discuss whether the parties could agree on a valuation range in order to commence negotiations. The parties had significant differences on valuation, which they were unable to resolve at the meeting.

Later that day after the meeting had ended, Acxiom indicated it would like the Company to make a presentation to representatives of Stephens Inc., Acxiom's financial advisor (*Stephens*), to explain the Company's rationale with respect to valuation. On March 18 and 19, 2005, the parties scheduled a meeting with Acxiom's financial advisors and the Company the following week. Representatives of Acxiom indicated that they needed to better understand the Company's prospects to substantiate a higher valuation.

During this period, the Company continued to engage in preliminary discussions with other third parties about potential business combination transactions.

On March 21, 2005, representatives of Acxiom and the Company held telephonic discussions with respect to a possible transaction.

On March 22, 2005, outside legal counsel to the Company sent to outside legal counsel of infoUSA a confidentiality agreement with a standstill provision which was substantially similar to the revised form of confidentiality agreement the Company had executed with third parties. The Company never received an executed copy of such agreement.

During the evening of March 22, 2005 and the morning of March 23, 2005, representatives of Acxiom and the Company, including representatives of Stephens and Credit Suisse First Boston met to discuss the Company's prospects and valuation of a potential transaction. Also on March 22, 2005, the Company received comments to its form of merger agreement from Kutak Rock LLP, legal counsel to Acxiom (*Kutak Rock*).

Beginning on March 23, 2005, representatives of Kutak Rock and representatives of WSGR engaged for the first time to discuss the proposed transaction and commence negotiations of the terms and conditions of definitive agreements. Acxiom's management and counsel continued meetings with the Company's management and counsel for purposes of conducting further due diligence on the Company.

On March 23, 2005, the Board of Directors met to review the financial and other terms of the proposed transaction and draft agreements under discussion, including the significant open issues under negotiation between the parties. WSGR also reviewed with the Board of Directors its fiduciary duties with respect to the proposed transaction. The Board of Directors authorized management to continue negotiations and advise the Board of Directors of its progress.

By March 24, 2005, the parties had negotiated the principal terms of a merger agreement subject to approval by their respective boards of directors. On March 24, 2005, the Board of Directors held a special meeting to review, with the advice and assistance of WSGR and Credit Suisse First Boston, the proposed terms and conditions of the proposed transaction and the current draft of the merger agreement. Representatives of WSGR summarized for the Board of Directors the terms of the most recent draft of the merger agreement that had been negotiated by the parties as well as the remaining issues that remained to be negotiated by the parties, and reviewed with the Board of Directors its fiduciary duties in considering the proposed transaction. At such meeting, Credit Suisse First Boston reviewed with the Board of Directors various financial analyses and conveyed the oral opinion of Credit Suisse First Boston (subsequently confirmed in writing) that, as of March 24, 2005 and based upon and subject to the considerations set forth in its opinion, the consideration to be received by the holders of the Shares in the Offer and the Merger, was fair, from a financial point of view, to such holders, other than affiliates of the Company. Following Credit Suisse First Boston's delivery of its opinion, and after careful consideration, the Board of Directors unanimously (i) determined that the merger agreement and the transactions contemplated thereby (including the Offer and the Merger) are advisable and are fair to and in the best interests of the Company's stockholders, (ii) approved the merger agreement and the transactions contemplated thereby (including the Offer and the Merger), which approval constituted approval under Section 203 of the DGCL, and (iii) recommended that the Company's stockholders accept the Offer and tender their Shares pursuant to the Offer. The Board of Directors also approved the Rights Amendment. The Board of Directors authorized management to negotiate the remaining open items.

On March 24, 2005, Acxiom informed the Company that its board of directors had approved the transaction and had authorized its management to negotiate the remaining open items.

On March 25, 2005, the Company filed an amendment to its Schedule 14D-9 with respect to the Unsolicited Offer disclosing that it had reached an agreement under which Acxiom would propose to acquire all of the Shares for a purchase price of \$3.50 per Share in cash.

On March 25, 2005, the parties continued to negotiate the final terms of the merger agreement. The Merger Agreement was completed and executed late in the afternoon, California time, on Friday, March 25, 2005. On March 26 and March 27, the parties worked on a joint press release and other communications materials. A joint press release announcing the execution of the Merger Agreement, and the transactions contemplated thereby, including the Offer and the Merger, was issued on March 28, 2005.

On March 29, 2005, infoUSA issued a press release announcing the termination of the Unsolicited Offer.

On April 1, 2005, Acxiom commenced the Offer.

(c) Reasons for Recommendation.

In approving the Merger Agreement and the other transactions contemplated thereby, including the Offer and the Merger, and recommending that all holders of Shares accept the Offer and tender their Shares pursuant to the Offer, the Board of Directors consulted with its financial and legal advisors and with senior management of the Company and considered a number of factors including the following:

1. *Financial Condition and Prospects of the Company.* The Board of Directors' knowledge and familiarity with the Company's business, financial condition, results of operations, the Company's financial plan and prospects of the Company if it were to remain independent. The Board of Directors discussed and deliberated at length concerning the Company's current financial plan, including the risks associated with achieving and executing upon the Company's business plans, as well as the competitive environment in which the Company operates.
2. *Premium over the Unsolicited Offer.* The fact that the Offer Price represents a premium of approximately 75% more per Share than the Unsolicited Offer of \$2.00 per Share. The Board of Directors also reviewed and considered financial analyses provided by, and its discussions with, Credit Suisse First Boston in connection with the Unsolicited Offer.
3. *Analysis and Presentation of Management.* The Board of Directors reviewed and considered the analyses and presentations by senior management of the Company regarding the business, operations, sales, management and competitive position of the Company, including management's view that the Offer is fair to the stockholders of the Company, and that the Offer is in the best interests of the Company and its stockholders.
4. *Financial Analyses and Opinion of Credit Suisse First Boston.* At a meeting of the Board of Directors held on March 24, 2005, the Board of Directors reviewed and considered the presentation of Credit Suisse First Boston concerning the Company, Acxiom and the financial aspects of the Offer and the Merger, including the opinion of Credit Suisse First Boston, which was orally conveyed to the Board of Directors on March 24, 2005, and subsequently confirmed in writing, to the effect that, as of March 24, 2005 and based upon and subject to the considerations set forth in its opinion, the consideration to be received by the holders of the Shares pursuant to the Offer and the Merger was fair, from a financial point of view, to such holders, other than affiliates of the Company, which opinion is attached hereto as Annex II and incorporated herein by reference.
5. *Historical Trading Prices.* The historical market prices, volatility and trading information with respect to the Common Stock, including the fact that the Offer represents (i) a premium of approximately 53% over the \$2.29 closing price of the Shares on the Nasdaq Stock Market (*Nasdaq*) on March 24, 2005, the last full trading day prior to the public announcement of the execution of the Merger Agreement, and (ii) a premium of approximately 145% over the \$1.43 closing price of the Shares on Nasdaq on February 9, 2005, the last full trading day prior to the first public announcement of the February Letter.
6. *Results of Discussions with Third Parties.* The results of discussions with certain other third parties regarding a possible business combination, acquisition or similar transaction with the Company.
7. *Terms of the Merger Agreement.* The provisions of the Merger Agreement, including the respective representations, warranties and covenants and termination rights of the parties and termination fees payable by the Company, including without limitation:

Edgar Filing: DIGITAL IMPACT INC /DE/ - Form SC 14D9

- a. *Cash Tender Offer.* The Offer and the Merger provide for a prompt cash tender offer for all Shares to be followed by a merger for the same consideration, thereby enabling the Company's stockholders, at the earliest possible time, to obtain the benefits of the transaction in exchange for their Shares.

- b. *No Financing Condition.* Acxiom's obligations under the Offer are not subject to any financing condition, the representations of Acxiom in the Merger Agreement that it has and will have sufficient funds available to it to consummate the Offer and the Merger, and Acxiom's financial strength.
 - c. *No Solicitation.* The provisions in the Merger Agreement that provide for the ability of the Board of Directors to respond to unsolicited acquisition proposals, if (A) the Board of Directors determines in good faith (after consultation with its outside legal counsel and its financial advisor) that the acquisition proposal is, or is reasonably likely to result in, a Superior Offer (as defined in Section 6.1(f) of the Merger Agreement) and (B) the Board of Directors determines in good faith (after consultation with its outside legal counsel) that the failure to take such actions would be inconsistent with its fiduciary duties.
 - d. *Change in Recommendation.* The Board of Directors has the right, prior to the purchase of Shares pursuant to the Offer, to withhold, withdraw, amend or modify its approval or recommendation to the Company's stockholders of the Merger Agreement, the Offer or the Merger under certain circumstances.
 - e. *Fiduciary Termination Right.* The Board of Directors has the right, prior to the purchase of Shares pursuant to the Offer, to terminate the Merger Agreement upon a Change of Recommendation (as defined in Section 6.1 of the Merger Agreement) in order to enter into a definitive agreement with respect to a Superior Offer, if, concurrent with such termination, the Company pays to Acxiom a \$5,250,000 termination fee.
 - f. *Certainty of Closure.* The reasonable likelihood of the consummation of the transactions contemplated by the Merger Agreement.
8. *Failure to Close; Public Announcement.* The possibility that the transactions contemplated by the Merger Agreement may not be consummated, and the effect of public announcement of the Merger Agreement, including effects on the Company's sales, operating results and stock price, and the Company's ability to attract and retain key management and sales and marketing personnel.
 9. *Extension of Offer Period.* Under certain circumstances, Acxiom is required to extend the Offer up to July 25, 2005 if certain conditions are not satisfied as of any expiration date.
 10. *Business Reputation.* The business reputation and capabilities of Acxiom and its management.
 11. *Economic Climate.* The current regional, national and international economic climate, including variability in stock prices on Nasdaq.

The foregoing discussion of information and factors considered and given weight by the Board of Directors is not intended to be exhaustive, but is believed to include all of the material factors considered by the Board of Directors. In view of the variety of factors considered in connection with its evaluation of the Offer and the Merger, the Board of Directors did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its determinations and recommendations. In addition, individual members of the Board of Directors may have given different weights to different factors. In arriving at their respective recommendations, the directors of Digital Impact were aware of the interests of executive officers and directors of Digital Impact as described under "Past Contracts, Transactions, Negotiations and Agreements" in Item 3 hereof.

(d) Intent to Tender.

To the Company's knowledge, all of Digital Impact's executive officers, directors, affiliates and subsidiaries currently intend to sell or tender for purchase pursuant to the Offer any Shares owned of record or beneficially owned other than Shares subject to forfeiture and a right of repurchase. The summary of the Stockholder Agreements contained in Section 11 of the Offer to Purchase is incorporated herein by reference. Such summary is qualified in its entirety by reference to the Stockholder Agreements.

Item 5. Person/Assets, Retained, Employed, Compensated Or Used.

Except as set forth below, neither the Company nor any person acting on its behalf has employed, retained or agreed to compensate any person to make solicitations or recommendations to the stockholders of the Company concerning the Offer.

Credit Suisse First Boston. The Board of Directors retained Credit Suisse First Boston to act as its financial advisor in connection with, among other things, the Offer and the Merger. Credit Suisse First Boston was selected by the Board of Directors based on Credit Suisse First Boston's qualifications, expertise and reputation. Credit Suisse First Boston is an internationally recognized investment banking and advisory firm. Credit Suisse First Boston, as part of its investment banking business, is continuously engaged in the valuation of businesses and securities in connection with mergers and acquisitions, leveraged buyouts, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. From time to time, Credit Suisse First Boston and its affiliates have in the past provided and in the future Credit Suisse First Boston may provide, investment banking and other financial services to Digital Impact and Acxiom, for which Credit Suisse First Boston has received, and would expect to receive, compensation. In the ordinary course of business, Credit Suisse First Boston and its affiliates may acquire, hold or sell, for their own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of Digital Impact, Acxiom and any other company that may be involved in the Offer or the Merger, as well as provide investment banking and other financial services to such companies.

(c) Except as indicated in Items 3 and 4 above, there are no transactions, board resolutions, agreements in principle or signed contracts in response to the Offer that relate to or would result in one or more of the matters referred to in this Item 7.

Item 8. *Additional Information.*

Section 14(f) Information Statement. The Information Statement attached as Annex I hereto is being furnished in connection with the possible designation by Acxiom and Offeror, pursuant to the terms of the Merger Agreement, of certain persons to be elected to the Board of Directors other than at a meeting of the Company's stockholders.

Stockholder Approval. The Company has represented in the Merger Agreement that the execution and delivery of the Merger Agreement by the Company and the consummation by the Company of the transactions contemplated by the Merger Agreement have been duly and validly authorized by the Board of Directors, and no other corporate proceedings on the part of the Company are necessary to authorize the Merger Agreement or to consummate the transactions so contemplated, other than, with respect to the Merger, the approval of the Merger Agreement by the holders of at least a majority of the outstanding Shares prior to the consummation of the Merger (unless the Merger is consummated pursuant to the short-form merger provisions). According to the Company's certificate of incorporation, the Shares are the only securities of the Company outstanding, which entitle the holders thereof to voting rights. If following the purchase of Shares by Offeror pursuant to the Offer, Offeror and its affiliates own more than a majority of the outstanding Shares, Offeror will be able to effect the Merger without the affirmative vote of any other stockholder of the Company.

Edgar Filing: DIGITAL IMPACT INC /DE/ - Form SC 14D9

Short-Form Merger. The DGCL provides that if a parent company owns at least 90 percent of each class of stock of a subsidiary, the parent company can effect a short-form merger with that subsidiary without the action of the other stockholders of the subsidiary. Accordingly, if as a result of the Offer or otherwise Offeror acquires or controls the voting power of at least 90 percent of the Shares, Acxiom would be obligated in the Merger Agreement (subject to the conditions to its obligations to effect the Merger contained in the Merger Agreement), to effect the Merger without prior notice to, or any action by, any other stockholder of the Company if permitted

to do so under the DGCL. Even if Acxiom and Offeror do not own 90 percent of the outstanding Shares following consummation of the Offer, Acxiom and Offeror could seek to purchase additional Shares in the open market, from the Company or otherwise in order to reach the 90 percent threshold and effect a short-form merger. The consideration paid per Share for any Shares after acquired in the open market could be greater or less than that paid in the Offer.

Delaware Anti-Takeover Law. Section 203 of the DGCL (*Section 203*) prevents certain business combinations with an interested stockholder (generally, any person who owns or has the right to acquire 15 percent or more of a corporation's outstanding voting stock) for a period of three years following the time such person became an interested stockholder, unless, among other things, prior to the time the interested stockholder became such, the board of directors of the corporation approved either the business combination or the transaction in which the interested stockholder became such. The Board of Directors approved for purposes of Section 203 the Merger Agreement and the consummation of the transactions contemplated thereby and has taken all appropriate action so that Section 203, with respect to the Company, will not be applicable to Acxiom and Offeror by virtue of such actions. In addition, the Board of Directors approved for purposes of Section 203 the Stockholder Agreements between Acxiom and each of the stockholders party thereto and the transactions contemplated thereby and has taken all appropriate action so that Section 203 with respect to the Company will not be applicable to Acxiom and Offeror by virtue of such action.

United States Antitrust. Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the *HSR Act*), and the related rules and regulations that have been issued by the Federal Trade Commission (the *FTC*), certain acquisition transactions may not be consummated until certain information and documentary material (*Premerger Notification and Report Forms*) have been furnished to the FTC and the Antitrust Division of the Department of Justice (the *Antitrust Division*) and certain waiting period requirements have been satisfied. These requirements of the HSR Act apply to the acquisition of Shares in the Offer and the Merger.

Under the HSR Act, the purchase of Shares in the Offer may not be completed until the expiration of a 15 calendar day waiting period following the filing by Acxiom of a Premerger Notification and Report Form concerning the Offer with the FTC and the Antitrust Division, unless the waiting period is earlier terminated by the FTC and the Antitrust Division. Acxiom has filed a Premerger Notification and Report Form with the FTC and the Antitrust Division in connection with the purchase of Shares in the Offer and the Merger, and the required waiting period with respect to the Offer and the Merger will expire 15 calendar days after such filing unless earlier terminated by the FTC and the Antitrust Division or Acxiom and Offeror receive a request for additional information or documentary material (a *Second Request*) prior to that time. If within the 15 calendar day waiting period either the FTC or the Antitrust Division issues a Second Request to Acxiom or Offeror, the waiting period with respect to the Offer and the Merger would be extended for an additional period of ten calendar days following the date of substantial compliance by Acxiom and Offeror with that request. Only one extension of the waiting period pursuant to a request for additional information is authorized by the HSR Act and the rules promulgated thereunder. After that time, the waiting period could be extended only by a court order or with Acxiom's and Offeror's consent. The FTC or the Antitrust Division may terminate the additional ten calendar day waiting period before its expiration. In practice, complying with a Second Request can take a significant period of time. The Company has also filed its Premerger Notification and Report Form with the FTC and the Antitrust Division in connection with the Offer, and could possibly receive a Second Request from either the FTC or the Antitrust Division. Failure by the Company to comply with an applicable Second Request will not extend the waiting period with respect to the purchase of Shares in the Offer. The Merger will not require an additional filing under the HSR Act if Offeror owns at least 50 percent of the outstanding Shares at the time of the Merger or if the Merger occurs within one year after the HSR Act waiting period applicable to the Offer expires or is terminated.

At any time before or after Offeror's purchase of Shares pursuant to the Offer, the Antitrust Division or the FTC could take such action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the purchase of Shares pursuant to the Offer or the Merger or seeking the divestiture of

Shares acquired by Offeror or the divestiture of substantial assets of Acxiom or its subsidiaries, or of the Company or its subsidiaries. Private parties and state governments may also bring legal action under the antitrust laws under certain circumstances. While Digital Impact believes that consummation of the Offer would not violate any antitrust laws, there can be no assurance that a challenge to the Offer on antitrust grounds will not be made or, if a challenge is made, what the result will be. If any such action is threatened or commenced by the FTC, the Antitrust Division or any state or any other person, Offeror may not be obligated to consummate the Offer.

Appraisal Rights. No appraisal rights are available in connection with the Offer. However, if the Merger is consummated, persons who are then stockholders of the Company will have certain rights under Section 262 of the DGCL to dissent and demand appraisal of, and payment in cash of the fair value of, their Shares. Such rights, if the statutory procedures were complied with, could lead to a judicial determination of the fair value (excluding any element of value arising from the accomplishment or expectation of the Merger) required to be paid in cash to such dissenting stockholders for their Shares. Any such judicial determination of the fair value of Shares could be based upon considerations other than, or in addition to, the price paid in the Offer and the Merger and the market value of the Shares, including asset values and the investment value of the Shares. The value so determined could be more or less than the purchase price per Share pursuant to the Offer or the consideration per Share to be paid in the Merger.

In addition, several decisions by Delaware courts have held that, in certain instances, a controlling stockholder of a corporation involved in a merger has a fiduciary duty to the other stockholders to ensure that the merger is fair to such other stockholders. In determining whether a merger is fair to minority stockholders, the Delaware courts have considered, among other things, the type and amount of consideration to be received by the stockholders and whether there were fair dealings among the parties. Although the remedies of rescission or other damages are possible in an action challenging a merger as a breach of fiduciary duty, decisions of the Delaware courts have indicated that in most cases the remedy available in a merger that is found not to be fair to minority stockholders is a damages remedy based on essentially the same principles as an appraisal unless the controlling stockholder used coercion or fraud to induce the merger.

The foregoing summary of the rights of dissenting stockholders under the DGCL does not purport to be a complete statement of the procedures to be followed by stockholders desiring to exercise any appraisal rights under the DGCL. The preservation and exercise of appraisal rights require strict adherence to the applicable provisions of the DGCL. Appraisal rights cannot be exercised at this time. The information set forth above is for informational purposes only with respect to alternatives available to stockholders if the Merger is consummated. Stockholders who will be entitled to appraisal rights in connection with the Merger will receive additional information concerning appraisal rights and the procedures to be followed in connection therewith before such stockholders have to take any action relating thereto. Stockholders who sell Shares in the Offer will not be entitled to exercise appraisal rights.

Stockholder Rights Plan. Pursuant to the Rights Agreement, the Board of Directors declared a dividend of one Right to purchase one one-thousandth of a share of the Company's Series A Participating Preferred Stock (*Series A Preferred*) for each outstanding Share. Each Right entitles the registered holder to purchase from the Company one one-thousandth of a share of Series A Preferred at an exercise price of \$10.00 (the *Purchase Price*), subject to adjustment.

In connection with the Merger Agreement, the Company and the Rights Agent entered into the Rights Amendment. The effect of the Rights Amendment is to permit the execution of the Merger Agreement and the performance and consummation of the transactions contemplated by the Merger Agreement, including the Offer and the Merger, without triggering the separation or exercise of the Rights or any adverse event under the Rights Agreement.

The Rights Amendment generally provides that (i) Acxiom shall not be an Acquiring Person under the Rights Agreement solely by virtue of entering into the Merger Agreement and the performance of the transactions contemplated thereby, including the Offer and the Merger and (ii) the entry into the Merger

Agreement, the Offer, the Merger and the performance of the transactions contemplated thereby shall not result in the grant of Rights to any person under the Rights Agreement or enable or require the Rights to be exercised, distributed or triggered.

Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Schedule 14D-9. You are receiving this Information Statement in connection with the possible appointment of persons designated by Acxiom Corporation, a Delaware corporation (*Acxiom*), to the board of directors of the Company (the *Company Board*). Such designation is to be made pursuant to an Agreement and Plan of Merger, dated as of March 25, 2005 (the *Merger Agreement*), by and among Acxiom, Adam Merger Corporation, a Delaware corporation and wholly-owned subsidiary of Acxiom (the *Offeror*) and the Company.

This Information Statement is required by Section 14(f) of the Securities Exchange Act of 1934, as amended (the *Exchange Act*), and Rule 14f-1 thereunder. This Information Statement supplements certain information in the Solicitation / Recommendation Statement filed on Schedule 14D-9 to which this Information Statement is attached as Annex I. YOU ARE URGED TO READ THIS INFORMATION STATEMENT CAREFULLY. YOU ARE NOT, HOWEVER, REQUIRED TO TAKE ANY ACTION.

Pursuant to the Merger Agreement, on April 1, 2005, Offeror commenced a cash tender offer to purchase all outstanding Shares at a price of \$3.50 per Share, net to the holder thereof in cash, without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase dated April 1, 2005 (the *Offer to Purchase*) and the related Letter of Transmittal (which, together with the Offer to Purchase, as each may be amended or supplemented from time to time, constitute the *Offer*). Copies of the Offer to Purchase and the Letter of Transmittal have been mailed to stockholders of the Company and are filed as exhibits to the Tender Offer Statement on Schedule TO filed by Offeror and Acxiom with the Securities and Exchange Commission (the *SEC*) on April 1, 2005. The Offer is scheduled to expire at 12:00 Midnight on April 28, 2005. However, Offeror is required to extend the Offer from time to time in accordance with the terms of the Merger Agreement, as necessary, until all of the conditions to the Offer have been satisfied or waived.

Following the successful completion of the Offer, upon approval by a stockholder vote, if required, Offeror will be merged with and into the Company (the *Merger*). The Offer, the Merger and the Merger Agreement are more fully described in the Schedule 14D-9 to which this Information Statement is attached as Annex I, which was filed by the Company with the SEC on April 1, 2005 and which is being mailed to stockholders of the Company along with this Information Statement.

The information contained in this Information Statement concerning Acxiom, Offeror and the Acxiom Designees (as defined below) has been furnished to the Company by either Acxiom or Offeror, and the Company assumes no responsibility for the accuracy or completeness of such information.

General

The Common Stock is the only class of voting securities of the Company outstanding that is entitled to vote at a meeting of the stockholders of the Company. Each Share entitles its record holder to one vote on all matters submitted to a vote of the Company's stockholders. As of March 28, 2005, there were 37,406,514 Shares issued and outstanding.

Acxiom Designees

The Merger Agreement provides that, effective upon the acceptance for payment of the Shares pursuant to the Offer, Acxiom will be entitled to elect or designate such number of directors (the *Acxiom Designees*), rounded up to the next whole number, on the Company Board as is equal to the product of (i) the total number of directors on the Company Board (giving effect to the directors elected by Acxiom pursuant to the Merger Agreement) and (ii) the percentage that the number of Shares owned by Acxiom and Offeror bears to the total number of Shares then outstanding. Promptly following a request by Acxiom, the Company shall take all action reasonably necessary to cause the Acxiom Designees to be elected or appointed to the Company Board, including, without limitation, at the option of Acxiom, increasing the number of directors (and amending the Bylaws if so required), or seeking and accepting resignations of incumbent directors, or both. As of March 28, 2005, the Company's directors and executive officers held options to purchase 478,750 Shares in the aggregate, 376,145 of which were vested and exercisable as of that date, with exercise prices ranging from \$0.73 to \$17.50 and an aggregate weighted average exercise price of \$1.31 per Share. As of March 28, 2005, the Company's directors and executive officers held 654,477 shares of restricted stock in the aggregate, all of which were subject to forfeiture and the right of repurchase of the Company as of that date. Any unvested equity awards held by the Company's directors and executive officers were issued pursuant to the Company's 1998 Stock Plan, as amended and restated, or the Company's 1999 Director Equity Plan, as amended and restated, filed as Exhibits (e)(9) and (e)(10) to the Schedule 14D-9, respectively (collectively, the *Plans*). (the Company) other than affiliates of the Company of the Consideration (as defined below) to be received by such holders, pursuant to the terms of the Agreement and Plan of Merger (the Merger Agreement) to be entered into by and among Acxiom Corporation (the Acquiror), Adam Merger Corporation, a wholly owned subsidiary of the Acquiror (Purchaser), and the Company. The Merger Agreement provides for, among other things, (i) the commencement by Purchaser of a tender offer (the Offer) to purchase all of the outstanding shares of Company Common Stock at a purchase price of \$3.50 per share in cash (the Consideration) and (ii) the subsequent merger (the Merger and, together with the Offer, the Transaction) of Purchaser with and into the Company pursuant to which the Company will become a wholly owned subsidiary of the Acquiror and each share of Company Common Stock not owned by the Acquiror or Purchaser will be converted into the right to receive the Consideration.

In arriving at our opinion, we have reviewed a draft of the Merger Agreement dated March 24, 2005 and certain related documents, as well as certain publicly available business and financial information relating to the Company.
